2. The congress shall have power to enforce this article by appropriate legislation.

Corporate License Tax on Organization of Church Society

The corporate license tax imposed under R. C. M. 1947, section 84-1501 et seq., on the agricultural activities of a religious society formed for the purposes of farm-

ing, stock growing, and other branches of agriculture does not conflict with constitutional provisions relating to religious freedom. *State v. King Colony Ranch*, 137 M 145, 350 P 2d 841.

Sec. 8.

City of Bozeman v. Ramsey, 139 M 148, 362 P 2d 206, 211.

Laws Not Violating This Provision

Statute amending initiative act providing for honorarium for World War II veterans eligible to receive honorariums did not violate this section. *Cottingham v. State Board of Examiners*, 134 M 1, 328 P 2d 907, 918.

The provisions of section 32-1625, relating to the costs of relocating utility facilities, do not violate this section. *Jones v. Burns*, 138 M 268, 357 P 2d 22, 35.

Sec. 14.

Just Compensation

In eminent domain proceedings, the jury findings will generally not be disturbed on appeal unless they are so obviously and palpably out of proportion to the injury done as to be in excess of just compensation provided by this section.

State v. Peterson 134 M 52, 328 P 2d 617, 620.

Sec. 15.

Rights-of-Way of Necessity

There are no implied grants or reservations of rights-of-way of necessity in Montana. Property for roads must be con-

demned. *Simonson v. McDonald*, 131 M 494, 311 P 2d 982, 984, overruling *Herrin v. Sieben*, 46 M 226, 127 P 323, and *Violet v. Martin*, 62 M 335, 205 P 221.

Sec. 16.

Perfection of Appeal

Even though supreme court dismissed appeal in criminal case because court-appointed counsel was late in filing notice of appeal, the court considered the questions presented on appeal because defendant had no voice in the appointment of counsel. *State v. Frodsham*, 139 M 222, 362 P 2d 413, 418.

Right to Introduce Evidence

In a murder prosecution the court properly refused to permit the defendant to introduce the results of a lie-detector test given five and one-half months after the crime to which it referred. *State v. Hollywood*, 138 M 561, 358 P 2d 437, 444.

Kuhl v. District Court, 139 M 536, 366 P 2d 347, 362.

Sec. 18.

Double or Former Jeopardy

Defendant charged with sale of intoxicating liquor to a minor was not placed in former jeopardy in violation of this

section, by a dismissal of the complaint upon his demurrer in justice court without any further proceedings. *State v. Moore*, 138 M 379, 357 P 2d 346, 347.

Sec. 19.

Amount of Bail

The amount of bail which the judge may fix is within his sound legal discretion, and is always to be a reasonable amount. *State v. McLeod*, 131 M 478, 311 P 2d 400, 407.

The trial judge in determining the amount of bail to be fixed, should take into consideration the enormity of the crime charged; the maximum penalty which the law authorizes; the pecuniary condition of the defendant; the probability of the defendant's flight to avoid punishment; his general character and reputation; the apparent nature and strength of

the proof as bearing upon the probability of his conviction; and other matters bearing upon the particular case. *State v. McLeod*, 131 M 478, 311 P 2d 400, 407.

Court did not err in refusing defendant's motion to reduce bail which was initially set at \$25,000, where the person assaulted was in a very precarious condition and it was not known whether he would live or die. When the judge was advised that the victim would probably live, he reduced the bail to \$7,500 which was a very reasonable amount. *State v. McLeod*, 131 M 478, 311 P 2d 400, 407, 408.

Sec. 20.

Tax Penalty

The double penalty provided for in the income tax statute (84-4924, subd. 2, before the 1955 amendment) did not violate this section. *State ex rel. Hardy v. State Board of Equalization*, 133 M 43, 319 P 2d 1061, 1063.

Sec. 27.

Arbitrary Exercise of Licensing Power

The arrest of a person for operating a dry cleaning call office within the city without a license, where city's licensing ordinance did not cover such a business,

violated the provisions against the taking of property without due process of law. *State ex rel. Willumsen v. City of Butte*, 135 M 350, 340 P 2d 535.

Criminal Appeals

Dismissal of a criminal appeal for failure to file timely notice of appeal is not a denial of due process, even though the failure was that of court-appointed counsel in whose appointment defendant had no voice. *State v. Frodsham*, 139 M 222, 362 P 2d 413, 419.

Destruction of Property Without a Trial or Hearing

Proceedings for the destruction of property in many cases must necessarily be summary and without a previous trial or hearing in such cases, and such proceedings are due process. *Ruona v. City of Billings*, 136 M 554, 323 P 2d 29, 31.

Fundamental Rights

"Due process of law" refers to and means certain fundamental rights which our system of jurisprudence has always recognized, that is, of requiring notice to be given and a hearing had before the property may be taken, or impressed with a lien, giving to the owner thereof these constitutional prerogatives. *Great Northern Railway Co. v. Roosevelt County*, 134 M 355, 332 P 2d 501, 505, distinguished in 138 M 69, 354 P 2d 1056, 1058.

Laws Not Violating This Provision

Statute amending initiative act providing for honorarium for World War II veterans so as to make Korean veterans eligible to receive honorariums did not violate this section. *Cottingham v. State Board of Examiners*, 134 M 1, 328 P 2d 907, 918.

The health district law (sections 69-801 to 69-814) does not violate this section. *Bacus v. Lake County*, 138 M 69, 354 P 2d 1056, 1058.

Sec. 29.

Taxation

The "unless" clause of this section operates in the area of taxation and Art. XII, section 1a, authorizing an income tax, is merely permissive. *State v. Toomey*, 135 M 35, 335 P 2d 1051.

Milk Control Act

The price-fixing provisions of the Milk Control Act (27-401 et seq.) withstand the due process test. *Montana Milk Control Board v. Rehberg*, — M —, 376 P 2d 508, 514.

Rural Fire Districts Law

Rural fire districts law, sections 11-2008, 11-2009, before 1957 amendment, was unconstitutional as being in direct conflict with this section. *Great Northern Railway Co. v. Roosevelt County*, 134 M 355, 332 P 2d 501, 502, 505, 506, distinguished in 138 M 69, 354 P 2d 1058.

Statutes and Proceedings Held Valid Under This Provision

A city, the chief of police, and police officers were not liable to a dog owner for damages, where the owner's dog was killed by officers acting under an emergency quarantine measure which was passed to meet a threatening situation involving rabies. *Ruona v. City of Billings*, 136 M 554, 323 P 2d 29.

A rule made by a board of health which has a relation to securing protection from bites of animals which may be rabid is a proper exercise of its functions, and determination of the means of meeting a threatening situation has been vested in the board of health, and not in the courts. *Ruona v. City of Billings*, 136 M 554, 323 P 2d 29, 31.

Tax Penalty

The double penalty provided for in the income tax statute (84-4924, subd. (2), before the 1955 amendment) did not violate this section. *State ex rel. Hardy v. State Board of Equalization*, 133 M 43, 319 P 2d 1061, 1064.

ARTICLE IV—DISTRIBUTION OF POWERS

Sec. 1.

Counties

Counties are administrative or executive bodies of the state and the same rules apply as apply to any state agency in so

far as this section is concerned. *Plath v. Hi-Ball Contractors, Inc.*, 139 M 263, 362 P 2d 1021, 1024.

Delegation of Powers by the Legislature

Sections 69-809 and 69-813 relating to health districts violate this section by delegating legislative power to a board. *Bacus v. Lake County*, 138 M 69, 354 P 2d 1056, 1063.

Chapter 41 of Title 16, giving the county commissioners power to establish zoning districts and to create a commission, contains sufficient guidelines so that it is not an invalid delegation of legislative powers. *City of Missoula v. Missoula County*, 139 M 256, 362 P 2d 539, 542, explained in 362 P 2d 1021, 1023; *Doull v. Wohlschlager*, 139 M 274, 362 P 2d 542, 543.

The provisions of section 11-3801 et seq., granting zoning powers to city-county planning boards and to county commissioners, are invalid as an unauthorized delegation of legislative power to counties. *Plath v. Hi-Ball Contractors, Inc.*, 139 M 263, 362 P 2d 1021, 1025.

Acts Not Violating this Provision

Laws of 1955, chapter 204, amending section 84-4502 and carrying a title which is practically identical with the heading of this section as stated in the 1947 Codes and properly including additional requirements for bringing actions to recover taxes paid under protest, does not violate this constitutional provision. *Van Tighem v. Linnane*, 136 M 547, 349 P 2d 569, 571.

The title of the County Water District Act (16-4501 to 16-4534) does not violate this section. *Parker v. County of Yellowstone*, — M —, 374 P 2d 328, 334.

Divorce Proceedings

Proceedings for divorce undoubtedly are statutory, but jurisdiction in matters of

Effect of Subsequent Codification on Defect

Section 91-4321 as it is now written was enacted in 1943, and was carried forward in our Codes of 1947 without change. The 1947 Codes were regularly adopted by the legislature with this act incorporated therein without reference to its original title. Any defect in title was cured by its adoption into the 1947 Code. *State v. Rice*, 134 M 265, 329 P 2d 451, 453.

divorce is constitutional and may not be abridged. *Trudgen v. Trudgen*, 134 M 174, 329 P 2d 225, 232.

Operation and Effect in General

Chapter 34, Laws of 1957 (43-709 to 43-715), creating the legislative council, does not violate this section. *State ex rel. James v. Aronson*, 132 M 120, 314 P 2d 849, overruling *State ex rel. Mitchell v. Holmes*, 128 M 275, 274 P 2d 611.

Special or Local Laws Forbidden

(Deduction of workmen's compensation benefits in determining retirement pay of

public employee.) The provision in section 68-901, subd. (h), requiring the deduction of workmen's compensation benefits in determining the retirement pay of a public employee who is receiving workmen's compensation for a total disability is unconstitutionally discriminatory in treating totally disabled employees less favorably than those only partially disabled. *State ex rel. Morgan v. White*, 136 M 470, 348 P 2d 991.

Sec. 29.**Relocation of Utilities**

The provisions of section 32-1625, relating to the costs of relocating utility facilities,

do not violate this section. *Jones v. Burns*, 138 M 268, 357 P 2d 22, 35.

Sec. 32.**Construction**

This section refers to the raising of money for defraying the expenses of the general government. *Morgan v. Murray*, 134 M 92, 328 P 2d 644, 648.

License Tax

Bills imposing tax or license fee to enforce policing regulation are not revenue raising measures. *Morgan v. Murray*, 134 M 92, 328 P 2d 644, 648.

Operation and Effect

Chapter 197, Laws of 1957, authorizing indebtedness to be incurred by state for construction of educational facilities is illegal, unconstitutional and void, for the reason that it was a revenue bill which originated in the senate, contrary to the interdiction of this section. *Morgan v. Murray*, 134 M 92, 328 P 2d 644, 654.

Local Taxes

Laws delegating authority to local governmental units to levy and collect taxes

Sec. 34.**Laws Not Violating This Provision**

Statute amending initiative act providing for honorarium for World War II veterans so as to make Korean veterans

eligible to receive honorariums did not violate this section. *Cottingham v. State Board of Examiners*, 134 M 1, 328 P 2d 907, 920.

Sec. 36.**Laws Not Violating This Provision**

Section 27 of the County Water District Act (16-4527) does not violate this section by delegating to a corporation the power to tax for the general health, safety, and welfare of property owners without regard to benefits to the property so taxed. *Parker v. County of Yellowstone*, — M —, 374 P 2d 328, 331.

The price-fixing provisions of the Milk Control Act (sections 27-401 (k), 27-405 (2), 27-407, 27-416) do not violate the provisions of this section. *Montana Milk Control Board v. Rehberg*, — M —, 376 P 2d 508, 515, 516.

Sec. 39.**Relocation of Utilities**

The provisions of section 32-1625, relating to the costs of relocating utility facilities,

do not violate this section. *Jones v. Burns*, 138 M 268, 357 P 2d 22, 36.

Sec. 40.

Constitutional Amendments

It was a fatal defect for the legislature to ignore the governor, in neglecting and refusing to present proposed constitutional amendments to the governor in full as

passed by the house and senate for the governor's approval or disapproval. *State ex rel. Livingstone v. Murray*, 137 M 557, 354 P 2d 552, 556.

Sec. 9.

Parole

The board of pardons has no power to pardon or commute a sentence, and when it grants a parole, the effect is not to

extinguish the sentence but merely to change the conditions of custody. *State ex rel. Herman v. Powell*, 139 M 583, 367 P 2d 553, 556.

Sec. 12.

Constitutional Amendments

passed by the house and senate for the governor's approval or disapproval. *State ex rel. Livingstone v. Murray*, 137 M 557, 354 P 2d 552, 556.

Sec. 15.

Casting Deciding Vote

The lieutenant governor of Montana, while presiding as president of the senate, possessed the requisite power to enable or entitle him to cast the deciding vote on third reading of House Bill No. 342, as amended [1961 amendment of section 31-135], at a time when the senators

then present and voting were equally divided. *State ex rel. Easbey v. Highway Patrol Board*, — M —, 372 P 2d 930, 939.

The constitution vests in the courts the exclusive power to construe and interpret legislative acts, as well as provisions of

the constitution. *Cottingham v. State Board of Examiners*, 134 M 1, 328 P 2d 907, 913.

Scope of Power to Issue Writs in General

Even if a stay, in a case where a writ of mandate is issued by a district court to compel the issuance of a license, is not provided for in the code, still the supreme court has power under this section to issue a supersedeas, or other appropriate writ, to effectuate its appellate jurisdiction,

thus to insure the aggrieved board an appeal that otherwise might be of no value. *Gill v. Rafn*, 133 M 505, 326 P 2d 974, distinguished in 136 M 453, 456, 348 P 2d 797, 799.

Prohibition—Ministerial Function

This section does not give the district courts the jurisdiction to issue a writ of

prohibition to control the discretion of an administrative body in carrying out a ministerial function. *State ex rel. Lee v. Montana Livestock Sanitary Board*, 135 M 202, 339 P 2d 487.

defendant had no voice. *State v. Frodsham*, 139 M 222, 362 P 2d 413, 418.

Sec. 19. There shall be elected at the general election in each county of the state one county attorney, whose qualifications shall be the same as are required for a judge of the district court, except that he must be over twenty-one years of age, but need not be twenty-five years of age, and whose term of office shall be four years, and until their successors are elected and qualified. He shall have a salary to be fixed by law, one-half of which shall be paid by the state, and the other half by the county for which he is elected, and he shall perform such duties as may be required by law.

Compiler's Note

This constitutes sec. 19 of article VIII as amended by act approved March 6, 1961 (Ch. 164, Laws 1961), adopted at the general election of November, 1962.

This amendment increased the county attorneys' term of office from two to four years and eliminated a provision applicable only to the first county attorneys elected under the Constitution.

Proposed Amendment

Chapter 92, Laws of 1963, proposed an amendment to this section to be submitted to the voters in November, 1964. After the amendment, if it is approved by the voters, this section will read: "Sec. 29.

The justices of the supreme court and the judges of the district courts shall each be paid quarterly by the state, a salary, which shall not be diminished during the terms for which they shall have been respectively elected."

ARTICLE IX—RIGHTS OF SUFFRAGE AND QUALIFICATIONS TO HOLD OFFICE

Sec. 2.

Operation and Effect

This section, in adding the property holding qualification to voting on debts or liabilities, confined the additional qualification to only those debts or liabilities which look to ad valorem taxes for their retirement. Cottingham v. State Board of Examiners, 134 M 1, 328 P 2d 907, 915.

This section amended the words "debt or liability" as they appear in section 2, article XIII of the Montana Constitution, and has effectively confined them to debts or liabilities which must be retired out of ad valorem taxes. Cottingham v. State Board of Examiners, 134 M 1, 328 P 2d 907, 916.

Sec. 7.

Operation and Effect

The use of the term "all" is not to be taken in its universal and omnibus sense; rather, it was meant to be limited and qualified to conform to good reason to carry out the other purposes of the constitution such as to have a general, uniform and thorough system of public schools. State ex rel. Ronish v. School Dist. No. 1, 136 M 453, 348 P 2d 797, 78 ALR 1012.

A reasonable interpretation of constitutional and statutory provisions specifying that school shall be open to children be-

tween the ages of 6 and 21 years, read again in connection with other provisions requiring a thorough education, is that a child must be allowed to enter the first grade sometime during his seventh year, after reaching his sixth birthday. Each local school district has the power to admit children into the first grade who are not yet 6 years of age and each school district may establish a "cut-off" date governing entry into the first grade. State ex rel. Ronish v. School Dist. No. 1, 136 M 453, 348 P 2d 797, 78 ALR 2d 1012.

ARTICLE XII—REVENUE AND TAXATION

Sec. 1.

Construction with Other Sections

This section and section 11 of article XII of the Montana constitution must be construed together with section 15, which refers specifically to the state board of equalization. Yellowstone Pipe Line Co. v. State Board of Equalization, 138 M 603, 358 P 2d 55, 66.

License Tax—Purposes for Which License Tax May Be Levied

It was not the intention in authorizing the legislature to impose a license fee, to differentiate between the license tax, so-called, and the license fee extracted in regulatory matters, but rather to refer the general subject of licenses to the legislature. Montana Milk Control Board v. Maier, — M —, 367 P 2d 305, 306.

Sec. 1a.**Income Tax**

The provisions of section 84-4905, before the 1955 amendment, relating to adjusted gross income, did not violate this section. *State ex rel. Anderson v. State Board of Equalization*, 133 M 8, 319 P 2d 221, 228.

This section does not impose an affirmative duty to replace property taxes entirely

with income taxes. *State v. Toomey*, 135 M 35, 335 P 2d 1051.

The mere fact that the income-tax law does not operate simultaneously upon the incomes of persons, firms, and corporations does not make it invalid. *State v. Toomey*, 135 M 35, 335 P 2d 1051.

Sec. 2.**Corporate License Tax on Organization of Church Society**

The corporate license tax imposed under R. C. M. 1947, section 84-1501 et seq., on the agricultural activities of a religious society formed for the purposes of farm-

ing, stock growing, and other branches of agriculture does not conflict with constitutional provisions relating to religious freedom. *State v. King Colony Ranch*, 137 M 145, 350 P 2d 841.

Sec. 3.**Adverse Possession**

One in actual possession of surface land, who owned it in fee simple and paid taxes upon it for over thirty years, could not acquire an undivided one-fourth mineral interest, reserved in a deed and thereby severed entirely from the land, by adverse possession, where the minerals were not and could not be assessed separately for taxation under this section. *Johnson v. Unknown Heirs*, — M —, 368 P 2d 577, 581.

Annual Net Proceeds Tax

"Average of annual net proceeds" as provided by section 84-5408, as amended

in 1959, is not the same as the "annual net proceeds" provided by this section and therefore the law is unconstitutional. *State ex rel. Roberts v. State Board of Equalization*, 138 M 138, 355 P 2d 150, 152.

"Mining Claim"

A "mining claim" is not restricted to a single mining location but may include as many locations as a miner can purchase, and the ground covered by all will constitute a mining claim. *United States Gypsum Co. v. Schreiner*, 135 M 312, 340 P 2d 548.

Sec. 11.**Construction with Other Sections**

This section and section 1 of article XII of the Montana constitution must be construed together with section 15, which

refers specifically to the state board of equalization. *Yellowstone Pipe Line Co. v. State Board of Equalization*, 138 M 603, 358 P 2d 55, 66.

Sec. 12.**Laws Not Violating This Provision**

Statute amending initiative act providing for honorarium for World War II veterans so as to make Korean veterans

eligible to receive honorariums did not violate this section. *Cottingham v. State Board of Examiners*, 134 M 1, 328 P 2d 907, 920.

Sec. 15.**Construction with Other Sections**

Sections 1 and 11, of article XII of the Montana constitution must be construed together with this section. *Yellowstone Pipe Line Co. v. State Board of Equalization*, 138 M 603, 358 P 2d 55, 66.

Intervention of Court

Court may not intervene where action of board is not arbitrary, fraudulent or contrary to law. *State ex rel. Reid v. District Court*, 134 M 128, 328 P 2d 634, 635.

Powers of State Board of Equalization

Board is charged with the duty of adjusting and equalizing the valuation of all taxable property among the several counties and between individual taxpayers. *State ex rel. Reid v. District Court*, 134 M 128, 328 P 2d 634, 635.

The state board of equalization has the power to determine what a particular class should include. *Yellowstone Pipe Line Co. v. State Board of Equalization*, 138 M 603, 358 P 2d 55, 67.

Uniformity of Taxation

As long as the state board of equalization treats property of similar nature and productivity the same, it cannot be said that the constitutional mandate of uniformity is not subserved. *Yellowstone Pipe Line Co. v. State Board of Equalization*, 138 M 603, 358 P 2d 55, 67.

Under the Montana constitution the state board of equalization has the power, in adjusting and equalizing taxation between oil pipelines and other properties, i.e., town and city lots, to recognize pipelines as a class in itself, and still not violate the requirement of uniformity. *Yellowstone Pipe Line Co. v. State Board of Equalization*, 138 M 603, 358 P 2d 55, 67.

Sec. 16.

Relocation of Utilities

The provisions of section 32-1625, relating to the costs of relocation of utility

Writ of Prohibition

District court acted prematurely in issuing writ prohibiting state board of equalization from proceeding further under section 84-605, holding a public hearing and equalizing or increasing the assessed values of farm lands in county, which prevented board from discharging its constitutional duties. *State ex rel. Reid v. District Court*, 134 M 128, 328 P 2d 634, 635.

facilities, do not violate this section. *Jones v. Burns*, 138 M 268, 357 P 2d 22, 33.

ARTICLE XIII—PUBLIC INDEBTEDNESS

Sec. 1.

Relocation of Utilities

The provisions of section 32-1625, relating to the costs of relocation of utility facilities, do not violate this section. *Jones v. Burns*, 138 M 268, 357 P 2d 22, 34.

Sec. 2.

"Debt or Liability"

Section 2, article IX of the Montana constitution amended the words "debt or liability" as they appear in this section and has effectively confined them to debts or liabilities which must be retired out of ad valorem taxes. *Cottingham v. State Board of Examiners*, 134 M 1, 328 P 2d 907, 916.

Sec. 6. No city, town, township, school district or high school district shall be allowed to become indebted in any manner or for any purpose to an amount, including existing indebtedness, in the aggregate exceeding five per centum (5%) of the value of the taxable property therein, to be ascertained by the last assessment for state and county taxes previous to the incurring of such indebtedness, and all bonds or obligations in excess of such amount given by or on behalf of such city, town, township, school district or high school district shall be void; and each school district and each high school district shall have separate and independent bonding capacities within the limitation of this section; provided, however, that the legislative assembly may extend the limit mentioned in this section, by authorizing municipal corporations to submit the question to a vote of the taxpayers affected thereby, when such increase is necessary to con-

struct a sewerage system or to procure a supply of water for such municipality which shall own and control said water supply and devote the revenues derived therefrom to the payment of the debt.

Compiler's Note

This constitutes sec. 6 of article XIII as amended by act approved March 7, 1957 (Ch. 161, Laws of 1957), adopted at the general election of November 1958, effective under governor's proclamation, December 8, 1958. This amendment in-

serted the words "high school district" each time they appear and inserted the phrase "and each school district and each high school district shall have separate and independent bonding capacities within the limitation of this section."

ARTICLE XV—CORPORATIONS OTHER THAN MUNICIPAL

Sec. 4.

Operation and Effect

A corporation may not deprive a stockholder of the right of cumulative voting by any act on its part. *Sensabaugh v. Polson Plywood Co.*, 135 M 562, 342 P 2d 1064.

Stockholders may contract among themselves with respect to voting their stock

and a contract to refrain from cumulative voting is valid. However, an invalid bylaw, attempting to dispense with cumulative voting, was not enforceable as a contract, even among those stockholders assenting to it. *Sensabaugh v. Polson Plywood Co.*, 135 M 562, 342 P 2d 1064.

Sec. 9.

Operation and Effect

Under the guise of police power the state and municipal subdivisions thereof have the power and the duty to do all things necessary to protect the public in matters of the preservation, among other things of the health and well being of

the community. *Ruona v. City of Billings*, 136 M 554, 323 P 2d 29, 30.

Under police power the state can provide for the destruction of diseased animals even though provision for compensation to the owner has not been made. *Ruona v. City of Billings*, 136 M 554, 323 P 2d 29, 31.

Sec. 13.

Lease of State Lands

The law authorizing the lease of state lands for underground storage of natural

gas does not violate this section. *State ex rel. Hughes v. State Board of Land Commrs.*, 137 M 510, 353 P 2d 331, 336.

Sec. 20.

Fair Trade Act

The Fair Trade Act (sections 85-201 to 85-208) permits price-fixing in violation of this section and is therefore invalid. *Union Carbide & Carbon Corp. v. Skaggs Drug Center, Inc.*, 139 M 15, 359 P 2d 644.

Operation and Effect

The activity proscribed by this section has no relation to police power. *Montana Milk Control Board v. Rehberg*, — M —, 376 P 2d 508, 514.

Price-Fixing

This section is not only aimed at monopolies but also invalidates all price-fixing contracts, even in situations where there is open competition and no danger of monopoly. *Union Carbide & Carbon Corp. v. Skaggs Drug Center, Inc.*, 139 M 15, 359 P 2d 644.

ARTICLE XVII—PUBLIC LANDS

Sec. 1.

Leasing for Underground Storage

The law authorizing the lease of state lands for underground storage of natural

gas does not violate this section. *State ex rel. Hughes v. State Board of Land Commrs.*, 137 M 510, 353 P 2d 331, 335.

ARTICLE XIX—MISCELLANEOUS SUBJECTS AND FUTURE AMENDMENTS

Sec. 2.

Operation and Effect

The framers of the constitution were seeking to suppress and restrain the spirit of gambling which is cultivated and stimulated by schemes whereby one is induced to hazard his earnings with the hope of large winnings. The statutes which define and prohibit lotteries must therefore be interpreted with this purpose in mind. *State v. Cox*, 136 M 507, 349 P 2d 104, 106.

Valuable Consideration

Where one is required to make an outlay of money in order to participate in a scheme whereby an award is made by chance, the participant pays valuable consideration for the chance to participate, notwithstanding the fact he may also receive merchandise at the same time that the outlay is made. *State v. Cox*, 136 M 507, 349 P 2d 104. (*State ex rel. Stafford v. Fox-Great Falls Theatre Corp.*, 114 M 52, 132 P 2d 689, distinguished.)

Cross-Reference

Presentation to Governor

It was a fatal defect for the legislature

to ignore the governor, in neglecting and refusing to present proposed constitutional amendments to the governor in full as passed by the house and senate for the governor's approval or disapproval. *State ex rel. Livingstone v. Murray*, 137 M 557, 354 P 2d 552, 556.

Section 1-603. Lawfulness of flight—landings—recovery of damages.

1-603. (2736.7) Lawfulness of flight—landings—recovery of damages.

Flight in aircraft over the lands and waters of this state is lawful, unless at such a low altitude as to interfere with the then existing use to which the land or water, or the space over the land or water, is put by the owner, or unless so conducted as to be imminently dangerous to persons or property lawfully on the land or water, or in violation of the air commerce regulations which have been, or may hereafter be, promulgated by the department of commerce of the United States. No person shall operate an aircraft, as pilot thereof, either in the air or on the ground in a careless or reckless manner so as to endanger the life or property of others, including the aircraft being operated and passengers carried therein. The wilful and malicious use of aircraft in stunting or diving over livestock in a manner calculated to frighten or stampede them, shall be deemed an unlawful use thereof, and actual and punitive damages, in addition to the penalties, provided by this act, may be recovered in an action for damages caused therefrom.

The landing of an aircraft on the lands or waters of another, without his consent, is unlawful, except in the case of a forced landing. For damages caused by a forced landing, however, the owner or lessee of the aircraft or the pilot shall be liable for actual damage caused by such forced landing.

Any lands acquired, owned, controlled or occupied by any county, city or town, individually or pursuant to joint action as herein provided for the purposes enumerated in section 1-801, shall and are hereby declared to be acquired, owned, controlled and occupied for a public use, and as a matter of public necessity, and such counties, cities and towns, whether acting individually or jointly shall have the right to acquire property for such purposes under the power of eminent domain as and for a public use or necessity.

The county, city or town, acting individually or acting jointly as herein authorized by section 1-801, having established an airport or landing field and acquired property for such purpose, may construct, improve, equip, maintain, and operate the same, and for that purpose may create a board or body from the inhabitants of such county, city or town, or such joint subdivisions of the state for the purpose of conferring upon them and may confer upon them the jurisdiction for the improvement, equipment, maintenance and operation of such

airport or landing field. The board of county commissioners, the city or town council, as the case may be, or the board of county commissioners and the council or councils under a joint venture may adopt rules and establish fees or charges for the use of such airport or landing field, or may authorize such board or body to do so, subject, however, to the approval of the appointing power before the same shall take effect. All expenses of such construction, improvement, equipment, maintenance and operation shall be a charge against such county, city or town, or, when a county, city or town acts jointly under the authority herein given, such charges shall be against the joint subdivisions of the state, and shall be apportioned according to benefits to accrue, the proportion to be paid by each to be fixed in advance by joint resolution of the governing bodies.

For the purpose of meeting the charges hereinbefore mentioned when the airport or landing field is such joint venture, a joint fund shall be created and maintained into which each of the political subdivisions interested shall deposit its proportionate share in accordance with the predetermination of the board of county commissioners and council, or councils, affected.

All disbursements from such fund shall be made by order of such joint board or body, if one be created as hereinabove authorized, otherwise under such rules and regulations as the joint control by the commissioners and council or councils may adopt.

History: En. Sec. 3, Ch. 108, L. 1929; amd. Sec. 3, Ch. 54, L. 1941; amd. Sec. 3, Ch. 88, L. 1961.

Repealing Clause

Section 3 of Ch. 33, Laws 1959 repealed all acts and parts of acts in conflict therewith.

3-1714. Definition of terms. (a) The term "fertilizer materials" means any substance containing nitrogen phosphorus, potassium, or any recognized plant nutrient element or compound which is used primarily for its plant nutrient content or for compounding mixed fertilizers except unmanipulated animal and vegetable manures.

(b) to (e). * * * [Same as parent volume.] ✓

(f) Guaranteed analysis:

(1) Until July 1, 1964, and thereafter until the commissioner prescribes the alternative form of "guaranteed analysis" in accordance with the provisions of subparagraph (2) hereof. The term "guaranteed analysis" shall mean the minimum percentage of plant nutrients claimed in the following order and form:

- a. Total Nitrogen (N) _____ per cent
 Available Phosphoric Acid (P_2O_5) _____ per cent
 Soluble Potash (K_2O) _____ per cent

b. For unacidulated mineral phosphatic materials and basic slag, both total and available phosphoric acid and the degree of fineness. For bone, tankage, and other organic phosphatic materials, total phosphoric acid.

c. Guarantees for plant nutrients other than nitrogen, phosphorus and potassium may be permitted or required by regulation of the commissioner. The guarantees for such other nutrients shall be expressed in the form of the element. The sources of such other nutrients (oxides, salt, chelates, etc.) may be required to be stated on the application for registration and may be included as a parenthetical statement on the label. Other beneficial substances or compounds, determinable by laboratory methods, also may be guaranteed by permission of the commissioner. When any plant nutrients or other substances or compounds are guaranteed, they shall be subject to inspection and analysis in accord with the methods and regulations prescribed by section 3-1718 (b) of this act.

d. Except when prohibited by regulation, potential basicity or acidity expressed in terms of calcium equivalent in multiples of one hundred pounds per ton may be shown.

(2) At any time after July 1, 1964, that the commissioner finds, after public hearing following due notice, that the requirement for expressing the guaranteed analysis of phosphorus and potassium in elemental form would not impose an economic hardship on distributors and users of fertilizer by reason of conflicting labeling requirements among the states, he may require by regulation thereafter the "guaranteed analysis" shall be in the following form:

Total Nitrogen (N)	-----	per cent
Available Phosphorus (P)	-----	per cent
Soluble Potassium (K)	-----	per cent

provided, however, that the effective date of said regulation shall be not less than six (6) months following the issuance thereof, and provided, further, that for a period of two (2) years following the effective date of said regulation, the equivalent of phosphorus and potassium may also be shown in the form of phosphoric acid and potash; provided, however, that after the effective date of a regulation issued under the provisions of this section, requiring that phosphorus and potassium be shown in the elemental form, the guaranteed analysis for nitrogen, phosphorus, and potassium shall constitute the grade.

(g) The term, "grade" means the percentages of total nitrogen, available phosphorus or phosphoric acid, and soluble potassium or soluble potash stated in whole numbers in the same terms, order and percentages as in the "guaranteed analysis."

(h) to (o). * * * [Same as parent volume.]

(p) A specialty fertilizer is a commercial fertilizer distributed primarily for nonfarm use, such as home gardens, lawns, shrubbery, flowers, golf courses, municipal parks, cemeteries, greenhouses and nurseries, and may include commercial fertilizers used for research or experimental purposes.

(q) A "soil amendment" is any material not included under commercial fertilizer, or unmanipulated animal and vegetable manures, lime, limestone, marl, unground bone, or those products subject to the federal insecticide, fungicide or rodenticide act as amended, which is added to

soil or to plants for purposes of influencing the growth, yield or quality of the crop or soil flora or fauna or other soil characteristics.

History: En. Sec. 3, Ch. 41, L. 1957; amd. Sec. 1, Ch. 43, L. 1963.

in the form specified in subparagraph (1) includes."; redesignated former subparagraphs (f) (2) (i) and (f) (2) (iii), respectively, as (f) (1) b and (f) (1) d; substituted a new subparagraph (f) (1) c for a former subparagraph (f) (2) (ii) reading, "When permitted by the commissioner, additional plant nutrients expressed as the elements"; inserted a new paragraph (f) (2); inserted the words "phosphorus or" and "soluble potassium or" in paragraph (g); and added new paragraphs (p) and (q).

3-1715. Registration and licenses. (a) Each brand and grade of commercial fertilizer and each "soil amendment" shall be registered before being offered for sale, sold or distributed in this state. The application for registration shall be submitted to the commissioner on a form furnished by the commissioner and shall be accompanied by a fee of thirty-five dollars (\$35) per brand and ten dollars (\$10) per grade which shall be deposited in the state treasury to the credit of the general fund. Upon approval by the commissioner a copy of the registration shall be furnished to the applicant. All registrations expire on December 31 of each year. The application shall include the following information:

- (1) The brand and grade.
- (2) The guaranteed analysis.
- (3) The sources from which the nitrogen, phosphorus and potassium are derived.
- (4) The commissioner may require a manufacturer of commercial fertilizer to furnish additional information if the foregoing does not adequately describe the fertility value claimed and/or the composition of the product.
- (5) The name and address of the registrant.
- (6) For soil amendments, in addition to the information required in paragraphs (1), (2), (3), (4), and (5) of this section, applications for registration must include the name and chemical designation and content of active ingredients.

(b) A distributor shall not be required to register any brand or grade of commercial fertilizer which is already registered under this act by another person.

(c) The plant nutrient content of each and every brand and grade of commercial fertilizer must remain uniform for the period of registration.

(d) Any distributor who blends or mixes fertilizer materials to a customer's order without a guaranteed analysis of the mixture in accordance with part (a) of this section, must first make application to obtain a license from the commissioner. The application for such a license shall be submitted in duplicate to the commissioner on forms furnished by the commissioner and shall be accompanied by a fee as herein prescribed which sum shall constitute the license fee in event the license is granted.

If said distributor blends or mixes fertilizer materials at more than one fixed location, or by more than one mobile mechanical unit, then a license is required for each location and for each such mobile mechanical unit. The license shall be twenty-five dollars (\$25) in the case of each location, but in the case of mobile units each such unit owned and operated by any one distributor shall be licensed at a rate of twenty-five dollars (\$25) for the first unit, and ten dollars (\$10) for each such additional mobile unit. The license shall expire on December 31 of each year.

Fees so collected shall constitute a fund for payment of the costs of inspection, sampling, and analysis and other expenses necessary for the administration of this act. Each licensee shall furnish the commissioner with a confidential written statement of the tonnage of each grade of fertilizer material used by him in this state in his blending and mixing operation. Said statement shall cover the semiannual periods ending June 30 and December 31 of each year, and shall be filed with the commissioner not later than 30 days (which may be extended on valid reason therefore [therefor] an additional thirty days, on written requests to the commissioner) after the close of each semiannual period. In lieu of the guaranteed analysis, the licensee must furnish to each and every purchaser and consumer in written or printed form, an invoice or delivery ticket showing the net weight and guaranteed analysis of each and every one of the materials used, which shall accompany delivery.

The distributor shall at all times produce an intimate and uniform mixture of fertilizer materials or soil amendments. When two or more fertilizers are delivered in the same load, they shall be intimately and uniformly mixed unless they are in separate compartments.

The commissioner is authorized and empowered to cancel the license as herein provided upon satisfactory evidence that the licensee has used fraudulent and deceptive practices in the evasions or attempted evasions of the provisions of this section; provided that no license shall be revoked or refused until the licensee shall have been given a hearing by the commissioner pursuant to section 3-1723 of this act.

Compiler's Note

This section was amended twice in 1963 —by Chapter 43 and by Chapter 147. Neither amendatory act mentioned nor incorporated the amendments made by the other. Since the two amendments do not appear to conflict, the compiler has made a combined section, incorporating both amendments.

Amendments

Chapter 43, Laws 1963, inserted "and each 'soil amendment'" near the begin-

ning of subsection (a); substituted "phosphorus and potassium" for "phosphoric acid and potash" in clause (a) (3); added clause (a) (6); and completely rewrote subsection (d), for original text of which see parent volume.

Chapter 147, Laws 1963, added "which shall be deposited in the state treasury to the credit of the general fund" at the end of the second sentence of subsection (a); and deleted the former third sentence of subsection (a), reading: "Fees so collected shall constitute a fund for payment of the costs of inspection, sampling, and analysis and other expenses necessary for the administration of this act."

3-1716. Labeling. (a), (b). * * * [Same as parent volume.] /

(c) Soil amendments shall be labeled in accordance with paragraph (a) of this section or if distributed in bulk, paragraph (b), and in addition

shall show the name or chemical designation and content of the active ingredients.

History: En. Sec. 5, Ch. 41, L. 1957; **Amendment**
amd. Sec. 3, Ch. 43, L. 1963.

The 1963 amendment added subsection (c).

3-1717. Inspection fees. (a) There shall be paid to the commissioner for all commercial fertilizers offered for sale, sold, or distributed in this state an inspection fee at the rate of fifteen cents (15¢) per ton: Provided that sales to manufacturers or exchanges between them are hereby exempted. Fees so collected shall be deposited in the state treasury to the credit of the general fund. On individual packages of commercial fertilizer containing ten (10) pounds or less, there shall be no inspection fee. Where a person sells commercial fertilizer in packages of ten (10) pounds or less and in packages over ten (10) pounds, the inspection fee shall apply only to that portion sold in packages of over ten (10) pounds.

(b) Payment of the inspection fee shall be evidenced by a statement made in due form of law, of commercial fertilizer distributed, together with documents showing that fees corresponding to the tonnage were received by the commissioner.

Every registrant who distributes commercial fertilizer in this state shall:

File an affidavit semiannually within thirty (30) days after each January 1 and each July 1 of each year setting forth the number of net tons of commercial fertilizer distributed in this state during the preceding six-months' (6) period; and upon filing such statement shall pay the inspection fee at the rate stated in paragraph (a) of this section. If the tonnage report is not filed and the payment of the inspection fee is not made within fifteen (15) days after the date due, a collection fee amounting to ten (10) per cent (minimum ten dollars (\$10.00)) of this amount due shall be assessed against the registrant, and the amount of fees due shall constitute a debt and become the basis of a judgment against the registrant.

History: En. Sec. 6, Ch. 41, L. 1957;
amd. Sec. 36, Ch. 147, L. 1963.

Amendment

The 1963 amendment substituted "be deposited in the state treasury to the

credit of the general fund" for "constitute a fund for payment of the costs of inspection, sampling, and analysis and other expenses necessary for the administration of this act" in the second sentence of subd. (a).

3-1719. Repealed.

Repeal

This section (Sec. 8, Ch. 41, L. 1957), relating to minimum chemical content of

plant food, was repealed by Sec. 4, Ch. 43, Laws 1963.

3-1723. Rules and regulations and hearings. (a) For the enforcement of this act, the commissioner is authorized to prescribe and, after public hearing, (1) having notified by mail all registrants on file and (2) having advertised once a week for two consecutive weeks in two newspapers of general circulation; to enforce such rules and regulations

relating to the distribution of commercial fertilizers as he may find necessary to carry into effect the full intent and meaning of this act.

(b) The commissioner shall, before denying the application for a registration or before canceling or revoking any registration, set the matter down for a hearing, and at least ten (10) days prior to the date set for the hearing, shall notify the applicant or distributor in writing, which notice shall contain an exact statement of the charges made and the date and place of the hearing and shall afford the applicant or distributor an opportunity to be heard in person or by an attorney in reference thereto. The written notice may be served by delivering it personally to the applicant or distributor, or by mailing it by registered mail to the last known business address of the applicant or distributor. The hearing on such charges shall be held before the commissioner at such time and place as the commissioner shall prescribe, and the hearing may be continued from time to time.

History: En. Sec. 12, Ch. 41, L. 1957; amd. Sec. 5, Ch. 43, L. 1963.

Amendment

The 1963 amendment designated the

previous text of the section as subsection (a); substituted clauses (1) and (2) in subsection (a) for "following due public notice"; and added subsection (b).

3-1724. Cancellation of registration. The commissioner is authorized and empowered to cancel the registration of any commercial fertilizer or to refuse to register any commercial fertilizer as herein provided, upon satisfactory evidence that the registrant has used fraudulent or deceptive practices in the evasions or attempted evasions of the provisions of this act or any rules and regulations promulgated thereunder: Provided, that no registration shall be revoked or refused until the registrant shall have been given the opportunity to appear for a hearing by the commissioner, as provided in section 3-1723 of this act.

History: En. Sec. 13, Ch. 41, L. 1957; amd. Sec. 6, Ch. 43, L. 1963.

remainder thereof but shall be confined in its operation to the clause, sentence, paragraph or part thereof directly involved in the controversy in which such judgment shall have been rendered."

(d) The terms "custom-mixed," "custom-milled," or similar terms means the service rendered a customer or purchaser in the milling, mixing, or processing of materials produced by the customer or purchaser or acquired by him from a source other than from the person who mixes, mills, or processes the mixture, except that the addition of molasses acquired from the person who mixes, mills, or processes the mixture shall not be deemed to render such feed a commercial feed, and are not subject to the provisions of this act.

History: En. Sec. 6, Ch. 127, L. 1963.

3-2018. Adulteration. No person shall distribute an adulterated feed. A commercial feed or customer-formula feed shall be deemed to be adulterated:

(e) If any word, statement, or other information required by or under authority of this act to appear on the label or labeling is not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs, or devices, in the labeling) and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use.

History: En. Sec. 8, Ch. 127, L. 1963.

3-2020. Inspection, sampling and analysis. (a) At the request of the commissioner of agriculture, the chemist of the agricultural experiment station of Montana state college or his deputy shall sample, inspect, make analysis of and test commercial feeds and customer-formula feeds distributed within this state at such time and place and to such extent as he may deem necessary to determine whether such feeds are in compliance with the provisions of this act. The chemist individually or through his deputy, is authorized to enter upon any public or private premises including any vehicle of transport during regular business hours in order to have access to commercial feeds and customer-formula feeds and to records relating to their distribution.

(d) When the inspection and analysis of an official sample indicates a commercial feed has been adulterated or misbranded, the results of the analysis shall be forwarded by the chemist to the distributor and purchaser and registrant. Upon request within ten (10) days the chemist shall furnish to the registrant a portion of the official sample concerned. If the registrant fails to agree with the analysis of the chemist, he may request an umpire who shall be one (1) of a list of not less than three (3) public chemists of recognized ability in feed analysis who shall be named by the chemist. Such umpire analysis shall be made at the expense of the registrant requesting the same. The request for an umpire analysis must be made within ten (10) days after receipt of a portion of the official sample, and the results of the umpire analysis must be mailed to the chemist within twenty (20) days from the date the portion of the official sample is received by the registrant of the feed in question. In case the umpire shall agree more closely with the chemist, the figures of the latter shall be considered correct, and in case the umpire shall agree more closely with the figures of the registrant, then the figures of the registrant shall be considered correct.

The written notice may be served by delivering it personally to the applicant or distributor, or by mailing it by registered mail to the last known business address of the applicant or distributor. The hearing on such charges shall be held before the commissioner at such time and place as the commissioner shall prescribe, and the hearing may be continued from time to time.

History: En. Sec. 10, Ch. 127, L. 1963.

3-2022. Detained commercial feeds. (a) "Withdrawal from sale" orders. When the commissioner or his authorized agent has reasonable cause to believe any lot of commercial feed is being distributed in violation of any of the provisions of this act or of any of the prescribed regulations under this act, he may issue and enforce a written or printed, "withdrawal from sale" order, warning the distributor not to dispose of the lot of feed in any manner until written permission is given by the commissioner or the district court. The commissioner shall release the

lot of commercial feed so withdrawn when said provisions and regulations have been complied with. If compliance is not obtained within thirty (30) days, the commissioner may begin, or upon request of the distributor shall begin proceedings for condemnation.

(b) Condemnation and confiscation. Any lot of commercial feed not in compliance with said provisions and regulations shall be subject to seizure on complaint of the commissioner to a district court of competent jurisdiction in the area in which said commercial feed is located.

In the event the district court finds the said commercial feed to be in violation of this act and orders the condemnation of said commercial feed, it shall be disposed of in any manner consistent with the quality of the commercial feed and the laws of the state; provided, that in no instance shall the disposition of said commercial feed be ordered by the district court without first giving the claimant an opportunity to apply to the district court for release of said commercial feed or for permission to process or relabel said commercial feed to bring it into compliance with this act.

History: En. Sec. 11, Ch. 127, L. 1963.

In all prosecutions under this act involving the composition of a lot of commercial feed, a certified copy of the official analysis signed by the chemist shall be accepted as prima facie evidence of the composition.

(b) It shall be the duty of each prosecuting attorney to whom any violation is reported to cause appropriate proceedings to be instituted and prosecuted in a court of competent jurisdiction without delay. Before the commissioner reports a violation for such prosecution, an opportunity shall be given the distributor and registrant to be heard before the commissioner pursuant to section 10 [3-2021] of this act.

(c) The commissioner is hereby authorized to apply to the district court of the county or any county wherein a violation has occurred, to grant a temporary or permanent injunction restraining any person from violating or continuing to violate any of the provisions of this act or any rule or regulation promulgated under the act notwithstanding the existence of other remedies of law. The said distance of five (5) miles from the corporate limits of any incorporated city or incorporated town shall be measured in a straight line from the nearest entrance of the premises proposed for licensing to the nearest corporate boundary of such city or town. Retail liquor licenses of issue on the date of the passage and approval of this act and which are in excess of the foregoing limitations shall be renewable, but no new licenses shall be issued in violation of such limitations; provided that such limitations shall not

prevent the issuance of a nontransferable and nonassignable (as to ownership only) retail liquor license to any post of a nationally chartered veterans' organization or any lodge of a recognized national fraternal organization, if such veterans' or fraternal organization has been in existence for a period of five (5) years or more prior to January 1, 1949. No incorporated city or incorporated town may by ordinance restrict the number of licenses that the board may issue; provided that no retail license may be issued by the board for any premises situated within any zone of a city or town wherein the sale of liquor is prohibited by ordinance, a certified copy of which has been filed with the board. The board shall have discretion to deny the issuance of a retail license if it shall determine that the premises proposed for licensing are off regular police beats and cannot be properly policed by local authorities.

(b) The number of retail liquor licenses that the board may issue for use at premises situated outside of any incorporated city or incorporated town and outside of the area within a distance of five (5) miles from the corporate limits thereof, shall be not more than one (1) license for each seven hundred fifty (750) population of the county, after excluding the population of incorporated cities and incorporated towns in such county.

(2) From and after February 1, 1949, any retail license issued pursuant to this act not actually used in a going establishment for a period of ninety (90) days, shall automatically lapse. Upon determining the fact of nonuser for such period the board shall cancel such license of record and no portion of the fee paid therefor shall be refundable. The provisions of this subsection shall not apply to the license of any licensee whose premises are operated on a seasonal basis in connection with a bona fide dude ranch, park hotel, tourist facility or like business, provided such licensee has secured written authority from the board to close his licensed premises for a specified period of greater than ninety (90) days' duration, and providing further that should the liquor control board determine that such lapse was reasonably beyond the control of the licensee, then the lapse provision set out above shall not apply.

CHAPTER 5—MISCELLANEOUS REGULATORY PROVISIONS

Section 5-506. Limitation on real estate loans.

5-506. (6014.31) Limitation on real estate loans. Any commercial bank organized under the laws of the state of Montana may make real

estate loans, secured by first liens upon improved real estate, including improved farm land and improved business and residential properties and may purchase any obligation so secured when the entire amount of such obligation is sold to the bank. Provided that, the amount of any such loan hereafter made shall not exceed fifty per centum (50%) of the appraised value of the real estate offered as security, and no such loan shall be made for a longer period than five (5) years, except that:

(1) Any such loan may be made in an amount not to exceed sixty per centum (60%) of the appraised value of the real estate offered as security and for a term not longer than twenty (20) years if such loan is secured by an amortized mortgage, deed of trust or other such instrument, under the terms of which the installment payments are sufficient to amortize forty per centum (40%) or more of the principal of the loan within a period of not more than twenty (20) years; and

(2) No such commercial bank shall make such loans in an aggregate sum in excess of the amount of its capital stock paid in and unimpaired plus the amount of its unimpaired surplus or in excess of sixty per centum (60%) of the amount of its time and saving deposits, whichever is the greater.

Loans made to finance the construction of residential or farm buildings and having maturities of not to exceed six (6) months, whether or not secured by a mortgage or a similar lien on real estate upon which the residential or farm building is being constructed, shall not be considered as loans secured by real estate within the meaning of this act, but shall be classed as ordinary commercial loans, provided that no commercial bank shall invest in or be liable on any such loans in an aggregate amount in excess of fifty per centum (50%) of its actually paid in and unimpaired capital.

Loans made to establish rural or commercial businesses which are in whole or in part discounted or loaned against as security by a federal reserve bank for any part of which a commitment shall have been made by a federal reserve bank or in which the Reconstruction Finance Corporation cooperated or purchases a participation in, shall not be subject to the restrictions or limitations of this act upon loans secured by real estate, provided any commercial bank in this state shall from time to time have the same authority to make loans upon real estate as may be given by acts of Congress of the United States or the federal reserve system to national banks or bank members of the federal reserve system.

(3) The foregoing limitations and restrictions shall not prevent the renewal or extension of loans heretofore made and shall not apply to real estate loans which are insured under the provisions of any act of the Congress of the United States; and said limitations and restrictions shall not apply to the making, extension or renewal of any loans which are made under subchapter II of the act of Congress, known as the servicemen's readjustment act of 1944, or any amendment thereof or supplement thereto, as to any part of such loans.

These provisions, however, shall not prevent any bank from taking another and immediately subsequent mortgage or deed of trust when it

already holds a first mortgage or deed of trust thereon on such real estate, nor from accepting a second lien on real estate to secure the repayment of a debt previously contracted in good faith; nor shall it prevent subsequent liens of any kind from being taken to secure the payment of a debt previously contracted in good faith, when, in the judgment of the directors of such bank, such subsequent liens are necessary further to secure the payment of any debts and save such bank from loss; provided, the term "commercial bank" as used in this section, shall mean a bank organized to do the business specified in sections 5-104 to 5-108 of this code, only.

Every class A or B motor carrier holding a certificate must maintain on file with the board a full and complete schedule of its rates, fares, charges, classifications, rules of service, and any and all tariff provisions relating to such rates, fares, charges, classifications, or rules. Every schedule on file with and approved by the board on the effective date of this act shall remain in full force and effect until changed or modified by the board or by the carrier with the approval of the board.

No change, modification, alteration, increase, or decrease in any rate, fare, charge, classification, or rule of service shall be made by any motor carrier without first obtaining the approval of the board. The board shall prescribe rules and/or regulations providing for the form and style of all schedules and tariffs and for the procedures to be followed in filing or publishing any changes or modifications of the same.

History: En. Sec. 2, Ch. 201, L. 1961.

8-104.3. Deviation from rate schedules unlawful. It shall be unlawful for any class A or B motor carrier to charge, demand, receive, or collect any greater or less rate, charge or fare than that fixed by the board for the transportation service provided. When maximum or minimum rates have been established for any service provided by any class C motor carrier, it shall likewise be unlawful for such carrier to charge, demand, receive, or collect any greater compensation or rate than that established for the service by any applicable maximum rate, or any less compensation or rate than that established by any applicable minimum rate. It also shall be unlawful for any class A or B motor carrier, or any class C motor carrier subject to maximum or minimum rates, to refund or remit in any manner or by any device any portion of the rates, fares, and charges required to be collected under the schedule of the class A or B carrier on file with the board or under the maximum or minimum rates established by the board for the class C carrier.

History: En. Sec. 3, Ch. 201, L. 1961.

8-104.4. Rate preference, discrimination forbidden. All rates, fares, charges, classifications, or rules of service for the transportation of property and/or persons upon the public highways of this state must be fair, just, reasonable, and non-discriminatory, and no motor carrier operating under established rates shall make, give, or permit any undue preference or advantage to any particular person, company, partnership, corporation or locality, or any particular description of traffic, nor shall such motor carrier subject any particular person, company, partnership, corporation, or locality, or any particular description of traffic, to any prejudice or disadvantage in any respect.

The board may, upon its own initiative or upon the complaint of any interested party, investigate any rate, fare, charge, classification, or rule of service contained in the schedule of any motor carrier; if the board shall find, after such investigation, that any such rate, fare, charge, classification, or rule of service is unfair, unjust, unreasonable, or discriminatory, it shall disallow the same and fix a rate, fare, charge, classification, or rule of service which shall be fair, just, reasonable, and non-discriminatory, and it shall order the affected motor carrier or carriers to conform to such modified schedule; provided however, that each motor carrier affected by any complaint or investigation shall first be given notice of the same and an opportunity to be heard before the board.

History: En. Sec. 4, Ch. 201, L. 1961.

8-104.5. Changes, revisions of rate schedules, how made. No motor carrier shall change or revise any rate, fare, charge, classification, or rule

of service contained in its schedule without first obtaining approval therefor from the board. Such changes or revisions shall be made by filing with the board the tariff sheet or sheets containing such changes or revisions, plainly stating the change or changes, or revision or revisions, to be made; provided further, that the public shall be provided with such notice of the proposed changes or revisions as the board shall, by rule, require. The tariff sheet or sheets containing such changes or revisions shall be deemed approved and effective thirty (30) days after the same are filed unless the proposed revisions or changes are suspended or disallowed by the board prior to the expiration of the thirty (30) day period; provided however, that the board may, for good cause, allow any change or revision to become effective on less than thirty (30) days after the filing thereof.

Upon its own initiative, or upon the complaint of any interested party filed with the board within fifteen (15) days after the date upon which a change or revision of any rate, fare, charge or classification is filed with the board, the board may suspend the operation of such rate, fare, charge, or classification for a period not to exceed one hundred and twenty (120) days, provided however that the order directing such suspension must be issued by the board not less than two (2) business days prior to the proposed effective date; and provided further, that the motor carrier or carriers filing such rate, fare, charge, or classification shall be given prompt notice by the board of any complaint filed by any interested party to any proposed tariff change or revision and such carrier or carriers also shall be given an opportunity to reply to any such complaint. If the proposed change or revision is in a tariff issued by a tariff publishing bureau for a motor carrier or carriers, notice to such bureau of any complaint will constitute notice to the participating carriers in such tariff. When the suspension of any proposed change or revision in a tariff is ordered by the board, it shall also order a public hearing to consider the reasonableness of the proposed change or revision; due notice shall be given for such hearing to all known interested or affected persons and the same shall be allowed to appear and present evidence. After considering the evidence presented at such hearing, the board shall issue an order approving, denying, or modifying the proposed change or revision; provided however, that unless such hearing is held and such order is issued within one hundred and twenty (120) days from the date upon which the suspension was ordered, the proposed change or revision shall be deemed approved and effective as filed.

History: En. Sec. 5, Ch. 201, L. 1961.

8-104.6. Recovery of excess charges. Any sum or amount of money paid to any motor carrier in excess of the rates, fares, or charges established for such service by the board may be recovered from such carrier by the person or shipper who paid the same in any action brought in the district court of the county in which such payment was made, provided that any such action must be brought within two (2) years from the date of such payment. No contract or agreement, written or otherwise, between such person or shipper and any motor carrier, shall be admissible in evi-

dence for the purpose of showing a waiver of the right given by this section. If upon the trial of such action, it shall satisfactorily appear to the court or jury that such overcharge was wilfully made, the person or shipper bringing the said action shall be awarded damages in treble the amount of such excess or overcharge, together with the costs and expenses of such action, including a reasonable attorney's fee, to be taxed and collected as other costs in the action.

The 1963 amendment inserted "coal" after "crude petroleum" in four places.

8-204. (3851) Establishment of rates — hearing — complaints. The board of railroad commissioners of Montana shall have the power to establish and enforce rates of charges and regulations for gathering, transporting, loading, and delivering crude petroleum, coal, or the products thereof by such common carrier in this state, and for the use of storage facilities necessarily incident to such transportation and to prescribe and enforce rules and regulations for the government and control of such common carriers in respect to their pipe lines and receiving, transferring and loading facilities, and it shall be its duty to exercise such power upon petition by any person showing a substantial interest in the subject. No order establishing or prescribing rates, rules, and regulations shall be made except after hearing and at least ten (10) days' and not more than thirty (30) days' notice to the person, firm, corporation, partnership, joint-stock association, or association owning or controlling and operating the pipe line or pipe lines affected. No carrier shall be required to receive or transport any crude petroleum, coal, or the products thereof except such as may be marketable under rules and regulations to be prescribed by the board of railroad commissioners of Montana which they are hereby empowered and required to prescribe. The board of railroad commissioners of Montana is also empowered and required to make rules for the ascertainment of the amount of water and other foreign matter in crude oil, coal, or the products thereof tendered for transportation, and for deduction therefor and for the amount of deduction to be made for temperature, leakage and evaporation. It is provided, however, that the recital herein of particular powers on the part of said board of railroad commissioners of Montana shall not be construed to limit the general powers conferred by this act. Until set aside or vacated by some decree or order of a court of competent jurisdiction, all orders of the board of railroad commissioners of Montana as to any matter within its jurisdiction shall be accepted as prima facie evidence of their validity.

The board of railroad commissioners of Montana shall require

of such common carrier pipe lines monthly reports, duly verified under oath, of the total quantities of crude petroleum, coal, or the products thereof owned by such pipe lines and of that held by them in storage for others, as also of their unfilled storage capacity, provided no publicity shall be given by the board of railroad commissioners of Montana to the reports as to stock of crude petroleum, coal, or the products thereof on hand of any particular pipe line; but the board of railroad commissioners of Montana in its discretion may make public the aggregate amounts held by all the pipe lines making such reports, and of their aggregate storage capacity. The board of railroad commissioners of Montana shall have the power and authority to hear and determine complaints, to require attendance of witnesses, and to institute suits and sue out such writs and process as may be necessary for the enforcement of its orders.

In this connection the pipe line shall be considered as a shipper of the crude petroleum, coal, or the products thereof produced or purchased by itself directly or indirectly and handled through its facilities. No such carrier in such operation shall directly or indirectly charge, demand, collect, or receive from any one a greater or less compensation for any service rendered than from another for a like and contemporaneous service; provided, this shall not limit the right of the board of railroad commissioners of Montana to prescribe rates and regulations different from or to some places from other rates or regulations for transportation from or to other places, as it may determine; nor shall any carrier be guilty of discrimination when obeying any order of the board of railroad commissioners of Montana. When there shall be offered for transportation more crude petroleum, coal, or the products thereof than can be immediately transported, the same shall be equitably apportioned. The board of railroad commissioners of Montana may make and enforce general or specific regulations in this regard. No such common carrier shall at any time be required to receive for shipments from any person, firm, corporation, or association of persons, exceeding three thousand (3,000) barrels of petroleum or the products thereof in any one day.

10-503. (10467) Application to courts with reference to dependent, etc.

Residence of Petitioner

Since the court's jurisdiction had to be determined as of the time a proceeding was commenced, the issue of the petitioner's residence did not become moot even though the petitioner had established the necessary residence since the hearing in the proceeding. State ex rel. Cowan v. District Court, 131 M 502, 312 P 2d 119, 123.

The word "resident" as used in this section must denote one actually domiciled within the county and in a proceeding to have a child declared dependent and neg-

lected, where the petitioner was not a resident of the county where the child resided, the court was without jurisdiction to proceed. State ex rel. Cowan v. District Court, 131 M 502, 312 P 2d 119, 122, 123.

Where petitioner was not domiciled, and thus not a resident of the county where the child resided, the court was without power to attempt to confer jurisdiction by an amendment to conform to the alleged proof that petitioner was domiciled in such county. State ex rel. Cowan v. District Court, 131 M 502, 312 P 2d 119, 123.

10-507. Hearing of petition—evidence regarding financial ability of parents—court order—allocation of cost. On the hearing the court may hear evidence regarding the financial ability of any such parents or parent, to pay such cost, and may take into consideration the report of such investigation filed with the clerk of the court, as provided in section 10-506. And if, on such hearing, the court shall find and determine that said child has parents, or a parent, who is financially able to pay a part or the whole of such cost, and such child shall be ordered placed in the said Montana children's center, or placed in a foster home, the court shall make an order requiring such parents, or parent, to pay therefor such amount as the court may deem proper, and if on such hearing any child shall be ordered placed in the said Montana children's center, the county in which such child resides shall pay to said Montana children's center twenty-five dollars (\$25.00) per month for such time as the child shall remain therein, and in turn shall collect in its own name from any parent or parents such amount, if any, as the court has specified in its order to be paid by such parent or parents. If such child be placed in a foster home the state department of public welfare shall pay one-half ($\frac{1}{2}$) of the cost thereof, and the county in which such child resides shall pay the other one-half ($\frac{1}{2}$) thereof, and in turn shall collect in its own name from any parent or parents such amount, if any, as the court has specified in its order to be paid by such parent or parents, provided that one-half ($\frac{1}{2}$) of any amount collected by the county from a parent or parents, when a child is placed in a foster home, shall be transmitted to the state department of public welfare, and by it paid over to the state treasurer, who shall deposit the same to the credit of the state general fund.

Amendment

The 1961 amendment substituted the words "Montana children's center" for

"orphans' home" each time they appear and increased the county contribution specified in the second sentence from \$10.00 to \$25.00.

Repeal of Conflicting Laws

By the enactment of chapter 227, Laws of 1943, and its amendments covering juveniles and creating juvenile courts, the legislature intended to repeal all prior

laws in conflict therewith, and amended the general criminal code insofar as it conflicts with the statutes relating to juveniles. State ex rel. Dahl v. District Court, 134 M 395, 333 P 2d 495, 499.

The words "and carrying a deadly weapon or weapons with intent to assault" do not modify robbery or any of the other specifically listed crimes; therefore, as to the crime of robbery, possession of a weapon need not be charged. 16 years of age, nor to try such child in the district court. State ex rel. Dahl v. District Court, 134 M 395, 333 P 2d 495, 497.

10-611. Hearing—judgment. The court may conduct the hearing in an informal manner and may adjourn the hearing from time to time. In the hearing of any juvenile case, as distinguished from a case involving a child charged with the commission of or attempt to commit any of the criminal offenses set out in subdivision (2)(b) of section 10-602, the general public shall be excluded and only such persons admitted as have a direct interest in the case; provided, however, that whenever the hearing in the juvenile court is had on a written petition charging the commission of any felony, persons having a legitimate interest in the proceeding, including responsible representatives of public information media, shall not be excluded from such hearing. All cases involving children shall be heard separately and apart from the trial of cases against adults.

If the court shall find that the child is delinquent within the provisions of this act, it may by order duly entered proceed as follows:

(1) Place the child on probation or under supervision upon such terms as the court shall determine.

(2) Commit the child to a suitable public institution or agency or to a suitable private institution or agency incorporated under the laws of the state, approved by the state department of public welfare, and authorized to care for children; or to place them in suitable foster homes, approved by the department of public welfare, or the probation department.

(3) Order such further care and treatment as the court may deem best for the best interests of the child, except as herein otherwise provided.

No commitment of any such delinquent child to any institution under this act shall be deemed commitment to a penal institution. No adjudication upon the status of any delinquent child in the jurisdiction of the court shall operate to impose any of the civil disabilities ordinarily imposed by conviction, nor shall any delinquent child be deemed a criminal by reason of such adjudication, nor shall such adjudication be deemed a conviction, nor shall any child be charged with or convicted of any crime in any court except as provided in the preceding section of this act. The disposition of the delinquent child or any evidence given in the court shall not be admissible as evidence against the child in any other case or proceeding.

Whenever the court shall commit a delinquent child to any institution or agency, it shall transmit with the order of commitment a summary of its information concerning such child.

Whenever a child or an adult under the age of twenty-one (21) years is convicted of a felony or felonies or attempt to commit a felony or felonies and is sentenced to imprisonment in the state prison, he shall, throughout the term of imprisonment or until such time as he reaches the age of twenty-one (21) years, be kept separate and apart at all times from those inmates who are over the age of twenty-one years.

Amendment

The 1961 amendment added the proviso to the second sentence of the first paragraph.

Due Process

Even though a hearing may be informal, the requirements of due process must be met; where there was no sworn testimony, no proof, no representation by counsel, no proper citation to the parent, and no hearing in fact, an order of commitment to the industrial school was reversible. In re Allamaras, 139 M 130, 366 P 2d 340, explained in 366 P 2d 718, 720.

Informal Hearing

This section and section 10-605 must be read together and the informal man-

ner in which a hearing may be conducted as provided in this section refers to the preliminary inquiry provided for in section 10-605. In re Gonzalez, 139 M 592, 366 P 2d 718, 720.

An informal trial is improper when the hearing is upon a petition of county attorney charging a minor child, sixteen years of age, with being a delinquent child, which could result in commitment. In re Gonzalez, 139 M 592, 366 P 2d 718, 720.

Stenographic Record of Evidence

Proceeding upon a petition of county attorney charging minor with being a delinquent child, resulting in commitment of child to industrial school, was remanded to district court where no stenographic record had been made of the evidence presented in the juvenile court. In re Gonzalez, 139 M 592, 366 P 2d 718, 720.

10-617. Penalty for improper and negligent training of children. Any parent or parents, legal guardian, or any other person who shall encourage, wilfully cause or contribute to, or through negligence in the care, custody, guidance, education, maintenance, or direction of any child under

eighteen years of age, cause or permit such child to violate any law of this state, or the ordinance or ordinances of any city of this state, or to be or become incorrigible, or to knowingly associate with thieves, vicious or immoral persons; or to grow up in idleness or crime, or to knowingly enter a house of prostitution; or to knowingly visit or patronize any place, house, or apartment building where any gambling device is or gambling devices are or shall be operated or run, or where any gambling is done or conducted, or to patronize or visit any saloon or saloons, or dram shop or dram shops, where intoxicating liquors are sold, or to wander about the streets of any town or city in the nighttime, without being on lawful business or occupation, or to habitually wander about or visit any railroads or tracks, or to jump or hook on to any moving train or to enter any car or engines, without lawful authority; to use habitually any vile, obscene, vulgar, profane, or indecent language, or to be guilty of immoral conduct in any public place, or about any schoolhouse or grounds, or keep or permit it in or about any saloon or place where spirituous liquors or intoxicating liquors are sold, or in any gambling house or place where gambling is practiced, or in a house of ill fame or prostitution; or to become addicted to the use of spirituous and intoxicating liquors not for medicinal purposes prescribed by a physician; shall be guilty of a misdemeanor and upon trial and conviction thereof shall be fined in a sum not less than ten dollars (\$10.00) and not to exceed one thousand dollars (\$1,000.00), or imprisonment in the county jail for a period not exceeding nine (9) months, or by both such fine and imprisonment.

CHAPTER 4—ADDITIONS OF PLATTED TRACTS TO CITIES AND TOWNS

Section 11-403. Extension of boundaries to include contiguous platted tracts or other parcels of land.

11-403. (4978) Extension of boundaries to include contiguous platted tracts or other parcels of land. (1) Cities or towns of the first class. Any tracts or parcels of land, which have been or may hereafter be platted into lots or blocks, streets, and alleys, and the map or plat thereof filed in the office of the county clerk and recorder of the county in which the same are situated, or any unplatted land that has been surveyed and for which

a certificate of survey has been filed, as provided in these codes, and which platted or unplatted land shall be contiguous to any incorporated city of the first class, may be embraced within the corporate limits thereof, and the boundaries of such city of the first class extended so as to include the same in the following manner: When, in the judgment of any city council of a city of the first class, expressed by a resolution duly and regularly passed and adopted, it will be to the best interest of such city and the inhabitants of any contiguous platted tracts or parcels of land, or unplatted land for which a certificate of survey has been filed, that the boundaries of such city shall be extended, so as to include the same within the corporate limits thereof, the city clerk of such city shall forthwith cause to be published in the newspaper published nearest such platted tracts or parcels of land, or unplatted land for which a certificate of survey has been filed, at least once a week for two successive weeks, a notice which shall be to the effect that such resolution has been duly and regularly passed, and that for a period of twenty days after the first publication of such notice, such city clerk will receive expressions of approval or disapproval, in writing, of the proposed extensions of the boundaries of such city of the first class, from resident freeholders of the territory proposed to be embraced therein. The clerk shall, at the next regular meeting of the city council of such city of the first class after the expiration of said twenty days, lay before the same all communications in writing by him so received for its consideration, and if, after considering the same, such council shall duly and regularly pass and adopt a resolution to that effect, the boundaries of such city of the first class shall be extended so as to embrace and include such platted tracts or parcels of land or unplatted land for which a certificate of survey has been filed, the time when the same shall go into effect to be fixed by such resolution; provided however that land used for industrial or manufacturing purposes shall not be included in such city under the provisions of this section without the consent in writing of the owners of such land, and further provided, that such resolution shall not be adopted by such council if disapproved, in writing, by a majority of the resident freeholders, if any, of the territory proposed to be embraced and no further resolutions relating to the annexation of said territory or any portion thereof may be considered or acted upon by the council on its own initiative and without petition, for a period of one year from the date of disapproval.

Provided also, that cities of the first class may include as part of such city any platted or unplatted tract or parcel of land that is wholly surrounded by such city upon passing a resolution advertising and upon passing a further resolution or following such advertising, all in the manner aforesaid, and such land shall be annexed, if so resolved, whether or not a majority of the resident freeholders, if any, of the land to be annexed object; provided, however, that land used for agricultural, mining, smelting, refining, transportation, recreational area, or any industrial or manufacturing purpose or for the purpose of maintaining or operating a golf or country club, an athletic field or aircraft landing field, a cemetery or a place for public or private outdoor entertainment or any purpose incident thereto, shall not be annexed under this provision.

(2) Cities and towns of the second and third class. Any tracts or parcels of land, which shall be contiguous to any incorporated cities or towns of the second and third class, may be embraced within the corporate limits thereof and the boundaries of such cities or towns of the second and third class extended so as to include the same in the following manner: When, in the judgment of any such city or town council, expressed by resolution duly and regularly passed and adopted, it will be to the best interest of such city, or town and the inhabitants thereof, and of the inhabitants of any contiguous tracts or parcels of land, as aforesaid, that the boundaries of such city or town shall be extended, so as to include the same within the corporate limits thereof, the city or town clerk of such city or town shall forthwith notify in writing all property holders within the boundaries of the territory proposed to be embraced, and cause to be published in the newspaper published nearest such tracts or parcels of land, at least once a week for two successive weeks, a notice which shall be to the effect that such resolution has been duly and regularly passed and that for a period of twenty days after the first publication of such notice, such city or town clerk will receive expressions of approval or disapproval, in writing, of the proposed extensions of the boundaries of such city or town, from freeholders of the territory proposed to be embraced therein. The clerk shall, at the next regular meeting of the city or town council after the expiration of said twenty days, lay before the same all communications in writing by him so received for its consideration, and if, after considering the same, such council shall duly and regularly pass and adopt a resolution to that effect, the boundaries of such city or town of the second or third class, shall be extended so as to embrace and include such tracts or parcels of land, the time when the same shall go into effect to be fixed by such resolution; provided, that such resolution shall not be adopted by such council, if disapproved, in writing, by a majority of the freeholders of the territory proposed to be embraced.

(3) Whenever two or more adjacent tracts taken as a whole shall adjoin the city, they may be included in one resolution under subdivision (2) hereof, although one or more of said tracts taken alone may not be adjacent to the corporate limits as then existing.

annexation of said territory or any portion thereof may be considered or acted upon by the council on its own initiative and without petition, for a period of one year from the date of disapproval."

Repealing Clauses

Section 2 of Ch. 238, Laws 1959 and Sec. 2 of Ch. 217, Laws 1961 repealed all acts and parts of acts in conflict therewith.

Effective Dates

Section 3 of Ch. 238, Laws 1959 provided the act should be in effect from and after its passage and approval. Approved March 11, 1959.

Section 3 of Ch. 217, Laws 1961 provided the act should be in effect from and after its passage and approval. Approved March 7, 1961.

Appeal

In taxpayers' suit opposing annexation of a city subdivision where trial court found that less than the required majority had protested, it must be presumed on appeal that the lower court's proceedings are regular and contain no substantial error until otherwise shown preponderantly by the plaintiff. *Kunesh v. Great Falls*, 132 M 285, 317 P 2d 297, 298.

Description of Land Annexed

In annexation proceedings by a second class city the description of the land was adequate, although it omitted township and range, where the resolution stated that the land was contiguous to the boundaries of the city and referred to the intersections of streets. *Klamm v. City of Miles City*, 138 M 65, 353 P 2d 752, 754.

Disapproval by Residents

Residents of an area sought to be annexed must register their disapproval by showing such disapproval in writing to the city clerk as required by statute. They cannot do so in courts of law. *Penland v. Missoula*, 132 M 591, 318 P 2d 1089, 1092.

Time limitation for disapproval cannot be extended. *Penland v. Missoula*, 132 M 591, 318 P 2d 1089, 1092, 1093.

Discretion of City Council

City council has the discretion to determine whether or not it is in the best interests of the city and the inhabitants of the area that it be annexed. *Penland v. Missoula*, 132 M 591, 318 P 2d 1089, 1092, distinguished in 138 M 65, 67, 353 P 2d 752, 753.

Evidence of Benefits

In action for injunctive relief against resolution of intention of city council to

annex land court properly excluded all evidence relating to benefits. *Penland v. Missoula*, 132 M 591, 318 P 2d 1089, 1092.

Resident Freeholder

A freeholder becomes a resident under section 83-303 upon union of act and intent. If the intention to establish a permanent residence be ascertained, the recency of the establishment is immaterial. *Kunesh v. Great Falls*, 132 M 285, 317 P 2d 297, 301.

A resident freeholder qualified to protest annexation may be defined as one who is a resident within the area to be annexed, holding a present legal title to a freehold estate in real property located within the area to be annexed. *Kunesh v. Great Falls*, 132 M 285, 317 P 2d 297, 301.

Date through which timely protest could be received, set forth in the notice of resolution of intention to annex, as protest date, determines qualifications of resident freeholders to protest annexation. *Kunesh v. Great Falls*, 132 M 285, 317 P 2d 297, 301.

It is not necessary for resident freeholder to reside upon his freehold in order to protest annexation. *Kunesh v. Great Falls*, 132 M 285, 317 P 2d 297, 301.

Resolution of Intention

Exercise of discretion of city council in passing resolution of intention to annex land may be reviewed by court only when, and if, they have proceeded contrary to statute. *Penland v. Missoula*, 132 M 591, 318 P 2d 1089, 1092.

Unplatted Territory

Unplatted territory may be annexed by a second-class city. *Klamm v. City of Miles City*, 138 M 65, 353 P 2d 752, 753.

nexed, not the larger area of which the separating strip was a part. If the triangular separating strip is too small or too narrow to be platted, then the tracts separated by it will be deemed contiguous. *Penland v. Missoula*, 132 M 591, 318 P 2d 1089, 1093.

CHAPTER 12—CONTRACTS AND FRANCHISES

Section 11-1202. Awarding contracts—advertisement—limitations—installments—sales of supplies—construction of buildings—purchases from government agencies—exemptions.

11-1202. (5070) Awarding contracts—advertisement—limitations—installments—sales of supplies—construction of buildings—purchases from government agencies—exemptions. All contracts for work, or for supplies, or for material, or for the construction of any building, for which must be paid a sum exceeding one thousand dollars (\$1,000.00), must be let to the lowest responsible bidder after advertisement for bids; provided that no contract shall be let extending over a period of three (3) years or more without first submitting the question to a vote of the taxpaying electors of said city or town. Such advertisement shall be made in the official newspaper of the city or town, if there be such official newspaper, and if not it shall be made in a daily newspaper of general circulation published in the city or town, if there be such, otherwise by posting in three (3) of the most public places in the city or town. Such advertisement if by publication in a newspaper shall be made once each week for two consecutive weeks and the second publication shall be made not less than five (5) days nor more than twelve (12) days before the consideration of bids. If such advertisement is made by posting, fifteen (15) days must elapse, including the day of posting, between the time of the posting of such advertisement and the day set for considering bids. The council may postpone action as to any such contract until the next regular meeting after bids are received in response to such advertisement, may reject any and all bids and readvertise as herein provided. The provisions of this section as to advertisement for bids shall not apply upon the happening of any emergency caused by fire, flood, explosion, storm, earthquake, riot or insurrection, or any other similar emergency, but in such case the council may proceed in any manner which, in the judgment of three-fourths ($\frac{3}{4}$) of the members of the council present at the meeting, duly recorded in the minutes of the proceedings of the council by aye and nay vote, will best meet the emergency and serve the public interest. Such emergency shall be declared and recorded at length in the minutes of the proceedings of the council at the time the vote thereon is taken and recorded.

When the amount to be paid under any such contract shall exceed one thousand dollars (\$1,000.00) the council may provide for the payment of such amount in installments extending over a period of not more than three (3) years; provided that when such amount is extended over a term of two (2) years at least forty per centum (40%) thereof shall be paid the first year and the remainder the second year, and when such amount is extended over a term of three (3) years, at least one-third ($\frac{1}{3}$) thereof shall be paid each year; provided that at the time of entering into such contract, there shall be an unexpended balance of appropriation in the budget for the then current fiscal year available and sufficient to meet and take care of such portion of the contract price as is payable during the then current fiscal year, and the budget for each following year, in

which any portion of such purchase price is to be paid, shall contain an appropriation for the purpose of paying the same.

Old supplies or equipment may be sold by the city or town to the highest responsible bidder, after calling for bid purchasers as herein set forth for bid sellers, and such city or town may trade in supplies or old equipment on new supplies or equipment at such bid price as will result in the lowest net price.

Also a city or town may, without bid, when there are sufficient funds in the budget for supplies or equipment, purchase such supplies or equipment from government agencies available to cities or towns when the same can be purchased by such city or town at a substantial saving to such city or town.

All necessary contracts for professional, technical, engineering and legal services are excluded from the provisions of this act.

Amendments

The 1959 amendment, in the first paragraph, substituted the phrase "once each week for two consecutive weeks and the second publication shall be made not less than five (5) days nor more than twelve

(12) days" for the phrase "twice, the first publication to be made not more than twenty-two (22) days nor less than fifteen (15) days before the consideration of bids and the second publication shall be made not less than five (5) days nor more than ten (10) days."

The 1963 amendment inserted "or for the construction of any building" near the beginning of the first paragraph.

CHAPTER 13—PRESENTATION AND PAYMENT OF CLAIMS— CITY WARRANTS

Section 11-1310. Investment of city or town moneys in city or town warrants and approved securities.

11-1305. (5080) Defective highways and public works—notice, etc.

Notice to City of Defective Condition

In an action by a pedestrian against a municipality for injuries sustained in a fall on a sidewalk, a telephone conversation by the owner of a business adjacent to the site of the fall, to the city engineer's office to the effect that he reported a defect in the walk to the person who answered the phone, was admissible and the absence of proof that the city clerk made a record of the report did not deny the right of the pedestrian, having carried the burden of proof, to recover damages. *Ratliff v. City of Great Falls*, 132 M 89, 314 P 2d 880.

Notice to the city may be proved "by any method through competent evidence." *Ratliff v. City of Great Falls*, 132 M 89, 314 P 2d 880, 883.

In an action for personal injuries resulting from fall on defective sidewalk, notice to a former street employee of the

city, who had no authority to cause repairs to be made and was not chargeable with responsibility for ascertaining and reporting to those having authority to repair, was not notice to the city. *Morris v. City of Deer Lodge*, — M —, 369 P 2d 30, 32.

Operation and Effect

A cause of action for damage to property allegedly caused by the insufficiency of a storm sewer to handle water from a heavy rain was barred by the failure to give notice to the city within 60 days. *Thompson v. City of Shelby*, 136 M 562, 323 P 2d 33.

Purpose

The purpose of this section is to give knowledge of the injury to the city authorities so that the expense of litigation may be avoided, not alone that the city

may have an opportunity to investigate, and it is not sufficient that city officers had notice of the defect. *Thompson v. City of Shelby*, 136 M 562, 323 P 2d 33, 34.

11-1310. Investment of city or town moneys in city or town warrants and approved securities. (1) Except as provided in subsection (2) of this section, whenever the city or town has under its control any moneys, for which there is no immediate demand, in any fund which, in the judgment of the city or town council, it would be advantageous to invest in city or town warrants, the city or town council is authorized in their discretion to direct the city or town treasurer to purchase legally issued city or town general obligation warrants of the same city or town, thereafter issued against funds in which there is not sufficient money to pay such city or town warrants at the time of issuance, and in case of such purchase, the city or town council shall designate the fund or funds, to be so invested, and shall fix the amount thereof, and shall also designate the city or town warrant or warrants which are to be purchased by such funds. The city or town clerk shall thereupon cause to be attached to, or stamped, written or printed upon the warrants so ordered to be purchased a notice to the effect that the city or town will exercise its preference right to purchase such warrant. The city or town treasurer shall thereafter, when such city or town warrant is presented to him, purchase the same out of the proper fund as designated by the city or town council, and the warrant so purchased shall be registered as other city or town warrants, and bear interest as provided by law. When the designated amounts have been invested the city or town treasurer shall notify the city or town clerk.

(2) Whenever the city or town has under its control any moneys realized from the sale of bonds, for which there is no immediate demand, which in the judgment of the city or town council it would be advantageous to invest in any time or savings deposits, United States certificates of indebtedness, United States treasury notes or United States treasury bonds having a maturity date of one (1) year or less, the city or town council is authorized in their discretion to direct the city or town treasurer to make such investments. Interest earned from such investments shall be credited to the bond sinking fund of the city or town.

A municipality has the duty to maintain an adequate police force and, it follows, the duty to preserve order, and in performing that duty the municipality is performing a governmental function. *Kingfisher v. City of Forsyth*, 132 M 39, 314 P 2d 876, 879.

Annual Increase

Although the wages provided for by the 1957 amendment are payable only after July 1, 1957, this does not mean that the legislature did not intend to consider service prior to that date in computing what the wages shall be. *Hill v. Billings*, 134 M 282, 328 P 2d 1112, 1115.

In enacting Laws of 1957, chapter 28, amending this section, the legislature intended to recognize the status of police

officers according to the length of service in the past and to reward the more experienced by paying them a higher wage scale. The legislature drew no distinction between years of service performed before July 1, 1957, and those performed after that date. *Hill v. Billings*, 134 M 282, 328 P 2d 1112, 1116.

Under this section as amended by Laws of 1957, chapter 28, added wages must be added to the actual current salary and

not to the minimum of \$350 a month. *Hill v. Billings*, 134 M 282, 328 P 2d 1112, 1115.

Where a policeman's salary for one fiscal year was a stated amount which was calculated to include the longevity to which he was entitled, his "actual current salary" was the amount received

other than for longevity, and the amount to which he is entitled for the next year is computed by adding his total longevity to the "actual current salary" rather than to the stated amount. *State ex rel. Raw v. City of Helena*, 139 M 343, 363 P 2d 720, 722.

DECISIONS UNDER FORMER LAW

Workmen's Compensation Proviso Unconstitutional

The provisions of this section clearly impair an obligation of contract and must be declared unconstitutional insofar as they prohibit a fireman or his widow or orphah from receiving payments from the

disability and pension fund if they are also receiving payments under the Workmen's Compensation Act (section 92-101 et seq.). State ex rel. Evans v. Fire Department Relief Assn., 138 M 172, 355 P 2d 670, 672.

11-1927. (5134) Pensions to widows and orphans. Each and every fire department relief association, organized and existing under the laws of this state, shall pay to the widow or orphans of a deceased member of said association, who, on the date of his decease, was an active member of the fire department in the city or town wherein such association has been formed, or had elected to retire from active service of said fire department and receive a "service pension" as provided for by section 11-1925, or prior to his decease had suffered a sickness or injury in line of duty, and was receiving or was qualified to receive a "disability pension," as provided by section 11-1926, out of any money in the relief association's "disability and pension fund," a monthly pension in an amount which shall be equal to one-half ($\frac{1}{2}$) of the monthly compensation last received by such deceased member for his services as an active member of the fire department in the city or town wherein such association has been formed. Provided, such association may at any time, by a two-thirds ($\frac{2}{3}$) vote of the members thereof, increase or decrease the said pension whenever the financial condition of the association's "disability and pension fund" shall warrant such action; provided, that no increase shall be effected as will increase the said pension in an amount in excess of a sum equal to one-half ($\frac{1}{2}$) of the monthly compensation last received by the deceased member; provided, further, that no de-

crease shall be effected unless the balance in the "disability and pension fund" is less than one-half ($\frac{1}{2}$) of one per cent (1%) of the taxable valuation of all taxable property within the limits of the city, town, or municipality. However, effective July 1, 1963, and after completing twenty (20) years or more of active service and attaining the age of fifty (50) years, a member elects to serve an additional one (1) to ten (10) years, then the pension shall be increased at the rate of one per cent (1%) per year of such additional service, up to a maximum of sixty per cent (60%) of the last month's salary received as a monthly compensation for his services as an active member of said fire department. Provided, that said pension shall be paid to the within named widow only so long as she remains unmarried, and further provided, that a widow of a deceased fireman shall not be entitled to the pension, provided for by this act, in those cases where the marriage was consummated after the fireman had elected to retire from active service and received a "service pension" as provided for by section 11-1925; or in those cases where the marriage was consummated after the fireman had qualified and was receiving a "disability pension" as provided for by section 11-1926. Provided further, that the pension herein provided for shall not be paid to the orphans of deceased firemen after they have attained the age of eighteen (18) years. In case of volunteer firemen such pension shall in no event exceed the sum of seventy-five (\$75.00) dollars per month.

Amendment

The 1963 amendment inserted the third sentence (establishing a pension increase for elective additional service), and made a minor change in phraseology.

Separability Clause

Section 4 of Ch. 56, Laws 1963 read "If any clause, sentence, section, paragraph, or part of this act shall for any reason, be adjudged by any court of competent jurisdiction to be invalid, or inoperative, such judgment shall not affect, impair or invalidate the remainder of this act but shall be confined in its operation to the clause, sentence, section, paragraph or part directly adjudged to be invalid and inoperative."

CHAPTER 20—FIRE PROTECTION IN UNINCORPORATED TOWNS—FIRE WARDENS, COMPANIES AND DISTRICTS

- Section 11-2008. Fire protection—creation of fire districts—contracts with cities, towns and private service—dissolution and change of boundaries.
- 11-2010. Trustees of fire districts—appointment—powers.
 - 11-2025. Payment of claim.
 - 11-2026. Administration of act.
 - 11-2028. Earnings to be part of moneys.
 - 11-2030. Fire insurance premium tax to be paid into fund.

11-2008. (5148) Fire protection—creation of fire districts—contracts with cities, towns and private service—dissolution and change of boundaries. (a) The board of county commissioners is authorized to establish fire districts in any unincorporated territory, town or village upon presentation of a petition in writing signed by the owners of fifty per cent (50%) or more of the area of the privately owned lands included within the proposed district who constitute a majority of the taxpayers who are freeholders of such area, and whose names appear upon the last completed assessment roll; the board shall within ten (10) days

after the receipt of such petition; give notice of the hearing thereof at least ten (10) days prior thereto by causing notices of the time and place of such hearing to be posted in at least three (3) of the most public places within the area proposed to be established as a fire district, and published at least once not less than ten (10) or more than twenty (20) days prior to the time of said hearing in a newspaper regularly published in the county in which such proposed district is situated. The board shall proceed to hear the said petition at the time set therefor, or at any time within five (5) days thereafter to which the same shall have been postponed or continued with due notice, and may grant the same unless it shall be established thereat that the petition bears insufficient signatures as above required, or, if originally sufficient, that by reason of written withdrawals thereof it has become insufficient. The board shall render its decision within thirty (30) days after said hearing. At the time of the annual levy of taxes the board of county commissioners may levy a special tax upon all property within such districts for the purpose of buying or maintaining fire protection facilities and apparatus for such districts, or for the purpose of paying to a city, town or private fire service the consideration provided for in any contract with the council of such city, town or private fire service for the purpose of furnishing fire protection service to property within such district, and such tax must be collected as are other taxes. That the relationship between fire district and the city, town or private fire service shall be that of an independent contractor.

(b) Any fire district organized under this act may be dissolved by the board of county commissioners upon presentation of a petition therefor signed by the owners of fifty per cent (50%) or more of the area of the privately owned lands included within such fire district and who constitute a majority of the taxpayers who are freeholders of such area, and whose names appear upon the last completed assessment roll. The procedure and requirements outlined in subsection (a) above shall apply to such requests for dissolution of fire districts.

(c) Change of boundaries—division. Fire districts may be divided in the following manner: Whenever a petition in writing shall be made to the county commissioners, signed by the owners of twenty per cent (20%), or more, of the privately owned lands of an area proposed to be detracted from the original district, and who constitute twenty per cent (20%), or more, of the taxpayers who are freeholders within such proposed detracted area, whose names appear upon the last completed assessment roll, the county commissioners shall, within ten (10) days from the receipt of such petition give notice of the hearing of said petition by causing to be posted, a notice thereof at least ten (10) days prior to the time appointed by them for the consideration of said petition, in at least three (3) of the most public places within the proposed detracted area, and also in at least three (3) of the most public places within the remaining area. The petition for detraction shall describe the boundaries of the proposed detracted area, and also the boundaries of the remaining area. The county commissioners shall, on the day fixed for hearing such petition (or on any legally postponed day), proceed to hear said petition; and

said petition shall be granted, and the original district shall thereupon be divided into separate districts, unless at the time of the hearing on such petition protests shall be presented by the owners of fifty per cent (50%), or more, of the area of the privately owned lands included within the entire original district, and who constitute a majority of the taxpayers who are freeholders of the entire original district, and whose names appear upon the last completed assessment roll. If such required amount of protests are presented, the petition for division shall be disallowed. Upon the division of districts, moneys on hand shall be apportioned between the divided areas according to their respective taxable valuations; all other assets of the original district shall become the property of the remaining area, but a reasonable value shall be placed upon such "other assets" and the remaining area shall become indebted to the detracted area for its proportionate share thereof, based upon taxable valuations. Provided, however, that any detracted area shall remain liable for any existing warrant and bonded indebtedness of the original district.

(d) Change of boundaries—annexation. Adjacent territory that is not already a part of a fire district may be annexed in the following manner: A petition in writing by the owners of fifty per cent (50%), or more of the area of privately owned lands of the adjacent area proposed to be annexed, and who constitute a majority of the taxpaying freeholders within such proposed area to be annexed, whose names appear upon the last completed assessment roll, shall be presented to the board of county commissioners. The commissioners shall hold a hearing on such petition, in accordance with the procedure outlined in subsection (c) above, and shall allow the annexation of such proposed adjacent territory, unless protests are presented at the hearing by the owners of fifty per cent (50%), or more, of the area of the privately owned lands included within the original district, and who constitute a majority of the taxpaying freeholders within the original district. Such annexed territory shall become liable for any outstanding warrant and bonded indebtedness of the original district.

Adjacent territory that is already a part of a fire district may withdraw from such fire district and become annexed to another fire district in the following manner: A petition in writing by the owners of fifty per cent (50%), or more, of the privately owned lands of an area, which is part of any organized fire district, and who constitute a majority of the taxpaying freeholders within such area, according to the last completed assessment roll, shall be presented to the county commissioners asking that such area be transferred to, and included in, any other organized fire district to which said area is adjacent. Said petition must set forth the change of boundaries to be affected by such proposed transfer of area. The commissioners shall hold a hearing on the petition in accordance with the procedure outlined in subsection (c), above; and the withdrawal and annexation shall be allowed unless protests are presented at the hearing by the owners of fifty per cent (50%), or more, of the area of the privately owned lands included within either district affected, and who constitute a majority of the taxpaying freeholders of either district, according to the last completed assessment roll, and provided, that such

withdrawals and annexation shall be allowed only upon a showing of more advantageous proximity and communications with the fire-fighting facilities of the other district.

Sec. 1, Ch. 49, L. 1963.

Amendments

The 1959 amendment by Ch. 48 substituted the word "adjacent" for "contiguous" wherever it appears in subd. (d) and the last paragraph and substituted "either district" for "both districts" each time it appears in the last paragraph.

The 1959 amendment by Ch. 77 in subd. (a) substituted the word "or" for "and" which appeared between the words "buying" and "maintaining"; inserted the words "or private fire service" in two places in the next to last sentence of subd. (a); substituted the words "for the purpose of furnishing" for "for the extension of" before the words "fire protection service" in the same sentence and added the last sentence to subd. (a).

The 1963 amendment incorporated both of the 1959 amendments and inserted "of

the privately owned lands" or "of the area of privately owned lands" in one place in each of subds. (a) and (b), in two places in subd. (c), and in two places in each of the paragraphs of subd. (d).

Severability Clause

Section 2 of Ch. 48, Laws 1959 read: "If any provision contained in this act shall for any reason be held invalid, such decision shall not invalidate the remaining portions of this act."

Repealing Clause

Section 3 of Ch. 48, Laws 1959 repealed all acts and parts of acts in conflict therewith.

Constitutionality

This section, before the 1957 amendment, was unconstitutional as being in direct conflict with the due process of law clause in section 27, article III, Montana Constitution and the first clause of the fourteenth amendment to the Constitution of the United States of America. *Great Northern Railway Co. v. Roosevelt County*, 134 M 355, 332 P 2d 501, 502, 505, 506, distinguished in 138 M 69, 73, 354 P 2d 1056, 1058.

This section (Sec. 1, Ch. 148, L. 1925) was a denial of due process in conflict with

section 27, article III, Montana Constitution and the first clause of the fourteenth amendment to the Constitution of the United States of America. *Great Northern Railway Co. v. Roosevelt County*, 134 M 355, 332 P 2d 501, 502, 505, 506, distinguished in 138 M 69, 73, 354 P 2d 1056, 1058.

(a) Whenever the board of county commissioners shall have established a fire district in any unincorporated territory, town or village, said commissioners may contract with a city, town or private fire company to furnish fire protection for property within said district, or shall appoint five qualified trustees to govern and manage the affairs of the fire district, who shall hold office until their successors are elected and qualified, as hereinafter provided. Qualifications of electors and trustees, terms of office, vacancies, manner and date of elections, shall, as far as possible, be the same as provided in the school election laws for school districts of the second class; except, that only electors who are taxpayers affected by the special fire district levies may vote at such elections, and be qualified to serve as trustees; and except, also, there need be no special registration of electors.

(b) Power of trustee. The trustees shall organize by choosing a chairman, and appointing one member to act as secretary. They shall prepare and adopt suitable by-laws; appoint and form fire companies that shall have the same duties, exemptions, and privileges as other fire companies. The trustees shall have the authority to provide adequate and standard fire-fighting apparatus, equipment, housing and facilities for the protection of the district; and shall prepare annual budgets and request special levies therefor. The budget laws relating to county budgets, shall, as far as applicable, apply to fire districts.

(c) The trustees of such fire district may contract with the council of any city or town, or with the trustees of any other fire district established in any unincorporated territory, town or village, lying within five (5) miles of the farthest limits of the district, whether such city or town or other fire district shall lie within the same county or another county, for the extension of fire protection service by such city or town, or by such other fire district, to property included within the district, and may agree to pay a reasonable consideration therefor, provided, that the owners of ten per cent (10%) of the taxable value of the property in any fire district may elect to make a contract with the city fire department for fire protection, or to be included in the fire district protection facilities. Likewise, the trustees may contract to permit the fire district equipment and facilities to be used by or for such cities or towns lying within the district, or by such cities, towns, or other fire districts lying within five (5) miles of the farthest limits of the district.

Compiler's Note

This section was amended twice by the 1959 legislature. Once by Ch. 77, approved March 2, 1959 and once by Ch. 118, approved March 4, 1959. Neither act mentioned the amendment by the other act but as they amended the section in different respects they do not seem in conflict with each other. Hence, the compiler has made a composite section incorporating the changes made by each amendment.

Amendments

The 1959 amendment by Ch. 77 inserted the words "may contract with a city, town or private fire company to furnish fire protection for property within said district, or" in subd. (a).

The 1959 amendment by Ch. 118 in subd. Repealing Clause

Section 2 of Ch. 261, Laws 1959 repealed all acts and parts of acts in conflict therewith.

Amendment

The 1959 amendment in subd. (2) inserted the word "real" before the word "property" and inserted the words "listed in his name upon the last completed assessment roll for state, county and school district taxes."

Construction of Section

The words "approximate estimate" should not be construed liberally. *Koich v. City of Helena*, 132 M 194, 315 P 2d 811, 814, 815.

Notice

Until there is service of notice in strict compliance with the statute, no jurisdiction

tion would attach to the municipality. *Wood v. City of Kalispell*, 131 M 390, 310 P 2d 1058.

Notice of the resolution of intention given by city to landowners was not sufficient where it did not contain an "approximate estimate" of the cost of improvements, the original estimate having been increased by 7½%. *Koich v. City of Helena*, 132 M 194, 315 P 2d 811, 816.

The landowner whose property is affected by the special improvement district must be given notice of the intention of the city's intent to create one. The notice must be sufficiently definite to apprise the landowner of the extent, nature and cost of the various improvements proposed. *Koich v. City of Helena*, 132 M 194, 315 P 2d 811, 814.

Parties who have either received notice or waived it by appearing to protest may not take advantage of the failure of notice to other parties who have neither protested nor appeared as parties to the suit. *Shaw v. City of Kalispell*, 135 M 284, 340 P 2d 523.

This section does not require the city clerk to mail copies of the required notice to persons who are neither record owners nor personally known owners of an interest in property in the district, since they have been careless in failing to record their ownership. *Shaw v. City of Kalispell*, 135 M 284, 340 P 2d 523.

Landowners who appear before the city council to protest the establishment of an improvement district do not thereby waive their right to restrain its establishment on the ground of defective publication

of notice. *Guffey v. City of Helena*, — M —, 369 P 2d 803, 806.

Operation and Effect

A special improvement district for the purpose of raising funds was void where one of the property owners affected was not mailed a notice. *Wood v. City of Kalispell*, 131 M 390, 310 P 2d 1058.

Public Hearing

The statute contemplates a public hearing where the various objections made to the resolution of intention may be aired before actual work on the project has commenced. *Koich v. City of Helena*, 132 M 194, 315 P 2d 811, 813.

Purpose of Resolution

Notification is the prime purpose of the statute so that taxpayers will not be burdened with some improvement which they do not want, cannot afford, or do not need. *Koich v. City of Helena*, 132 M 194, 315 P 2d 811, 813.

The essential purpose of a resolution of intention is to: (1) apprise the taxpayers that the city intends to propose a special improvement district; (2) what area will be encompassed in the district; (3) what type and character of improvements will be included within the district; and (4) the cost of the improvements to be made. *Koich v. City of Helena*, 132 M 194, 315 P 2d 811, 813.

Street Improvements

A city may create a special improvement district for street improvements where the street is also a part of a state highway and, in such instance, the con-

tracts for the work must be awarded by the state highway commission. *Wood v. City of Kalispell*, 131 M 390, 310 P 2d 1058, 1062.

11-2218. May issue revenue bonds—sinking fund—refunding revenue bonds. (1) Any such municipality may issue and sell negotiable rev-

enue bonds for the construction of any such water or sewer system or combined water and sewer system when authorized so to do by a majority vote of the qualified electors voting on the question at an election called by the city council or other governing body of the municipality for that purpose, and noticed and conducted in accordance with the provisions of sections 11-2308 to 11-2310, inclusive; which bonds shall bear interest at a rate or rates and shall be sold at a price resulting in an average net interest cost, computed to the stated bond maturity dates, of not more than six per cent (6%) per annum and all bonds shall mature within forty (40) years from date of bonds, and may be registered as to ownership of principal only with the treasurer of said municipality, if so directed by the governing body. No bonds shall be sold for less than par, and each of said bonds shall state plainly on its face that it is payable only from a sinking fund, naming said fund and the ordinance and resolution creating it, and that it does not create an indebtedness within the meaning of any charter, statutory or constitutional limitation upon the incurring of indebtedness.

(2) Prior to the issuance of said bonds the city council or other governing body of such municipality shall adopt an ordinance or resolution authorizing the issuance and sale of said bonds, and must create a sinking fund for the payment of the bonds and the interest thereon and charges of the fiscal agency for making payment of the bonds and interest thereon.

(3) At or before the issuance and sale of any such bonds, the governing body shall, by resolution or ordinance, set aside to such sinking fund and pledge to the payment of the bonds and the interest thereon the net income and revenues of the system, including all additions thereto and replacements and improvements thereof subsequently constructed or acquired, up to an amount sufficient to provide for the payment of the principal and the interest on the bonds as such principal and interest shall become due and payable, and to accumulate and maintain reserves securing such payments in such amount as shall be deemed by the governing body to be necessary and expedient.

(4) The said net income and revenues above-mentioned shall be construed to mean all the gross income from said system less normal, reasonable and current expenses of operation and maintenance thereof.

(5) Said payments above-mentioned shall constitute a first and prior charge and lien on the entire net income and revenues derived from the operation of said system, provided that the governing body shall have power from time to time to establish the relative priority of the liens of successive issues of bonds upon said net income and revenues, subject to any restrictions contained in the ordinances or resolutions authorizing bonds of prior issues.

(6) Any such municipality, by ordinance or resolution adopted by its governing body, and without an election, may issue and sell negotiable revenue bonds in the manner provided in this section, to refund bonds previously issued for any of the foregoing purposes, whether issued under authority of this section or any other applicable law. Refunding bonds

may, with the consent of the holders of the bonds to be refunded thereby, be exchanged at par plus accrued interest for all or part of such bonds, or may be sold at a price not less than par plus accrued interest, but nothing herein shall require the holder of any outstanding bond to accept payment thereof or the delivery of a refunding bond in exchange therefor, except in accordance with the terms of such outstanding bond. Bonds may be issued to refund interest as well as principal actually due and payable if the revenues pledged therefor are not sufficient, but not to refund any principal or interest due which can be paid from revenues then on hand.

(7) Any municipality having issued bonds payable from net revenues of its water and sewer system or combined water and sewer systems, whether under authority of this section or otherwise, may issue additional bonds after authorization by the qualified electors in the manner hereinabove provided, to finance the reconstruction and improvement of such system and the construction of additions thereto, and may provide that such additional bonds shall be payable from said net revenues on a parity with the outstanding bonds of such previous issues, subject to any restrictions upon such issuance which may be imposed by the resolutions or ordinances authorizing said outstanding bonds; or the governing body may provide for the issuance of refunding bonds, without an election, to retire such outstanding bonds and may, if desired, combine such refunding issue with the issue authorized by the electors for reconstruction, improvements and additions, or may include the amount required for such refunding in the amount of such additional issue when submitted to the electors.

(8) Refunding bonds may bear interest at a rate lower or higher than the bonds refunded thereby, if they are issued to refund matured principal or interest for the payment of which revenues on hand are not sufficient, or if the refunding bonds are combined with an issue of new bonds for reconstruction, improvements and additions and the lien of such new bonds upon the revenues of the system or systems must be junior and subordinate to the lien of the outstanding bonds refunded, under the terms of the ordinances or resolutions authorizing the outstanding bonds, as applied to circumstances existing on the date of refunding. Except as authorized in the preceding sentence, refunding bonds shall not be issued unless their average annual interest rate, computed to their stated maturity dates and excluding any premium from such computation, is at least three-eighths of one per cent ($\frac{3}{8}$ of 1%) less than the average annual interest rate on the bonds refunded thereby, computed to their respective stated maturity dates.

(9) In any case where refunding bonds are issued and sold six (6) months or more before the earliest date on which all bonds refunded thereby mature or are prepayable in accordance with their terms, the proceeds of the refunding bonds, including any premium and accrued interest, shall be deposited in escrow with a suitable bank or trust company, having its principal place of business within or without the state, which is a member of the Federal Reserve System and has a combined

capital and surplus not less than one million dollars (\$1,000,000), and shall be invested in such amount and in securities maturing on such dates and bearing interest at such rates as shall be required to provide funds sufficient to pay when due the interest to accrue on each bond refunded to its maturity or, if it is prepayable, to the earliest prior date upon which such bond may be called for redemption, and to pay and redeem the principal amount of each such bond at maturity, or, if prepayable, at its earliest redemption date, and any premium required for redemption on such date; and the resolution or ordinance authorizing the refunding bonds shall irrevocably appropriate for these purposes the escrow fund and all income therefrom, and shall provide for the call of all prepayable bonds in accordance with their terms. The securities to be purchased with the escrow fund shall be limited to general obligations of the United States, securities whose principal and interest payments are guaranteed by the United States, and securities issued by the following United States government agencies: Banks for Cooperatives, Federal Home Loan Banks, Federal Intermediate Credit Banks, Federal Land Banks, and the Federal National Mortgage Association. Such securities shall be purchased simultaneously with the delivery of the refunding bonds.

(10) Revenues and other funds on hand, in excess of amounts pledged by ordinances and resolutions authorizing outstanding bonds for the payment of principal and interest currently due thereon and reserves securing such payment, may be used to pay the expenses incurred by the municipality for the purpose of such refunding, including but without limitation the cost of advertising and printing refunding bonds, legal and financial advice and assistance in connection therewith, and the reasonable and customary charges of escrow agents and paying agents. Revenues and other funds on hand, including reserves pledged for the payment and security of outstanding revenue bonds, may be deposited in an escrow fund created for the retirement of such bonds and may be invested and disbursed as provided in subsection (9) hereof, to the extent consistent with the ordinances or resolutions authorizing such outstanding bonds.

Amendment

The 1963 amendment divided the section into numbered subsections; combined two paragraphs into one sentence in subsection (2); inserted the words "in the manner provided in this section" in the first sentence of subsection (6); added the second and third sentences to subsection (6); substituted subsections (8), (9), and (10) for sentences reading: "Said refunding bonds, or any bonds of any such combined issue, may be exchanged at par and accrued interest for all or part of said outstanding bonds, with the consent of the holders thereof, or may be deposited in escrow for the purpose of

such exchange with a suitable bank or trust company within or without the state; or proceeds of the sale of the refunding or combined issue may be similarly deposited in escrow and applied to the redemption of all or part of the outstanding bonds at maturity or when the same are next prepayable according to their terms, and to the payment of accrued interest thereon and of any premium payable for redemption prior to maturity, and to the purchase and retirement of any outstanding bonds which can be so purchased at a price less than par plus interest to accrue to maturity or, if prepayable, at a price less than par plus interest to accrue to their earliest possible redemption date plus any premium payable upon redemption prior to maturity; and any revenue bond proceeds so deposited in escrow may be invested in general

obligations of the United States pending the use thereof for the purposes herein authorized, and any such investments shall be deposited with the escrow agent for safekeeping. Nothing herein shall, however, be deemed to authorize the refunding of any matured bonds for the payment of which net revenues on hand are sufficient, or to authorize the refunding of any outstanding bonds at a higher rate of interest unless available net revenues are insufficient to pay principal and interest due thereon, or unless the refunding is authorized simultaneously with

the issuance of additional bonds for reconstruction, improvements or additions, which, according to the terms of the outstanding bonds, must be junior and subordinate to the lien of such outstanding bonds upon the net revenues"; and made minor changes in phraseology.

Repealing Clause

Section 2 of Ch. 111, Laws 1959 repealed all acts and parts of acts in conflict therewith.

11-2404. Authorization of undertaking—form and contents of bonds. The acquisition, purchase, construction, reconstruction, improvement, betterment or extension of any undertaking may be authorized under this chapter, and bonds may be authorized to be issued under this chapter by resolution or resolutions of the governing body of the municipality, when authorized by a majority of the taxpayers voting upon such question at

a special election noticed and conducted as provided in sections 11-2308 to 11-2310, inclusive, and said special election shall be held not later than the next municipal election held after the council or governing body of the municipality has by resolution or resolutions approved the acquisition, purchase, construction, reconstruction, improvement, betterment or extension of any undertaking as in this chapter provided and ordered said special election; provided, that the issuance of refunding revenue bonds may be authorized by resolution or resolutions of the governing body of the municipality without an election.

Said bonds shall bear interest at such rate or rates not exceeding six per centum (6%) per annum, payable semiannually, may be in one or more series, may bear such date or dates, may mature at such time or times not exceeding forty (40) years from their respective dates, may be payable in such place or places, may carry such registration privileges, may be subject to such terms of redemption, may be executed in such manner, may contain such terms, covenants and conditions, and may be in such form, either coupon or registered, as such resolution or subsequent resolutions may provide. Unless sold to the United States of America or agency, instrumentality or corporation thereof, said bonds shall be sold at public sale after notice of such sale published once at least five (5) days prior to such sale in a newspaper circulating in the municipality and in a financial newspaper published in the city of New York, New York, or the city of Chicago, Illinois, or the city of San Francisco, California, except that, in the event the bond issue is in an amount of less than one hundred fifty thousand dollars (\$150,000), the bond issue shall be advertised at least five (5) days prior to such sale in daily newspapers circulating in Montana cities of 10,000 population or over, in lieu of advertising in a financial newspaper in New York, Chicago, or San Francisco, and also in a newspaper as specified in section 16-1201 if that newspaper is different from the daily newspapers circulating in Montana cities of 10,000 population or over. Pending the preparation of the definitive bonds, interim receipts or certificates in such form and with such provisions as the governing body may determine may be issued to the purchaser or purchasers of bonds sold pursuant to this chapter. Said bonds and interim receipts or certificates shall be fully negotiable, as provided by the Uniform Commercial Code—Investment Securities.

History: En. Sec. 4, Ch. 126, L. 1939; amd. Sec. 2, Ch. 145, L. 1951; amd. Sec. 2, Ch. 38, L. 1957; amd. Sec. 1, Ch. 52, L. 1963; amd. Sec. 11-106, Ch. 264, L. 1963.

Compiler's Note

This section was amended twice in 1963, once by Ch. 52, and once by Ch. 264. Neither amendatory act mentioned nor incorporated the changes made by the other. However, since the two amendments do not appear to conflict, the compiler has made a combined section incorporating both. It should be noted,

however, that Ch. 264 does not take effect until January 1, 1965.

Amendments

Chapter 52, Laws 1963, added to the fourth sentence in the second paragraph all of the language following "San Francisco, California" and pertaining to bond issues of less than \$150,000.

Chapter 264, Laws 1963, substituted "as provided by the Uniform Commercial Code—Investment Securities" at the end of the section for "within the meaning of and for all the purposes of the negotiable instruments law."

11-2414. Refunding revenue bonds. (1) Refunding revenue bonds issued as authorized in section 11-2403 and 11-2404 shall be governed by all of the provisions of this chapter as fully as bonds issued for the initial financing of any undertaking, and by the further provisions of this section.

(2) Refunding revenue bonds may, with the consent of the holders of the bonds to be refunded thereby, be exchanged at par plus accrued interest for all or part of such bonds, or may be sold at a price not less than par plus accrued interest. Nothing herein shall require the holder of any outstanding bond to accept payment thereof or the delivery of a refunding bond in exchange therefor, except in accordance with the terms of such outstanding bond. Bonds may be issued to refund interest as well as principal actually due and payable, if the revenues pledged therefor are not sufficient, but not to refund any bonds or interest due which can be paid from revenues then on hand.

(3) Refunding bonds may bear interest at a rate lower or higher than the bonds refunded thereby, if they are issued to refund matured principal or interest for the payment of which revenues on hand are not sufficient, or if the refunding bonds are combined with an issue of new bonds for reconstruction, improvement, betterment or extension and the lien of such new bonds upon the revenues of the undertaking must be junior and subordinate to the lien of the outstanding bonds refunded, under the terms of the ordinances or resolutions authorizing the outstanding bonds, as applied to circumstances existing on the date of refunding. Except as authorized in the preceding sentence, refunding bonds shall not be issued unless their average annual interest rate, computed to their stated maturity dates and excluding any premium from such computation, is at least three-eighths of one per cent ($\frac{3}{8}$ of 1%) less than the average annual interest rate on the bonds refunded thereby, computed to their respective stated maturity dates.

(4) In any case where refunding bonds are issued and sold six (6) months or more before the earliest date on which all bonds refunded thereby mature or are prepayable in accordance with their terms, the proceeds of the refunding bonds, including any premium and accrued interest, shall be deposited in escrow with a suitable bank or trust company, having its principal place of business within or without the state, which is a member of the Federal Reserve System and has a combined capital and surplus not less than one million dollars (\$1,000,000), and shall be invested in such amount and in securities maturing on such dates and bearing interest at such rates as shall be required to provide funds sufficient to pay when due the interest to accrue on each bond refunded to its maturity or, if it is prepayable, to the earliest prior date upon which such bond may be called for redemption, and to pay and redeem the principal amount of each such bond at maturity or, if prepayable, at its earliest redemption date, and any premium required for redemption on such date; and the resolution or ordinance authorizing the refunding bonds shall irrevocably appropriate for these purposes the escrow fund and all income therefrom, and shall provide for the call of all prepayable bonds in accordance with their terms. The securities to be purchased

with the escrow fund shall be limited to general obligations of the United States, securities whose principal and interest payments are guaranteed by the United States, and securities issued by the following United States government agencies: banks for cooperatives, federal home loan banks, federal intermediate credit banks, federal land banks, and the federal national mortgage association. Such securities shall be purchased simultaneously with the delivery of the refunding bonds.

(5) Revenues and other funds on hand, in excess of amounts pledged by ordinances and resolutions authorizing outstanding bonds for the payment of principal and interest currently due thereon and reserves securing such payment, may be used to pay the expenses incurred by the municipality for the purpose of such refunding, including but without limitation the cost of advertising and printing refunding bonds, legal and financial advice and assistance in connection therewith, and the reasonable and customary charges of escrow agents and paying agents. Revenues and other funds on hand, including reserves pledged for the payment and security of outstanding revenue bonds, may be deposited in an escrow fund created for the retirement of such bonds and may be invested and disbursed as provided in subsection (4) hereof, to the extent consistent with the ordinances or resolutions authorizing such outstanding bonds.

CHAPTER 37—OFF-STREET PARKING FACILITIES

Section 11-3714. Indenture for security of bonds.

11-3721. Funding or refunding bonds—negotiability.

11-3714. Indenture for security of bonds. The commission may enter into indentures providing for the aggregate principal amount, date, or dates, maturities, interest rate, denominations, form, registration, transfer and interchange of such bonds and coupons, and the terms and conditions upon which the same shall be executed, issued, secured, sold, paid, redeemed, funded and refunded. Reference on the face of the bonds to such indenture by its date of adoption, or the apparent date on the face thereof, is sufficient to incorporate all of the provisions thereof into the body of the bonds and their appurtenant coupons. Each taker and subsequent holder of the bonds or coupons, whether the coupons are attached to or detached from the bonds, has recourse to and is bound by all of the provisions of the indenture, to the extent that such provisions do not conflict with provisions stated in the bonds. An indenture pursuant to which bonds are issued may include such covenants and agreements on the part of the commission as the commission deems necessary or advisable for the better security of the bonds issued thereunder. An indenture may include any, or one, or all the following clauses relating to the bonds issued thereunder: Requiring the commission to pay or cause to be paid punctually the principal of all such bonds and the interest thereon on the date or dates at the place or places, and in the manner mentioned in such bonds and in the coupons appertaining thereto in accordance with such indenture; requiring the commission to make all repairs, renewals and replacements necessary to the operation of the project and to keep it at all times in good repair; requiring the commission to preserve and protect the security of the bonds and the rights of the holders thereof and to warrant and defend such rights; requiring the commission to pay and discharge or cause to be paid and discharged from the funds available for that purpose all lawful claims for labor, materials and supplies or other charges which, if unpaid, might become a lien or charge upon the revenues, or any part thereof, of any project acquired, constructed or completed

from the proceeds of the sale of the bonds or from other proceeds or upon any of the physical properties thereof which might impair the security of the bonds; which limits, restricts, or prohibits any right, power or privilege of the commission to mortgage or otherwise encumber, sell, lease or dispose of any project constructed from the proceeds of the bonds or from other proceeds, or to enter into any lease or agreement which impairs or impedes the operation of such project, or any part thereof, necessary to secure adequate revenues or which otherwise impairs or impedes the rights of the holders of the bonds with respect to such revenues.

Requiring the commission to fix, prescribe and collect fees, tolls, rentals or other charges in connection with the services and facilities furnished from the project acquired, constructed or purchased from part or all of the proceeds of the bonds or from other proceeds, sufficient to pay the principal of and interest on the bonds as they become due and payable, together with all expenses of operation, maintenance and repair of the project, and with such additional sums as may be required for any sinking fund, reserve fund or other special fund provided for the further security of such bonds or as a depreciation charge or other charge in connection with such project; requiring the commission to hold in trust the revenues pledged to the payment of such bonds and the interest thereon, or to any reserve or other fund created for the further protection of the bonds, and to apply such revenues or cause them to be applied only as provided in the indenture.

Limiting the power of the commission to apply the proceeds of the sale of any issue of bonds for the acquiring, constructing, or completing of any project or any part thereof, or more than one of such projects; limiting the power of the commission to issue additional revenue bonds for the purpose of acquiring, constructing or completing any improvement or any part thereof; requiring, specifying or limiting the kind, amount and character of insurance to be maintained by the commission on any project, or any part thereof, and the use and disposition of the proceeds of any such insurance thereafter collected; providing the events of default, and the terms and conditions upon which any or all of the bonds then or thereafter issued may become or be declared due and payable prior to maturity, and the terms and conditions upon which such declaration and its consequences may be waived.

Designating the rights, limitations, powers and duties arising upon breach by the commission of any of the covenants, conditions, or obligations contained in any indenture; prescribing a procedure by which certain specified terms and conditions of the indenture may be subsequently amended or modified with the consent of the commission and the vote or written assent of the holders of a specified principal amount of the bonds issued and outstanding. Such clause may provide for meetings of bondholders and for the manner in which the consent of the bondholders may be given. The clause shall specifically state the effect of such amendment or modification upon the rights of the holders of all of the bonds and interest coupons appertaining thereto, whether attached thereto or detached therefrom.

With respect to any clause providing for the modification or amendment of an indenture, the commission may agree that bonds held by the commission, by any department, political subdivision or agency of the state of Montana, or by any public corporation, municipality, district or political subdivision shall not be counted as outstanding bonds, or be entitled to vote or assent but shall nevertheless, be subject to any such modification or amendment. [Effective January 1, 1965.]

Funding or refunding bonds may be issued in a principal amount sufficient to provide funds for the payment of all bonds to be funded or refunded thereby, and in addition for the payment of all expenses incident to the calling, retiring or paying of such outstanding bonds, and the issuance of such funding or refunding bonds. These expenses include the difference in amount between the par value of the funding or refunding bonds and any amount less than par for which the funding or refunding bonds are sold, any amount necessary to be made available for the payment of interest upon such funding or refunding bonds from the date of sale thereof to date of payment of the bonds to be funded or refunded or to the date upon which the bonds to be funded or refunded will be paid pursuant to the call thereof or agreement with the holders thereof, and the premium, if any, necessary to be paid in order to call or retire the outstanding bonds and the interest accruing thereon to the date of the call or retirement. All bonds issued under the provisions of this act shall be fully negotiable, as provided by the Uniform Commercial Code—Investment Securities. [Effective January 1, 1965.]

2. The planning board, after approval of the jurisdictional area by the governing bodies, shall file in the office of the clerk and recorder a map showing the boundaries of the jurisdictional area. The boundaries may be revised from time to time by resolutions of the governing bodies. Such revised boundaries shall be shown upon a map which shall be filed as provided in this section. The area included in such map shall constitute the area over which the planning board shall have advisory jurisdiction.

3. In case an unincorporated area is within the potential jurisdiction of more than one planning board, then the boundary between the conflicting areas shall be determined by agreement between the planning boards involved, with the approval of their respective governing bodies, and a map showing the boundary lines so agreed upon and approved shall be filed as provided in this section, and thereafter shall fix the limit of territorial jurisdiction of the respective planning boards.

Before exercising any authority or jurisdiction over such unincorporated area, the planning board, after approval by the board of county commissioners, shall file in the office of the clerk and recorder a map or plat showing the boundaries of such unincorporated area. With the approval of the board of county commissioners, such

boundaries may be revised from time to time by the planning board. Such revised boundaries shall be shown upon a map or plat which shall be filed as above provided. The area included in such map or plat shall constitute the area over which the planning board shall have jurisdiction.

In case an unincorporated area is within the potential jurisdiction of more than one planning board, then the boundary between the conflicting areas shall be determined by agreement between the planning boards involved, with the approval of their respective governing bodies, and a map or plat showing the boundary lines so agreed upon and approved shall be filed as a part of any master plan or plans, and thereafter shall fix the limit of territorial jurisdiction with respect to decisions, orders or other actions to be made or taken by the respective planning boards or the governing bodies of

cities or counties involved under the authority of this act; provided, however, that in the case of counties not exceeding twenty thousand (20,000) in population, the jurisdictional limits of the city-county planning board shall not extend more than six (6) miles from the limits of any class of city or town, incorporated or unincorporated, within such county, and in

Title of Act

An act to provide for the rehabilitation, redevelopment, and clearance of blighted areas in cities and towns in this state in accordance with urban renewal plans approved by the governing bodies thereof; to define the duties, liabilities, exemptions and powers of such cities and towns in undertaking such activities, including the power to acquire property through the exercise of the power of eminent domain or otherwise, to dispose of property subject to any restrictions deemed necessary to prevent the development or spread of

future deteriorated or blighted areas, to issue revenue bonds and other obligations, to levy taxes and assessments and to enter into agreements to secure federal aid and comply with conditions imposed in connection therewith; to provide for an urban renewal agency and its powers hereunder if a city or town determines it to be in the public interest; to authorize public bodies to furnish funds, services, facilities and property in aid of urban renewal projects hereunder, and to provide that properties while held by a public agency hereunder shall be exempt from taxation.

11-3902. Findings and declarations of necessity. It is hereby found and declared that blighted areas which constitute a serious and growing menace, injurious to the public health, safety, morals and welfare of the residents of the state exist in municipalities of the state; that the existence of such areas contributes substantially and increasingly to the spread of

disease and crime and depreciation of property values, constitutes an economic and social liability, substantially impairs or arrests the sound growth of municipalities, retards the provision of housing accommodations, aggravates traffic problems and substantially impairs or arrests the elimination of traffic hazards and the improvement of traffic facilities; and that the prevention and elimination of such areas is a matter of state policy and state concern in order that the state and its municipalities shall not continue to be endangered by areas which are focal centers of disease, promote juvenile delinquency, are conducive to fires, are difficult to police and to provide police protection for, and, while contributing little to the tax income of the state and its municipalities, consume an excessive proportion of its revenues because of the extra services required for police, fire, accident, hospitalization and other forms of public protection, services, and facilities.

It is further found and declared that certain of such areas, or portions thereof, may require acquisition, clearance, and disposition subject to use restrictions, as provided in this act, since the prevailing condition of decay may make impracticable the reclamation of the area by rehabilitation; that other areas or portions thereof may, through the means provided in this act, be susceptible of rehabilitation in such a manner that the conditions and evils hereinbefore enumerated may be eliminated, remedied or prevented; and that to the extent feasible salvable blighted areas should be rehabilitated through voluntary action and the regulatory process.

It is further found and declared that the powers conferred by this act are for public uses and purposes for which public money may be expended and the power of eminent domain exercised; and that the necessity in the public interest for the provisions herein enacted is hereby declared as a matter of legislative determination.

History: En. Sec. 2, Ch. 195, L. 1959.

11-3903. Encouragement of private enterprise. A municipality, to the greatest extent it determines to be feasible in carrying out the provisions of this act, shall afford maximum opportunity, consistent with the sound needs of the municipality as a whole, to the rehabilitation or redevelopment of the urban renewal area by private enterprise. A municipality shall give consideration to this objective in exercising its powers under this act, including the formulation of a workable program, the approval of urban renewal plans (consistent with the comprehensive plan or parts thereof for the municipality), the exercise of its zoning powers, the enforcement of other laws, codes and regulations relating to the use of land and the use and occupancy of buildings and improvements, the disposition of any property acquired, and the provision of necessary public improvements.

History: En. Sec. 3, Ch. 195, L. 1959.

11-3904. Workable program. A municipality for the purposes of this act may formulate a workable program for utilizing appropriate private and public resources to eliminate, and prevent the development or spread of, blighted areas, to encourage needed urban rehabilitation, to provide for the redevelopment of such areas, or to undertake such of the aforesaid activities, or other feasible municipal activities as may be suitably em-

ployed to achieve the objectives of such workable program. Such workable program may include, without limitation, provision for; the prevention of the spread of blight into areas of the municipality which are free from blight through diligent enforcement of housing, zoning, and occupancy controls and standards; the rehabilitation of blighted areas or portions thereof by replanning, removing congestion, providing parks, playgrounds and other public improvements, by encouraging voluntary rehabilitation and by compelling the repair and rehabilitation of deteriorated or deteriorating structures; and the clearance and redevelopment of blighted areas or portions thereof.

History: En. Sec. 4, Ch. 195, L. 1959.

11-3905. Finding of necessity by local governing body. No municipality shall exercise any of the powers hereafter conferred upon municipalities by this act until after its local governing body shall have adopted a resolution finding that: (1) one or more blighted areas exist in such municipality; and (2) the rehabilitation, redevelopment, or a combination thereof, of such area or areas is necessary in the interest of the public health, safety, morals, or welfare of the residents of such municipality; and (3) that the proposed urban renewal project has been approved by the taxpayers of such municipality at an election as provided in section 6, subsection (g) [11-3906] thereof.

History: En. Sec. 5, Ch. 195, L. 1959.

11-3906. Preparation and approval of urban renewal projects and urban renewal plans. (a) A municipality shall not approve an urban renewal project for an urban renewal area unless the local governing body has, by resolution, determined such area to be a blighted area and designated such area as appropriate for an urban renewal project. The local governing body shall not approve an urban renewal plan until a comprehensive plan or parts of such plan for an area which would include an urban renewal area for the municipality have been prepared. For this purpose and other municipal purposes, authority is hereby vested in every municipality to prepare, to adopt, and to revise from time to time, a comprehensive plan or parts thereof for the physical development of the municipality as a whole (giving due regard to the environs and metropolitan surroundings), to establish and maintain a planning commission for such purpose and related municipal planning activities, and to make available and to appropriate necessary funds therefor. A municipality shall not acquire real property for an urban renewal project unless the local governing body has approved the urban renewal project plan in accordance with subsection (d) hereof.

(b) The municipality may itself prepare or cause to be prepared an urban renewal plan, or any person or agency, public or private, may submit such a plan to the municipality. Prior to its approval of an urban renewal project, the local governing body shall submit such plan to the planning commission of the municipality for review and recommendations as to its conformity with the comprehensive plan or parts thereof for the development of the municipality as a whole. The planning commission shall submit its written recommendations with respect to the proposed

urban renewal plan to the local governing body within sixty (60) days after receipt of it. Upon receipt of the recommendations of the planning commission, or if no recommendations are received within said sixty (60) days, then without such recommendations, the local governing body may proceed with the hearing on the proposed urban renewal project plan prescribed by subsection (c) hereof.

(c) The local governing body shall hold a public hearing on an urban renewal plan after public notice thereof. Such notice shall be given by publication once each week for two consecutive weeks not less than ten (10) nor more than thirty (30) days prior to the date of the hearing in a newspaper having a general circulation in the urban renewal area of the municipality and by mailing a notice of such hearing not less than ten (10) days prior to the date of the hearing to the persons whose names appear on the county treasurer's tax roll as the owner or reputed owner of the property, at the address shown on the tax roll. The notice shall describe the time, date, place, and purpose of the hearing, shall generally identify the urban renewal area affected, and shall outline the general scope of the urban renewal plan under consideration.

(d) Following such hearing, the local governing body may approve an urban renewal project if it finds that (1) a workable and feasible plan exists for making available adequate housing for the persons who may be displaced by the project; (2) the urban renewal plan conforms to the comprehensive plan or parts thereof for the municipality as a whole; (3) the urban renewal plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the rehabilitation or redevelopment of the urban renewal area by private enterprise; and (4) that a sound and adequate financial program exists for the financing of said project.

Provided, that the local governing body must find the urban renewal project area to be blighted area as defined in section 1 (b) [11-3901] hereof.

(e) An urban renewal project plan may be modified at any time by the local governing body: Provided, that if modified after the lease or sale by the municipality of real property in the urban renewal project area, such modification shall be subject to such rights at law or in equity as a lessee or purchaser, or his successor or successors in interest may be entitled to assert.

(f) Upon the approval of an urban renewal project by a municipality, the provisions of the urban renewal plan with respect to the future use and building requirements applicable to the property covered by said plan shall be controlling with respect thereto.

(g) Upon the approval of an urban renewal project by a municipality the plan shall be submitted to a vote of the taxpayers of such municipality and shall be approved by a majority of those taxpayers voting in such election.

History: En. Sec. 6, Ch. 195, L. 1959.

11-3907. Powers. Every municipality shall have all the power necessary or convenient to carry out and effectuate the purposes and provisions

of this act, including the following powers in addition to others herein granted:

(d) To invest any urban renewal project funds held in reserves or sinking funds or any such funds which are not required for immediate disbursement, in property or securities in which mutual savings banks may legally invest funds subject to their control; to redeem such bonds as have been issued pursuant to section 10 [11-3910] of this act at the redemption price established therein or to purchase such bonds at less than redemption price, all such bonds so redeemed or purchased to be cancelled.

(e) To borrow money and to apply for, and accept, advances, loans, grants, contributions and any other form of financial assistance from the federal government, the state, county, or other public body, or from any sources, public or private, for the purposes of this act, and to enter into and carry out contracts in connection therewith. federal government for an urban renewal project such conditions imposed pursuant to federal laws as the municipality may deem reasonable and appropriate and which are not inconsistent with the purposes of this act.

(f) Within the municipality, to make or have made all plans necessary to the carrying out of the purposes of this act and to contract with any person, public or private, in making and carrying out such plans and to adopt or approve, modify, and amend such plans. The municipality is authorized to develop, test, and report methods and techniques, and carry out demonstrations and other activities, for the prevention and the elimination of urban blight and to apply for, accept, and utilize grants of, funds from the federal government for such purposes.

(g) To prepare plans for the relocation of families displaced from an urban renewal area, and to make relocation payments and to coordinate public and private agencies in such relocation, including requesting such assistance for this purpose as is available from other private and governmental agencies, both for the municipality and other parties.

(i) Within the municipality, to organize, coordinate, and direct the administration of the provisions of this act as they apply to such municipality in order that the objective of remedying blighted areas and preventing the causes thereof within such municipality may be most effectively promoted and achieved, and to establish such new office or offices of the municipality or to reorganize existing offices in order to carry out such purpose most effectively.

(j) To exercise all or any part or combination of powers herein granted.

(k) Nothing in this act shall be construed to authorize any municipality to construct or operate, as a part of any urban renewal project, any electric generation plant, electric transmission or distribution lines or other public utility facilities excepting water and sewer lines then operated by municipalities.

History: En. Sec. 7, Ch. 195, L. 1959.

11-3908. Eminent domain. A municipality shall have the right to acquire by condemnation, any interest in real property, which it may deem necessary for an urban renewal project under this act after the adoption by the local governing body of a resolution declaring that the acquisition of the real property described therein is necessary for such purpose. Condemnation for urban renewal of blighted areas is declared to be a public use, and property already devoted to any other public use or acquired by the owner or his predecessor in interest by eminent domain may be condemned for the purposes of this act.

The award of compensation for real property taken for such a project shall not be increased by reason of any increase in the value of the real property caused by the assembly, clearance, or reconstruction, or proposed assembly, clearance, or reconstruction in the project area. History: En. Sec. 8, Ch. 195, L. 1959.

11-3909. Disposal of property in urban renewal area. (a) A municipality may sell, lease, or otherwise transfer real property or any interest therein acquired by it for an urban renewal project, in an urban renewal area for residential, recreational, commercial, industrial, or other uses or for public use, and may enter into contracts with respect thereto, or may retain such property or interest only for parks and recreation, education, public transportation, public safety, health, highways, streets, and alleys, administrative buildings, or civic centers, in accordance with the urban renewal project plan, subject to such covenants, conditions, and restrictions, including covenants running with the land, as it may deem to be necessary or desirable to assist in preventing the development or spread of blighted areas or otherwise to carry out the purposes of this act. Provided, that such sale, lease, other transfer, or retention, and any agreement relating thereto, may be made only after the approval of the urban renewal plan by the local governing body. The purchasers or lessees and their successors and assigns shall be obligated to devote such real property only to the uses specified in the urban renewal plan, and may be obligated to comply with such other requirements as the municipality may determine to be in the public interest, including the obligation to begin, within a reasonable time, any improvements on such real property required by the urban renewal plan. Such real property or interest shall be sold, leased, otherwise transferred, or retained at not less than its fair value for uses

in accordance with the urban renewal plan. In determining the fair value of real property for uses in accordance with the urban renewal plan, a municipality shall take into account, and give consideration to, the uses provided in such plan; the restrictions upon, and the covenants, conditions, and obligations assumed by, the purchaser or lessee or by the municipality retaining the property; and the objectives of such plan for the prevention of the recurrence of blighted areas. The municipality in any instrument of conveyance to a private purchaser or lessee may provide that such purchaser or lessee shall be without power to sell, lease, or otherwise transfer the real property without the prior written consent of the municipality until he has completed the construction of any and all improvements which he has obligated himself to construct thereon. Real property acquired by a municipality which, in accordance with the provisions of the urban renewal plan, is to be transferred, shall be transferred as rapidly as feasible, in the public interest, consistent with the carrying out of the provisions of the urban renewal plan. The inclusion in any such contract or conveyance to a purchaser or lessee of any such covenants, restrictions, or conditions (including the incorporation by reference therein of the provisions of an urban renewal plan or any part thereof) shall not prevent the recording of such contract or conveyance in the land records of the clerk and recorder or the county in which such city or town is located, in such manner as to afford actual or constructive notice thereof.

(b) A municipality may dispose of real property in an urban renewal area to private persons only under such reasonable competitive bidding procedures as it shall prescribe or as hereinafter provided in this subsection. A municipality may, by public notice by publication once each week for three consecutive weeks in a newspaper having a general circulation in the community, prior to the execution of any contract or deed to sell, lease, or otherwise transfer real property and prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section, invite bids from, and make available all pertinent information to, private redevelopers or any persons interested in undertaking to redevelop or rehabilitate an urban renewal area, or any part thereof. Such notice shall identify the area, or portion thereof and shall state that such further information as is available may be obtained at such office as shall be designated in said notice. The municipality shall consider all redevelopment or rehabilitation bids and the financial and legal ability of the persons making such bids to carry them out. The municipality may accept such bids as it deems to be in the public interest and in furtherance of the purposes of this act. Thereafter, the municipality may execute, in accordance with the provisions of subsection (a), and deliver contracts, deeds, leases, and other instruments of transfer.

(c) A municipality may operate and maintain real property acquired in an urban renewal area pending the disposition of the property for redevelopment, without regard to the provisions of subsection (a) above, for such uses and purposes as may be deemed desirable even though not in conformity with the urban renewal plan. Provided, however, that the

municipality may, after a public hearing, extend the time for a period not to exceed three years.

History: En. Sec. 9, Ch. 195, L. 1959.

11-3910. Issuance of bonds. (a) A municipality shall have the power to issue bonds from time to time in its discretion to finance the undertaking of any urban renewal project under this act, including, without limiting the generality thereof, the payment of principal and interest upon any advances for surveys and plans for urban renewal projects, and shall also have power to issue refunding bonds for the payment or retirement of such bonds previously issued by it. Such bonds shall not pledge the general credit of the municipality and shall be made payable, as to both principal and interest, solely from the income, proceeds, revenues, and funds of the municipality derived from, or held in connection with, its undertaking and carrying out of urban renewal projects under this act; provided, however, that payment of such bonds, both as to principal and interest, may be further secured by a pledge of any loan, grant, or contribution from the federal government or other source, in aid of any urban renewal projects of the municipality under this act.

(b) Bonds issued under this section shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, and shall be subject only to the provisions of the Uniform Commercial Code. (d) Such bonds may be sold at not less than ninety-eight per cent (98%) of par at public or private sale, or may be exchanged for other bonds on the basis of par: Provided, that such bonds may be sold to the federal government at private sale at not less than par and, in the event less than all of the authorized principal amount of such bonds is sold to the federal government, the balance may be sold at public or private sale at not less than ninety-eight per cent (98%) of par at an interest cost to the municipality of not to exceed the interest cost to the municipality of the portion of the bonds sold to the federal government.

(e) The municipality may annually pay into a fund to be established for the benefit of such bonds any and all excess of the taxes received

by it from the same property over and above the average of the annual taxes authorized without vote for a five-year period immediately preceding the acquisition of the property by the municipality for renewal purposes, such payment to continue until such time as all bonds payable from the fund are paid in full. Any other taxing unit in a municipality is authorized to allocate a like amount of such excess taxes to the municipality or municipalities in which it is situated.

(f) In case any of the public officials of the municipality whose signatures appear on any bonds or coupons issued under this act shall cease to be such officials before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such officials had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this act shall be fully negotiable.

(g) In any suit, action, or proceeding involving the validity or enforceability of any bond issued under this act or the security therefor, any such bond reciting in substance that it has been issued by the municipality in connection with an urban renewal project, as herein defined, shall be conclusively deemed to have been issued for such purpose and such project shall be conclusively deemed to have been planned, located, and carried out in accordance with the provisions of this act.

(a) A municipality may itself exercise its urban renewal project powers (as herein defined) or may, if the local governing body by resolution determines such action to be in the public interest, elect to have such powers exercised by the urban renewal agency (created by section 16 [11-3916]) or a department or other officers of the municipality as they are authorized to exercise under this act.

(b) In the event the local governing body makes such determination, such body may authorize the urban renewal agency or department or other officers of the municipality to exercise any of the following urban renewal project powers:

(1) To formulate and coordinate a workable program as specified in section 4 [11-3904].

(2) To prepare urban renewal plans.

(3) To prepare recommended modifications to an urban renewal project plan.

(4) To undertake and carry out urban renewal projects as required by the local governing body.

(5) To make and execute contracts as specified in section 7 [11-3907], with the exception of contracts for the purchase or sale of real or personal property.

(6) To disseminate blight clearance and urban renewal information.

(7) To exercise the powers prescribed by section 7 (b) [11-3907], except the power to agree to conditions for federal financial assistance and imposed pursuant to federal law relating to salaries and wages shall be reserved to the local governing body.

(18) To perform such duties as the local governing body may direct so as to make the necessary arrangements for the exercise of the powers and performance of the duties and responsibilities entrusted to the local governing body.

Any powers granted in this act that are not included in section 15 (b) [subsection (b) of this section] as powers of the urban renewal agency or a department or other officers of a municipality in lieu thereof, may only be exercised by the local governing body or other officers, boards, and commissions as provided under existing law.

History: En. Sec. 15, Ch. 195, L. 1959.

11-3916. Urban renewal agency. (a) When a municipality has made the finding prescribed in section 5 [11-3905] and has elected to have the urban renewal project powers, as specified in section 15 [11-3915], exercised, such urban renewal project powers may be assigned to a department or other officers of the municipality or to any existing public body corporate, or the legislative body of a city may create an urban renewal agency in such municipality to be known as a public body corporate to which such powers may be assigned.

(b) If the urban renewal agency is authorized to transact business and exercise powers hereunder, the mayor, by and with the advice and consent of the local governing body, shall appoint a board of commissioners of the urban renewal agency which shall consist of five commissioners. The initial membership shall consist of one commissioner appointed for one year, one for two years, one for three years, and two for four years; and each appointment thereafter shall be for four years.

(c) A commissioner shall receive no compensation for his services but shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his duties. Each commissioner shall hold office until his successor has been appointed and has qualified. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk of the municipality and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner.

The powers and responsibilities of an urban renewal agency shall be exercised by the commissioners thereof. A majority of the commissioners shall constitute a quorum for the purpose of conducting business and exercising the powers and responsibilities of the agency and for all other purposes. Action may be taken by the agency upon a vote of a majority of the commissioners present, unless in any case the by-laws shall require a larger number. Any persons may be appointed as commissioners if they reside within the municipality.

The urban renewal agency or department or officers exercising urban renewal project powers shall be staffed with the necessary technical experts and such other agents and employees, permanent and temporary, as it may require. An agency authorized to transact business and exercise powers under this act shall file, with the local governing body, on or before March 31 of each year, a report of its activities for the preceding calendar year, which report shall include a complete financial statement setting forth its assets, liabilities, income, and operating expense as of the end of such calendar year. At the time of filing the report, the agency shall publish in a newspaper of general circulation in the community a notice to the effect that such report has been filed with the municipality and that the report is available for inspection during business hours in the office of the city clerk and in the office of the agency.

(d) For inefficiency, neglect of duty, or misconduct in office, a commissioner may be removed.

History: En. Sec. 16, Ch. 195, L. 1959.

11-3917. Prohibition against discrimination. For all of the purposes of this act, no person shall, because of race, creed, color, or national origin, be subjected to any discrimination.

History: En. Sec. 17, Ch. 195, L. 1959.

11-3918. Interested public officials, commissioners, or employees. No public official, or employee of a municipality or urban renewal agency or department or officers which have been vested by a municipality with urban renewal project powers and responsibilities under section 15 [11-3915], shall voluntarily acquire any interest, direct or indirect, in any urban renewal project, or in any property included or planned to be included in any urban renewal project of such municipality, or in any contract or proposed contract in connection with such urban renewal project. Where such acquisition is not voluntary, the interest acquired shall be immediately disclosed in writing to the local governing body and such disclosure shall be entered upon the minutes of the governing body. If any such official, department or division head owns or controls, or owned or controlled within two years prior to the date of hearing on the urban

renewal project, any interest, direct or indirect, in any property which he knows is included in an urban renewal project, he shall immediately disclose this fact in writing to the local governing body, and such disclosure shall be entered upon the minutes of the governing body, and any such official, department or division head shall not participate in any action on that particular project by the municipality or urban renewal agency, department, or officers which have been vested with urban renewal project powers by the municipality pursuant to the provisions of section 15 [11-3915]. A majority of the commissioners of an urban renewal agency exercising powers pursuant to this act shall not hold any other public office under the municipality other than their commissionership or office with respect to such urban renewal agency, department, or offices. Any violation of the provisions of this section shall constitute misconduct in office.

History: En. Sec. 18, Ch. 195, L. 1959.

11-3919. Separability—act controlling. Notwithstanding any other evidence of legislative intent, it is hereby declared to be the controlling legislative intent that if any provision of this act, or the application thereof to any person or circumstances, is held invalid, the remainder of the act and the application of such provision to persons or circumstances other than those as to which it is held invalid, shall be not affected thereby.

Insofar as the provisions of this act are inconsistent with the provisions of any other law, the provisions of this act shall be controlling. The powers conferred by this act shall be in addition and supplemental to the powers conferred by any other law.

History: En. Sec. 19, Ch. 195, L. 1959.

11-3920. Short title. This act shall be known and may be cited as the "Urban Renewal Law."

CHAPTER 40—OPEN DITCHES

- Section 11-4001. Purpose of act.
- 11-4002. Unfenced, open ditch declared nuisance.
- 11-4003. Powers of governing body.
- 11-4004. Notice to close and fill ditch—publication.
- 11-4005. Notice of intent to provide for protective devices—period allowed for compliance.
- 11-4006. Commercial irrigation ditches exempt.

11-4001. Purpose of act. The legislative assembly declares that the control of ditch water in inhabited areas of Montana is affected with the public interest. The purpose of this act is to prevent drowning of children in ditches filled or partially filled with water within the limits of an incorporated city or town, if such ditches terminate within the limits of such city or town. This act shall be deemed an exercise of the police power of the state in and for the protection of the welfare, health, peace and safety of the people of Montana.

Nothing in this act shall be construed as intending to effectuate the abandonment of any valid water right. This act shall be construed merely

as a regulation in the public interest so that the diversion, transportation and use of water in such ditches in cities and towns shall be in a safe manner, as defined by this act.

History: En. Sec. 1, Ch. 63, L. 1961.

Title of Act

An act to permit an incorporated city or town to prevent the diversion or passage of water through the limits of such city or town in unfenced, open ditches that terminate in such city or town in order

to protect persons from drowning, except commercial irrigation ditches; permitting a city or town to declare such a ditch a public nuisance; permitting a city or town to have such an unfenced, open ditch enjoined as a public nuisance if corrective measures are not taken by interested parties.

11-4002. Unfenced, open ditch declared nuisance. Notwithstanding any provision contained in Title 89, Revised Codes of Montana, 1947, or any law pertaining to the use of water in Montana, it is hereby declared that water which flows through the limits of an incorporated city or town in an unfenced, open ditch that terminates within the limits of such city or town is a public nuisance, if such city or town declares it to be such nuisance, acting through its governing body.

History: En. Sec. 2, Ch. 63, L. 1961.

11-4003. Powers of governing body. The governing body of the city or town is hereby given the power:

(1) To investigate the dangerous condition of such ditches terminating within the corporate limits and to declare any such ditch a public nuisance, and

(2) To determine the measures necessary to remove the danger and public nuisance, including fencing, use of culvert or other protective device based upon standards to be determined by such city or town.

History: En. Sec. 3, Ch. 63, L. 1961.

11-4004. Notice to close and fill ditch—publication. When a public nuisance has been declared as provided in this act, the city or town shall give public notice for at least sixty (60) days to owners of the ditch and of any water rights affected that such ditch has been declared a public nuisance and that it shall be closed and filled unless the owners of such rights desire to keep the ditch open. Such notice shall include publication once each week in an established newspaper published within the city or town, if one exists, or in its absence in the official county newspaper for at least (8) successive weeks.

History: En. Sec. 4, Ch. 63, L. 1961.

11-4005. Notice of intent to provide for protective devices—period allowed for compliance. If a person claims that the water has not been abandoned and claims the right to use water in a ditch that the city or town has declared a public nuisance, he shall notify the city or town before the expiration of the sixty (60) day period that he wishes to continue the use of such water within the city or town and that he, individually or with others, will provide such protective devices as ordered by the city or town. If such notice is given, the person or persons claiming such right or rights shall have a period not to exceed six (6) months to remove the public nuisance in the manner ordered by the city or town.

If the city or town approves the work, it shall permit the water to flow into the city or town. If the protective device is not provided, or if it does not meet specifications required by the city or town, the city or town may designate such ditch abandoned and order it closed or filled when the six-month period ends.

History: En. Sec. 5, Ch. 63, L. 1961.

11-4006. Commercial irrigation ditches exempt. This act does not apply to ditches carrying water used for commercial irrigation purposes.

History: En. Sec. 6, Ch. 63, L. 1961.

Bad Faith

Where seller of land made representation that he had authority to sell his brother's land, which was adjoining, whereas in fact he did not have such authority, and where other evidence indicated that the seller made no effort to carry out other provisions of his contract

for sale, the district court was correct in finding him guilty of bad faith. *Hart v. Honrud*, 131 M 284, 309 P 2d 329, 332.

CHAPTER 6—CREATION OF CONTRACTS—ORAL AND WRITTEN

Section 13-606. What contracts must be in writing.

13-606. (7519) What contracts must be in writing. The following contracts are invalid, unless the same, or some note or memorandum thereof, be in writing and subscribed by the party to be charged, or his agent:

1. An agreement that by its terms is not to be performed within a year from the making thereof.
2. A special promise to answer for the debt, default, or miscarriage of another, except in the cases provided for in section 30-105 of this code.
3. An agreement made upon consideration of marriage other than a mutual promise to marry.

4. An agreement for the leasing for a longer period than one year, or for the sale of real property, or of an interest therein; and such agreement, if made by an agent of the party sought to be charged, is invalid, unless the authority of the agent be in writing, subscribed by the party sought to be charged.

5. An agreement authorizing or employing an agent or broker to purchase or sell real estate for compensation or a commission.

This section shall not apply to agreements subject to the Uniform Commercial Code. [Effective January 1, 1965.]

Amendment

The 1963 amendment deleted former paragraph 4, for text of which see parent volume; renumbered former paragraphs 5 and 6 as 4 and 5; and added the final paragraph.

Subd. 4

Oral Lease

An oral lease for more than a year is invalid, and evidence of the agreement and secondary evidence of its contents cannot be introduced. *Roseneau Foods, Inc. v. Coleman*, — M —, 374 P 2d 87, 89.

A one year oral lease under section 42-203 is not within the statute of frauds, and a continuous renewal thereof under section 42-205 would also not be within the statute. *Roseneau Foods, Inc. v. Coleman*, — M —, 374 P 2d 87, 90.

Under section 42-203 it is possible to have an oral lease for at least one year without an expression as to time therein. *Roseneau Foods, Inc. v. Coleman*, — M —, 374 P 2d 87, 89.

Statute of frauds has no application to executed portion of oral lease. *Roseneau*

Foods, Inc. v. Coleman, — M —, 374 P 2d 87, 90.

Rights-of-Way of Necessity

There are no implied grants or reservations of rights-of-way of necessity in Montana. *Simonson v. McDonald*, 131 M 494, 311 P 2d 982, 984.

Sale of Ranch

In action for specific performance of contract for purchase of ranch of defendants, writings were sufficient to take the case out of the statute of frauds where instrument giving broker exclusive right for 30 days to sell ranch for \$30,000, provided that defendants were to pay broker a \$1,000 commission, recited that terms of sale were cash to defendants, possession should be taken by purchaser on named date and that defendants, who retained a 5% royalty, agreed to pay 1953 taxes and transfer all lease land to purchaser, who accepted unqualifiedly in writing accompanied by check as down payment. *Ward v. Mattuschek*, 134 M 307, 330 P 2d 971.

Sufficiency of Memorandum

The note or memorandum necessary to meet the requirements of this section may consist of several writings, and it is sufficient if it contains all the essentials of the contract, although they are stated in general terms. *Hughes v. Melby*, 135 M 415, 340 P 2d 511.

The fact that the memorandum required by this section does not specify when the deed shall be furnished does not defeat the sufficiency of such memorandum because section 13-723 implies that it must be furnished within a reasonable time after the other party performs. *Hughes v. Melby*, 135 M 415, 340 P 2d 511.

CHAPTER 7—INTERPRETATION OF CONTRACTS

13-701. (7526) Uniformity of interpretation.

Operation and Effect

Where a deed of land contained a clause, following the description of the

land, which said "including one-half of all oil and gas rights owned by the parties," it must be considered that it was

the intention of the parties to exclude from the deed the other one-half interest in the oil and gas and that such one-half

remained with the grantor. *Wyrick v. Hoefle*, 136 M 172, 346 P 2d 563.

13-704. (7529) Intention to be ascertained from language.

Crop-share Agreement

Where contract provided that farm laborer would be paid \$150 per month cash, would get 10% of the harvested crops after harvest, and would be expected to stay for a twelve-month period, he was entitled to his share of the crop due on his crop-share agreement when wheat and barley were placed in storage at elevator although safflower, in which laborer did not share, had not been cut. Failure of employer to pay laborer's share on demand constituted a breach of contract and

it was not necessary for laborer to complete the twelve-month term in order to recover his percentage of the crops. *Laughnan v. Sorenson*, 139 M 531, 366 P 2d 433, 434.

Cited or applied in *James v. Prudential Ins. Co. of America*, 131 M 473, 312 P 2d 125, 127; *Peerless Casualty Co. v. Mountain States Mutual Casualty Co.*, 283 F 2d 268, 278.

13-705. (7530) Interpretation of written contracts.

Operation and Effect

Parol evidence which tended to vary or alter the terms of a written chattel mortgage will be disregarded where the chattel mortgage was plain and unambiguous and needed no construction. *First Nat. Bank of Plains v. Green Mt. Soil Conservation District*, 130 M 1, 293 P 2d 289.

Reinsurance Contract

Where amended agreement between automobile insurer and reinsurer was the

same as that contained in prior agreement, which the parties had interpreted as contended for by the insurer, findings that agreement was ambiguous, and that the parties did not intend to give the words in the amendment a different meaning than that given in the agreement, being supported by substantial evidence, warranted judgment in favor of insurer. *Peerless Casualty Co. v. Mountain States Mutual Casualty Co.*, 283 F 2d 268, 276.

13-706. (7531) Writing—when disregarded.

Extrinsic Evidence

Where defendant charged with grand larceny by bailee did not deny that he received a check from the complaining witness, but his defense was that it was a loan instead of a payment for an automobile, evidence as to whether the check was a loan or payment for the automobile was admissible over objection that it permitted a witness to vary a written

instrument by parol testimony. *State v. Ahl*, — M —, 371 P 2d 7, 9.

Operation and Effect

This statute does not preclude the trial court from reforming an instrument which by reason of mistake or fraud fails to set forth the correct contentions of the parties. *Carroll v. Funk*, 222 F 2d 508, 511.

13-707. (7532) Effect to be given to every part of contract.

Construction of Deeds

Where a deed of land contained a clause, following the description of the land, which said "including one-half of all oil and gas rights owned by the parties," it must be considered that it was the inten-

tion of the parties to exclude from the deed the other one-half interest in the oil and gas and that such one-half remained with the grantor. *Wyrick v. Hoefle*, 136 M 172, 346 P 2d 563.

A quitclaim deed and assignment of contract for deed may be construed as security for the payment of a promissory note. *Kraus v. Newman*, 137 M 388, 352 P 2d 261, 262.

Lease With Option to Buy

Plaintiff's option to buy was exclusive and not conditioned upon defendants' decision to sell where instrument did not use the term "first option to buy" and the entire language of the agreement showed that plaintiff was given an exclusive option to buy the property described under the lease; that his method of exercising his option was by tendering \$1,500 to the defendant, as called for by "Plan No. 2." *Steen v. Rustad*, 132 M 96, 313 P 2d 1014, 1018.

Operation and Effect

A court, in interpreting a written instrument, will not isolate certain phrases

of that instrument in order to garner the intent of the parties, but will grasp the instrument by its four corners and in the light of the entire instrument, ascertain the paramount and guiding intention of the parties. *Steen v. Rustad*, 132 M 96, 313 P 2d 1014, 1018.

Mere isolated tracts, clauses and words will not be allowed to prevail over the general language utilized in the instrument. *Steen v. Rustad*, 132 M 96, 313 P 2d 1014, 1018.

13-708. (7533) Several contracts—when taken together.

Property Settlement

Agreements as to disposition of property between estranged husband and wife, which were obviously to become operative in the future when a divorce proceeding was instituted, with condition that resistance to divorce would render the property settlement nugatory, when construed together, facilitated divorce and were void as a violation of public policy. *Western Life Ins. Co. v. Bower*, 153 F Supp 25, 30.

Provision of property settlement agreement under which husband relinquished

right to change beneficiary of life insurance policy, was severable from provisions facilitating divorce, and was enforceable, where wife presumably released certain property rights in consideration therefor. *Western Life Ins. Co. v. Bower*, 153 F Supp 25.

Reservation of Mineral Interest

In action for specific performance arising over interpretation of contract for conveyance of land reserving mineral interest, where cross complaint of defendants alleged that the contract was ambiguous and uncertain and prayed for a

declaratory judgment to adjudicate the rights of the parties, it was the duty of the trial court to determine the intent of the parties and the exclusion of parol evidence of intent was error. *Stokes v. Tutvet*, 134 M 250, 328 P 2d 1096, 1103, 1104.

13-716. (7541) Particular clauses subordinate to general intent.**References**

13-720. (7545) Words to be taken most strongly against whom.**Acceptance of Agreement**

Defendants' demurrer was properly sustained in action on a written contract where complaint did not allege a written acceptance by the plaintiff and the agreement was to be effective only when it was accepted and when defendants were notified by letter of plaintiff's acceptance. Union Interchange, Inc. v. Allen, — M —, 370 P 2d 492, 496.

Insurance Policies

Even though an insurance contract is to be construed liberally in favor of the insured and strictly against the insurer, contracts of insurance should be given a fair and reasonable construction. James

v. Prudential Ins. Co. of America, 131 M 473, 312 P 2d 125, 127.

Sale Agreement

If any uncertainty exists in the sale agreement and the deeds, it must be construed most strongly against the person causing the uncertainty. This was true in the case of a realtor, scrivener, who in turn was vendor's agent. Voyta v. Clonts, 134 M 156, 328 P 2d 655, 661.

13-723. (7548) Time of performance of contract.**Crop-share Agreement**

Where contract provided that farm laborer would be paid \$150 per month cash, would get 10% of the harvested crops after harvest, and would be expected to stay for a twelve-month period, he was entitled to his share of the crop due on his crop-share agreement when wheat and barley were placed in storage at elevator although safflower, in which laborer did not share, had not been cut. Failure of employer to pay laborer's share on demand constituted a breach of contract and it was not necessary for laborer to complete the twelve-month term in order

to recover his percentage of the crops. Laughnan v. Sorenson, 139 M 531, 366 P 2d 433, 434.

Operation and Effect

That no definite time was stipulated for performance by the purchaser of the payment of money is immaterial for our law implies an agreement here to perform within a reasonable time. Bennett v. Dodgson, 129 M 228, 284 P 2d 990, 994.

13-724. (7549) Time—when of essence.**Omission of Statement**

Where a lease with option to purchase does not state that time is of the essence, failure of the optionee to perform the covenants strictly at the time they may

or should be performed will not cause him to lose his right to specific performance of the option. Continental Oil Co. v. McNair Realty Co., 137 M 410, 353 P 2d 100, 109.

CHAPTER 8—UNLAWFUL CONTRACTS

13-801. (7553) What is unlawful.

Operation and Effect

A resolution of the board of county commissioners which extinguished the assessed tax of a taxpayer was void as such boards have no power, authority or jurisdiction under the constitution nor statutes to reduce, compromise, remit, release, cancel, diminish or extinguish any state tax, obligation or liability, nor any assessed tax valuation or percentage assignments of property after the same has been found, determined and fixed by the state board of equalization. Likewise, the direction

of the board directing the county attorney to stipulate with the attorneys for the taxpayer, to request the court to enter judgment against the county and state was and is wholly void and of no legality whatever. Such void act, understanding and agreement by public officials, void in its inception, is not validated by performance and remains a void act or agreement under the public policy established by the legislature. *Carlson v. Flathead County*, 130 M 36, 293 P 2d 279, 284. (Dissenting opinion, 130 M 36, 293 P 2d 279, 286.)

13-802. (7554) Certain contracts unlawful.

Specific Indemnity Clause in Lease

A specific indemnity clause in a lease agreement between a railroad and a lessee which provided that the lessee would indemnify the railroad for claims, "whether due or not due to the negligence" of the railroad, was not invalid as applied to the allegations in a complaint by a person seeking recovery from the railroad for

injuries allegedly received because of a violation by the railroad of section 72-219, making it a misdemeanor for a railroad to permit a locomotive to approach a crossing without giving a proper warning. *Ryan Mercantile Co. v. Great Northern Ry. Co.*, 186 F Supp 660, affirmed in 294 F 2d 629.

13-806. (7558) Restraints upon legal proceedings.

Agreement as to Venue

This statute is not violated by a stipulation regarding venue of an action brought against one in a county where he agreed it might be brought. *Electrical Products Consolidated v. Bodell*, 132 M 243, 316 P 2d 788, 790, 69 ALR 2d 1318.

Arbitration Provision

In view of this section, submission of a controversy to arbitration is not required as a condition precedent to bringing action, even though the contract contains a clause requiring arbitration. *Green v. Wolff*, — M —, 372 P 2d 427, 433.

CHAPTER 9—EXTINCTION OF CONTRACTS—RESCISSION—ALTERATION—CANCELLATION

13-903. (7565) When party may rescind.

Failure of Consideration

Chattel mortgages given for the purchase of an automobile were without consideration where vendor failed to register transfer under section 53-109 which was necessary to pass title to the buyer. *Sonnek v. Universal C. I. T. Credit Corp.*, — M —, 374 P 2d 105, 108.

v. Universal C. I. T. Credit Corp., — M —, 374 P 2d 105, 108.

Oral Cancellation

A written contract may be canceled by mutual consent, and such cancellation may be oral. *West River Equipment Co. v. Holzworth Constr. Co.*, 134 M 582, 335 P 2d 298.

Fraud

The purchaser of an automobile was entitled to rescind chattel mortgages given for purchase of the car where it was misrepresented by the seller and the assignee of the chattel mortgages failed to pass title to the buyer. *Sonnek*

Written Cancellation

If the prior written contract effected a change in ownership of goods, an agreement to rescind must be in writing to comply with the statute of frauds. *West River Equipment Co. v. Holzworth Constr. Co.*, 134 M 582, 335 P 2d 298.

13-907. (7569) Written contracts—how modified.

Acceleration Agreement

Plaintiff, subcontractor, a bridge construction specialist, under road construc-

tion project, was entitled to part of acceleration payment under prime contract pursuant to agreement, where written

contract was orally modified to provide for acceleration of certain items of work by plaintiff and for payment of additional sums to him; there was consideration for the modification; and such work was performed by plaintiff. *Dalakow v. Geery*, 132 M 457, 318 P 2d 253, 256.

Exception to Establish Fraud

In an action by the payees against the makers for the balance due on a renewal note, where there was fraud and partial failure of consideration and one of the makers testified that he did not know how to figure interest, the makers were not precluded from showing that the contract was different from what the writing showed it to be. *Jensen v. Franklin*, 135 M 341, 340 P 2d 832.

Operation and Effect

Parol evidence which tended to vary or alter the terms of a written chattel mortgage will be disregarded, where the chattel mortgage was plain and unambiguous and needed no construction. *First Nat. Bank of Plains v. Green Mt. Soil Conservation District*, 130 M 1, 293 P 2d 289.

Oral Testimony Inadmissible

Trial court could have excluded evidence relating to a joint venture, none of which was in writing, as being designed to alter or vary the terms of a written agreement contrary to this section and section 93-401-13. *Barrett v. Morton*, 137 M 190, 351 P 2d 601, 605.

Prior Oral Contract

Evidence of an oral contract by the plaintiffs to build an addition to defendant's service station at no extra cost was inadmissible where a subsequent written contract for such construction was executed a month later. *Leigland v. McGaffick*, 135 M 188, 338 P 2d 1037.

Waiver of Notice

A requirement of written notice may be waived by parol, and a waiver of notice may be express or may be inferred from the conduct of the parties. *Flint v. Mincoff*, 137 M 549, 353 P 2d 340, 342.

14-130. Short title. This act may be cited as the "Montana Credit Union Act."

History: En. Sec. 1, Ch. 236, L. 1963.

Title of Act

An act relating to credit unions; creating new sections to provide a comprehensive revision and consolidation of the laws of the state of Montana relating to credit

unions; regulating the incorporation, formation, operation and supervision of the affairs of credit unions; providing a saving clause; and repealing title 14, chapter 1, Revised Codes of Montana, 1947, as amended, and all other acts and parts of acts in conflict herewith.

14-131. Definitions. As used in this act. (1) The term "credit union" means a cooperative association organized in accordance with the provisions of this act for the purpose of promoting thrift among its members

and creating a source of credit for provident or productive purposes. Such organizations shall have perpetual succession and shall be organized under and governed solely by the provisions of this act;

(2) The term "department" means the department of banking, state of Montana; and

(3) The term "supervisor" means the state examiner, ex officio superintendent of banks, state of Montana.

History: En. Sec. 2, Ch. 236, L. 1963.

14-132. Reports, examinations and fees. Credit unions shall be under the supervision of the supervisor and shall make financial reports to him as and when he may require, but at least semiannually. Each credit union shall be subject to a regular examination annually by, and for this purpose shall make its books and records accessible to, any person designated by the supervisor; except that special examinations may be made more frequently where there is clear and incontrovertible evidence of immediate danger or damage to, or impairment of members' shareholdings. Fees assessed for examinations shall not exceed the following schedule: The first \$25,000 of assets to be assessed at \$.22 per \$100 of assets, the next \$75,000 of assets to be assessed at \$.20 per \$100 of assets, the next \$100,000 of assets to be assessed at \$.18 per \$100 of assets, the next \$300,000 of assets to be assessed at \$.14 per \$100 of assets, the next \$500,000 of assets to be assessed at \$.10 per \$100 of assets, and assets in excess of \$1,000,000 shall be assessed at \$.03 per \$100 of assets. The minimum fee chargeable shall be \$17.

History: En. Sec. 3, Ch. 236, L. 1963.

14-133. Incorporation. Whenever any number of persons not less than seven (7) who are domiciled in this state shall desire to incorporate a credit union having for its object the conduct and operation of such organization as defined in this act, they shall prepare and file articles of incorporation to that effect in the manner in this act specified; such articles shall be signed, sealed, and acknowledged in the form now provided by the statutes of this state for the conveyance of real estate and shall include the following:

(1) The name, which shall not be the same or too closely resembling that in use by any existing corporation established under the laws of the state. The words "credit union" shall form a part of the name and no person, corporation, copartnership, association, or other form of organization shall be entitled to use a name employing said combination of words except as provided in section 8 [14-137] of this act.

(2) The principal office, or place of business which shall be within this state.

(3) The term of existence of the organization, which shall be perpetual.

(4) The par value of shares of the credit union, which shall be five dollars (\$5) each.

(5) A provision that such credit union shall be organized under this act for the purposes set forth therein.

(6) The names, occupations and addresses of the subscribers to the articles of incorporation and the number of shares subscribed by each.

The articles of incorporation shall be presented to the supervisor with the by-laws of the proposed credit union, and he shall within thirty (30) days of the receipt of said articles of incorporation and by-laws, determine whether they conform with the provisions of this act, and whether or not the organization of the credit union would benefit its members and be consistent with the purposes of this act. Thereupon, the supervisor shall promptly notify the applicant of his decision. If it is favorable, the supervisor shall, at the time of issuing such notice, attach his written approval to the articles of incorporation. If it is unfavorable, the supervisor shall, at the time of issuing such notice, state his reasons therefor.

Said articles of incorporation shall then be filed with the secretary of state who, upon payment of the filing fees therefor, shall issue a certificate of incorporation over the great seal of the state of Montana; and a copy thereof, certified by the secretary of state, shall be filed in the office of the county clerk of the county in which the principal place of business of the credit union is located.

History: En. Sec. 4, Ch. 236, L. 1963.

14-134. Certified copy of articles of incorporation as evidence. A certified copy of articles of incorporation and certificate of merger, filed in pursuance to this act shall be received in all courts and other places as prima facie evidence of the facts therein stated.

History: En. Sec. 5, Ch. 236, L. 1963.

14-135. Evidence of corporate character. The certificate issued by the secretary of state in pursuance of this act setting forth that the credit union has fully complied with the provisions of this act and is lawfully authorized to transact business in this state shall be admitted in all courts of this state, and shall be prima facie evidence of the corporate character and capacity of such credit union, and of its right to transact business in this state excepting in an action prosecuted by the state in the nature of quo warranto.

History: En. Sec. 6, Ch. 236, L. 1963.

14-136. By-laws. In order to simplify the organization of credit unions the supervisor shall from time to time cause to be prepared a form of articles of incorporation and a form of by-laws, consistent with this act, which shall be used by credit union incorporators, and shall be supplied to them on request. At the time of presenting the articles of incorporation the incorporators shall also submit proposed by-laws to the supervisor for his approval.

The by-laws may be amended in the manner provided therein, except that no amendments thereto shall thereafter become operative until they have been approved by the supervisor.

History: En. Sec. 7, Ch. 236, L. 1963.

14-137. Restriction on use of words "credit union" in name. Any person, corporation, copartnership, or association, except corporations doing

business as credit unions, or a credit union organized under the provisions of this act, or under the Federal Credit Union Act or except a central organization of credit unions to which all the credit unions in this state shall be eligible and except chapters of credit unions to which all the credit unions in given areas shall be eligible, using a name or title containing the words "credit union" or any derivation thereof or representing themselves in their advertising or otherwise, as conducting business as a credit union, shall be fined no more than five hundred dollars (\$500) or imprisoned no more than one year or both; and shall be enjoined from using such words in its name.

History: En. Sec. 8, Ch. 236, L. 1963.

- (2) to sue and be sued;

- (6) to make loans to a cooperative society or other organization having membership in the credit union;
- (7) to deposit its funds in state and national banks the accounts of which are insured by the Federal Deposit Insurance Corporation;
- (8) to an extent which shall not exceed twenty-five per centum (25%) of its members' shareholdings, invest in the paid-up shares of building and loan associations the accounts of which are insured by the Federal Savings and Loan Insurance Corporation, or in loans to and shares of other credit unions, or organizations of credit unions, or in any investment legal for savings banks or for trust funds in the state;
- (9) to borrow money as hereinafter indicated;

14-139. Membership. Credit union membership shall consist of the incorporators and such other persons as may be elected to membership and subscribe to at least one share, pay an initial installment thereon and any such entrance fee as may be provided for in the by-laws. Organizations (incorporated or otherwise) composed for the most part of the same general group as the credit union membership may be members. Credit union membership shall be limited to groups having a common bond of occupation or association. Shares may be issued in joint tenancy with right of survivorship with any persons designated by the credit union member, but no joint tenant shall be permitted to vote, obtain loans, or hold office, unless he is within the field of membership and is a qualified member.

History: En. Sec. 10, Ch. 236, L. 1963.

14-140. Membership meetings. The fiscal year of all credit unions shall end December 31. The regular annual and special meetings may be held in the manner indicated in the by-laws. At all meetings a member shall have but a single vote whatever his shareholdings. No member shall be entitled to vote by proxy, but a member other than a natural person may vote through an agent designated for the purpose.

History: En. Sec. 11, Ch. 236, L. 1963.

14-141. Management. The business affairs of a credit union shall be managed by a board of not less than five (5) directors, and a credit committee of not less than three (3) members, all to be elected at the annual members' meeting by and from the members, and by a supervisory committee of three (3) members, one (1) of whom may be a director other than the treasurer. Two (2) members of the supervisory committee shall be elected at the annual members' meeting by and from the members and one (1) member shall be appointed by the board. Any vacancy occurring in the supervisory committee shall be filled by appointment by the board, until successors (in the case of the elected members) elected at the next annual meeting have qualified. All members of the board and of such committees shall hold office for such terms, respectively, as the by-laws may provide; provided that the said terms shall be for not less than one (1) nor more than three (3) years, except that the term of the board's appointee to the supervisory committee shall be for one (1) year. A record of the names and addresses of the members of the board and such committees and of the officers of the credit union shall be filed with the department within ten (10) days after their election or appointment. No member of the board or of either such committee shall, as such, be compensated.

History: En. Sec. 12, Ch. 236, L. 1963.

14-142. Officers. At their first meeting after the annual meeting of the members, the directors shall elect a president, one or more vice presidents, a secretary, and a treasurer, who shall be the executive officers of the credit union. The offices of secretary and treasurer may be held by the same person. All executive officers shall be chosen from among the elected directors except that the secretary-treasurer or treasurer (depending on

whether or not these offices are combined) may be appointed by the directors from outside the membership of the board of directors, in which case such office shall be designated as an executive office and the person holding such office shall be a member of the board, ex officio, without vote. The duties of the officers shall be as determined by the by-laws, except that the treasurer shall be the general manager of the credit union. Before the treasurer shall enter upon his duties he shall give bond with good and sufficient surety, in an amount and character to be determined by the board of directors in compliance with regulations prescribed from time to time by the supervisor, conditioned upon the faithful performance of his trust.

History: En. Sec. 13, Ch. 236, L. 1963.

14-143. Directors. The board of directors shall meet at least once a month and shall have the general direction and control of the affairs of the credit union. Minutes of all such meetings shall be kept. Among other things they shall act upon applications for membership; require any officer or employee having custody of or handling funds to give bond with good and sufficient surety in an amount and character to be determined by the board of directors in compliance with regulations prescribed from time to time by the supervisor, and authorize the payment of the premium or premiums therefor from the funds of the credit union; fill vacancies in the board and in the credit committee until successors elected at the next annual meeting have qualified; have charge of investments other than loans to members; determine from time to time the maximum number of shares that may be held by an individual; subject to the limitations of this act, determine the interest rates on loans and the maximum amount which may be loaned with or without security to any member; subject to such regulations as may be issued by the supervisor, authorize an interest refund to members of record at the close of business on December 31 in proportion to the interest paid by them during that year; and provide for compensation of necessary clerical and auditing assistance requested by the supervisory committee, and of loan officers appointed by the credit committee. A membership officer appointed by the board from among the members of the credit union, other than the treasurer, an assistant treasurer, or a loan officer, any [may] be authorized by the board to approve applications for membership under such conditions as the board may prescribe; except that such membership officer so authorized shall submit to the board at each monthly meeting a list of approved or pending applications for membership received since the previous monthly meeting, together with such other related information as the by-laws or the board may require.

History: En. Sec. 14, Ch. 236, L. 1963.

14-144. Credit committee. The credit committee shall hold such meetings as the business of the credit union may require and not less frequently than once a month to consider applications for loans. Reasonable notice of such meetings shall be given to all members of the committee. No loan shall be made unless it is approved by a majority of the entire committee and by all members of the committee who are present at the

meeting at which the application is considered; except that the credit committee may appoint one or more loan officers, and delegate to him or them the power to approve loans within limits prescribed by the committee. Each loan officer shall furnish to the credit committee a record of each loan approved or not approved by him within seven (7) days of the date of the filing of the application therefor. All loans not approved by a loan officer shall be acted upon by the credit committee. No individual shall have authority to disburse funds of the credit union for any loan which has been approved by him in his capacity as a loan officer. Not more than one (1) member of the credit committee may be appointed as a loan officer. Applications for loans shall be made on forms prepared by such committee, which shall set forth the purpose for which the loan is desired, the security, if any, and such other data as may be required. For the purposes of this section an assignment of shares, or the endorsement of a note shall be deemed security.

History: En. Sec. 15, Ch. 236, L. 1963.

14-145. Supervisory committee. The supervisory committee shall make or cause to be made, at least quarterly, an examination of the affairs of the credit union, shall make or cause to be made a report of its quarterly examination to the board of directors; shall make or cause to be made an annual audit, a report of which shall be submitted to the members at the next annual meeting of the credit union; may suspend by a unanimous vote any officer of the credit union, or any member of the credit committee, or of the board of directors, until the next members' meeting, which members' meeting shall be held not less than seven (7) nor more than fourteen (14) days after such suspension and at which meeting such suspension shall be acted upon by the members; and may call by a majority vote a special meeting of the shareholders to consider any violation of this act, the certificate of incorporation or the by-laws, or any practice of the credit union deemed by the supervisory committee to be unsafe or unauthorized. Any member of the supervisory committee may be suspended by the board of directors. The members shall decide, at a meeting held not less than seven (7) nor more than fourteen (14) days after any such suspension, whether the suspended committee member shall be removed from or restored to the supervisory committee. The supervisory committee shall cause the passbooks and accounts of the members to be verified with the records of the treasurer from time to time, and not less frequently than once every two (2) years. As used in this section, the term "passbook" shall include any book, statement of account, or other record setting forth the members' transactions with the credit union.

History: En. Sec. 16, Ch. 236, L. 1963.

14-146. Rates of interest. Interest rates on loans made by a credit union shall not exceed one per centum (1%) per month on unpaid principal balances, inclusive of all charges incident to making the loan. This rate may also be stated as twelve per centum (12%) simple interest per annum.

History: En. Sec. 17, Ch. 236, L. 1963.

14-147. Power to borrow. A credit union may borrow from any source in total sum which shall not exceed fifty per centum (50%) of its total assets, after the deduction of the "notes payable account."

History: En. Sec. 18, Ch. 236, L. 1963.

14-148. Loans to members. A credit union may loan to members. Loans must be for provident or productive purposes and are made subject to the conditions contained in the by-laws. A borrower may repay his loan in whole or in part, during regular business hours on any day the credit union office is open for business and no penalty or minimum charge may be imposed for payments received in advance of schedule or for any loan paid in full prior to the maturity date. Loans to a director or member of the supervisory or credit committee shall not exceed the amount of his holdings in the credit union as represented by shares thereof plus the total unencumbered and unpledged shareholdings in the credit union of any member or members pledged as security for the obligation of such director or committee member. No director or member of the supervisory or credit committee shall endorse for borrowers.

History: En. Sec. 19, Ch. 236, L. 1963.

14-149. Reserves. Any entrance fee and charges provided by the by-laws and twenty per centum (20%) of the net earnings of each dividend period, before the declaration of any dividends, shall be set aside as a regular reserve against losses on bad loans and such other losses as may be specified in the by-laws in accordance with regulations prescribed under this act. This reserve shall be kept liquid and intact and not loaned out to members; provided, however, that when the regular reserve thus established shall equal ten per centum (10%) of the total amount of members' shareholdings, no further transfer of net earnings to such regular reserve shall be required except that such amounts not in excess of twenty per centum (20%) of the net earnings as may be needed to maintain this ten per centum (10%) ratio shall continue to be transferred. In addition to such regular reserves, special reserves to protect the interest of members shall be established when required (1) by regulation, or (2) in any special case when found by the supervisor to be necessary for that purpose.

History: En. Sec. 20, Ch. 236, L. 1963.

14-150. Dividends. Annually or semiannually, and after provision for the required reserve, and/or special reserves, the board of directors may declare a dividend to be paid from the remaining net earnings. Such dividends shall be paid on all paid-up shares outstanding at the end of the period for which the dividend is declared. Shares which become fully paid up during such dividend period and are outstanding at the close of the period shall be entitled to a proportional part of such dividend. Dividend credit for a month may be accrued on shares which are or become fully paid up during the first ten (10) days of that month. As the by-laws may require, dividend declarations made by the board may be subject to ratification by the members at each annual meeting and in the case of dividend declaration for the period ending December 31, the board may recommend

this declaration to the members at the annual meeting rather than declaring same.

History: En. Sec. 21, Ch. 236, L. 1963.

14-151. Expulsion—withdrawal. A member may be expelled by a two-thirds ($\frac{2}{3}$) vote of the members present at a special meeting called to consider the matter but only after an opportunity has been given him to be heard. Any member may withdraw from the credit union at any time but notice of withdrawal may be required. All amounts paid on shares of an expelled or withdrawing member, with any dividends or interest accredited thereto, to the date thereof, shall, as funds become available and after deducting all amounts due from the member to the credit union, be paid to him. Payment of any part or all of such accounts to any of the joint tenants or to a minor shall, to the extent of such payment, be valid and discharge the liability of the credit union to all joint tenants, to the minor, parent or guardian in respect to such share account.

The credit union may require sixty (60) days notice of intention to withdraw shares. Withdrawing or expelled members shall have no further rights in the credit union but are not, by such expulsion or withdrawal, released from any remaining liability to the credit union.

History: En. Sec. 22, Ch. 236, L. 1963.

14-152. Certain powers of supervisor. (1) The supervisor may prescribe rules and regulations for the administration of the act (including, but not by way of limitation, the merger, consolidation, and dissolution of credit unions organized under this act).

(2) Any credit union may, with the approval of the supervisor, and in accordance with such uniform rules and regulations as he shall make and promulgate be merged with another credit union, provided the membership of the one credit union is within the field of membership of the other, under the existing certificate of incorporation of such other credit union, pursuant to any plan agreed upon by the majority of the board of directors of each credit union joining in the merger, and approved by the affirmative vote of a majority of the members of each such credit union, either at meetings of the members, duly called for such purpose or in writing. All property, property rights and interest of the credit union so merging shall upon such merger be transferred to and vested in the credit union under whose certificate of incorporation the merger is effected without deed, endorsement, or other instrument of transfer, and the debts and obligations of the credit union so merging shall be deemed to have been assumed by the credit union under whose certificate of incorporation the merger is effected, and thereafter the certificate of incorporation of the credit union so merging shall be null and void and it shall cease to exist. Upon payment of the filing fees provided in section 26 [14-155] hereof, the supervisor shall file the certificate of merger with the secretary of state, and a copy thereof, certified by the secretary of state, shall be filed in the office of the county clerk of the county in which the principal place of business of the merged credit union is located. This section shall be construed, whenever possible to permit a credit union incorporated under any

other act to merge with one incorporated under this act, or to permit one incorporated under this act to merge with one incorporated under any other act.

(3) The proposition of voluntary dissolution may be considered at a membership meeting especially called by a four-fifths (4/5) vote of the board of directors of the credit union on a date set by said board for a vote thereon by the members (either at a meeting to be held on such date or by written ballot to be filed with the secretary before such date). Written notice of the proposition and of the date set for the vote shall then be delivered in person to each member, or mailed to each member at the address for such member appearing on the records of the credit union, not more than thirty (30) days and not less than ten (10) days prior to such date. At the same time, a copy of said notice shall also be mailed to the supervisor. Approval of the proposition for voluntary dissolution shall be by the affirmative vote of a majority of the members, in person or in writing. A statement of the results of the vote, verified by the affidavits of the president or vice president and the secretary, shall be filed with the supervisor within five (5) days after the vote is taken, and there shall be included with the affidavits, a list of the names of the directors and officers of the credit union together with their addresses. If the proposition for voluntary dissolution is approved by such vote, the credit union shall thereupon immediately cease to do business except for the purpose of liquidation.

(4) (a) The supervisor may suspend or revoke the certificate of incorporation of any credit union, or place the same in involuntary liquidation and appoint a liquidating agent therefore [therefor], upon his finding that the credit union is bankrupt or insolvent, or has violated any of the provisions of its certificate of incorporation, its by-laws, this act, or any regulations issued thereunder.

(b) The supervisor through such persons as he shall designate, may examine any credit union in voluntary liquidation and, upon his finding that such voluntary liquidation is not being conducted in an orderly or efficient manner or in the best interests of its members, may after holding a hearing or giving adequate opportunity for a hearing, order such credit union to correct such condition and shall grant it not less than sixty (60) days within which to comply, and failure to do so shall afford the supervisor grounds for terminating such voluntary liquidation and place such credit union in involuntary liquidation and appoint a liquidating agent therefor.

(c) Such liquidating agent shall have power and authority, subject to the control and supervision of the supervisor and under such rules and regulations as the supervisor may prescribe,

(i) To receive and take possession of the books, records, assets, and property of every description of the credit union in liquidation, to sell, enforce collection of, and liquidate all such assets and property, to compound all bad or doubtful debts, and to sue in his own name or in the name of the credit union in liquidation, and defend such actions as may be brought against him as liquidating agent or against the credit union;

(ii) To receive, examine, and pass upon all claims against the credit union in liquidation, including claims of members on shares;

(iii) To make distribution and payment to creditors and members as their interests may appear; and

(iv) To execute such documents and papers and to do such other acts and things which he may deem necessary or desirable to discharge his duties hereunder.

(d) Subject to the control and supervision of the supervisor and under such rules and regulations as the supervisor may prescribe, the liquidating agent of a credit union in involuntary liquidation shall

(i) Cause notice to be given to creditors and members to present their claims and make legal proof thereof, which notice shall be published once a week in each of three (3) successive weeks in a newspaper of general circulation in the county in which the credit union in liquidation maintained an office for the transaction of business on the date it ceased unrestricted operations; except that whenever the aggregate book value of the assets and property of a credit union in involuntary liquidation is less than \$10,000 unless the supervisor shall find that its books and records do not contain a true and accurate record of its liabilities, he shall declare such credit union in liquidation to be a "no publication" liquidation, and publication of notice to creditors and members shall not be required in such case;

(ii) From time to time make a ratable dividend on all such claims as may have been proved to his satisfaction or adjudicated in a court of competent jurisdiction and, after the assets of such credit union have been liquidated, make further dividends on all claims previously proved or adjudicated, and he may accept in lieu of a formal proof of claim on behalf of any creditor or member the statement of any amount due to such creditor or member as shown on the books and records of the credit union; but all claims not filed before payment of the final dividend shall be barred and claims rejected or disallowed by the liquidating agent shall be likewise barred unless suit be instituted thereon within three (3) months after notice of rejection or disallowance; and

(iii) In a "no publication" liquidation, determine from all sources available to him, and within the limits of available funds of the credit union, the amounts due to creditors and members, and after sixty (60) days shall have elapsed from the date of his appointment distribute the funds of the credit union to creditors and members ratably and as their interests may appear.

(e) Upon certification by the liquidating agent in the case of an involuntary liquidation, and upon such proof as shall be satisfactory to the supervisor in the case of a voluntary liquidation, that distribution has been made and that liquidation has been completed, as provided herein, the supervisor shall cancel the certificate of incorporation of such credit union by issuing a certificate of dissolution on form prescribed by him, and file the same with the secretary of state, and a copy thereof shall be filed in the office of the county clerk of the county in which the principal place of business of the credit union is located; but the corporate existence

of the credit union shall continue for a period of three (3) years from the date of such cancellation of its certificate of incorporation, during which period the liquidating agent, or his duly appointed successor, or such persons as the supervisor shall designate, may act on behalf of the credit union for the purpose of paying, satisfying, and discharging any existing liabilities or obligations, collecting and distributing its assets, and doing all other acts required to adjust and wind up its business and affairs, and it may sue and be sued in its corporate name.

(5) After the expiration of eight (8) years from the date of cancellation of the certificate of incorporation of a credit union the supervisor may, in his discretion, destroy any or all books and records of such credit union in his possession or under his control.

(6) The supervisor is authorized and empowered to execute any and all functions and perform any and all duties vested in him hereby, through such persons as he shall designate or employ; and he may delegate to any person or persons, including any institution operating under the general supervision of the department, the performance and discharge of any authority, power, or function vested in him by this act.

(7) Any officer or employee of the department is authorized, when designated for the purpose by the supervisor to administer oaths and affirmations and to take affidavits and depositions touching upon any matter within the jurisdiction of the department as related to this act.

(8) The supervisor is authorized, empowered, and directed to require that every person appointed or elected by any credit union to any position requiring the receipt, payment, or custody, of money or other personal property owned by a credit union, or in its custody or control as collateral or otherwise, give bond in a corporate surety company licensed to do business in the state of Montana. Any such bond or bonds shall be in a form approved by the supervisor with a view to providing surety coverage to the credit union with reference to loss by reason of acts of fraud or dishonesty including forgery, theft, embezzlement, wrongful abstraction, or misapplication on the part of the person, directly or through connivance with others, and such other surety coverages as the supervisor may determine to be reasonably appropriate or as elsewhere required by this act. Any such bond or bonds shall be in such an amount in relation to the money or other personal property involved or in relation to the assets of the credit union as the supervisor may from time to time prescribe by regulation for the purpose of requiring reasonable coverage. In lieu of individual bonds the supervisor may approve the use of a form of schedule or blanket bond which covers all of the officers and employees of a credit union whose duties include the receipt, payment, or custody of money or other personal property for or on behalf of the credit union. The supervisor may also approve the use of a form of excess coverage bond whereby a credit union may obtain an amount of coverage in excess of the basic surety coverage.

Amendment

The 1957 amendment re-subdivided and rewrote this section. For section prior to amendment see parent volume.

Action to Determine Rights

Where a controversy existed between a rural electric co-operative and an electric power company as to the right of the co-operative to supply service to an addition to the city, the co-operative could have brought an action under sections 93-8901 to 93-8916 (Uniform Declaratory Judgments Act) to deter-

mine its legal position before proceeding to install facilities to service the addition. *Montana Power Co. v. Park Electric Co-operative*, — M —, 371 P 2d 1, 6.

Underground Installations

A power company which operated an electric line along the edge of an addition to a city, was not required to pay for facilities and underground installations constructed by a rural electric co-operative in such addition despite protests of power company. *Montana Power Co. v. Park Electric Co-operative*, — M —, 371 P 2d 1, 6.

14-504. Name. The name of each cooperative shall include the words "electric" or "telephone" and "cooperative," and the abbreviation "Inc.," provided, however, such limitations shall not apply if, in an affidavit made by the president or vice-president of a cooperative and filed with the secretary of state, it shall appear that the cooperative desires to transact business in another state and is precluded therefrom by reason of its name. The name of a cooperative shall distinguish it from the name of any other corporation organized under the laws of, or authorized to transact business in, this state. The words "electric" or "telephone" and "cooperative" shall not both be used in the name of any corporation organized under the laws of, or authorized to transact business in, this state, except a cooperative or a corporation transacting business in this state pursuant to the provisions of this act.

History: En. Sec. 4, Ch. 172, L. 1939; amd. Sec. 4, Ch. 80, L. 1957.

Amendment

The 1957 amendment inserted the words "or telephone" both times they appear in this section.

14-508. Members. (a) No person who is not an incorporator shall become a member of a cooperative unless such person shall agree to use electric energy or telephone service furnished by the cooperative when such electric energy or telephone service shall be available through its facilities. The by-laws may provide that any person, including an incorporator, shall cease to be a member of a cooperative if he shall fail or refuse to use electric energy or telephone service made available by the cooperative or if electric energy or telephone service shall not be made available to such person by the cooperative within a specified time after such person shall have become a member thereof. Membership in the cooperative shall not be transferable, except as provided in the by-laws. The by-laws may prescribe additional qualifications and limitations in respect to membership.

(b) An annual meeting of the members shall be held at such time as shall be provided in the by-laws.

(c) Special meetings of the members may be called by the board of trustees, by any three trustees, by not less than ten per centum (10%) of the members, or by the president.

(d) Meetings of members shall be held at such place as may be provided in the by-laws. In the absence of any such provision, all meetings shall be held in the city or town in which the principal office of the cooperative is located.

(e) Except as hereinafter otherwise provided, written or printed notice stating the time and place of each meeting of members, and, in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be given to each member, either personally or by mail, not less than ten (10) nor more than twenty-five (25) days before the date of the meeting.

(f) Five per centum (5%) of all members present in person shall constitute a quorum for the transaction of business at all meetings of the members, but the by-laws may prescribe the presence of a greater percentage of the members for a quorum. If less than a quorum is present at any meeting, a majority of those present in person may adjourn the meeting from time to time without further notice.

(g) Each member shall be entitled to one vote on each matter submitted to a vote at a meeting. Voting shall be in person, but, if the by-laws so provide, may also be by proxy or by mail, or both. If the by-laws provide for voting by proxy or by mail, they shall also prescribe the conditions under which proxy or mail voting or both shall be exercised. In any event, no person shall vote as proxy for more than three (3) members at any meeting of the members.

History: En. Sec. 8, Ch. 172, L. 1939; amd. Sec. 5, Ch. 80, L. 1957.

"or telephone service" each time they appear in subd. (a) and in the last sentence of said subdivision substituted the word "to" for "of."

Amendment

The 1957 amendment inserted the words

14-510. Voting districts. Notwithstanding any other provisions of this act, the by-laws may provide that the territory in which a cooperative supplies electric energy or telephone service to its members shall be divided into two or more voting districts and that in respect to each such voting district (1) a designated number of trustees shall be elected by the members residing therein, or (2) a designated number of delegates shall be elected by the members residing therein, or (3) both such trustees and delegates shall be elected by such members. In any such case the by-laws shall prescribe the manner in which such voting districts and the members thereof, and the delegates and trustees, if any, elected therefrom shall function and the powers of the delegates, which may include the power to elect trustees. No member at any voting district meeting and no delegate at any meeting shall vote by proxy or by mail.

(b) The proposition for the conversion of such corporation into a cooperative under this act and the proposed articles of conversion approved by the board of trustees or board of directors, as the case may be, of such corporation shall then be submitted to a vote of the members or stockholders, as the case may be, of such corporation at any duly held annual or special meeting thereof, the notice of which shall set forth full particulars concerning the proposed conversion. The proposition for the conversion of such corporation into a cooperative under this act and the proposed articles of conversion, with such amendments thereto as the members or stockholders of such corporation shall choose to make therein, shall be deemed to be approved upon the affirmative vote of not less than two-thirds of those members of such corporation voting thereon at such meeting, or, if such corporation is a stock corporation, upon the affirmative vote of the holders of not less than two-thirds of the capital stock of such corporation represented at such meeting;

(c) Upon such approval by the members or stockholders of such corporation, articles of conversion in the form approved by such members or stockholders of such corporation shall be executed and acknowledged on behalf of such corporation by its president or vice-president and its corporate seal shall be affixed thereto and attested by its secretary or assistant secretary. The president or vice-president executing such articles of conversion on behalf of such corporation shall also make and annex thereto an affidavit stating that the provisions of this section with respect to the approval of its trustees or directors and its members or stockholders, of the proposition for the conversion of such corporation into a cooperative under this act and such articles of conversion were duly complied with. Such articles of conversion and affidavit shall be submitted to the secre-

NOTE.—Uniform State Law. Sections 15-652 through 15-662 constitute the "Uniform Act for Simplification of Fiduciary Security Transfers" as promulgated by the National Conference of Commissioners on Uniform State Laws in 1958 and adopted in the states of Alabama, Arizona, California, Colorado, District of Columbia, Florida, Georgia, Idaho, Illinois, Indiana, Kansas, Louisiana, Maine, Maryland, Michigan, Minnesota, Mississippi, Missouri, Nebraska, Nevada, New Jersey, New York, North Carolina, North Dakota, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Virginia, Washington, West Virginia, Wisconsin and Wyoming.

Title of Act

An act to adopt the Uniform Act for Simplification of Fiduciary Security Transfers as promulgated by the national conference of commissioners on uniform state laws in 1958; establishing a mode for transfer of securities held by fiduciaries; providing evidence of appointment or incumbency of a fiduciary; providing for the filing of adverse claims; and removing a duty by corporations and transfer agents to inquire into the rightfulness of security transfers by fiduciaries.

15-653. Registration in the name of a fiduciary. A corporation or transfer agent registering a security in the name of a person who is a fiduciary or who is described as a fiduciary is not bound to inquire into the existence, extent, or correct description of the fiduciary relationship; and thereafter the corporation and its transfer agent may assume without inquiry that the newly registered owner continues to be the fiduciary until the corporation or transfer agent receives written notice that the fiduciary is no longer acting as such with respect to the particular security.

History: En. Sec. 2, Ch. 101, L. 1963.

15-654. Assignment by a fiduciary. Except as otherwise provided in this act, a corporation or transfer agent making a transfer of a security pursuant to an assignment by a fiduciary

(a) may assume without inquiry that the assignment, even though to the fiduciary himself or to his nominee, is within his authority and capacity and is not in breach of his fiduciary duties;

(b) may assume without inquiry that the fiduciary has complied with any controlling instrument and with the law of the jurisdiction governing the fiduciary relationship, including any law requiring the fiduciary to obtain court approval of the transfer; and

(c) is not charged with notice of and is not bound to obtain or examine any court record or any recorded or unrecorded document relating to the fiduciary relationship or the assignment, even though the record or document is in its possession.

History: En. Sec. 3, Ch. 101, L. 1963.

15-655. Evidence of appointment or incumbency. A corporation or transfer agent making a transfer pursuant to an assignment by a fiduciary who is not the registered owner shall obtain the following evidence of appointment or incumbency:

(a) In the case of a fiduciary appointed or qualified by a court, a certificate issued by or under the direction or supervision of that court or an officer thereof and dated within sixty (60) days before the transfer; or

(b) In any other case, a copy of a document showing the appointment or a certificate issued by or on behalf of a person reasonably believed by the corporation or transfer agent to be responsible or, in the absence of such a document or certificate, other evidence reasonably deemed by the corporation or transfer agent to be appropriate. Corporations and transfer agents may adopt standards with respect to evidence of appointment or incumbency under this subsection provided such standards are not manifestly unreasonable. Neither the corporation nor transfer agent is charged with notice of the contents of any document obtained pursuant to this paragraph (b) except to the extent that the contents relate directly to the appointment or incumbency.

History: En. Sec. 4, Ch. 101, L. 1963.

15-656. Adverse claims. (a) A person asserting a claim of beneficial interest adverse to the transfer of a security pursuant to an assignment by a fiduciary may give the corporation or transfer agent written notice of the claim. The corporation or transfer agent is not put on notice unless the written notice identifies the claimant, the registered owner, and the issue of which the security is a part, provides an address for communications directed to the claimant and is received before the transfer. Nothing in this act relieves the corporation or transfer agent of any liability for making or refusing to make the transfer after it is so put on notice, unless it proceeds in the manner authorized in subsection (b).

(b) As soon as practicable after the presentation of a security for transfer pursuant to an assignment by a fiduciary, a corporation or transfer agent which has received notice of a claim of beneficial interest adverse to the transfer may send notice of the presentation by registered or certified mail to the claimant at the address given by him. If the corporation or transfer agent so mails such a notice it shall withhold the transfer for thirty (30) days after the mailing and shall then make the transfer unless restrained by a court order.

History: En. Sec. 5, Ch. 101, L. 1963.

15-657. Non-liability of corporation and transfer agent. A corporation or transfer agent incurs no liability to any person by making a transfer or otherwise acting in a manner authorized by this act.

History: En. Sec. 6, Ch. 101, L. 1963.

15-658. Non-liability of third persons. (a) No person who participates in the acquisition, disposition, assignment or transfer of a security by or to a fiduciary, including a person who guarantees the signature of the fiduciary, is liable for participation in any breach of fiduciary duty by reason of failure to inquire whether the transaction involves a breach unless it is shown that he acted with actual knowledge that the proceeds of the transaction were being or were to be used wrongfully for the individual benefit of the fiduciary or that the transaction was otherwise in breach of duty.

(b) If a corporation or transfer agent makes a transfer pursuant to an assignment by a fiduciary, a person who guaranteed the signature of the fiduciary is not liable on the guarantee to any person to whom the corporation or transfer agent by reason of this act incurs no liability.

(c) This section does not impose any liability upon the corporation or its transfer agent.

History: En. Sec. 7, Ch. 101, L. 1963.

15-659. Territorial application. (a) The rights and duties of a corporation and its transfer agents in registering a security in the name of a fiduciary or in making a transfer of a security pursuant to an assignment by a fiduciary are governed by the law of the jurisdiction under whose laws the corporation is organized.

(b) This act applies to the rights and duties of a person other than the corporation and its transfer agents with regard to acts and omissions in this state in connection with the acquisition, disposition, assignment, or transfer of a security by or to a fiduciary and of a person who guarantees in this state the signature of a fiduciary in connection with such a transaction.

History: En. Sec. 8, Ch. 101, L. 1963.

15-660. Tax obligations. This act does not affect any obligation of a corporation or transfer agent with respect to estate, inheritance, succession, or other taxes imposed by the laws of this state.

History: En. Sec. 9, Ch. 101, L. 1963.

If requested by any director, member, or stockholder, the time must be noted when he entered the meeting or obtained leave of absence therefrom. On a similar request, the ayes and noes must be taken on any proposition, and a record thereof made. On a similar request, the protest of any director, member, or stockholder, to any action or proposed action, must be entered in full, and such records must be open to the inspection of any director, member, stockholder, or creditor of the corporation; provided, that in lieu of embracing in the record of stockholders' or members' meetings who were present, a list showing the names of those present at any such meeting, certified by the chairman and secretary thereof, may be filed and kept in the office of the secretary of the corporation. Provided, however, any corporate act to be performed by the directors of a corporation may be performed by resolution with the signed consent of all of the directors of said corporation then living, without a formal meeting

of the directors being held therefor. Such resolution shall be placed in the minute book of the corporation. History: En. 15-1119 by Sec. 1, Ch. 59, L. 1963.

Compiler's Note

Section 2 of Ch. 59, Laws 1963 read "This act shall be codified as section 15-1119, R. C. M. 1947." However, Chapter 241, Laws 1963, also enacted a section specifically designated as section 15-1119, and Sec. 14 of Ch. 241 repealed all inconsistent acts. For this reason, and in the interest of a logical arrangement, the compiler has redesignated this section as 15-1131.

In case of consolidation to form a new corporation there shall also be set forth in said agreement such other facts as shall then be required to be set forth in certificates of

Said agreement shall be authorized, adopted, approved, signed and acknowledged by each of said constituent corporations in accordance with the laws under which it is formed and in the case of a Montana corporation in the manner provided in section 15-1902 hereof. The agreement so authorized, adopted, approved, signed and acknowledged shall be filed in the office of the secretary of state and a copy of such agreement certified by the secretary of state under the great seal of the state of Montana, shall be filed but need not be recorded in the office of the county clerk of the county in this state wherein such resulting or surviving corporation maintains its principal place of business, if any, and also, in each other county in this state in which such corporation may own real estate, provided, however, that a failure to file such certified copy in the office of any county clerk of any county in this state shall not effect [affect] the validity of said merger or consolidation. Said agreement so filed in the office of the secretary of state shall thenceforth be taken and deemed to be the agreement and act of consolidation or merger of said constituent corporations for all purposes of the laws of this state and said consolidation or merger shall take effect as of the date of the filing of said agreement with the secretary of state who shall, at the time of such filing, receive a fee of fifteen dollars (\$15.00) therefor. Compiler's Note

The compiler has inserted the bracketed word "affect" in the last paragraph.

(2) "Salesman" means any individual other than a broker-dealer who represents a broker-dealer or issuer in effecting or attempting to effect sales of securities, but "salesman" does not include an individual who represents an issuer in (a) effecting a transaction in a security exempted by subsections 13(1), (2), (3), (9), (10), or (11) [15-2013(1), (2), (3), (9), (10), or (11)], of this title, (b) effecting transactions exempted by section 14 [15-2014], or (c) effecting transactions with existing employees, partners, or directors of the issuer if no commission or other remuneration is paid or given directly or indirectly for soliciting any person in this state. A partner, officer, or director of a broker-dealer or issuer is a "salesman" only if he otherwise comes within this definition.

(3) "Broker-dealer" means any person engaged in the business of effecting transactions in securities for the account of others or for his own account. "Broker-dealer" does not include (a) a salesman, issuer, bank, savings institution, trust company or insurance company, (b) a

person who has no place of business in this state if he effects transactions in this state exclusively with or through the issuers of the securities involved in the transactions, other broker-dealers, or banks, savings institutions, trust companies, insurance companies, investment companies as defined in the Investment Company Act of 1940, pension or profit-sharing trusts, or other financial institutions or institutional buyers, whether acting for themselves or as trustee, or (c) a person who has no place of business in this state if during any period of twelve (12) consecutive months he does not direct more than fifteen (15) offers to sell or to buy into this state in any manner to persons other than those specified in clause (b).

(4) "Guaranteed" means guaranteed as to payment of principal, interest, or dividends.

(5) "Investment adviser" means any person who, for compensation, engages in the business of advising others either directly or through publications or writings, as to the value of securities or as to the advisability of investing in, purchasing, or selling securities, or who, for compensation and as a part of a regular business, issues or promulgates analyses or reports concerning securities. "Investment adviser" does not include (a) a bank, savings institution, trust company or insurance company; (b) a lawyer, accountant, engineer, or teacher whose performance of these services is solely incidental to the practice of his profession; (c) a broker-dealer; (d) a publisher of any bona fide newspaper, news magazine, or business or financial publication of general, regular, and paid circulation; (e) a person whose advice, analyses, or reports relate only to securities exempted by subsection 13(1) [15-2013(1)] of this title; (f) a person who has no place of business in this state if (i) his only clients in this state are other investment advisers, broker-dealers, banks, savings institutions, trust companies, insurance companies, investment companies as defined in the Investment Company Act of 1940, pension or profit-sharing trust, or other financial institutions or institutional buyers, whether acting for themselves or as trustees, or (ii) during any period of twelve (12) consecutive months he does not direct business communications into this state in any manner to more than five (5) resident clients other than those specified in clause (i); or (g) such other persons not within the intent of this paragraph as the commissioner may by rule or order designate.

(6) "Issuer" means any person who issues or proposes to issue any security, except that with respect to certificates of deposit, voting trust certificates, or collateral-trust certificates, or with respect to certificates of interest or shares in an unincorporated investment trust not having a board of directors (or persons performing similar functions) or of the fixed, restricted management, or unit type, the term "issuer" means the person or persons performing the acts and assuming the duties of depositor or manager pursuant to the provisions of the trust or other agreement or instrument under which the security is issued.

(7) "Non-issuer" means not directly or indirectly for the benefit of the issuer.

(8) "Person," for the purpose of this act, means an individual, a corporation, a partnership, an association, a joint-stock company, a trust where

the interests of the beneficiaries are evidenced by a security, an unincorporated organization, a government, or a political subdivision of a government.

(9) "Sale" or "sell" includes every contract of sale of, contract to sell, or disposition of, a security or interest in a security for value. "Offer" or "offer to sell" includes every attempt or offer to dispose of, or solicitation of an offer to buy, a security or interest in a security for value.

Any security given or delivered with, or as a bonus on account of, any purchase of securities or any other thing is considered to constitute part of the subject of the purchase and to have been offered and sold for value. A purported gift of assessable stock is considered to involve an offer and sale. Every sale or offer of a warrant or right to purchase or subscribe to another security of the same or another issuer, as well as every sale or offer of a security which gives the holder a present or future right or privilege to convert into another security of the same or another issuer, is considered to include an offer of the other security.

(10) "Securities Act of 1933," "Securities Exchange Act of 1934," "Public Utility Holding Company Act of 1935," and "Investment Company Act of 1940" mean the federal statutes of those names as amended before or after the effective date of this act.

(11) "Security" means any note; stock; treasury stock; bond; debenture; evidence of indebtedness; certificate of interest or participation in any profit-sharing agreement; collateral-trust certificate; pre-organization certificate or subscription; transferable shares; investment contract; voting-trust certificate; certificate of deposit for a security; certificate of interest or participation in an oil, gas or mining title or lease or in payments out of production under such a title or lease; or, in general, any interest or instrument commonly known as a "security," or any certificate of interest or participation in, temporary or interim certificate for, receipt for, guarantee of, or warrant or right to subscribe to or purchase, any of the foregoing. "Security" does not include any insurance or endowment policy or annuity contract under which an insurance company promises to pay a sum of money, either in a lump sum, or periodically for life, or some other specified period.

(12) "State" means any state, territory, or possession of the United States, as well as the District of Columbia and Puerto Rico.

the light of the circumstances under which they are made, not misleading, or

(c) to engage in any act, practice, or course of business which operates or would operate as a fraud or deceit upon any person.

(2) It is unlawful for any person who receives any consideration from another person primarily for advising the other person as to the value of securities or their purchase or sale, whether through the issuance of analysis or reports or otherwise,

(a) to employ any device, scheme, or artifice to defraud the other person, or

(b) to engage in any act, practice, or course of business which operates or would operate as a fraud or deceit upon the other person.

(3) It is unlawful for any investment adviser to enter into, extend, or renew any investment advisory contract unless it provides:

15-2006. Registration of broker-dealers, salesmen, and investment advisers. (1) It is unlawful for any person to transact business in this state as a broker-dealer or salesman, except in transactions exempt under section 14 [15-2014], unless he is registered under this act. It is unlawful for any person to transact business in this state as an investment adviser unless (1) he is so registered under this act, or (2) he is registered as a broker-dealer under this act, or (3) his only clients in this state are investment companies as defined in the Investment Company Act of 1940 or insurance companies.

(2) A broker-dealer, salesman, acting as agents for an issuer or issuers or acting as agents for a broker-dealer in the sale of securities for

an issuer or issuers or investment adviser may apply for registration by filing with the commissioner an application in such form as the commissioner shall prescribe and payment of the fee prescribed in section 16 [15-2016]. Except for persons in the employ of brokerage firms governed by the regulations of the securities and exchange commission, all salesmen must be legal residents of this state and must have actually resided in this state for a period of at least one (1) year next prior to the date of application for registration. Salesmen shall also file with the commissioner a bond of a surety company duly authorized to transact business in this state. Said bond to be in the sum of five thousand dollars (\$5,000.00), payable to the state of Montana, and conditioned upon the faithful compliance with the provisions of this act, and shall provide that upon failure to so comply the salesman shall be liable to any and all persons who may suffer loss by reason thereof.

(3) The application shall contain whatever information the commissioner requires.

(4) If no denial order is in effect and no proceeding is pending under subdivision (8) of this section, registration becomes effective at noon of the thirtieth (30th) day after an application is filed. The commissioner may specify an earlier effective date and he may by order defer the effective date for an additional sixty (60) days; the effective day after the filing of any amendment shall be noon of the thirtieth (30th) day thereafter unless otherwise accelerated by the commissioner.

(5) Registration of a broker-dealer, salesman or investment adviser shall be effective until the first (1st) day of March next following such registration and may be renewed as hereinafter provided. The registration of a salesman is not effective during any period when he is not associated with an issuer or a registered broker-dealer specified in his application. When a salesman begins or terminates a connection with an issuer or registered broker-dealer, the salesman and the issuer or broker-dealer shall promptly notify the commissioner.

(6) Registration of a broker-dealer, salesman or investment adviser may be renewed by filing with the commissioner prior to the expiration thereof an application containing such information as the commissioner may require to indicate any material change in the information contained in the original application or any renewal application for registration as a broker-dealer, salesman or investment adviser filed with the commissioner by the applicant, payment of the prescribed fee and, in the case of a broker-dealer, a financial statement showing the financial condition of such broker-dealer as of a date within ninety (90) days. A registered broker-dealer or investment adviser may file an application for registration of a successor, to become effective upon approval of the commissioner.

(7) Every registered broker-dealer and investment adviser shall make and keep such accounts and other records, except with respect to securities exempt under section 13(1) [15-2013(1)], as may be prescribed by the commissioner. All records so required shall be preserved for three (3) years unless the commissioner prescribes otherwise for particular types of records. All the records of a registered broker-dealer or investment adviser are

subject at any time or from time to time to such reasonable periodic, special or other examinations, within or without this state, by representatives of the commissioner, as the commissioner deems necessary or appropriate in the public interest or for the protection of investors.

(8) The commissioner may by order deny, suspend, or revoke registration of any broker-dealer, salesman, or investment adviser if he finds that the order is in the public interest and that the applicant or registrant or, in the case of a broker-dealer or investment adviser, any partner, officer, or director:

(a) has filed an application for registration under this section which, as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

(b) has wilfully violated or wilfully failed to comply with any provision of this act or a predecessor act or any rule or order under this act or a predecessor act;

(c) has been convicted of any misdemeanor involving a security or any aspect of the securities business, or any felony;

(d) is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities business;

(e) is the subject of an order of the commissioner denying, suspending, or revoking registration as a broker-dealer, salesman, or investment adviser;

(f) is the subject of an order entered within the past five (5) years by the securities administrator of any other state or by the federal securities and exchange commission denying or revoking registration as a broker-dealer or salesman, or the substantial equivalent of those terms as defined in this act, or is the subject of an order of the federal securities and exchange commission suspending or expelling him from a national securities exchange or national securities association registered under the Securities Exchange Act of 1934, or is the subject of a United States Post Office fraud order; but (a) the commissioner may not institute a revocation or suspension proceeding under this clause more than one (1) year from the date of the order relied on, and (b) he may not enter any order under this clause on the basis of an order unless that order was based on facts which would currently constitute a ground for an order under this section;

(g) has engaged in dishonest or unethical practices in the securities business;

(h) is insolvent, either in the sense that his liabilities exceed his assets or in the sense that he cannot meet his obligations as they mature; but the commissioner may not enter an order against a broker-dealer or investment adviser under this clause without a finding of insolvency as to the broker-dealer or investment adviser; or

(i) has not complied with a condition imposed by the commissioner under subdivision (8) of this section, or is not qualified on the basis of such factors as training, experience, or knowledge of the securities business; or

(j) has failed to pay the proper filing fee; but the commissioner may enter only a denial order under this clause, and he shall vacate any such order when the deficiency has been corrected. The commissioner may by order summarily postpone or suspend registration pending final determination of any proceeding under this section.

(9) Upon the entry of the order under subdivision (8) of this section, the commissioner shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is a salesman, that it has been entered and of the reasons therefor and that if requested by the applicant or registrant within fifteen (15) days after the receipt of the commissioner's notification the matter will be promptly set down for hearing. If no hearing is requested within fifteen (15) days and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing, may affirm, modify or vacate the order.

(10) If the commissioner finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, investment adviser or salesman, or is subject to an adjudication of mental incompetence or to the control of a committee, conservator, or guardian, or cannot be located after reasonable search, the commissioner may by order cancel the registration or application.

15-2009. Registration by coordination. (1) Any security for which a registration statement has been filed under the Securities Act of 1933, or any securities for which filings have been made pursuant to regulation A or regulation E, and amendments thereto, of the general rules and regulations of the United States securities and exchange commission, adopted pursuant to subsection (b) of section 3 of said Securities Act of 1933, in connection with the same offering may be registered by coordination. A registration statement under this section shall contain the following information and be accompanied by the following documents, in addition to payment of the registration fee prescribed in section 16 [15-2016]:

(a) Three (3) copies of the prospectus or offering circular and letter of notification filed under the Securities Act of 1933 or the general rules and regulations thereunder, together with all amendments thereto.

(b) The amount of securities to be offered in this state.

(c) The states in which a registration statement or similar document in connection with the offering has been or is expected to be filed.

(d) Any adverse order, judgment or decree previously entered in connection with the offering by any court or the securities and exchange commission.

(e) If the commissioner by rule or otherwise requires, a copy of the articles of incorporation and by-laws (or their substantial equivalents) currently in effect, a copy of any agreements with or among underwriters, a copy of any indenture or other instrument governing the issuance of the security to be registered, and a specimen or copy of the security;

(h) A consent to service of process meeting the requirements of section 15 [15-2015] of this act.

(2) A registration statement by coordination under section 9 [15-2009] automatically becomes effective at the moment the federal registration statement or other filing becomes effective if all the following conditions are satisfied:

(a) No stop order is in effect and no proceeding is pending under sections 12 [15-2012] and 12(3) [15-2012(3)],

(b) The registration statement has been on file with the commissioner for at least ten (10) days, and

The registrant shall promptly notify the commissioner of the date and time when the federal registration statement or other filings became effective and the content of the price amendment, if any, and shall promptly file a post-effective amendment containing the information and documents in the price amendment. "Price amendment" means the final federal amendment which includes a statement of the offering price, underwriting and selling discounts or commissions, amount of proceeds, conversion rates, call prices, and other matters dependent upon the offering price.

(3) Upon failure to receive the required notification and post-effective amendment with respect to the price amendment referred to in subdivision (2) of this section, the commissioner may enter a stop order, without notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until compliance with subdivision (2) of this section, if he promptly notifies the registrant of the issuance of the order. If the registrant proves compliance with the requirements as to notice and post-effective amendment, the stop order is void as of the time of its entry. The commissioner may by rule or otherwise waive either or both of the conditions specified in subdivisions (2)(b) and (2)(c) of this section. If the federal registration statement or other filing becomes effective before all these conditions are satisfied and they are not waived, the registration statement automatically becomes effective as soon as all conditions are satisfied. If the registrant advises the commissioner of the date when the federal registration statement or other filing is expected to become effective the commissioner shall promptly advise the registrant whether all the conditions are satisfied and whether he then contemplates the institution of a proceeding under sections 12 [15-2012] and 12(3) [15-2012(3)]; but this advice by the commissioner does not preclude the institution of such a proceeding at any time.

The Securities Act of 1933, referred to

15-2011. General provisions regarding registration of securities. (1) A registration statement may be filed by the issuer, any other person on whose behalf the offering is to be made, or a registered broker-dealer. Any document filed under this act or a predecessor act within five (5) years preceding the filing of a registration statement may be incorporated by reference in the registration statement to the extent that the document is currently accurate. The commissioner may by rule or otherwise permit the omission of any item of information or document from any registration statement.

(2) The commissioner may require as a condition of registration by qualification or coordination (1) that any security issued within the past three (3) years or to be issued to a promotor for a consideration substantially different from the public offering price, or to any person for a consideration other than cash, be deposited in escrow; and (2) that the proceeds from the sale of the registered security in this state be impounded until the issuer receives a specified amount from the sale of the security either in this state or elsewhere. The commissioner may determine the conditions of any escrow or impounding required hereunder but he may not reject a depository solely because of location in another state.

(3) When securities are registered by notification, coordination, or qualification, they may be offered and sold by the issuer, any other person on whose behalf they are registered or by any registered broker-dealer. Every registration shall remain effective until revoked by the commissioner or until terminated upon request of the registrant with the consent of the commissioner; however, said registration shall be automatically suspended upon a stop order or suspension proceedings being instituted

by the Securities and Exchange Commission relative to said securities, and shall continue suspended so long as such proceedings are pending and until the registration or filing with the Securities and Exchange Commission is effective. All outstanding securities of the same class as a registered security are considered to be registered for the purpose of any non-issuer transaction. A registration statement which has become effective may not be withdrawn for one (1) year from its effective date if any securities of the same class are outstanding.

(4)(a) The commissioner may require the person who filed the registration statement to file reports to keep reasonably current the information contained in the registration statement and to disclose the progress of the offering with respect to registered securities which (a) are issued by a face-amount certificate company or a redeemable security issued by an open-end management company or unit investment trust as those terms are defined in the Investment Company Act of 1940, or (b) are being offered and sold directly by or for the account of the issuer.

(b) During the period of public offering in the initial distribution of securities registered under the provisions of this act by notification or qualification, financial data or statements corresponding to those required under the provisions of sections 8(2) and 10 [15-2008(2) and 15-2010], and to the issuer's fiscal year, shall be filed with the commissioner annually, not less than ninety (90) days after the end of each such year. If such statements are not certified the commissioner may verify them by examining the issuer's books and records.

15-2012. Denial, suspension and revocation of registration of securities.

(1) The commissioner may issue an order denying effectiveness to, or suspending or revoking the effectiveness of, any registration statement if he finds that the order is in the public interest and that:

(a) the registration statement as of its effective date or as of any earlier date in the case of an order denying effectiveness, is incomplete in any material respect or contains any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

(b) any provision of this act or any rule, order, or condition lawfully imposed under this act has been wilfully violated, in connection with the offering by (a) the person filing the registration statement, (b) the issuer, any partner, officer, or director of the issuer, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling or controlled by the issuer, but only if the person

filing the registration statement is directly or indirectly controlled by or acting for the issuer, or (c) any underwriter;

(c) the security registered or sought to be registered is the subject of a permanent or temporary injunction of any court of competent jurisdiction entered under any other federal or state act applicable to the offering; but (a) the commissioner may not institute a proceeding against an effective registration statement under this clause more than one (1) year from the date of the injunction relied on, and (b) he may not enter an order under this clause on the basis of an injunction entered under any other state act unless that order or injunction was based on facts which would currently constitute a ground for an order under this section;

(d) the issuer's enterprise or method of business includes or would include activities which are illegal where performed;

(e) the offering has worked or tended to work a fraud upon purchasers or would so operate;

(f) when a security is sought to be registered by notification, it is not eligible for such registration;

(g) when a security is sought to be registered by coordination, there has been a failure to comply with the undertaking required by section 9(g) [15-2009(g)];

(h) the applicant or registrant has failed to pay the proper registration fee; but the commissioner may enter only a denial order under this subsection and he shall vacate any such order when the deficiency has been corrected, or

(i) the offering has been or would be made with unreasonable amounts of underwriters' and sellers' discounts, commissions, or other compensation, or promoters' profits or participation, or unreasonable amounts or kinds of options.

(2) The commissioner may not enter a stop order against an effective registration statement on the basis of a fact or transaction known to him when the registration statement became effective.

(3) Upon the entry of an order under subdivision (1) of this section, the commissioner shall promptly notify the issuer of the securities and the applicant or registrant that an order has been entered and of the reasons therefor and that if requested by the issuer or registrant within fifteen (15) days after the receipt of the commissioner's notification the matter will be set promptly down for hearing. If no hearing is requested within fifteen (15) days and none is ordered by the commissioner the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing may affirm, modify or vacate the order.

History: En. Sec. 12, Ch. 251, L. 1961.

The Public Utility Holding Company

15-2014. Exempt transactions. Except as hereinafter in this section expressly provided, sections 6 through 12 [15-2006 through 15-2012] inclusive of this act shall not apply to any of the following transactions:

(1) Any isolated transaction, whether effected through a broker-dealer or not.

(2) Any non-issuer distribution of an outstanding security by a registered broker-dealer if (a) a recognized securities manual contains the names of the issuer's officers and directors, a balance sheet of the issuer as of a date within eighteen (18) months, and a profit and loss statement for either the fiscal year preceding that date or the most recent year of operations, or (b) the security has a fixed maturity or a fixed interest or dividend provision and there has been no default during the current fiscal year or within the three (3) preceding fiscal years, or during the existence of the issuer and any predecessors if less than three (3) years, in the payment of principal, interest, or dividends on the security.

(3) Any non-issuer transaction effected by or through a registered broker-dealer pursuant to an unsolicited order or offer to buy; but the commissioner may require that the customer acknowledge upon a specified form that the sale was unsolicited, and that a signed copy of each such form be preserved by the broker-dealer for a specified period.

(4) Any transaction between the issuer or other person on whose behalf the offering is made and an underwriter, or among underwriters.

(5) Any transaction by an executor, administrator, sheriff, marshal, receiver, trustee in bankruptcy, guardian, or conservator, in the performance of his official duties as such.

(6) Any transaction executed by a bona fide pledgee without any purpose of evading this act.

(7) Any offer or sale to a bank, savings institution, trust company, insurance company, investment company as defined in the Investment Company Act of 1940, pension or profit-sharing trust, or other financial institution or institutional buyer, or to a broker-dealer, whether the purchaser is acting for itself or in some fiduciary capacity.

(8) Any transaction pursuant to an offer directed by the offerer to not more than ten (10) persons (other than those designated in subsection (7)) in this state during any period of twelve (12) consecutive months, whether or not the offerer or any of the offerees is then present in this state, if (a) the seller reasonably believes that all the buyers are purchas-

ing for investment, and (b) no commission or other remuneration is paid or given directly or indirectly for soliciting any prospective buyer.

(9) Any offer or sale of a preorganization certificate or subscription if (a) no commission or other remuneration is paid or given directly or indirectly for soliciting any prospective subscriber, (b) the number of subscribers does not exceed ten (10), and (c) no payment is made by any subscriber.

(10) Any transaction pursuant to an offer to existing security holders of the issuer, including persons who at the time of the transaction are holders of convertible securities, non-transferable warrants, or transferable warrants exercisable within not more than ninety (90) days of their issuance, if (a) no commission or other remuneration (other than a standby commission) is paid or given directly or indirectly for soliciting any security holder in this state, or (b) the issuer first files a notice specifying the terms of the offer and the commissioner does not by order disallow either (a) or (b) of this subsection.

(11) Any offer (but not a sale) of a security for which registration statements have been filed under both this act and the Securities Act of 1933 if no stop order or refusal order is in effect and no public proceeding or examination looking toward such an order is pending under either act.

(12) The issuance of any stock dividend, whether the corporation distributing the dividend is the issuer of the stock or not, if nothing of value is given by stockholders for the distribution other than the surrender of a right to a cash dividend where the stockholder can elect to take a dividend in cash or stock.

(13) Any transaction incident to a right of conversion or a statutory or judicially approved reclassification, recapitalization, reorganization, quasi-reorganization, stock split, reverse stock split, merger, consolidation or sale of assets.

The commissioner may by order deny or revoke the exemption specified in subsection (2) with respect to a specific security. Upon the entry of such an order, the commissioner shall promptly notify all registered broker-dealers that it has been entered and of the reasons therefor and that within fifteen (15) days of the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing to all interested persons, may modify or vacate the order or extend it until final determination. No order under this subsection may operate retroactively. No person may be considered to have violated this act by reason of any offer or sale effected after the entry of an order under this subsection if he sustains the burden of proof that he did not know, and in the exercise of reasonable care could not have known of the order.

15-2015. Consent to service of process. Every applicant for registration as a broker-dealer or investment adviser or salesman under this act, and every issuer which proposes to register and offer a security in this state through any person acting on an agency basis in the common law sense, shall file with the commissioner, in such form as he prescribes, an irrevocable consent appointing the commissioner and his successors in office to be the attorney of the applicant to receive service of any lawful process in any noncriminal suit, action, or proceeding against the applicant or its or his successor, executor or administrator which arises under this act or any rule or order hereunder after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. A person who has filed such a consent in connection with a previous registration need not file another. Service may be made by leaving a copy of the process in the office of the commissioner, but it is not effective unless (1) the plaintiff, who may be the commissioner in a suit, action, or proceeding instituted by him, forthwith sends notice of the service and a copy of the process by registered mail to the defendant or respondent at its or his last address on file with the commissioner, and (2) the plaintiff's affidavit of compliance with this section is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.

Effective Date

Section 2 of Ch. 105, Laws 1963 provided the act should be in effect from and after its passage and approval. Approved March 1, 1963.

15-2016. Fees. The following fees shall be paid in advance under the provisions of this act:

(1) For the registration of securities by notification or coordination or qualification, there shall be paid to the commissioner for the first year of registration a registration fee of one hundred dollars (\$100.00) for the first one hundred thousand dollars (\$100,000.00) of initial issue, or portion thereof in this state, based on offering price; plus one-twentieth (1/20th) of one per cent (1%) for any excess over one hundred thousand dollars (\$100,000.00), with a maximum of one thousand dollars (\$1,000.00).

Each year thereafter that a registration remains in effect for securities with respect to which reports are required to be filed under subsection (4)(a) of section 11 [15-2011], an additional registration fee shall be paid to the commissioner to be computed at one-twentieth (1/20th) of one per cent (1%) of the aggregate offering price of such securities which are to be offered in this state during that year, even though the maximum fee was paid the preceding year. In no event shall the additional registration fee be less than one hundred dollars (\$100.00) nor more than one thousand dollars (\$1,000.00). The registration statement for such securities may be amended to increase the amount of securities to be offered. When an application for registration of securities is denied or withdrawn the commissioner shall retain fifty dollars (\$50.00) of the fee.

(2) For filing an annual statement, the fee shall be ten dollars (\$10.00).

(3) For registration of a broker-dealer or investment adviser, the fee shall be one hundred dollars (\$100.00) for original registration and one hundred dollars (\$100.00) for each annual renewal thereof. When an application is denied or withdrawn the commissioner shall retain one-half ($\frac{1}{2}$) of the fee.

(4) For registration of a salesman, the fee shall be ten dollars (\$10.00) for original registration with each employer; ten dollars (\$10.00) for each annual renewal. When an application is denied or withdrawn the commissioner shall retain one-half ($\frac{1}{2}$) of the fee.

(5) For certified copies of any documents filed with the commissioner, the fee shall be the cost to the department.

History: En. Sec. 16, Ch. 251, L. 1961.

15-2017. Misleading filings. It is unlawful for any person to knowingly make or cause to be made, in any document filed with the commissioner or in any proceeding under this act, any statement which is, at the time and in the light of the circumstances under which it is made, false or misleading in any material respect.

History:* En. Sec. 17, Ch. 251, L. 1961.

15-2018. Unlawful representation concerning registration or exemption. Neither the fact that an application for registration under section 6(2) [15-2006(2)], a registration statement under sections 8, 9 or 10 [15-2008, 15-2009 or 15-2010] has been filed, nor the fact that a person or security is effectively registered, constitutes a finding by the commissioner that any document filed under this act is true, complete, and not misleading. Neither any such fact nor the fact that an exemption or exception is available for a security or a transaction means that the commissioner has passed in any way upon the merits of qualifications of, or recommended or given approval to, any person, security, or transaction. It is unlawful to make, or cause to be made, to any prospective purchaser, customer, or client any representation inconsistent with this section.

History: En. Sec. 18, Ch. 251, L. 1961.

15-2019. Investigations and subpoenas. (1) The commissioner in his discretion (1) may make such public or private investigations or examinations within or without this state as he deems necessary to determine whether any registration should be granted, denied or revoked or whether any person has violated or is about to violate any provision of this act or any rule or order hereunder, or to aid in the enforcement of this act or in the prescribing of rules and forms hereunder, (2) may require or permit any person to file a statement in writing, under oath or otherwise as the commissioner may determine, as to all the facts and circumstances concerning the matter to be investigated, and (3) may publish information concerning any violation of this act or any rule or order hereunder.

(2) For the purpose of any investigation or proceeding under this act, the commissioner or any officer designated by him may administer oaths

and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of any books, papers, correspondence, memoranda, agreements, or other documents or records which the commissioner deems relevant or material to the inquiry.

(a) In case of contumacy by, or refusal to obey a subpoena issued to, any person, any court of competent jurisdiction, upon application by the commissioner, may issue to that person an order requiring him to appear before the commissioner, or the officer designated by him, there to produce documentary evidence if so ordered or to give evidence touching the matter under investigation or in question; and any failure to obey the order of the court may be punished by the court as a contempt of court.

(b) No person is excused from attending and testifying or from producing any document or record before the commissioner or in obedience to the subpoena of the commissioner or any officer designated by him, or in any proceeding instituted by the commissioner, on the ground that the testimony or evidence (documentary or otherwise) required of him may tend to incriminate him or subject him to a penalty or forfeiture; but no individual may be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter or thing concerning which he is compelled, after claiming his privilege against self-incrimination, to testify or produce evidence (documentary or otherwise), except that the individual so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying.

History: En. Sec. 19, Ch. 251, L. 1961.

15-2020. Injunctions. Whenever it appears to the commissioner that any person has engaged or is about to engage in any act or practice constituting a violation of any provision of this act or any rule or order hereunder, he may in his discretion bring an action in any court of competent jurisdiction to enjoin any such acts or practices and to enforce compliance with this act or any rule or order hereunder. Upon a proper showing a permanent or temporary injunction, restraining order, or writ of mandamus shall be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets. The commissioner may not be required to post a bond.

History: En. Sec. 20, Ch. 251, L. 1961.

15-2021. Criminal liabilities. (1) Any person who wilfully violates any provision of this act except section 17 [15-2017], or who wilfully violates any rule or order under this act, or who wilfully violates section 17 [15-2017] knowing the statement made to be false or misleading in any material respect, shall upon conviction be fined not more than five thousand dollars (\$5,000.00) or imprisoned not more than three (3) years, or both; however, in the event the person so convicted has been previously convicted of a felony in any way involving securities, imprisonment hereunder for not less than one (1) year shall be mandatory. No indictment or information may be returned under this act more than five (5) years after the alleged violation.

(2) The commissioner may refer such evidence as may be available concerning violations of this act or of any rule or order hereunder to the attorney general or the proper prosecuting attorney, who may in his discretion, with or without such a reference, institute the appropriate criminal proceedings under this act.

(3) Nothing in this act limits the power of the state to punish any person for any conduct which constitutes a crime.

History: En. Sec. 21, Ch. 251, L. 1961.

15-2022. Civil liabilities. (1) Any person who offers or sells a security in violation of any provisions of sections 7 through 10 [15-2007 through 15-2010] of this chapter or offers or sells a security by means of fraud or misrepresentation is liable to the person buying the security from him, who may sue either at law or in equity to recover the consideration paid for the security, together with interest at six per cent (6%) per annum from the date of payment, costs, and reasonable attorneys' fees, less the amount of any income received on the security, upon the tender of the security, or for damages if he no longer owns the security. Damages are the amount that would be recoverable upon a tender less (a) the value of the security when the buyer disposed of it and (b) interest at six per cent (6%) per annum from the date of disposition.

(2) Every person who directly or indirectly controls a seller liable under subsection (1), every partner, officer or director (or person occupying a similar status or performing similar functions) or employee of such a seller, and every broker-dealer or salesman who participates or materially aids in the sale is liable jointly and severally with and to the same extent as the seller, if the non-seller knew or in the exercise of reasonable care could have known, of the existence of the facts by reason of which the liability is alleged to exist. There shall be contribution among the several persons so liable.

(3) Any tender specified in this section may be made at any time before entry of judgment. A cause of action under this statute survives the death of any person who might have been a plaintiff or a defendant. No person may sue under this section more than two (2) years after the contract of sale. No person may sue under this section (a) if the buyer has received a written offer at a time when he owned the security, to refund the consideration paid together with interest at six per cent (6%) per annum from the date of payment, less the amount of any income received on the security, and he failed to accept the offer within thirty (30) days of its receipt, or (b) if the buyer has received a written offer at a time when he did not own the security in the amount that would be recoverable under section 22(1) [(1) of this section] of this title upon a tender less (1) the value of the security when the buyer disposed of it and (2) interest at six per cent (6%) per annum from the date of disposition.

(4) No person who has made or engaged in the performance of any contract in violation of any provision of this act or any rule or order hereunder, or who has acquired any purported right under any such contract with knowledge of the facts by reason of which its making or performance

was in violation, may base any suit on the contract. Any condition, stipulation, or provision binding any person acquiring any security to waive compliance with any provision of this act or any rule or order hereunder is void as against public policy and in the public interest.

History: En. Sec. 22, Ch. 251, L. 1961.

15-2023. Judicial review of orders. Any person aggrieved by a final order of the commissioner may obtain a review of the order in any court of competent jurisdiction by filing in court, within sixty (60) days after the entry of the order, a written petition praying that the order be modified or set aside in whole or in part. A copy of the petition shall be forthwith served upon the commissioner, and thereupon the commissioner shall certify and file in court a copy of the filing, testimony, and other evidence upon which the order was entered. When these have been filed, the court has exclusive jurisdiction to affirm, modify, enforce, or set aside the order, in whole or in part. The findings of the commissioner as to the facts, if supported by creditable evidence, are conclusive, unless appealed from. If either party applies to the court for leave to adduce additional evidence, and shows to the satisfaction of the court that the additional evidence is material and that there were reasonable grounds for failure to adduce the evidence in the hearing before the commissioner, the court may order the taking of additional evidence in such manner and upon such conditions as the court may consider proper. The commencement of proceedings under this action does not, unless specifically ordered by the court, operate as a stay of the commissioner's order.

History: En. Sec. 23, Ch. 251, L. 1961.

15-2024. Administration of act. (1) The administration of the provisions of this act shall be under the general supervision and control of the state auditor, the ex officio investment commissioner. The commissioner may from time to time make, amend, and rescind such rules and forms as are necessary to carry out the provisions of this act. No rule or form may be made unless the commissioner finds that the action is necessary or appropriate in the public interest or for the protection of investors and consistent with the purposes fairly intended by the policy and provisions of this act. In prescribing rules and forms the commissioner may cooperate with the securities administrators of the other states and the securities and exchange commission with a view to effectuating the policy of this act to achieve maximum uniformity in the form and content of registration statements, applications, and reports wherever practicable.

(2) Any issuer or broker-dealer who is investigated or examined in connection with a registration under this act shall reimburse the commissioner, or any of his duly authorized agents, officers or employees for actual travel expenses, a reasonable living expense allowance, and a per diem as compensation of examiners, as necessarily incurred on account of the examination, all at reasonable rates customary therefore and as established and adopted by the commissioner, upon the effective date of this act and annually thereafter, upon presentation of a detailed account of such charges and expenses by the commissioner or pursuant to his

written authorization. No person shall pay and no examiner shall accept any additional emolument on account of any such examination.

The commissioner shall pay to the state treasurer to the credit of the general fund all moneys received hereunder.

If any issuer or broker-dealer fails to pay the charges and expenses referred to above the same shall be paid out of the funds of the commissioner in the same manner as other disbursements of such funds. The amount so paid shall be a first lien upon all of the assets and property in this state of such issuer or broker-dealer, and may be recovered by suit by the attorney general on behalf of the state of Montana, and restored to the appropriate fund. Failure of such issuer or broker-dealer to pay such charges and expenses shall also work a forfeiture of his or its right to do business in this state under this act.

(3) It is unlawful for the commissioner or any of his officers or employees to use for personal benefit any information which is filed with or obtained by the commissioner and which is not made public. No provision of this act authorizes the commissioner or any of his officers or employees to disclose any such information or the fact that any investigation is being made, except among themselves or when necessary or appropriate in a proceeding or investigation under this act.

and posted in five (5) public places in the county. The sale shall be for cash, or on such terms as the board of county commissioners may approve, provided at least twenty per cent (20%) of the purchase price shall be paid in cash. In all sales of property of a value in excess of one hundred (\$100.00) dollars, there must before any sale be an appraisal thereof by the board and at a price representing a fair market value of such property, and such appraised value shall be stated in the notice of sale, provided, that whenever a county purchases equipment, as provided in section 16-1803, Revised Codes of Montana, 1947, county equipment which is not necessary to the conduct of the county business may be traded in as part of the purchase price after appraisal as herein provided, or may be sold at public auction as herein provided, in the discretion of the board of county commissioners.

(2) The board of county commissioners shall have the power to sell any property, real or personal, however acquired, belonging to the county and which is not necessary to the conduct of the county's business or the preservation of its property, to the school district directly for its appraised value which shall represent a fair market value of such property without the necessity of a public auction. If the property to be sold to the school district is reasonably of a value in excess of one hundred (\$100.00) dollars, notice of the sale shall be given by publication in a newspaper in said county, notice to be published once a week for four (4) successive weeks and posted in five (5) public places in the county.

(3) Any taxpayer who may believe that such appraised value is less than the actual value of the property, may at any time before the day fixed for the sale of such property, file with the board of county commissioners written objections to such appraised value. When any such objection is filed it vacates the sale and the board of county commissioners must at once apply to the judge of the district court to have such property re-appraised. Upon such application the district judge shall appoint for such purpose three (3) disinterested persons whose appraisal must be made and filed with the county clerk and recorder, which new appraisal or re-appraisal shall be used in the next sale of such property. Such appraisers, when appointed by the district judge, and after filing their appraisal report with the county clerk and recorder, shall be allowed five dollars (\$5.00) per day for each day necessarily employed in making such appraisal, and their necessary and actual expenses. No sale shall be made at public auction or to any school district without public auction of any property unless it has been appraised within three (3) months prior to the date of the sale, and no such sale shall be made for less than ninety per cent (90%) of the appraised value.

(4) If no bid or offer is made for any property offered for sale at public auction, after appraisal and notice given, as provided herein, the board of county commissioners may, at any time thereafter, sell such property at private sale, and may on such private sale accept as the purchase price therefor an amount not less than ninety per cent (90%) of the appraised value thereof. All deferred payments on the purchase price of any property sold, shall bear interest at the rate of six per cent (6%) per annum, payable annually and may be extended over a period of not

more than five (5) years. If the property to be sold is reasonably of a value of less than one hundred dollars (\$100.00), sale thereof may be had at either public or private sale, as in the discretion of the board of county commissioners, may appear to be to the best interests of the county. If it be at public sale, notice shall be given by posting in five (5) public places in the county at least five (5) days before the date of sale. No title to any property sold under the provisions hereof, shall pass from the county until the purchaser, or his assigns, shall have paid the full amount of the purchase price therefor, into the county treasury for the use and benefit of the county.

(5) Provided, however, if within one (1) year no immediate sale be had of real estate attempted to be sold under the provisions of this section, the board of county commissioners may make trades or exchanges of such real estate owned by the county for any other lands or real estate of equal value located within the same county.

(6) The funds derived from the sale in the discretion of the board of county commissioners may be credited to a construction reserve account and thereafter used for capital outlay for present or future construction of or an addition to a courthouse, or county jail or county hospital.

When such a district has been created under the authority of this section the county commissioners shall be authorized and empowered to levy not to exceed two (2) mills on the taxable property within such district for the maintenance and support thereof and for the purchase or leasing of land necessary for said purpose. In lieu of such levy, the county commissioners may provide for the collection and disposal of garbage and ashes for such districts by authorizing individual contractors or firms to perform such services under a system of rates approved by the commissioners. would be effective, except that there may be no authority for acquisition by purchase of devices intended to protect the safety of the public from open ditches carrying irrigation or other water. The section, as amended by Ch. 30, Laws 1961, is set out above; the section, as amended by Ch. 134, Laws 1961, is set out as section 16-1601(2), below.

Amendment

The 1961 amendment after the words "constructing and maintaining" inserted the words "devices intended to protect the safety of the public from open ditches carrying irrigation or other water."

Compiler's Note

flict and, if they are not in conflict, both would be effective, except that there may be no authority for acquisition by purchase of devices intended to protect the safety of the public from open ditches carrying irrigation or other water. The section, as amended by Ch. 134, Laws 1961, is set out above; the section, as amended by Ch. 30, Laws 1961, is set out as section 16-1601(1), above.

Amendment

The 1961 amendment inserted the words "or acquiring by purchase" after "constructing."

Upon having passed such a resolution the board of county commissioners must give notice of the passage of such resolution of intention, which notice must be published for ten consecutive days in a daily newspaper or in two issues of a weekly newspaper published nearest to the place where such improvement district is to be created, and shall also cause to be posted within the boundaries of such special improvement district, a copy of such notice in three public places, and a copy of such notice shall be mailed to every person, firm or corporation, or the agent of such person, firm or corporation owning property within the proposed district, at his last known place of residence upon the same day such notice is first published or posted.

Such notice must describe the general character of the improvement, or improvements, so proposed to be made, or acquired by purchase, state the estimated cost thereof, and designate the time when, and the place where, the board of county commissioners will hear and pass upon all protests that may be made against the making or maintenance of such improvements, or the creation of such district, and the said notice shall refer to the resolution on file in the office of the county clerk for the description of the boundaries. If the proposal is for the purchase of an existing improvement, the notice shall state the exact purchase price of such existing improvement.

Temporary Authority for Funding Bonds

Chapter 210, Laws 1963, authorized county commissioners, during the period from July 1 to December 31, 1963, to issue bonds under certain conditions for the purpose of funding warrants outstanding on June 30, 1963. The act read: "An act authorizing boards of county commissioners to issue funding bonds after July 1, 1963,

to fund outstanding county warrants as of June 30, 1963; providing the term of funding bonds; providing for a public hearing; and providing an effective date.

"Section 1. The board of county commissioners of any county having, at the close of business on June 30, 1963, an indebtedness in excess of two hundred thousand dollars (\$200,000) consisting of outstanding warrants issued against any authorized county fund or funds and, being without sufficient money in any such fund or funds with which to pay the same, may, on and after July 1, 1963, issue and sell negotiable funding bonds to the extent that such outstanding warrants shall exceed the total cash on hand in such funds of the county as of the close of business on June 30, 1963, for the purpose of funding, paying, and retiring such outstanding warrants.

"Section 2. Such funding bonds may be issued and sold without the board of county commissioners being required to submit the question of issuing such bonds at an election; and provided, further, that such bonds, when issued, may with all other outstanding indebtedness of the

county exceed, in the aggregate, the limit of indebtedness fixed by section 16-2010, R. C. M. 1947, but the total of all outstanding indebtedness of the county including funding bonds shall not exceed in the aggregate the five per cent (5%) limit of indebtedness permitted such county under section 5 of article XIII of the Montana constitution.

"Section 3. Such bonds shall be issued for a term not to exceed ten (10) years and shall be sold on the basis of competitive bids in accordance with the laws of the state of Montana governing the issuance, sale and exchange of county bonds and the levying of taxes for the payment of principal and interest and the redemption thereof.

"Section 4. Before adopting a resolution providing for the issue and sale of such bonds, the board of county commissioners shall publish a proclamation declaring its intention to so adopt a resolution for the issue and sale of funding bonds. The proclamation shall set forth the total amount of county warrants and indebtedness outstanding, the total amount of such proposed bond issue, the proposed methods of payment and redemption, and such further information as the board

shall consider necessary. The proclamation shall provide for a public hearing to be conducted at least ten (10) days subsequent to the publication. Any taxpaying elector of the county may attend such hearing and present written or oral protest to the passage of the resolution and the board shall fully consider all protests so submitted. If, after considering all protests, the board determines that the best interests of the county require the issuance of such funding bonds, its decisions shall be final and it may adopt the necessary resolution for the issue and sale of such funding bonds.

"Section 5. The purpose of this act is to allow any county having an indebtedness in excess of two hundred thousand dollars (\$200,000) consisting of outstanding warrants and being without sufficient money to pay the same out of current tax receipts, to achieve a sound and current financial basis and to attain a position of compliance with county budget laws.

"Section 6. This act shall be in full force and effect from and after its passage and approval and shall be effective from the date of its approval until December 31, 1963."

16-2012. (4630.5) Form of bonds. All bonds hereafter issued by any county shall be either amortization bonds or serial bonds, and all things being equal amortization bonds shall be issued in preference to serial bonds, otherwise serial bonds may be issued.

The term "amortization bonds," as used in this act, is hereby defined as meaning that form of bond on which a part of the principal is required to be paid each time interest becomes due and payable, which part payment of principal increases with each following installment in the same amount the interest payment decreases, so that the combined amount payable on principal and interest is the same on each interest payment date; provided, however, that the final payment may vary in amount from the other payments to the extent resulting from disregarding fractional cents in the other payments.

The term "serial bonds," as used in this act, is hereby defined as being a bond issue payable in equal annual installments, one (1) installment consisting of one (1) or more bonds, becoming due and payable each year, the amount to be paid and redeemed each year being determined by dividing the total amount of the bonds to be issued by the total number of years the issue is to run, so that the total amount of principal to be paid each year the bonds are to run will be the same; provided, however, that the installments becoming due and payable the first year, or the first and second years, may vary in amount from the others to the extent resulting from fixing the amounts of each bond of the other installments at one hundred dollars (\$100.00), five hundred dollars (\$500.00) or one thousand dollars (\$1,000.00) as may be determined by the board of county commissioners.

History: En. Sec. 5, Ch. 188, L. 1931; amd. Sec. 1, Ch. 112, L. 1961.

Amendment

The 1961 amendment substituted a new proviso at the end of the section for one which read "provided, however, that the final payment may vary in amount from the other payments to the extent resulting from fixing the amount of each bond

of the other payments at one hundred dollars (\$100.00) or some multiple thereof."

Effective Date

Section 2 of Ch. 112, Laws 1961 provided the act should be in effect from and after its passage and approval. Approved March 2, 1961.

16-2026. (4630.12) Who are entitled to vote. In all county bond elections hereafter held only qualified registered electors residing within the county, who are taxpayers upon property therein and whose names appear upon the last completed assessment role for state, county and school district taxes, shall have the right to vote. Upon the adoption of the resolution calling for the election, the county clerk must cause to be published in the official newspaper of the county a notice, signed by him, stating that registration for such bond election will close at noon on the fifteenth day prior to the date for holding such election and at that time the registration books shall be closed for such election. Such notice must be published at least ten (10) days prior to the day when such registration books will be closed.

After the closing of the registration books for such election the county clerk shall promptly prepare lists of the registered electors of such voting precinct, who are taxpayers upon property within the county and whose names appear on the last completed assessment roll for state, county and school district taxes, and who are entitled to vote at such election, and shall prepare precinct registers for such election, as provided in section 23-515, and deliver the same to the judges of election prior to the opening of the polls. It shall not be necessary to publish or post such list of qualified electors.

History: En. Sec. 12, Ch. 188, L. 1931; amd. Sec. 1, Ch. 138, L. 1939; amd. Sec. 18, Ch. 64, L. 1959.

Amendment

The 1959 amendment, in the second paragraph, substituted the words "precinct registers" for the words "poll books."

16-2028. (4630.14) Canvass of election returns—resolution for bond issue. If the bonding election be held at the same time as a general election, then the returns shall be canvassed at the same time as the returns from such general election; but if the bonding election is a special election, then the board of county commissioners shall meet within ten (10) days after the date of holding such special election and canvass the returns. If it is found that at such election forty per centum (40%) or more, of the qualified electors entitled to vote at such election voted on such question, and that a majority of such votes were cast in favor of the issuing of such bonds, the board of county commissioners shall, at a regular or special meeting held within thirty (30) days thereafter, pass and adopt a resolution providing for the issuance of such bonds. Such resolution shall recite the purpose for which such bonds are to be issued, the amount thereof, the maximum rate of interest the bonds may bear, the date they shall bear, the period of time through which they shall be payable, the optional provisions, if any; and provide for the manner of the execution

of the same. It shall provide that preference shall be given amortization bonds but shall fix the denomination of serial bonds in case it shall be found advantageous to issue bonds in that form, and shall adopt a form of notice of the sale of the bonds.

The board may, in its discretion, provide that such bonds may be issued and sold in two or more series or installments.

Provided, however, that if none of said bonds have been sold and issued within three years from the date of the bonding election, and no vested rights have accrued thereunder, the board of county commissioners may rescind the authority to sell and issue such bonds by the passage and adoption of a resolution wherein is recited the reason for such rescission of authority.

History: En. Sec. 14, Ch. 188, L. 1931; **Amendment**
amd. Sec. 1, Ch. 210, L. 1961.

The 1961 amendment added the proviso at the end of the section.

16-2033. (4630.19) Form and execution of bonds. At the time of the sale of the bonds or at a meeting held thereafter the board of county commissioners shall prescribe the form of the bonds, whether amortization bonds or serial bonds, and of the coupons to be attached thereto. Each and every county bond and every coupon attached thereto must be signed by the chairman of the board of county commissioners and the county treasurer and attested by the county clerk, and each bond shall have the county seal affixed thereto.

History: En. Sec. 19, Ch. 188, L. 1931; **Amendment**
amd. Sec. 8, Ch. 260, L. 1959.

The 1959 amendment deleted a proviso from the end of this section which authorized facsimile signatures on coupons.

16-2044. (4630.30) Investment of sinking and interest fund. Whenever there is available money in any sinking and interest fund, over and above the amount required for payment of principal and interest becoming due on the next interest payment date, sufficient to pay and redeem one or more outstanding bonds of the issue or series to which such sinking and interest fund belongs, and such bonds are not held by the state of Montana and are not yet redeemable or due, the county treasurer, at the direction of the board of county commissioners, shall purchase such bond or bonds of such issue or series, if this can be done at not more than par and accrued interest, or at such reasonable premium as the board may feel justified in paying, not in any case exceeding five per centum (5%).

When any bonds have been heretofore or are hereafter purchased with any sinking and interest fund moneys under the provisions of this section such bonds, with attached interest coupons, if not then in the possession of the county treasurer, shall be immediately delivered to him, and such county treasurer shall at once endorse across the face of each such bond the word "Paid" and the date thereof and shall sign such endorsement, and such treasurer shall, without detaching the same, cancel each interest coupon attached to such bonds by endorsing across the face thereof the word "Cancelled" and the date thereof and shall sign such endorsement. After making such endorsements on such bonds and coupons the county

treasurer shall enter on the record of registration thereof the date such bonds and coupons were so endorsed by him as being paid and cancelled, with the numbers and amounts thereof and the dates when the same would have become due and payable if they had not been so purchased. The county treasurer shall then deliver such bonds, with the cancelled coupons attached, to the county clerk with a report showing the numbers thereof and amount paid on the purchase thereof, and the county clerk shall exhibit such bonds, with attached coupons and report, to the board of county commissioners at their next regular session.

If the board cannot purchase any of the outstanding bonds at such reasonable price then such available money in such sinking and interest fund shall be invested by the county treasurer, under the direction of the board of county commissioners, in other bonds of the county, in warrants of the county or any other county of the state, in bonds or warrants of the state, in bonds or treasury certificates of the United States, or in any time or savings deposits; provided, however, that such sinking and interest funds shall only be invested in such securities as will become due and payable at least sixty (60) days before the date when the bonds of the county of such series or issue will become redeemable.

History: En. Sec. 30, Ch. 188, L. 1931;
amd. Sec. 2, Ch. 46, L. 1939; amd. Sec. 1,
Ch. 12, L. 1963.

Amendment

The 1963 amendment inserted "or in any time or savings deposits" immediately before the proviso in the third paragraph.

16-2050. (4639.1) Investment of county moneys in county warrants and investment of school district or county high school moneys. (1) Except as provided in subsection (2) of this section, whenever the county has under its control any moneys, for which there is no immediate demand, in any special fund subject to deposit which in the judgment of the board of county commissioners it would be advantageous to invest in county warrants, the county commissioners are authorized in their discretion to direct the county treasurer to purchase county warrants of the same county, thereafter issued against funds in which there is not sufficient money to pay such county warrants at the time of issuance, and in case of such purchase the county commissioners shall designate the fund or funds, to be so invested, and shall fix the amount thereof, and shall also designate the county warrant or warrants which are to be purchased by such funds. The county clerk and recorder shall thereupon cause to be attached to or stamped, written or printed upon the warrants so ordered to be purchased a notice to the effect that the county will exercise its preference right to purchase such warrant. The county treasurer shall thereafter when such county warrant is presented to him, purchase the same out of the proper fund as designated by the board of county commissioners, and the warrant so purchased shall be registered as other county warrants, and bear interest as provided by law. When the designated amounts have been invested the county treasurer shall notify the county clerk and recorder. Public funds realized from the sale of bonds by a county for the purpose of constructing public buildings, or for other construction, may be invested in any time or savings deposits, United States certificates of indebtedness,

United States treasury notes or United States treasury bonds having a maturity date of one (1) year or less when emergency conditions, beyond the control of the county commissioners, exist which preclude the construction of the projects for which the bonds were issued at the time such investments are made.

(2) Whenever the county has under its control any moneys realized from the sale of bonds by a school district or county high school for the purpose of construction, for which there is no immediate demand, which in the judgment of the governing body of the school district or county high school it would be advantageous to invest in any time or savings deposits or in short-term obligations of the United States of America, such governing body may in its discretion direct the county treasurer to make such investments. Interest earned from such investments shall be credited to the sinking fund of the said school district or county high school, notwithstanding the provisions of subsection (6) of section 16-2618, Revised Codes of Montana, 1947.

**CHAPTER 26—COUNTY TREASURER—DUTIES AS TO WARRANTS
AND OTHER COUNTY FINANCES**

Section 16-2618. Deposit of public funds by county, city and town treasurers.

16-2618. (4767) Deposit of public funds by county, city and town treasurers. (1) It shall be the duty of all county, city and town treasurers to deposit all public moneys in their possession and under their control in any solvent bank or banks located in the county, city or town of which such treasurer is an officer, subject to national supervision or state examination as the board of county commissioners in the case of a county, or of the council in the case of a city or town, may designate, and no other. The treasurer shall take from such bank such security as the board of county commissioners, in the case of a county, or the council, in the case of a city or town, may prescribe, approve and deem fully sufficient and necessary to insure the safety and prompt payment of all such deposits, together with the interest on any time or savings deposits, provided that said board of county commissioners or city or town council is hereby authorized to deposit such public moneys not necessary for immediate use by such county, city or town with any bank authorized herein above in a savings or time deposit; and provided that said board of county commissioners, or city or town council is hereby authorized to invest such public

moneys not necessary for immediate use by such county, city or town, in direct obligations of the United States government, payable within not to exceed one hundred eighty (180) days from the time of such investment.

(2) Said board of county commissioners, city or town council may require security for only such portion of deposits as is not guaranteed or insured according to law. Such securities shall consist of bonds of some surety company authorized to do business in the state of Montana, or bonds guaranteed by such companies directly or indirectly, bonds and securities of the United States government and its dependents, bonds and warrants of the state of Montana or of any county, city, town or school district of Montana, Federal Land Bank bonds, bonds of other states and counties of other states, bonds of the Dominion of Canada, and Canadian Provinces, and other Canadian bonds guaranteed by the Canadian government or provinces thereof, and bonds issued in the United States of America, which are quoted on the New York market, which shall be acceptable at not to exceed ninety per centum (90%) of such market quotation.

(3) When negotiable securities are furnished, such securities may be placed in trust and the trustee's receipt may be accepted in lieu of the actual securities when such receipt is in favor of the treasurer, his successors and the state of Montana, and the form of receipt and the trustee have been approved by the state examiner. All warrants or other negotiable securities must be properly assigned or endorsed in blank. It shall be the duty of the board of county commissioners in the case of county funds, or the council in the case of funds of a city or town, upon the acceptance and approval of any of the above-mentioned bonds or securities, to make a complete minute entry of such acceptance and approval upon the record of their proceedings, and such bonds and securities shall be reappraised at least quarter annually thereafter.

(4) When more than one bank is available in any county, for the deposit of county funds, or in any city or town for the deposit of city or town funds, such deposits shall be distributed ratably among all of such banks qualifying therefor, substantially in proportion to the paid-in capital and surplus of each such bank willing to receive such deposits under the terms of this act, and it shall be the duty of said county, city or town treasurer to prorate all such deposits among all of the banks qualified to receive the same as in this act provided, to the end that an equitable distribution of such deposits shall be maintained.

(5) Whenever it shall come to the attention of the state examiner that the funds of any county, city or town are not properly distributed as provided in this act, the state examiner shall order the treasurer of such county, city or town to distribute said funds in accordance herewith, and if such treasurer shall refuse or neglect to comply with such order, it shall be the duty of the state examiner to institute proceedings against such treasurer at the cost of the county, city or town of which such treasurer is an officer, on the official bond of such treasurer. If no such bank exists in the county, city or town, or if any bank or banks existing therein fails or refuses to qualify under the terms of this act to receive such de-

posits, then and in such case, or in either of such cases, such moneys as have not been accepted by any bank or banks within said county, city or town, shall be deposited under the terms of this act, in the bank or banks most convenient to such county, city or town, willing to accept such deposits under the terms of this act, and qualified as above provided. Any bank or banks receiving such deposits, shall, through its president and cashier, make a statement quarter annually of account, under oath, showing all such moneys that have been deposited with such bank during the quarter, the amount of daily balance in dollars, and the amount of interest by such bank or banks credited or paid therefor, and showing that neither such bank nor any officer thereof, nor any person for it, has paid or given any consideration or emolument whatsoever to the treasurer or to any other person other than the interest provided for herein, for or on account of the making of such deposits, with any such bank. All such deposits shall be subject to withdrawal by the treasurer in such amounts as may be necessary from time to time, and no deposit of funds shall be made, or permitted to remain in any bank, until the security for such deposits shall have been first approved by the board of county commissioners in the case of county funds, or by the council in the case of city or town funds, and delivered to the treasurer.

(6) All interest paid and collected on such deposits or investments shall be credited to the general fund of the county, city or town to whose credit such funds are deposited. Where moneys shall have been deposited in accordance with the provisions of this act, the treasurer shall not be liable for loss on account of any such deposit that may occur through damage by the elements or for any other cause or reason occasioned through means other than his own neglect, fraud, or dishonorable conduct.

(7) Any bank pledging securities as provided in this act at any time it deems ^{so per} advisable or desirable may substitute like securities for all or any part of the securities pledged. The collateral so substituted shall be approved by the governing body of the county, city or town at its next official meeting. Such securities so substituted shall at the time of substitution be at least equal in principal amount to the securities for which substitution is made. In the event that the securities so substituted are held in trust, the trustee shall, on the same day the substitution is made, forward by registered or certified mail to the county, city or town and to the depository bank, a receipt specifically describing and identifying both the securities so substituted and those released and returned to the depository bank.

"on any time or savings deposits * * *" to end of subd. (1); in subd. (6) inserted the words "or investments" between the words "deposits" and "shall"; and deleted the words "and approval" which appeared after "passage" in the proviso to former subd. (7).

(7), which read:

"No personal bond shall be accepted except when such bond is for the purpose of renewing a personal bond now in effect, and from and after December 31, 1930, personal bonds shall not be considered as acceptable security; provided, further, that from and after the passage and approval of this act, no new or additional deposit accounts shall be opened by any treasurer under any personal bond"; redesignated former subd. (7); substituted "Such securities" for "Such security" at the beginning of the third sentence of subd. (7); and substituted "be at least equal in principal amount to the securities for which substitution is made" for "have a market value sufficient together with the market value of the original securities for which no substitution is made to equal or exceed one hundred ten dollars (\$110.00) for every one hundred dollars (\$100.00) of public deposits" at the end of the third sentence of subd. (7).

While in the discharge of his duties, both civil and criminal, the sheriff shall receive eleven cents (11¢) per mile for each and every mile actually and necessarily traveled; and for transporting any person by order of court, except as hereinbefore provided, he shall receive eleven cents (11¢) additional per mile, the same to be in full for transporting and dieting of such person during such transportation; provided that where more than one person is transported by the sheriff or when one or more papers are served on the same trip made for the transportation of one or more prisoners, but one mileage shall be charged. The county shall not be liable for, nor shall the board of county commissioners pay for any claim of the sheriff or other officer, for any other expense incurred in travel or for subsistence, in cases where mileage is allowed under this section; the fees for mileage named in this section being in full for all such traveling expenses in both civil and criminal work.

CHAPTER 41—COUNTY PLANNING AND ZONING DISTRICTS**16-4101. Planning and zoning districts—commission—creation.****Constitutionality**

This chapter does not contravene Article IV, sec. 1 of the Montana Constitu-

tion as an unlawful delegation of power, since sufficient guidelines are set out. *City of Missoula v. Missoula County*, 139 M

256, 362 P 2d 539, 542, explained in 362 P 2d 1021, 1023; Doull v. Wohlschlager, 139 M 274, 362 P 2d 542, 543.

Petition for Establishment

A board of county commissioners does not have the power to create a planning and zoning district and to make a survey in portions of the county in the absence of a petition by sixty percent of the free-

holders. Doull v. Wohlschlager, — M —, 377 P 2d 758, 762. (Dissenting opinion, — M —, 377 P 2d 758, 766.)

A county wide survey is unnecessary for the establishment of a planning and zoning district unless authorized by the requisite petition under this section. Doull v. Wohlschlager, — M —, 377 P 2d 758, 763. (Dissenting opinion — M —, 377 P 2d 758, 766.)

16-4102. Development pattern.

Composition of District

District court was in error in holding that a planning and zoning district must comprise an area of forty acres none of which are used for grazing, horticulture, agriculture or the growing of timber, since section 16-4107, defining a district, makes no such distinction. Doull v. Wohlschlager, — M —, 377 P 2d 758, 763. (Dissenting opinion — M —, 377 P 2d 758, 766.)

Construction

Since the legislature uses the word "district" in the plural in the second sentence of this section and in the singular in the first sentence, it must be assumed that the legislature knew the difference and intended the use of the singular when so used. Doull v. Wohlschlager, — M —, 377 P 2d 758, 762. (Dissenting opinion — M —, 377 P 2d 758, 766.)

The word "used" in the last sentence of this section is a verb used in a noun phrase as a participial adjective rather than in the past tense of the verb form. When a verb is so used it indicates a present rather than a past meaning. Doull v. Wohlschlager, — M —, 377 P 2d 758, 763. (Dissenting opinion — M —, 377 P 2d 758, 766.)

County Wide Survey

It is unnecessary to make a county wide survey unless so authorized by the requisite petition under 16-4101. Doull v. Wohlschlager, — M —, 377 P 2d 758, 763. (Dissenting opinion — M —, 377 P 2d 758, 766.)

Farm Lands

Lands used for grazing, horticulture, agriculture or the growing of timber at

the time of survey are not thereafter exempt from regulation. Doull v. Wohlschlager, — M —, 377 P 2d 758, 763. (Dissenting opinion — M —, 377 P 2d 758, 766.)

The legislature intended under this section to preserve the identity of farm lands from the encroachment of expanding towns and cities, but only so long as they are so employed. Doull v. Wohlschlager, — M —, 377 P 2d 758, 764. (Dissenting opinion — M —, 377 P 2d 758, 766.)

Maps and Plats

The need for maps and plats under this section would only seem to exist when the planning and zoning commission has divided the district into separate areas within which it is permissible, and other areas within which it is not permissible to erect and maintain certain types of "industries, trades or callings." Such a provision is intended to provide notice where the regulations may vary from block to block and lot to lot. Doull v. Wohlschlager, — M —, 377 P 2d 758, 763. (Dissenting opinion — M —, 377 P 2d 758, 766.)

Residential Units

The planning and zoning commission has complied with the provisions of this section requiring it "to make and adopt a development pattern for the physical and economic development of the planning and zoning district" when it provides for residential expansion and the protection of economic values by restricting the development to residential units. Doull v. Wohlschlager, — M —, 377 P 2d 758, 763. (Dissenting opinion — M —, 377 P 2d 758, 766.)

16-4105. Regulations—appeals—permits for construction.

Appeals

An aggrieved party may appeal any decision of the county commissioners within thirty days after such decision was made

to the district court. Doull v. Wohlschlager, — M —, 377 P 2d 758, 766. (Dissenting opinion — M —, 377 P 2d 758, 766.)

16-4107. "District" defined.

Construction

A district under this section need not comprise an area of forty acres none of which are used for grazing, horticulture, agriculture or the growing of timber.

Doull v. Wohlschlager, — M —, 377 P 2d

758, 763. (Dissenting opinion — M —, 377 P 2d 758, 766.)

This section contemplated districts which would be less than an entire county. Doull v. Wohlschlager, — M —, 377 P 2d 758, 763. (Dissenting opinion — M —, 377 P 2d 758, 766.)

16-4401. Metropolitan sanitary and/or storm sewer districts—resolution of intention—contents. Whenever the public convenience and necessity may require in order to construct sanitary and/or storm sewer systems within any county, and which said sanitary and/or storm sewer systems would serve the inhabitants of any county as well as the inhabitants of any city or town within said county, the board of county commissioners with the approval of the city or town council may create metropolitan sanitary and/or storm sewer districts.

Before creating any metropolitan sanitary and/or storm sewer district the board of county commissioners shall pass a resolution of intention so to do, which said resolution shall designate:

- (b) the necessity for the proposed district,
- (c) a general description of the territory or lands to be included within said district, giving the boundaries thereof,

History: En. Sec. 1, Ch. 185, L. 1957.

Title of Act

An act relating to the creation of metropolitan sanitary and storm sewer districts

to serve inhabitants of both cities and incorporated towns and rural areas within counties; to empower the county commissioners to create metropolitan sanitary districts with the consent of city or town

councils for the purpose of constructing sanitary or storm sewer systems; providing for the levy and collection of special assessments to pay for the same; and to adequately maintain same and extend payment of installments over any period not exceeding twenty years; to provide for the

issuance of special improvement warrants or bonds in such metropolitan sanitary or storm sewer districts; providing for the powers and duties of the county commissioners in respect thereto; and repealing chapter 292, Laws of 1947.

16-4402. City or town concurrence in resolution—notice. Upon passage of such resolution of intention, the board of county commissioners shall transmit a copy of the same to the executive head of any city or town within the proposed district for consideration by such city or town council, and if the city or town council shall by resolution concur in the resolution of the board of county commissioners a copy of the resolution of concurrence shall be transmitted to the board of county commissioners.

If the city or town council does not concur in the resolution of the board of county commissioners, the board shall have no authority to proceed further with the creation of the district. However, if the city or town council concurs in the resolution of the board of county commissioners, the board must give notice of the passage of its resolutions of intention, and of the concurrence therein by the city or town council, which notice must be published for ten consecutive days in a daily newspaper or in two issues of a weekly newspaper published nearest to the place where such improvement district is to be created, and shall also cause to be posted within the boundaries of such special improvement district, a copy of such notice in three public places, and a copy of such notice shall be mailed to every person, firm or corporation, or the agent of such person, firm or corporation owning property within the proposed district, at his last known place of residence upon the same day such notice is first published or posted.

Such notice must describe the general character of the improvement, or improvements, so proposed to be made, state the estimated cost thereof, and designate the time when, and the place where, the board of county commissioners will hear and pass upon all protests that may be made against the making or maintenance of such improvements, or the creation of such district, and the said notice shall refer to the resolution on file in the office of the county clerk for the description of the boundaries.

History: En. Sec. 2, Ch. 185, L. 1957.

16-4403. Protests and hearing. At any time within thirty days after the date of the first publication of the passage of the resolution or intention, any owner of property liable to be assessed for said work may make written protest against the proposed work. Such protest must be in writing and be delivered to the county clerk, who shall endorse thereon the date of the receipt by him. At the next regular meeting of the board of county commissioners, after the expiration of the time within which said protest may be so made, the board of county commissioners shall proceed to hear and pass upon all protests so made, and its decision shall be final and conclusive; provided, however, if the protest against the proposed work is made by the owners of more than fifty per cent of the area in the

proposed district, no further proceedings shall be taken by the board of county commissioners.

In determining whether or not sufficient protests have been filed in the proposed district to prevent further proceedings therein, property owned by the city, county, and school districts shall be considered the same as any other property in the district. The board of county commissioners may adjourn said hearing from time to time.

History: En. Sec. 3, Ch. 185, L. 1957.

16-4404. Resolution creating district. When no protests have been delivered to the county clerk within thirty days after the date of the first publication of the notice of the passing of the resolution of intention, or when a protest shall have been found by said board of county commissioners to be insufficient, or shall have been overruled, immediately thereupon the board of county commissioners shall be deemed to have acquired jurisdiction to order improvements, but before ordering any of the said proposed improvements, the board of county commissioners shall pass a resolution creating the said metropolitan sanitary and/or storm sewer district in accordance with the resolution of intention theretofore introduced and passed by the board of county commissioners.

History: En. Sec. 4, Ch. 185, L. 1957.

16-4405. Description. In all resolutions, notices, orders, and determinations subsequent to the resolution of intention and notice of improvements it shall be sufficient to briefly describe the work or the metropolitan sanitary and/or storm sewer district, or both, and to refer to the resolution of intention for further particulars.

History: En. Sec. 5, Ch. 185, L. 1957.

16-4406. Federal property omitted from assessment. Whenever any lot, piece or parcel of land belonging to the United States or mandatory of the government shall front upon the proposed work or improvement, or is to be included within the district declared by the board of county commissioners in its resolution of intention to be a district to be assessed to pay the cost and expenses thereof, the said board of county commissioners shall in the resolution of intention declare that the said lots, pieces or parcels of land or any of them shall be omitted from the assessment thereto to be made to cover the cost and expenses of said work or improvement, and the cost of said work or improvement in front of said lots, pieces or parcels of land shall be paid by the county from its general fund.

History: En. Sec. 6, Ch. 185, L. 1957.

16-4407. Method of assessment. To defray the cost of installing and maintaining either sanitary or storm sewer systems under the provisions of this act, the board of county commissioners shall adopt the following method of assessment: The board of county commissioners shall assess the entire cost of the improvements against the entire metropolitan sanitary district, and each lot or parcel of land assessed in such district is to

be assessed with that part of the whole cost which its area bears to the area of the entire district, exclusive of streets, avenues, alleys and public places.

History: En. Sec. 7, Ch. 185, L. 1957.

16-4408. Cost of making improvements in special improvement districts—resolution, levy, and assessment. To defray the cost of making improvements in any special improvement district, the board of county commissioners shall, by resolution, levy and assess a tax upon all property in the district created for such purpose, by using for a basis for such assessment the method provided for by this act. Such resolution shall contain a description of each lot or parcel of land, with the name of the owner, if known, and the amount of each partial payment, when made, and the day when the same shall become delinquent. The payment of the assessment to defray the cost of constructing any improvements in said metropolitan sanitary and/or storm sewer districts may be spread over a term of not to exceed twenty (20) years, payment to be made in equal installments.

History: En. Sec. 8, Ch. 185, L. 1957.

16-4409. Resolution—notice—hearing. Such resolution, signed by the chairman of the board of county commissioners, shall be kept on file in the office of the county clerk, and a notice signed by the county clerk, stating that the resolution levying a special assessment to defray the cost of making such improvements is on file in the office of the county clerk, subject to inspection, shall be published in at least one publication in a newspaper published nearest to where the special improvement is to be made. Such notice shall state the time and place in which objections to the final adoption of such resolution will be heard by the board of county commissioners, and the time for such hearing shall be not less than five days after the publication of such notice. At the time so fixed, the board of county commissioners shall meet and hear all such objections, and for that purpose may adjourn from day to day and may by resolution modify such assessment in whole or in part. A copy of such resolution, certified by the county clerk, must be delivered to the county treasurer two days after its passage.

History: En. Sec. 9, Ch. 185, L. 1957.

16-4410. Assessments as lien. Any special assessment made and levied to defray the cost and expenses of any of the work enumerated in this act, together with any percentages imposed for delinquency and for cost of collection, shall constitute a lien upon and against the property upon which such assessment is made and levied, and from and after the date of the passage of the resolution levying such assessment, which lien can only be extinguished by payment of such assessment, with all penalties, costs and interest.

History: En. Sec. 10, Ch. 185, L. 1957.

16-4411. Ex-officio commissioners of district—jurisdiction. The board of county commissioners shall be ex-officio commissioners of the metro-

politan sanitary and/or storm sewer district formed under the provisions of this act, and shall have sole and complete jurisdiction over all drainage structures and sewage treating plants which are now or may be hereafter built and situated within said district. The commission shall be responsible for the proper functioning and maintenance thereof, and for the condition and maintenance of all publicly owned streets, alleys, land, parks or other thoroughfares within the boundaries of such district insofar as such may be affected by the construction or maintenance of the structures under control and jurisdiction of such district.

History: En. Sec. 11, Ch. 185, L. 1957.

16-4412. Federal funds for local public works programs. The board of county commissioners are hereby authorized to apply for, and receive from, the federal government on behalf of said metropolitan sanitary and/or storm sewer district, any moneys that may be appropriated by the congress for aiding in local public works projects, and likewise the board of county commissioners may borrow from the federal government any funds available for assisting in the planning or financing of local public works projects, and repay the same out of the moneys received from the tax levy provided for in this act.

16-4501. Organization of county water districts authorized. A county water district may be organized and incorporated and managed as herein expressly provided and may exercise the powers herein expressly granted or necessarily implied.

History: En. Sec. 1, Ch. 242, L. 1957.

Title of Act

An act to provide for the incorporation and organization and management of county water districts; to provide for the acquisition of water-rights or construction thereby of water-works; and for the acquisition of all property necessary therefor; and also to provide for the distribution and sale of water by said districts; providing for severability and an effective date.

Constitutionality

The county water district act (16-4501 to 16-4534) is not unconstitutional on the ground that there is an invalid delegation of power by the legislature because in-

adequate standards are provided in the act since the provisions of the act are sufficiently clear, definite, and certain to enable the county water district to know its rights and obligations. *Parker v. County of Yellowstone*, — M —, 374 P 2d 328, 333.

The title of the county water district act (16-4501 to 16-4534) is not defective because it provides only for the construction of waterworks since the provisions in the body of the act for water tax and bond tax are germane to that part of the title dealing with construction of water-works and such taxes are necessary to accomplish the general objects of the bill. *Parker v. County of Yellowstone*, — M —, 374 P 2d 328, 334.

16-4502. Organization of county water districts. The people of any county, or portion of a county, or city and county, whether such portion includes unincorporated territory or not, in the state of Montana, having a population of not less than three hundred (300) inhabitants, may organize a county water district under the provisions of this act by proceeding as herein provided.

History: En. Sec. 2, Ch. 242, L. 1957.

16-4503. Petition—boundaries of district—publication. A petition, which may consist of any number of separate instruments, shall be presented at a regular meeting of the board of commissioners of the county in which the proposed water district is located, signed by the registered

voters within the boundaries of the proposed water district, equal in number to at least ten per centum (10%) of the registered voters of the territory included in such proposed water district. Such petition shall set forth and describe the proposed boundaries of such water district, and shall pray that the same be incorporated under the provisions of this act, and the text of such petition shall be published for ten (10) consecutive days in a daily newspaper or in two (2) issues of a weekly newspaper printed and published in such county, together with a notice stating the time of the meeting at which same will be presented. The first publication shall be at least two (2) weeks before the time at which the petition is to be presented. When contained upon more than one (1) instrument, one (1) copy only of such petition need be published. No more than five of the names attached to said petition need appear in such publication of said petition and notice, but the number of signers shall be stated.

History: En. Sec. 3, Ch. 242, L. 1957.

16-4504. Time of consideration—final hearing. With such publication there shall be published a notice of the time of the meeting of the board when such petition will be considered and that all persons interested therein may then appear and be heard. At such time the board of commissioners shall hear the petition and those appearing thereon together with such written protests as shall have been filed with the county clerk and recorder prior to such hearing by or on behalf of owners of taxable property situated within the boundaries of the proposed district and may adjourn such hearing from time to time, not exceeding four (4) weeks in all. No defect in the contents of the petition or in the title to or form of the notice or signatures, or lack of signatures, thereto shall vitiate any proceedings thereon, provided such petition or petitions have a sufficient number of qualified signatures attached thereto. On the final hearing said board shall make such changes in the proposed boundaries as may be deemed advisable and shall define and establish such boundaries, but said board shall not modify said boundaries as to exclude from such proposed district any territory which would be benefited by the formation of such district; nor shall any lands which will not, in the judgment of said board, be benefited by such district be included within such proposed district. Any person whose lands are benefited by such district may upon his application, in the discretion of said board, have such lands included within said proposed district.

History: En. Sec. 4, Ch. 242, L. 1957.

16-4505. Proposition submitted—who may vote—certificate of secretary of state—district deemed incorporated—must hear testimony—suit commenced within one year—election. Upon such hearing of said petition, the board of commissioners shall determine whether or not said petition complies with the requirements of the provisions of this act, and for that purpose must hear all competent and relevant testimony offered in support of or in opposition thereto. Such determination shall be entered upon the minutes of said board of commissioners. A finding of the board of commissioners in favor of the genuineness and sufficiency of the petition and notice shall be final and conclusive against all persons except

the state of Montana upon suit commenced by the attorney general. Any such suit must be commenced within one (1) year after the order of the board of commissioners declaring such district organized as herein provided, and not otherwise. Upon the final determination of the boundaries of the district the board of commissioners shall give notice of an election to be held in said proposed water district for the purpose of determining whether or not the same shall be incorporated, the date of which election shall be not more than sixty (60) days from the date of the final hearing of such petition. Such notice shall describe the boundaries so established and shall state the proposed name of the proposed incorporation (which name shall contain the words "_____ county water district"), and this notice shall be published for ten (10) consecutive days in a daily newspaper or in two (2) issues of a weekly newspaper printed and published in said county. The first publication shall be made at least two (2) weeks before the time at which the election is to be held. At such election the proposition to be submitted shall be: "Shall the proposition to organize _____ county water district under (naming the chapter containing this act) of the acts of the _____ session of the Montana legislature and amendments thereto be adopted?" And the election thereupon shall be conducted, the vote canvassed and the result declared in the same manner as provided by law in respect to general elections, so far as they may be applicable, except as in this act otherwise provided. No person shall be entitled to vote at any election under the provisions of this act unless such person possesses all the qualifications required of electors under the general election laws of the state, and is the owner of taxable real property situated within the boundaries of the proposed district. Within four (4) days after such election the vote shall be canvassed by the board of commissioners. If a majority of the votes cast at such election in each municipal corporation or part thereof and in the unincorporated territory included in such proposed water district shall be in favor of organizing such county water district, said board shall by an order entered on its minutes declare the territory enclosed within the proposed boundaries duly organized as a county water district under the name theretofore designated, and the county clerk shall immediately cause to be filed with the secretary of state and shall cause to be recorded in the office of the county recorder of the county in which such district is situated, each, a certificate stating that such a proposition was adopted. Upon the receipt of such last-mentioned certificate the secretary of state shall, within ten (10) days, issue his certificate reciting that the county water district (naming it) has been duly incorporated according to the laws of the state of Montana. A copy of such certificate shall be transmitted to and filed with the county clerk of the county in which such county water district is situated. From and after the date of such certificate, the district named therein shall be deemed incorporated as a county water district, with all the rights, privileges and powers set forth in this act and necessarily incident thereto. In case less than a majority of the votes cast are in favor of said proposition the organization fails but without prejudice to renewing proceedings at any time in the future.

History: En. Sec. 5, Ch. 242, L. 1957.

16-4506. Election of directors—term of office. At an election to be held within such district under the provisions of this act and the laws governing general elections not inconsistent herewith, the county water district thus organized shall proceed within ninety (90) days after its formation to the election of a board of directors consisting, if there are no municipalities within the boundaries of said district, of five (5) members. In all cases where the boundaries of such water district include any municipality or municipalities, said board of directors, in addition to said five (5) directors to be elected as aforesaid, shall consist of one (1) additional director for each one of said municipalities within such county water district, each such additional director to be appointed by the mayor of the municipality for which said additional director is allowed; and if there be any unincorporated territory within said water district, of one additional director, to be appointed by the said board of commissioners. Any director so elected or appointed shall be a qualified freeholder and a resident of said district. All directors, elected or appointed, shall hold office until the election and qualification or appointment and qualification of their successors. The term of office of directors elected under the provisions of this act shall be four (4) years from and after the date of their election; provided, that the directors first elected after the passage of this act shall hold office only until the election and qualification of their successors as hereinafter provided. The term of office of directors appointed by said mayor or mayors or by said board of commissioners shall be six (6) years from and after the date of appointment. Directors to be first appointed under the provisions of this act shall be appointed within ninety (90) days after the formation of the district. The election of directors of such county water district shall be in every fourth year after its organization, on the fourth Tuesday in March, and shall be known as the "general water district election." All other elections which may be held by authority of this act, or of the general laws, shall be known as special water district election.

History: En. Sec. 6, Ch. 242, L. 1957.

16-4507. Nomination of officers. (7) Examination of petition. If found not to conform thereto, he shall then and there in writing designate on said petition the defect or omission or reason why such petition can not be filed, and shall return the petition to the person named as the person to whom the same may be returned in accordance with this section. The petition may then be amended and again presented to the clerk as in the first instance. The clerk shall forthwith proceed to examine the petition as hereinbefore provided. If necessary, the board of commissioners shall provide extra help to enable the clerk to perform satisfactorily and promptly the duties imposed by this section.

(8) Signer may withdraw name. Such proclamation shall conform in all respects to the general state law governing the conduct of general elections now or hereafter in force, applicable thereto, except as otherwise herein provided.

(Inserting date thereof.)

Instructions to Voters: To vote, stamp or write a cross (X) opposite the name of the candidate for whom you desire to vote. All marks otherwise made are forbidden. (14) How printed. All ballots printed shall be precisely on the same size, quality, tint of paper, kind of type, and color of ink, so that without the number it would be impossible to distinguish one ballot from another; and the names of all candidates printed upon the ballot shall be in type of the same size and style. A column may be provided on the right-hand side for questions to be voted upon at municipal water district election, as provided for under this act. The names of the candidates for each office shall be arranged in alphabetical order, and nothing on the ballot shall be indicative of the source of the candidacy or of the support of any candidate.

Amendment

The 1959 amendment substituted "in the county wherein such water district is located" for "in such water district";

deleted a provision which read "and if there is no newspaper printed in such water district, then in some newspaper of general circulation published in the county in which the district is situated" and substituted "owning taxable real property" for "residing."

16-4521. Canvass of returns. The returns of such election shall be made to and the votes canvassed by said board of directors on the first Monday following said election, and the results thereof ascertained and declared in accordance with the general election laws of the state, so far as they may be applicable, except as herein otherwise provided. The secretary of the board of directors, as soon as the result is declared, shall enter in the records of such board a statement of such results. In all respects not otherwise provided for herein, said election shall be called, managed and directed as is by law provided for general elections in this state applicable thereto, except as herein otherwise provided.

History: En. Sec. 21, Ch. 242, L. 1957.

16-4522. Two-thirds vote necessary. If from such returns it appears that more than two-thirds of the votes cast at such election were in favor of and assented to the incurring of such indebtedness, then the board of directors may, by resolution, at such time or times as it deems proper, provide for the form and execution of such bonds and for the issuance of any part thereof, and may sell or dispose of the bonds so issued at such times or in such manner as it may deem to be to the public interest.

History: En. Sec. 22, Ch. 242, L. 1957.

16-4523. Value of bonds issued. Any bonds issued by any district organized under the provisions of this act are hereby given the same force, value and use as bonds issued by any municipality and shall be exempt from all taxation within the state of Montana.

History: En. Sec. 23, Ch. 242, L. 1957.

16-4524. Power to construct works across streets, etc.—right of way through state lands. The board of directors shall have power to construct works across any stream of water, watercourse, street, avenue, highway, railway, canal, ditch or flume which the route of said works may intersect or cross; provided, such works are constructed in such manner as to afford security for life and property, and said board of directors shall restore the crossings and intersections to their former state as near as may be, or in manner not to have impaired unnecessarily their usefulness. The right of way is hereby given, dedicated and set apart to locate, construct and maintain said works over and through any of the lands which are now or may be the property of this state, and to have the same rights and privileges appertaining thereto as have been or may be granted to the municipalities within the state.

History: En. Sec. 24, Ch. 242, L. 1957.

16-4525. Water rates. The board of directors shall fix all water rates, and shall through the general manager collect the charges for the sale and distribution of water to all users.

History: En. Sec. 25, Ch. 242, L. 1957.

16-4526. Rate to pay operating expenses. The board of directors in the furnishing of water shall fix such rate as will pay the operating expenses of the district, provide for repairs and depreciation of works owned or operated by it, pay the interest on any bonded debt, and, so far as possible, provide a sinking or other fund for the payment of the principal of such debt as it may become due; it being the intention of this section to require the district to pay the interest and principal of its bonded debt from the revenues of the district.

History: En. Sec. 26, Ch. 242, L. 1957.

16-4527. Commissioners to levy water taxes. If, from any cause, the revenues of the district shall be inadequate to pay the interest or principal of any bonded debt as it becomes due or any other expenses or claims against the district, then the board of directors must, at least fifteen (15) days before the first day of the month in which the board of commissioners of the county, or city and county, in which such water district is located, is required by law to levy the amount of taxes required for county or city and county purposes, furnish to the board of commissioners, and to the auditor, respectively, an estimate in writing of the amount of money required by the district for the payment of the principal of or interest on any bonded debt as it becomes due, and of the amount of money required to establish reasonable reserve funds for either of said purposes, together with a description of the lands benefited thereby, as stated by the board of directors in the resolution declaring the necessity to incur such bonded indebtedness, and also of the amount of money required by the district for any other purpose in this section set forth, and the board of commissioners of such county or city and county must annually, at the time and in the manner of levying other county or city and county taxes and until any such bonded debt is fully paid, levy upon the lands so benefited and cause to be collected, a tax sufficient for the payment thereof to be known

as the "_____ county water district bond tax"; and until all other expenses or claims are fully paid, levy upon all of the lands of the district and cause to be collected a tax sufficient for the payment thereof to be known as the "_____ county water district water tax."

When the amount of money required for any purpose in this section enumerated has been determined, each lot or parcel of land to be assessed shall be assessed with that part of the amount of money required which its area bears to the total area of all of the lands to be assessed; or said assessment may, at the option of the board of county commissioners, be based upon the taxable valuation, as stated in the last completed county assessment roll, of the lots or parcels of land, exclusive of improvements thereon, within said district, in which case, each lot or parcel of land to be assessed shall be assessed with that part of the amount of money required which its taxable valuation bears to the total taxable valuation of all of the lands to be assessed.

When the written estimate of the amount of money required has been delivered to the board of commissioners, said board shall give notice of its intention to levy and collect a tax sufficient for the payment thereof. Such notice shall be given:

(1) By posting notice thereof in five (5) public places within the boundaries of the lands upon which the tax is to be levied, and

(2) By publishing a copy of the notice for ten (10) consecutive days in a daily newspaper or in two (2) issues of a weekly newspaper published in the county wherein the district is located.

(3) By forwarding regular first class mail or registered mail, at least ten (10) days prior to the hearing provided for in paragraph (d) of this section, a copy of the notice addressed to the owners of taxable real property within the district as shown by the current assessment book on file in the office of the assessor of the county or counties the boundaries of which include taxable real property of the district.

The legislative assembly hereby finds, determines and declares that the giving of notice in accordance with paragraphs (1), (2) and (3) of this section is reasonably calculated to inform the owners of taxable real property located within the boundaries of the district of the hearing provided for in paragraph (d) of this section, and that the giving of any further notice is impracticable and is unnecessary to the assurance of due process of law to such property owners.

Such notice shall state:

(a) The amount of money required;

(b) The method of assessment which the board of commissioners intends to employ;

(c) The boundaries or description of the lands to be assessed, which said boundaries or description may be recited in full, or may be given by reference to any instrument on file or of record in the office of the clerk and recorder, treasurer or assessor of the county or counties in which the district or part thereof is situate; and

(d) The time when and the place where, the board of commissioners will hear and pass upon all protests that may be made against the levy of the tax or any matter pertaining thereto, which said hearing shall

be had no less than fifteen (15) days after the last publication of the notice.

At the time and place designated for said hearing any owner of property situated within the area to be assessed may appear and protest the levy of the tax or any matter pertaining thereto. All protests must be heard, considered and ruled upon by the board of commissioners. The board of commissioners may adjourn said hearing from time to time.

Where such tax is, for any reason, deemed unlawful by the person whose property is taxed, whether he has protested the same at the hearing above provided or not, he may pay the tax or the installments thereof under protest in the manner provided by section 84-4502, Revised Codes of Montana, 1947, and thereupon, and within the time prescribed and in the manner provided by said section 84-4502, may commence an action to recover such tax, or installments, and in such action contest and litigate the payment of such tax on the same grounds and for the same reasons that he has stated in his written protest, and for no other reasons and on no other grounds; provided, that all of the provisions of said section 84-4502 for the retention or refunding of taxes paid under protest shall apply to taxes paid under protest under this section.

History: En. Sec. 27, Ch. 242, L. 1957; amd. Sec. 3, Ch. 258, L. 1959; amd. Sec. 1, Ch. 46, L. 1961; amd. Sec. 1, Ch. 68, L. 1963.

Amendments

The 1959 amendment, in the second paragraph, deleted a phrase "where the water district is located more than one (1) mile from the boundary of an incorporated city or town" which appeared after the words "total area of all of the lands to be assessed; or"; substituted "taxable valuation, as stated in the last completed county assessment roll, of the lots or parcels of land, exclusive of improvements thereon, within said district" for "the assessed value of the lots or parcels of land within said district" and added all the remaining portion of this section.

The 1961 amendment deleted the word "minimum" before "amount of money required" in two places in the first paragraph, near the beginning of the second paragraph, and near the beginning of the third paragraph; inserted the words "and of the amount of money required to establish reasonable reserve funds for either of said purposes" near the middle of the first paragraph; and made a minor change in phraseology in the first paragraph.

The 1963 amendment inserted "regular first class mail or" near the beginning of clause (3); and added to clause (c) all of the language beginning with "which said boundaries."

Separability Clauses

Section 5 of Ch. 258, Laws 1959 and Sec. 3 of Ch. 46, Laws 1961 read "If any

provision contained in this act shall for any reason be held invalid, such decision shall not invalidate the remaining portions of this law."

Section 2 of Ch. 68, Laws 1963 read "If any section, paragraph, sentence, clause or provision of this act shall for any reason be held invalid or unenforceable, the invalidity or unenforceability thereof shall not affect any of the remaining sections, paragraphs, sentences, clauses or provisions of this act."

Repealing Clauses

Section 4 of Ch. 258, Laws 1959 and Sec. 2 of Ch. 46, Laws 1961 repealed all acts and parts of acts in conflict therewith.

Section 3 of Ch. 68, Laws 1963 read "All acts, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any act, or part thereof, heretofore repealed."

Effective Dates

Section 6 of Ch. 258, Laws 1959 provided the act should be in effect from and after the date of passage and approval. Approved March 13, 1959.

Section 4 of Ch. 46, Laws 1961 provided the act should be in effect from and after its passage and approval. Approved February 23, 1961.

Section 4 of Ch. 68, Laws 1963 provided the act should be in full force and effect from and after the date of passage and approval. Approved February 25, 1963.

Constitutionality

This section is not unconstitutional because it delegates to a corporation the power to tax for the general health, safety, and welfare of property owners without regard to benefits to the property so taxed in violation of Const., Art. V, sec. 36. *Parker v. County of Yellowstone*, — M —, 374 P 2d 328, 331.

The owners of land, which had been included in a county water district organized in August 1958 under Laws 1957, ch. 242 (16-4501 to 16-4534) were not deprived of due process because no adequate notice was given of the hearing to create the district since the inclusion of land in the

improvement district was not a taking of property. Rights of the owners were not affected until the levy of assessment in August 1960, at which time the provisions of this section were such as to afford them due process. *Parker v. County of Yellowstone*, — M —, 374 P 2d 328, 335.

The manner of assessing property under this section on an area basis does not violate the fourteenth amendment to the federal constitution where under such method the property assessed would be enhanced to the extent of the burden imposed. *Parker v. County of Yellowstone*, — M —, 374 P 2d 328, 336.

16-4528. Levy and collection of tax. Such taxes for the payment of any such bonded debt shall be levied on the property benefited thereby, as stated by the board of directors in the resolution declaring the necessity therefor, and all taxes for other purposes shall be levied on all property in the territory comprising the district. All such taxes shall be collected at the same time and in the same manner and form as county taxes are collected, and when collected shall be paid to the district for which such taxes were levied and collected. If such taxes are levied for the payment of a bonded debt for the benefit of certain property within the district, as so stated in the resolution of the board of directors aforesaid, such taxes shall be a lien upon each lot or parcel of said property to the extent of the levy of said taxes upon said lot or parcel; and all taxes for other purposes shall be a lien upon each lot or parcel of land within the entire area comprising the district, to the extent of the levy of said taxes upon said lot or parcel; and said taxes, whether for the payment of a bonded indebtedness or for other purposes, shall be of the same force and effect as other liens for taxes, and their collection shall be enforced by the same means as provided for in the enforcement of liens for state and county taxes. Such taxes if not paid shall become delinquent at the same time as do county taxes.

History: En. Sec. 28, Ch. 242, L. 1957; amd. Sec. 1, Ch. 45, L. 1959.

Amendment

The 1959 amendment substituted the first part of the third sentence for one which formerly read: "Such taxes, if for the payment of a bonded debt, shall be a lien on all the property benefited thereby, as so stated in the resolution of

the board of directors aforesaid, and all taxes for other purposes shall be a lien on all the property in the territory comprising the district"; and added the last sentence.

Repealing Clause

Section 2 of Ch. 45, Laws 1959 repealed all acts and parts of acts in conflict therewith.

16-4529. Initiative. Ordinances may be passed by the electors of any county water district organized under the provisions of this act in accordance with the methods provided by the general laws of the state for direct legislation applicable to cities and towns.

History: En. Sec. 29, Ch. 242, L. 1957.

16-4530. Referendum. Ordinances may be disapproved and thereby vetoed by the electors of any such county water district by proceeding

in accordance with the methods provided by the general laws of the state for protesting against legislation by cities and towns.

History: En. Sec. 30, Ch. 242, L. 1957.

16-4531. Adding to district. Any portion of a county or any municipality, or both, may be added to any county water district organized under the provisions of this act, at any time, upon petition presented in the manner therein provided for the organization of such water district, which petition may be granted by ordinance of the board of directors of such water district. Such ordinance shall be submitted for adoption or rejection to the vote of the electors in such water district and in the proposed addition, at a general or special election held as herein provided, within seventy (70) days after the adoption of such ordinance. If such ordinance is approved, the president and secretary of the board of directors shall certify that fact to the secretary of state and to the county recorder of the county in which such water district is located. Upon the receipt of such last mentioned certificate the secretary of state shall, within ten (10) days, issue his certificate, reciting the passage of said ordinance and the addition of said territory to said district. A copy of such certificate shall be transmitted to and filed with the county clerk of the county in which such county water district is situated. From and after the date of such certificate the territory named therein shall be deemed added to and form a part of said county water district, with all the rights, privileges and powers set forth in this act and necessarily incident thereto.

History: En. Sec. 31, Ch. 242, L. 1957.

16-4532. Definitions. Nothing in this act shall be so construed as repealing or in any wise modifying the provisions of any other act relating to water or the supply of water to, or the acquisition thereof by counties or municipalities within this state. The term "municipality," as used in this act, shall include a consolidated city and county, city or town, and shall be understood and so construed as to include, and is hereby declared to include, all corporations heretofore organized and now existing and those hereafter organized for municipal purposes within such water districts. The term "county" shall be understood and construed to include "city and county." In municipalities in which there is no mayor the duty imposed upon said officer by the provisions of this act shall be performed by the president of the board of trustees or other chief executive of the municipality. The word "district" shall apply, unless otherwise expressed or used, to a water district formed under the provisions of this act, and the word "board" and the words "boards of directors" shall apply to the board of directors of such district.

History: En. Sec. 32, Ch. 242, L. 1957.

16-4533. Exclusion of territory—petition—contents—duties of secretary—hearing—order excluding lands. Any territory, included within any county water district formed under the provisions of this act, and not benefited in any manner by such district, or its continued inclusion therein, may be excluded therefrom by order of the board of directors of such dis-

trict upon the verified petition of the owner or owners in fee of lands whose assessed value, with improvements, is in excess of one-half of the assessed value of all the lands, with improvements, held in private ownership in such territory. Said petition shall describe the territory sought to be excluded and shall set forth that such territory is not benefited in any manner by said county water district or its continued inclusion therein, and shall pray that such territory may be excluded and taken from said district. Such petition shall be filed with the secretary of the water district and shall be accompanied by a deposit with such secretary of the sum of one hundred dollars (\$100.00), to meet the expenses of advertising and other costs incident to the proceedings for the exclusion of such territory, including the cost of recording a certified copy of the order hereinafter provided for, any unconsumed balance to be returned to the petitioner. Upon the filing of such petition with the secretary of the water district he shall call a meeting of the board of directors of the district at a time not less than twenty-five (25) days nor more than fifty (50) days after the filing of the petition and cause a notice of the filing of such petition to be published for ten (10) consecutive days in a daily newspaper or in two (2) issues of a weekly newspaper within said district, if there be one, and if not, in some newspaper of general circulation published in the county in which the district is situated. Such notice shall also state the date of the filing of such petition and that the same will come on for hearing before the board of directors of the district and shall state the time of the hearing and the place thereof, which shall be the regular meeting place of the board of directors of the district; provided, that the board may adjourn the hearing to a more convenient meeting place within the district. Any landowner or taxpayer within the district shall have the right to appear at said hearing, either in behalf of or in opposition to the granting of said petition. Said petition shall come on for hearing before the board of directors of the district at the time and place specified in the notice of hearing. If upon such hearing the board of directors determines that it is for the best interests of the district that the lands mentioned in the petition, or some portion thereof, be excluded from the district, or if it appears that such lands, or some portion thereof, will not be benefited by their continued inclusion in the district, then the board of directors shall make an order that such lands, or such portion thereof, be excluded from the district, such order to describe specifically the lands so excluded. From the time of the making of such order the lands so excluded shall be deemed to be no longer included in the district, but such order of exclusion shall not be taken to invalidate in any manner any taxes or assessments theretofore levied or assessed against the lands so excluded. A copy of such order of exclusion, certified to by the secretary of the district, shall be recorded in the office of the county recorder of the county in which the district is situated and the record of such certified copy shall be deemed prima facie evidence of the exclusion from the district of the lands purporting to be excluded thereby.

under the provisions of this act may itself initiate the proceedings for the exclusion from the district of any land or lands which it may not be for the best interests of the district to be included, or which may not be benefited in any manner by their continued inclusion therein. Such proceedings shall be initiated by the board of directors by the passage of a resolution requiring all persons interested to appear and show cause before the board of directors, at a time and place specified, why such lands, describing them, should not be excluded from the district and fixing a time and place for such hearing and directing the secretary of the district to give notice of the passage of such resolution and of such hearing. Upon the passage of such resolution the secretary of the district shall give notice thereof and of the time and place of such hearing in the manner hereinbefore prescribed for notice of hearing upon petition by a landowner or landowners, and thereafter all proceedings shall be had in the manner and with the effect herein provided for proceedings upon a petition by a landowner or landowners. The time of hearing fixed by the board of directors by its resolution hereinbefore mentioned shall be not less than twenty-five (25) days nor more than fifty (50) days after the passage of such resolution and the place of hearing so fixed shall be a convenient place within the district; provided that the final action of the board of directors under this section shall be subject to the referendum by the electors of the water district according to section 30 [16-4530] of this act.

For the purpose of promoting the health, safety, morals and general welfare of the people in cities and towns and counties whose governing bodies have adopted a comprehensive development plan for jurisdictional areas pursuant to Title 11, Chapter 38, R.C.M. 1947, the board of county commissioners in such counties are authorized to adopt zoning regulations for all or parts of such jurisdictional areas in accordance with the provisions of this act.

History: En. Sec. 1, Ch. 246, L. 1963.

Title of Act

An act to enable boards of county commissioners to designate zoning districts in certain areas lying outside the corporate limits of cities and towns, and to adopt zoning regulations for these zoning districts, and to create zoning commissions and zoning boards of adjustment for

these districts, and repealing sections 11-2710, 11-3852, and 11-3854, R.C.M. 1947, and all acts and parts of acts in conflict herewith.

Preamble

Section 1 of Ch. 246, Laws 1963, was preceded by a preamble reading as follows:

WHEREAS, continuing growth and economic development of many cities and towns of this state create urbanized use of lands adjoining and surrounding these cities and towns but beyond their incorporated limits, and

WHEREAS, orderly patterns of use for such lands preserve and increase their value as residential, industrial, agricultural, commercial, recreational or other lands as may be appropriate to their situation, and

WHEREAS, establishment of reasonable patterns of land use and development is more appropriately determined by local consultation and decision than by

enactment of the state legislative assembly, and

WHEREAS, the boards of county commissioners are constituted agencies for local administrative decision within policy limits which are determined by the legislative assembly, and

WHEREAS, it is the intention of the legislative assembly that the boards of county commissioners shall exercise the police power of the state for the purpose of establishing and administering zoning districts for certain unincorporated suburban lands of the state within the provisions and limitations of this act.

16-4702. Recommendations by city-county planning board. The board of county commissioners shall require the city-county planning board to act as a zoning commission to recommend boundaries and appropriate regulations for the various zoning districts. The city-county planning board shall make a written report of its recommendations to the board of county commissioners, but such recommendations shall be advisory only.

History: En. Sec. 2, Ch. 246, L. 1963.

16-4703. Establishment of districts—regulations for land use—scope—uniformity. (1) Within the unincorporated portions of a jurisdictional area which has been established under provisions of section 11-3825, R.C.M. 1947, and which portions are contiguous to a city, the board of county commissioners may by resolution establish zoning districts and zoning regulations for all or parts of the jurisdictional area.

(2) Within some such zoning districts it shall be lawful and within others it shall be unlawful to erect, construct, alter or maintain certain buildings, or to carry on certain trades, industries or callings.

(3) Within each district the height and bulk of future buildings and the area of the yards, courts and other open spaces and the future uses of the land or buildings shall be limited and future building setback lines shall be established.

(4) All such regulations shall be uniform for each class or kind of buildings throughout a district, but the regulations in one (1) district may differ from those in other districts.

History: En. Sec. 3, Ch. 246, L. 1963.

16-4704. Purposes of regulations—factors considered. The zoning regulations shall be made in accordance with a comprehensive development plan, and shall be designed to lessen congestion in the streets; to secure safety from fire, panic, and other dangers; to promote health and general welfare; to provide adequate light and air; to prevent the overcrowding of land; to avoid undue concentration of population; to facilitate the adequate provision of transportation, water, sewerage, schools, parks, and other public requirements. Such zoning regulations shall be made with reasonable consideration, among other things, to the character of the district and its peculiar suitability for particular uses, and with a view to

conserving the value of buildings and encouraging the most appropriate use of land throughout such jurisdictional area, and the zoning regulations shall, as nearly as possible, be made compatible with the zoning ordinances of the municipality within the jurisdictional area.

History: En. Sec. 4, Ch. 246, L. 1963.

16-4705. Procedure for adoption of regulations and boundaries. The board of county commissioners shall observe the following procedures in the establishment or revision of boundaries for zoning districts and in the adoption or amendment of zoning regulations:

(1) Notice of a public hearing on the proposed zoning district boundaries and of regulations for the zoning district shall be published once a week for two (2) weeks in a newspaper of general circulation within the county. The notice shall state:

- (a) the boundaries of the proposed district
- (b) the general character of the proposed zoning regulations
- (c) the time and place of the public hearing
- (d) that the proposed zoning regulations are on file for public inspection at the office of the county clerk and recorder.

(2) At the public hearing the board shall give the public an opportunity to be heard regarding the proposed zoning district and regulations.

(3) After the public hearing the board shall review the proposals of the planning board and shall make such revisions or amendments as it may deem proper.

(4) The board may pass a resolution of intention to create a zoning district and to adopt zoning regulations for the district.

(5) The board shall publish notice of passage of the resolution of intention once a week for two (2) weeks in a newspaper of general circulation within the county. The notice shall state:

- (a) the boundaries of the proposed district
- (b) the general character of the proposed zoning regulations
- (c) that the proposed zoning regulations are on file for public inspection at the office of the county clerk and recorder

(d) that for thirty (30) days after first publication of this notice the board will receive written protests to the creation of the zoning district or to the zoning regulations from persons owning real property within the district whose names appear on the last completed assessment roll of the county.

(6) Within thirty (30) days after the expiration of the protest period the board may in its discretion adopt the resolution creating the zoning district and/or establishing the zoning regulations for the district; but if forty (40) percent of the freeholders within such district whose names appear on the last completed assessment roll shall have protested the establishment of the district or adoption of the regulations, the board shall not adopt the resolution and no further zoning resolution shall be proposed for the district for a period of one (1) year.

History: En. Sec. 5, Ch. 246, L. 1963.

16-4706. Board of adjustment—exceptions to regulations—procedure—appeals. The board of county commissioners shall provide for the appointment of a board of adjustment, and in the regulations and restrictions adopted pursuant to the authority of this act shall provide that the board of adjustment may, in appropriate cases, and subject to appropriate conditions and safeguards, make special exceptions to the terms of the zoning resolution in harmony with its general purposes and intent and in accordance with the general or specific rules of this act.

(1) The board of adjustment shall consist of five (5) members, each to be appointed for a term of two (2) years, and removable for cause by the board of county commissioners upon written charges and after public hearing. Vacancies shall be filled for the unexpired term of any member whose term becomes vacant. The board of county commissioners may designate the same persons to act as members of the board of adjustment for unincorporated portions of the jurisdictional area as may be appointed by the municipality within the jurisdictional area under provisions of section 11-2707, R.C.M. 1947.

(2) The board of adjustment shall adopt rules in accordance with the provisions of any resolution adopted pursuant to this act. Meetings of the board of adjustment shall be held at the call of the chairman and at such times as the board may determine. Such chairman, or in his absence the acting chairman, may administer oaths and compel the attendance of witnesses. All meetings of the board shall be open to the public. The board shall keep minutes of its proceedings, showing the vote of each member upon each question, or if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the board and shall be a public record.

(3) Appeals to the board of adjustment may be taken by any person aggrieved or by any officer, department, board, or bureau of the county affected by any decision of the administrative officer. Such appeal shall be taken within a reasonable time, as provided by the rules of the board, by filing with the officer from whom the appeal is taken and with the board of adjustment a notice of appeal specifying the grounds thereof. The officer from whom the appeal is taken shall forthwith transmit to the board all papers constituting the record upon which the action appealed was taken.

(4) An appeal stays all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken certifies to the board of adjustment after the notice of appeal shall have been filed with him that by reason of facts stated in the certificate a stay would, in his opinion, cause imminent peril to life or property. In such case, proceedings shall not be stayed other than by a restraining order which may be granted by the board of adjustment or by a court of record on application on notice to the officer from whom the appeal is taken and on due cause shown.

The board of adjustment shall fix a reasonable time for the hearing of the appeal, give public notice thereof, as well as due notice to the

parties in interest, and decide the same within a reasonable time. Upon the hearing any party may appear in person or by his attorney.

(5) The board of adjustment shall have the following powers:

To hear and decide appeals where it is alleged there is error in any order, requirement, decision, or determination made by an administrative official in the enforcement of this act or of any resolution adopted pursuant thereto.

To hear and decide special exceptions to the terms of the zoning resolution upon which said board is required to pass under such resolution.

To authorize upon appeal in specific cases such variance from the terms of the resolution as will not be contrary to the public interest and where, owing to special conditions, a literal enforcement of the provisions of the resolution will result in unnecessary hardship, and so that the spirit of the resolution shall be observed and substantial justice done.

(6) In exercising the above mentioned powers, the board of adjustment may, in conformity with the provisions of this act, reverse or affirm, wholly or partly, or modify the order, requirement, decision, or determination appealed from and may make such order, requirement, decision, or determination as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken.

(7) The concurring vote of three (3) members of the board shall be necessary to reverse any order, requirement, decision, or determination of any such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under any such resolution, or to effect any variation in such resolution.

(8) Any person or persons, jointly or severally, aggrieved by any decision of the board of adjustment, or any taxpayer, or any officer, department, board, or bureau of the county, may present to a court of record a petition, duly verified, setting forth that such decision is illegal, in whole or in part, specifying the grounds of the illegality. Such petition shall be presented to the court within thirty (30) days after the filing of the decision in the office of the board.

(9) Upon presentation of such petition the court may allow a writ of certiorari directed to the board of adjustment to review such decision of the board of adjustment and shall prescribe therein the time within which a return thereto must be made and served upon the relator's attorney, which shall not be less than ten (10) days and may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from, but the court may, upon application, on notice to the board and on due cause shown, grant a restraining order.

(10) The board of adjustment shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portions thereof as may be called for by such writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified.

(11) If, upon the hearing, it shall appear to the court that testimony is necessary for the proper disposition of the matter, the court may take

evidence or appoint a referee to take such evidence as it may direct and report the same to the court with his findings of fact and conclusions of law, which shall constitute a part of the proceedings upon which the determination of the court shall be made. The court may reverse or affirm, wholly or partly, or may modify the decision brought up for review.

(12) Costs shall not be allowed against the board unless it shall appear to the court that it acted with gross negligence, or in bad faith, or with malice in making the decision appealed from.

History: En. Sec. 6, Ch. 246, L. 1963.

16-4707. Penalty for violations—enforcement proceedings. A violation of this act or any resolution adopted pursuant thereto is hereby declared to be a misdemeanor and shall be punishable by a fine (of) not exceeding five hundred dollars (\$500) or imprisonment in the county jail not exceeding six (6) months, or both.

In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted or maintained, or any building, structure or land is used in violation of this act, or of any resolution made under authority conferred hereby, the proper authorities of the county, in addition to other remedies, may institute any appropriate action or proceedings to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance, or use, to restrain, correct, or abate such violation, to prevent the occupancy of such building, structure, or land, or to prevent any illegal act, conduct, business, or use in or about such premises.

History: En. Sec. 7, Ch. 246, L. 1963.

16-4708. Enforcement officers—location and conformance permits. The board of county commissioners may appoint enforcing officers to supervise and enforce the provisions of the zoning resolutions, and may provide for the issuance of location or conformance permits and may collect a fee for each such permit, and the proceeds of such fees shall be deposited in the general fund of the county.

History: En. Sec. 8, Ch. 246, L. 1963.

16-4709. Continuation of existing uses. Any lawful use which is made of land or buildings at the time any zoning resolution is adopted by the board of county commissioners may be continued, although such use does not conform to the provisions of such resolution.

History: En. Sec. 9, Ch. 246, L. 1963.

16-4710. Natural resources protected. No resolution, rule or regulation adopted pursuant to the provisions of this act shall prevent the complete use, development or recovery of any mineral, forest, or agricultural resources by the owner thereof.

History: En. Sec. 10, Ch. 246, L. 1963.

TITLE 17—DAMAGES AND RELIEF

Chapter 4. Damages for wrongs, 17-410.

12. Alienation of affections—breach of promise to marry, 17-1201 to 17-1206.

CHAPTER 1—RELIEF IN GENERAL

17-102. (8658) Relief in case of forfeiture.

Essential Allegations

In an action involving rights of parties to written contract for sale of property where defendants sought to rescind contract, if the defendants could make out a case under this section, they should be permitted to do so and ought not to forfeit all of the money which they paid. To prevail on this ground they were required to allege and prove a case following within the terms of the statute. *Joy v. Little*, 134 M 82, 328 P 2d 636, 639, 641.

Right to Relief

In action to prohibit defendant from cancelling an agreement for sale of lands even though the deposit in court might be legally insufficient as a tender to defendant, plaintiff might be relieved from forfeiture upon a showing of facts sufficient to appeal to the conscience of a court of equity. *Blackfeet Indian Tribe of the Blackfeet Indian Reservation v. Klies Livestock Co.*, 160 F Supp 131, 133, 141.

When Relief is Improper

Conditional buyers were not entitled to relief from forfeiture of conditional sales contract because of their inability to make payments required by contract due to a wide-spread strike. *Kovacich v. Metals Bank & Trust Co.*, 139 M 449, 365 P 2d 639, 640.

When Relief is Proper

To come within the provisions of this section a party must set forth facts of a forfeiture which will appeal to the conscience of a court of equity. *Kovacich v. Metals Bank & Trust Co.*, 139 M 449, 365 P 2d 639, 640.

Willful Breach

This section explicitly points out that if the breach is willful there will be no relief from forfeiture and no common-law principle can override this exacting statutory provision. *Joy v. Little*, 138 M 110, 354 P 2d 1035, 1041.

CHAPTER 2—COMPENSATORY RELIEF—DAMAGES—INTEREST—EXEMPLARY DAMAGES

17-201. (8659) Person suffering detriment may recover damages.

Operation and Effect

In an action for damages to an automobile, it was not a condition precedent to recovery that the plaintiff should have first incurred an indebtedness or that he should actually have paid the sum claimed

for the repairs. *Hoenstine v. Rose*, 131 M 557, 312 P 2d 514, 517.

Mon-O-Co. Oil Corp., 139 M 302, 363 P 2d 485, 487.

17-208. (8666) Exemplary damages—in what cases allowed.

Breach of Contract

Plaintiff was not entitled to exemplary damages in action for allegedly fraudulent representations by defendant's insurance adjuster inducing execution of a contract of release by the plaintiff. *Westfall v. Motors Ins. Corp.*, — M —, 374 P 2d 96, 99.

Eviction of Tenant

Where a landlord, in doing an act which constructively evicts the tenant, is motivated by a desire to vex, injure or annoy the tenant, the act is done maliciously and a jury may award punitive damages. *Cruse v. Clawson*, 137 M 439, 352 P 2d 989, 995.

CHAPTER 3—MEASURE OF DAMAGES

17-301. (8667) Measure of damages for breach of contract.**Detriment Proximately Caused**

In action by plaintiffs, who purchased residence from contractor before it was completed, to recover for defective material and workmanship, instruction, although broad, was not prejudicial, where it read: "You are instructed that if you find from a preponderance of the evidence in this action that plaintiffs are entitled to damages, then in arriving at the measure of damages, it is the amount which will compensate the plaintiff for all detriment proximately caused thereby, or which, in the ordinary course of things, would be likely to result therefrom, or which has resulted therefrom." Mitchell

v. Carlson, 132 M 1, 313 P 2d 717, 719, 720.

Hail Insurance

In an action by the insured against his insurer to recover loss to the insured trailer caused by a hail storm where the insurer failed to prove the measure of damages according to its theory of the case, the district court was not in error in entering judgment for the insured on the basis of estimate of cost of repairing hail damage. Eby v. Foremost Ins. Co., — M —, 374 P 2d 857, 861.

References

Cited or applied in Orford v. Topp, 136 M 227, 346 P 2d 566, 568.

17-306. (8672) Breach of agreement to convey real property.**Cost of Altering Other Property**

Where, under instructions based on this section and section 17-602, the jury was told that the plaintiff could recover the difference between the price agreed to be paid and the price plaintiff would be required to pay for similar property, the jury could not properly award an amount based on the projected costs of making some other property similar. Orford v. Topp, 136 M 227, 346 P 2d 566, 569.

Price of Other Property

This section and section 17-602 must be applied together in an appropriate case and, thus, where bad faith is shown, the aggrieved buyer's damages are set at the difference between the price he agreed to pay and the price he is required to pay on

the market for equivalent property. Orford v. Topp, 136 M 227, 346 P 2d 566, 568.

Property of Peculiar Value

This section and section 17-603 must be construed together in determining damages in a case where the property of which the buyer is deprived has a peculiar value to him. Orford v. Topp, 136 M 227, 346 P 2d 566, 569.

Where there was no evidence to show any peculiar value to the plaintiffs in the property of which they were deprived, a verdict in excess of the difference between the price which the purchasers agreed to pay and the price for which the property was sold by the vendor was not supported. Orford v. Topp, 136 M 227, 346 P 2d 566, 569.

17-308 to 17-314. (8674 to 8680) Repealed.**Repeal**

These sections (Secs. 4308 to 4314 Civ. C. 1895), relating to breaches of contracts

to buy or sell personal property, were repealed by Sec. 10-102, Ch. 264, Laws 1963, effective January 1, 1965.

17-319. (8685) Repealed.**Repeal**

This section (Sec. 4319, Civ. C. 1895), relating to breach of promise of marriage,

was repealed by Sec. 7, Ch. 200, Laws 1963.

CHAPTER 4—DAMAGES FOR WRONGS

Section 17-410. Emergency care rendered at scene of accidents.

17-401. (8686) Breach of obligation other than contract.**Loss of Profits**

A person may recover for loss of profits where it is shown that such loss is the natural and direct result of the act of the

defendant complained of and that such amount is certain and not speculative. Cruse v. Clawson, 137 M 439, 352 P 2d 989, 994.

Personal Injury Actions

There is no measuring stick by which to determine the amount of damages to be awarded in personal injury actions. Each case must depend upon its own particu-

lar facts. *Chavez v. United States*, 192 F Supp 263, 270.

References

Cited or applied in *Hoenstine v. Rose*, 131 M 557, 312 P 2d 514, 517.

17-408. (8693) Injuries to animals.

Exemplary Damages

In an action for damages resulting from collision of plaintiffs' logging truck with defendant's cattle, in which defendant cross-complained for loss of cattle and exemplary damages, an award of \$2,500 exemplary damages for loss of twenty head of cattle was not improper. *Franck v. Hudson*, — M —, 373 P 2d 951, 954.

Under this section it is within the province of the jury to fix the amount of exemplary damages and the supreme court will not interfere with such a determination unless it appears to have been influenced by passion, prejudice, or some improper motive. *Franck v. Hudson*, — M —, 373 P 2d 951, 954.

17-410. Emergency care rendered at scene of accidents. Any person licensed as a physician and surgeon under the laws of the state of Montana, or any other person, who in good faith renders emergency care or assistance, without compensation, at the scene of an emergency or accident, shall not be liable for any civil damages for acts or omissions other than damages occasioned by gross negligence or by wilful or wanton acts or omissions by such person in rendering such emergency care.

History: En. Sec. 1, Ch. 93, L. 1963.

Title of Act

An act to provide that licensed physicians and surgeons, and other persons, shall not be liable for any civil damages for the rendition of emergency care or assistance done without compensation at the scene of emergencies or accidents, for

any acts or omissions by such persons rendering such emergency care.

Effective Date

Section 2 of Ch. 93, Laws 1963 provided the act should be in effect from and after its passage and approval. Approved February 28, 1963.

CHAPTER 6—VALUE—HOW ESTIMATED—LIMITATIONS OF DAMAGES

17-601, 17-602. (8699, 8700) Repealed.

Repeal

These sections (Secs. 4360, 4361, Civ. C. 1895), relating to the measure of dam-

ages in actions involving personal property, were repealed by Sec. 10-102, Ch. 264, Laws 1963, effective January 1, 1965.

17-603. (8701) Property of peculiar value.

Damages to Purchaser

This section and section 17-306 must be construed together in determining damages in a case where the property of which the buyer is deprived has a peculiar value to him. *Orford v. Topp*, 136 M 227, 346 P 2d 566, 569.

Deprivation of Property

Similar statutes have been held applicable to cases involving damage to property in which an individual has had an interest or possession, or has made special use thereof over a period of time, and in which the property has acquired a value

which was peculiar to that individual alone, and where a measure of damages based on market value would be manifestly inadequate. *Orford v. Topp*, 136 M 227, 346 P 2d 566, 569.

Insufficient Evidence of Peculiar Value

Where there was no evidence to show

any peculiar value to the plaintiffs in the property of which they were deprived, a verdict in excess of the difference between the price which the purchasers agreed to pay and the price for which the property was sold by the vendor was not supported. *Orford v. Topp*, 136 M 227, 346 P 2d 566, 569.

CHAPTER 8—SPECIFIC RELIEF—PERFORMANCE OF OBLIGATIONS

17-803. (8716) No remedy unless mutual.

Operation and Effect

Vendee of a contract for the sale of mining property cannot compel specific performance by the vendor, where the contract called for the vendee to deposit a specific amount of cash in the bank, and the vendee had not done so. *Sidwell v.*

The New Mine Sapphire Syndicate, 130 M 189, 297 P 2d 299, 303. (Dissenting opinion, 130 M 189, 297 P 2d 299, 303.)

17-807. (8720) What cannot be specifically enforced.

Certainty and Completeness of Contract

Absolute certainty and completeness in every detail is not a prerequisite of specific performance, only reasonable certainty and completeness being required. *Steen v. Rustad*, 132 M 96, 313 P 2d 1014, 1020.

A contract to be specifically enforced must be complete and certain in all essential matters included within its scope. Nothing must be left to conjecture or surmise, or be so vague as to make it impossible for the court to glean the intent of the parties from the instrument, or the acts sought to be enforced. *Steen v. Rustad*, 132 M 96, 313 P 2d 1014, 1020.

Those matters which are merely subsidiary, collateral, or which go to the performance of the contract are not essential, and therefore need not be expressed in the informal agreement. *Steen v. Rustad*, 132 M 96, 313 P 2d 1014, 1020.

Lease with Option to Buy

Plaintiff was entitled to specific performance of agreement by which defendants gave plaintiff an exclusive option to purchase land under the existing lease for \$8,500; plaintiff's method of exercising the option was to pay defendants \$1,500 before November 1, 1951; that sum would constitute the down payment on the property; payment of the balance was provided for by the plaintiff delivering to the defendants two-thirds of the crop raised each year, such crop share to cover the payment due and owing on the contract for that year; and it was further provided that the plaintiff was to summer fallow 45 acres of land during the year 1951. *Steen v. Rustad*, 132 M 96, 313 P 2d 1014, 1020, 1021.

17-809. (8722) What parties cannot have specific performance, etc.

Operation and Effect

Vendee of a contract for the sale of mining property cannot compel specific performance by the vendor, where the contract called for the vendee to deposit a specific amount of cash in the bank and he had not done so. An allegation in the complaint that the vendee had deposited a substantial sum in the bank was not suf-

ficient since the contract called for a specific amount. *Sidwell v. The New Mine Sapphire Syndicate*, 130 M 189, 297 P 2d 299, 303. (Dissenting opinion, 130 M 189, 297 P 2d 299, 303.)

CHAPTER 9—SPECIFIC RELIEF—REVISION AND RESCISSION OF CONTRACTS

17-901. (8726) When contract may be revised.

Mistake as to Ownership

Where a deed reserved to the grantors the right to all the minerals, subject only

to the right of grantee to receive half the royalties, the fact that grantors owned the mineral rights on only half the tract con-

veyed did not furnish ground for reformation in the absence of a showing of mutual mistake as to the extent of the grantor's ownership of minerals. *Crawford v. Griffith*, 137 M 140, 351 P 2d 223, 225.

Operation and Effect

Where plaintiff knew that defendant was acting under a mistake with regard to a writing, he was not entitled to revision on the ground of mistake. *Schil-*

linger v. Huber, 133 M 80, 320 P 2d 346, 348.

Where a landowner, induced by the fraud of the person with whom he was contracting, assigned a 1/32 royalty interest instead of an undivided 1/32 interest in and to minerals under and upon his lands, the assignment will be reformed, amended, and corrected by the courts to correctly embody the agreement of the parties. *Carroll v. Funk*, 222 F 2d 508, 511.

17-902. (8727) Presumption as to intent of parties.

Mineral Rights

Grantors seeking reformation of deeds by which they retained portions of landowners' mineral royalties were not entitled to relief where evidence did not

show that deeds contained no provision reserving all mineral and leasing rights in grantors. *Voyta v. Clonts*, 134 M 156, 328 P 2d 655, 661.

17-903. (8728) Principles of revision.

CHAPTER 10—SPECIFIC RELIEF—CANCELLATION OF INSTRUMENTS

17-1002. (8734) Instrument obviously void.

Effect on Lease

This section fortifies a holding that when a tax claim has been removed as a cloud on title, a lease given by the

tax claimant no longer constitutes a cloud on the title even though the lessee was not a party to the quiet title action. *Purcell v. Gibbs*, 133 M 481, 326 P 2d 679.

CHAPTER 12—ALIENATION OF AFFECTIONS—BREACH OF PROMISE TO MARRY

 17-1204. Litigation and threat of litigation prohibited.
 17-1205. Settlements and compromises void.
 17-1206. Penalty for violations.

17-1201. Causes of action for alienation of affections abolished. All civil causes of action for alienation of affections of husband or wife are hereby abolished; provided, however, that this section shall not apply to causes of action which have heretofore accrued.

Title of Act

An act abolishing the actions for breach

of promise of marriage and for alienation of affections and repealing section 17-319, R.C.M., 1947.

17-1202. Causes of action for breach of promise abolished—actions for fraud, deceit, and unjust enrichment preserved. All causes of action for breach of contract to marry are hereby abolished; provided, however, that where a plaintiff has suffered actual damage due to fraud or deceit or a defendant has been unjustly enriched, the plaintiff may maintain an action for fraud or deceit or unjust enrichment and recover therein only the

actual damage proved or for the benefit wrongfully obtained or restitution of property wrongfully withheld, where such action otherwise is maintainable under existing law.

History: En. Sec. 2, Ch. 200, L. 1963.

17-1203. Acts within state not to give rise to cause of action. No act hereafter done within this state shall operate to give rise, either within or without this state, to any of the causes of action abolished by this act. No contract to marry, which shall hereafter be made within this state, shall operate to give rise, either within or without this state, to any cause of action for breach thereof. It is the intention of this act to fix the effect, status, and character of such acts and contracts, and to render them ineffective to support or give rise to any such causes of action, within or without this state.

History: En. Sec. 3, Ch. 200, L. 1963.

17-1204. Litigation and threat of litigation prohibited. It shall hereafter be unlawful for any person, either as litigant or attorney, to file, cause to be filed, threaten to file, or threaten to cause to be filed in any court in this state, any pleading or paper setting forth or seeking to recover upon any cause of action abolished or barred by this act, whether such cause of action arose within or without this state.

History: En. Sec. 4, Ch. 200, L. 1963.

17-1205. Settlements and compromises void. All contracts and instruments of every kind which may hereafter be executed within this state in payment, satisfaction, settlement, or compromise of any claim or cause of action abolished or barred by this act, whether such claim or cause of action arose within or without this state, are hereby declared to be contrary to the public policy of this state and absolutely void. It shall be unlawful to cause, induce or procure any person to execute such a contract or instrument, or cause, induce or procure any person to give, pay, transfer, or deliver any money or thing of value in payment, satisfaction, settlement, or compromise of any such claim or cause of action, or to receive, take, or accept any such money or thing of value in such payment, satisfaction, settlement or compromise. It shall also be unlawful to commence or cause to be commenced, either as litigant or attorney in any court of this state, any proceeding or action seeking to enforce or recover upon any such contract or instrument, knowing it to be such, whether the same shall have been executed within or without this state; provided, however, that this section shall not apply to the payment, satisfaction, settlement, or compromise of any causes of action which are not abolished or barred by this act, or any contracts or instruments heretofore executed, or to the bona fide holder in due course of any negotiable instrument which may be executed hereafter.

History: En. Sec. 5, Ch. 200, L. 1963.

17-1206. Penalty for violations. Any person who shall violate any of the provisions of this act shall be guilty of a misdemeanor, and, upon conviction therefor shall be punishable by a fine of not less than one hundred

dollars nor more than one thousand dollars, or imprisonment for a term of not less than one year nor more than five years, in the discretion of the court.

History: En. Sec. 6, Ch. 200, L. 1963.

Section 21-135.1. Waiting period before hearing on divorce or separate maintenance—reconciliation attempts.

21-150. Divorces granted by other jurisdictions—when not recognized.

21-102. (5735) Effect of divorce.

Cross-Reference

Waiting period for remarriage, sec. 48-151.

21-103. (5736) Causes for divorce.

Agreement on Property Settlement

An agreement as to a property settlement which was not collusive for the purpose of bringing about or facilitating a divorce would be enforced. *Schulz v. Fox*, 136 M 152, 345 P 2d 1045.

Relief Granted

There is no authority in the Montana Civil Code whereby the courts, by statute, could grant a divorce where only separate maintenance is sought. *Reed v. Reed*, 130 M 409, 304 P 2d 590, 592. (Dissenting opinions, 130 M 409, 304 P 2d 590 at 593 and 605.)

Where wife files complaint seeking separate maintenance, and husband files cross-complaint seeking an absolute divorce but court finds against husband, the court cannot, in finding for the wife, decree an absolute divorce in her favor, since the court may not grant any relief beyond that which is sought for by the prevailing party. *Reed v. Reed*, 130 M 409, 304 P 2d 590, 592. (Dissenting opinions, 130 M 409, 304 P 2d 590 at 593 and 605.)

21-106. (5738) Extreme cruelty defined.

Bodily Injury

Husband was entitled to divorce where wife had repeatedly inflicted and threatened bodily injury and personal violence upon him. *Bell v. Bell*, 133 M 572, 328 P 2d 115, 119.

False Accusations

Unfounded accusations of misconduct may constitute cruelty. *Hennity v. Hennity*, 137 M 403, 352 P 2d 689, 692.

Harassing Actions

The maintenance by the wife of the accusations of misconduct, determined to be unproved, and the maintenance of a separate maintenance suit, with no offer of reconciliation, along with the other acts of cruelty proved to have existed, was conduct of such a nature as "to defeat the

proper and legitimate objects of marriage" and "to render the continuance of the married relations between the parties perpetually unreasonable or intolerable" within the meaning of this section, and which were persisted in for one year preceding the commencement of the action. *Hennity v. Hennity*, 137 M 403, 352 P 2d 689, 691, 692.

Provocation

Trial judge must determine whether sufficient provocation exists to provoke wife into violent action against husband. *Bell v. Bell*, 133 M 572, 328 P 2d 115, 120.

21-112. (5744) Desertion—how cured.

Cruel Treatment

Wife seeking separate maintenance was not guilty of desertion where she was forced to leave defendant because of his

cruel treatment and brutal acts. *Reynolds v. Reynolds*, 132 M 303, 317 P 2d 856, 859.

21-118. (5750) Divorces denied, on showing what.**Recrimination**

The doctrine of recrimination is that if both parties have a right to divorce, neither party has. The principle is of ancient origin and reached back to the Mosaic Code and beyond. Although the Roman law did not allow divorce yet some legal historians trace the rule back to the "compensatio criminum" of the Roman law relating to property settlements. The ecclesiastical courts of England adopted the principle from the canon law and then injected it into proceedings for separation from bed and board. *Bissell v. Bissell*, 129 M 187, 284 P 2d 264, 270.

It is not an absolute but a qualifying doctrine. If it were to be applied strictly great inequity would be done, for it so often happens that neither party to a suit has been free from fault. *Bissell v. Bissell*, 129 M 187, 284 P 2d 264, 271.

When the record clearly shows "the legitimate objects of the marriage have been destroyed" then the parties are entitled to have the marriage dissolved. No public policy would be served by denying a divorce because each party was guilty of extreme cruelty toward the other. *Bissell v. Bissell*, 129 M 187, 284 P 2d 264, 271.

Doctrine of recrimination was inapplicable where court found that defendant husband was not guilty of the infliction of extreme cruelty upon the plaintiff wife, nor was he guilty of the infliction of grievous mental suffering upon the plaintiff. *Bell v. Bell*, 133 M 572, 328 P 2d 115, 120.

21-122. (5754) Requisites to condonation.**Absence of Good Faith**

Offers and solicitation of condonation were not made in good faith and did not bar plaintiff's action for separate maintenance where record showed that defendant was exploring the possibility of obtaining a church annulment of the mar-

riage; there was an absence of good faith on his part in seeking condonation; and there was no evidence tending to show that plaintiff would be free of danger of renewed cruelty were she to return and live with defendant. *Reynolds v. Reynolds*, 132 M 303, 317 P 2d 856, 858.

21-128. (5760) Recrimination, what constitutes.**Recrimination**

It is not an absolute but a qualifying doctrine. If it were to be applied strictly great inequity would be done, for it so

often happens that neither party to a suit has been free from fault. *Bissell v. Bissell*, 129 M 187, 284 P 2d 264, 271.

21-135.1. Waiting period before hearing on divorce or separate maintenance—reconciliation attempts. No hearing upon grounds for divorce shall be held in any action for divorce from the bonds of matrimony or for separate maintenance until at least twenty (20) days after the commencement of the action and service of process. During such period of twenty (20) days or longer, the court, upon application of one of the parties, may require a conference of the parties with a person or persons of their own choosing in order to determine whether or not a reconciliation is practicable.

In any action of divorce from the bonds of matrimony or for separate maintenance, where grounds for divorce or separate maintenance have been established, if the court finds that attempts at reconciliation are practicable and to the best interests of the family, it shall stay the proceedings for a period not to exceed ninety (90) days where there are minor children in the family.

History: En. Sec. 1, Ch. 167, L. 1963.

Title of Act

An act to require a compulsory waiting

period between the time of service of process and the hearing in a divorce action, and for a stay of proceedings to attempt reconciliation.

21-136. (5768) Relief may be adjudged, when divorce is denied.**Legislative Policy**

The apparent policy of the legislature in adopting this section was to discourage the incautious granting of divorces and in doubtful cases to give the court the authority to grant a separation rather than to destroy the vinculum of the marriage, the reason for this being that a reconciliation of the parties may be accomplished by legally separating them for a time thus permitting their passions and prejudices to subside and for the further and more important reason that the children, if any, resulting from the marriage must come foremost in the court's consideration. *Reed v. Reed*, 130 M 409, 304 P 2d 590, 592. (Dissenting opinions, 130 M 409, 304 P 2d 590 at 593 and 605.)

Relief Not Requested

In divorce proceedings by husband in which wife's answer and cross action contained no reference to property settlement and no prayer for general relief, district court exceeded its jurisdiction when it made division of the sale proceeds of

property and impressed plaintiff's property with a lien. *Chapman v. Chapman*, 137 M 544, 354 P 2d 184, 186.

Separate maintenance may be granted to the wife without any pleading therefor. *Chapman v. Chapman*, 137 M 544, 354 P 2d 184, 186.

Separate Maintenance

There is no authority in the Montana Civil Code whereby the courts, by statute, could grant a divorce where only separate maintenance is sought. *Reed v. Reed*, 130 M 409, 304 P 2d 590, 592. (Dissenting opinions, 130 M 409, 304 P 2d 590 at 593 and 605.)

Where a wife files a complaint seeking separate maintenance the court cannot, in finding for the wife, decree an absolute divorce in her favor, since the court may not grant any relief beyond that which is sought for by the prevailing party. *Reed v. Reed*, 130 M 409, 304 P 2d 590, 592. (Dissenting opinions, 130 M 409, 304 P 2d 590 at 593 and 605.)

21-137. (5769) Expenses of action—alimony.**Attorney's Fees**

Additional attorney's fee was properly disallowed wife where she had been found

guilty of gross misconduct. *Bell v. Bell*, 133 M 572, 328 P 2d 115, 121.

Attorneys' fees are wholly within the discretion of the court to grant upon a showing of necessity. *Bell v. Bell*, 133 M 572, 328 P 2d 115, 121.

Costs and counsel fees may be allowed on motion to modify child custody. *Trudgen v. Trudgen*, 134 M 174, 329 P 2d 225, 231, 232, overruling *Wilson v. Wilson*, 128 M 511, 516, 278 P 2d 219, 222, and reinstating *McDonald v. McDonald*, 124 M 26, 218 P 2d 929, 15 ALR 2d 1260; *Barbour v. Barbour*, 134 M 317, 330 P 2d 1093, 1096, 1097.

An order for temporary attorney's fees is in the nature of a retainer and is but an estimate by the court, exercising its best judgment, of the value of the services that can be reasonably anticipated to be necessary. *Kronmiller v. Kronmiller*, 136 M 101, 345 P 2d 168, 170.

In fixing an estimated amount for temporary attorney's fees to be allowed the plaintiff, the court should be governed by what is fair and reasonable, having in mind the needs of the plaintiff, the financial ability of the defendant, and the manner in which she has been accustomed to live and should leave an incentive for reconciliation rather than fix a premium for separation. *Kronmiller v. Kronmiller*, 136 M 101, 345 P 2d 168, 170.

Where husband accepted the provisions for court costs and temporary support, he could not contend on appeal that wife had sufficient funds to provide for her own attorney. *Crum v. Crum*, 137 M 407, 352 P 2d 988, 989.

Continuing Jurisdiction

Generally the court's jurisdiction is continuing in child custody matters. *Barbour v. Barbour*, 134 M 317, 330 P 2d 1093, 1095.

Expenses of Action

Upon timely and proper application made in advance of the performance of the professional services and the incurring of expenses rested within the discretion of the trial court to grant expense money regardless of whose acts and conduct were

responsible for the granting of the divorce. *Bissell v. Bissell*, 129 M 187, 284 P 2d 264, 269.

Jurisdiction

Proceedings for divorce undoubtedly are statutory, but jurisdiction in matters of divorce is constitutional and may not be abridged. *Trudgen v. Trudgen*, 134 M 174, 329 P 2d 225, 232.

Maintenance Money

Although this section uses the term "alimony" generically to mean "any money necessary to enable the wife to support herself or her children," it is distinguishable from money for support of wife provided in section 21-139. *Barbour v. Barbour*, 134 M 317, 330 P 2d 1093, 1098.

Property Rights

Where plaintiff was granted an absolute divorce from defendant wife, the court did not exceed its authority in finding and holding that the defendant wife was entitled to be reimbursed for money advanced to plaintiff, which was used to accumulate the property held by the plaintiff. *Johnson v. Johnson*, 137 M 11, 349 P 2d 310, distinguished in 137 M 544, 548, 354 P 2d 184, 186.

Reduction of Support and Maintenance

Award of \$700 per month for support and maintenance was reduced to \$300 where parties were married only 27 days until separation took place; plaintiff did nothing to help accumulate the financial resources held by defendant; she had been receiving about \$25 per week as wages in Ireland prior to her marriage; she had not been accustomed to living in New York City and evidence showed that apartments were available at the cost of about \$100 per month. *Reynolds v. Reynolds*, 132 M 303, 317 P 2d 856, 859.

21-138. (5770) Orders respecting custody of children.

Appeal

In the absence of a strong showing of abuse of discretion by district court, custody orders should not be disturbed on appeal. *Trudgen v. Trudgen*, 134 M 174, 329 P 2d 225, 226.

Attorney's Fees

Costs and counsel fees may be awarded in custody modifications. *Trudgen v. Trudgen*, 134 M 174, 329 P 2d 225, 231, 232, overruling *Wilson v. Wilson*, 128

M 511, 516, 278 P 2d 219, 222, and reinstating *McDonald v. McDonald*, 124 M 26, 218 P 2d 929, 15 ALR 2d 1260; *Barbour v. Barbour*, 134 M 317, 330 P 2d 1093, 1096, 1097.

Continuing Jurisdiction

Generally the court's jurisdiction is continuing in child custody matters. *Barbour v. Barbour*, 134 M 317, 330 P 2d 1093, 1095.

Custody of Children

The statutes expressly invest the trial judge with much discretion regarding the custody of children. *Wilson v. Wilson*, 128 M 511, 278 P 2d 219, 222.

Habeas Corpus to Gain Custody

When decree of divorce was rendered in Utah and custody of children was granted to mother she then had the preference right. She waived this right when she offered to give up their custody and father took them to his home in Montana, and she could not deprive father of custody by habeas corpus proceedings in Montana unless he was an unfit person to have the custody, or unless it was shown that the best welfare of the children required that they be taken from him. *State ex rel. Lessley v. District Court*, 132 M 357, 318 P 2d 571, 574.

Interlocutory Nature

Child custody orders are interlocutory in nature. *Trudgen v. Trudgen*, 134 M 174, 329 P 2d 225, 226; *Barbour v. Barbour*, 134 M 317, 330 P 2d 1093, 1097.

Jurisdiction

Although proceedings for divorce are undoubtedly statutory, jurisdiction in matters of divorce is constitutional and may not be abridged. *Trudgen v. Trudgen*, 134 M 174, 329 P 2d 225, 232.

Modification

Child custody orders are modifiable in the sound discretion of the district court for good cause shown. *Trudgen v. Trudgen*, 134 M 174, 329 P 2d 225, 226.

In hearings on motions to modify child custody orders, parties desiring written findings of facts and conclusions of law must move for them in writing at the close of the evidence, as the statute requires. Even then, if the evidence justifies but one conclusion, formal findings are not necessary. *Trudgen v. Trudgen*, 134 M 174, 329 P 2d 225, 230.

In the absence of statute, the court need not make formal findings of fact in support of its order modifying the custody provisions of divorce decrees. *Trudgen v. Trudgen*, 134 M 174, 329 P 2d 225, 229.

Mother's affidavit on which citation for hearing on modification of custody decree was issued was properly controverted by father's verified answer. *Trudgen v. Trudgen*, 134 M 174, 329 P 2d 225, 229.

When the custodial fitness of neither spouse is questioned a bill of exceptions and a judgment roll reflecting four modifications of custody orders in nine weeks, no matter how well intended or by whom sought or ordered, supported by undis-

puted testimony, is clear prima facie record of substantial change affecting the children warranting modification of decree. *Trudgen v. Trudgen*, 134 M 174, 329 P 2d 225, 228.

Father who refuses to make payments for support of children required by the decree is not entitled to petition for modification of the decree unless the best interests and welfare of the children require the modification. *Barbour v. Barbour*, 134 M 317, 330 P 2d 1093, 1098.

Mother Preferred

Other things being equal, custody in the mother is to be preferred where children are of tender years. *Trudgen v. Trudgen*, 134 M 174, 329 P 2d 225, 226.

Operation and Effect

An order by a California court which modified a prior California divorce decree and awarded custody of minor children to the father was void because it was made without jurisdiction where it was shown that the children were domiciled in Montana with their mother, even though the mother made a general appearance in the California court to contest the modification. Where the minor's domicile is not within the jurisdiction at the time, the "res" likewise is not within the jurisdiction. The courts may not proceed even with both parents before it. A minor has a juristic status of his own to which it is difficult indeed to deny recognition when his custody is the question before the court, and even though the contest is between his parents, who themselves have submitted to the jurisdiction of the court. For he is the real party in interest in any such case as is evidenced by the familiar rule that in awarding his custody the paramount inquiry is always his welfare and best interests. *Application of Enke*, 129 M 353, 287 P 2d 19, 24, cert. den. 350 U S 923, 100 L Ed 808, 76 S Ct 212.

Order of Visitation

The privilege of visitation should not be left entirely to the discretion of the party having the child in custody. *Barbour v. Barbour*, 134 M 317, 330 P 2d 1093, 1097.

Right of visitation may be conditioned upon prompt payment of money decreed for support of children. *Barbour v. Barbour*, 134 M 317, 330 P 2d 1093, 1098.

Residence of Children

Limitations on residence of children are to be conditioned by what appears best for the children and the trial judge is invested with much discretion in these matters. *Trudgen v. Trudgen*, 134 M 174, 329 P 2d 225, 230; *Barbour v. Barbour*, 134 M 317, 330 P 2d 1093, 1097.

There was no abuse in the discretion exercised by the district court in refusing to restrict residence of children where their well-being was not so much dependent upon continuance or change of their present residence as upon change in their parents' hearts. *Barbour v. Barbour*, 134 M 317, 330 P 2d 1093, 1097.

Stay of Appeal

An appeal from an order modifying divorce decree does not stay the enforcement of the order. It can only be stayed by an application for an order staying the proceedings under section 93-8003, subd. 2. *Application of Nelson*, 132 M 252, 316 P 2d 1058, 1097.

21-139. (5771) Support of wife and children on divorce, etc.

"Maintenance Money" Distinguished

The term "alimony" as used in this section is distinguishable from "maintenance money" provided by section 21-137. *Barbour v. Barbour*, 134 M 317, 330 P 2d 1093, 1098.

Modification of Custody Orders

Costs and counsel fees may be allowed on motion to modify child custody. *Trudgen v. Trudgen*, 134 M 174, 329 P 2d 225, 231, 232, overruling *Wilson v. Wilson*,

128 M 511, 516, 278 P 2d 219, 222, and reinstating *McDonald v. McDonald*, 124 M 26, 218 P 2d 929, 15 ALR 2d 1260; *Barbour v. Barbour*, 134 M 317, 330 P 2d 1093, 1096, 1097.

21-150. Divorces granted by other jurisdictions—when not recognized.

An ex parte divorce from the bonds of matrimony obtained in another jurisdiction shall be of no force and effect in this state, if both parties to the marriage were domiciled in this state at the time the proceeding for the divorce was commenced. Proof that a person obtaining an ex parte divorce from the bonds of matrimony in another jurisdiction was (a) domiciled in this state within twelve months prior to the commencement of the proceeding therefor, and resumed residence in this state within eighteen months after the date of his departure therefrom, or (b) at all times after his departure from this state and until his return maintained a place of residence within this state, shall be prima facie evidence that the person was domiciled in this state when the divorce proceeding was commenced. Otherwise, the burden for impeaching the validity of a foreign divorce decree shall rest upon the assailant and prima facie validity shall be accorded to divorce decrees of sister states.

History: En. Sec. 1, Ch. 168, L. 1963.

He shall also prepare the precinct register for each precinct in the manner provided by section 23-515, and deliver the same to the judges of election prior to the opening of the polls. In preparing precinct registers it shall not be necessary for the county clerk to make separate precinct registers containing only the names of electors who are qualified to vote on the question of the incurring of a state debt, the issuance of bonds or debentures by the state or the levying of a state tax. In lieu of preparing such a list of electors qualified to vote on such question, the county clerk shall stamp the word "TAX-PAYER" on the precinct register opposite the name of each qualified elector who is a taxpayer and entitled to vote upon any of the questions hereinbefore indicated. No other showing shall be required to establish that such elector is in fact a taxpayer and entitled to vote as such.

All of the laws of this state applying to the holding of general biennial state elections, insofar as the same are applicable thereto and not in conflict with any of the provisions of this act, shall apply to, and govern and control such election and the canvassing and return of the votes cast on such question at such election; and abstracts made by the several county

 23-515. Precinct register—combining—when not furnished city or town.
 23-519. Compensation of county clerks.
 23-527. Omission of name from precinct registers—remedy.

23-503. (555) Method of registering. Any elector residing within the county may register by appearing before the county clerk and ex officio registrar and making correct answers to all questions propounded by the county clerk touching the items of information called for by such registry card, and by signing and verifying the affidavit or affidavits on the back of such card. Any elector in the United States service who is absent from the state of Montana and the county of which he or she is a resident may register either (a) by mailing such registry card filled out and signed under oath to the county clerk of the county in which said elector resides, or (b) by mailing the federal post card application filled out and signed under oath to said county clerk.

If any person shall falsely personate another and procure the person so personated to be registered, or if any person shall represent his name to the county clerk or to the registration clerk or to any other person qualified to register an elector, to be different from what it actually is, and cause such name to be registered, or if any person shall cause any name to be placed upon the registry lists otherwise than in the manner provided in this act, he shall be guilty of a felony, and upon conviction be imprisoned in the state penitentiary for not less than one (1) nor more than three (3) years.

Immediately after every general election, the county clerk of each county shall compare the list of electors who have voted at such election in each precinct, as shown by the official poll books, with the official register of said precinct, and he shall remove from the official register herein provided for the registry cards of all electors who have failed to vote at such election, and shall mark each of said cards with the word "cancelled," and shall place such cancelled cards for the entire county in alphabetical order in a separate drawer to be known as the "cancelled file"; but any elector whose card is thus removed from the official register may reregister in the same manner as his original

registration was made, and the registration card of any elector who thus reregisters shall be filed by the county clerk in the official register in the same manner as original registration cards are filed. The county clerk shall, at the same time, cancel, by drawing a red line through the entry thereof, the name of all such electors who have failed to vote at such election.

In the case of an elector in the United States service who shall fail to vote, his or her registry card shall not be cancelled, except for causes designated under section 23-518.

23-515. (568) Precinct register—combining—when not furnished city or town. During the time intervening between the closing of the official register and the day of the ensuing election, the county clerk shall prepare for each precinct a book to be known as the “precinct register” which shall be for the use of the clerks and judges of election in each such precinct. Such books shall be arranged for the listing of the names of the electors in alphabetical divisions, each division to be composed of ruled columns with appropriate headings, under which the information contained upon the registry card of each elector shall be transcribed, excepting the oath of the elector, and the certified copy of the precinct registers so prepared shall be delivered to the judges of the election at or prior to the opening of the polls in each precinct. Where the precincts in municipal elections, or in elections in school districts of the first class, include more than one county precinct, the county clerk shall combine into one precinct register the names of all electors in the several precinct registers of the precincts of which such municipal or school district precinct is composed. The county clerk shall omit from the list of names of all certified voters so inserted in the precinct register herein provided for, the names and registry of all electors which it is the duty of the county clerk to cancel under the provisions of section 23-518, provided that the requirements contained in the provisions of said section shall have been brought to the attention of the county clerk not less than twenty days preceding the election. 23-519. (571) Compensation of county clerks. The county clerks shall receive, for the use and benefit of the county, from every city or town, or from every school district of the first class, (to which the precinct registers referred to in the last section have been furnished), the sum of three (\$.03) cents for each and every name entered in such precinct registers, and in addition he shall receive in like manner the amount of the actual expense incurred in printing and posting the lists of electors, and in publishing the notices required by this law, and any other expense incurred on account of any such municipal or school district election. It shall be the duty of the city or town council, or board of school trustees, to order a warrant drawn for such sum as may be due to the county clerk under the provisions of this section, within thirty (30) days after the presentation of the account to them by said county clerk, provided, however, that in event of the election of candidates at municipal primary elections, as provided for in 11-3113, and no general municipal election is required to be held, the county clerk shall prepare no precinct registers for such general municipal election and shall make no charge therefor; provided further, that in elections of school districts of the first class if only as many candidates are nominated as there are vacancies to be filled, the county clerk shall furnish no precinct registers and make no charge therefor to such school district.

It shall be the duty of the city clerk or the clerk of the school district to notify the county clerk in such case as above mentioned, where no precinct registers are required, immediately after the facts become known to the city council or the board of trustees of the school district, which makes unnecessary the furnishing of such precinct registers.

History: En. Sec. 29, Ch. 113, L. 1911; amd. Sec. 29, Ch. 74, L. 1913; amd. Sec. 21, Ch. 122, L. 1915; re-en. Sec. 571, R. C. M. 1921; amd. Sec. 1, Ch. 71, L. 1935; amd. Sec. 3, Ch. 64, L. 1959.

No elector is at liberty to use or bring into the polling-place any unofficial sample ballot. After preparing his ballot the elector must fold it so the face of the ballot will be concealed and so that the indorsements stamped thereon may be seen, and hand the same to the judges in charge of the ballot-box, who shall announce the name of the elector and the printed or stamped number on the stub of the official ballot so delivered to him, in a loud and distinct tone of voice. If such elector be entitled then and there to vote, and if such printed or stamped number is the same as that entered on the poll-books as the number on the stub of the official ballot last delivered to him by the ballot judge, such judge shall receive such ballot, and, after removing the stub therefrom in plain sight of the elector, and without removing any other part of the ballot, or in any way exposing any part of the face thereof below the stub, shall deposit each ballot in the proper ballot-box for the reception of voted ballots, and the stubs in a box for detached ballot stubs. Upon voting, the elector shall forthwith pass outside the guard-rail, unless he be one of the persons authorized to remain within the guard-rail for other purposes than voting.

The notation may be made by writing the words "absent or physically incapacitated voters" opposite such numbers.

The judges shall not allow any names to be inserted in the poll-books on the lines corresponding to said numbers, except the name of the elector entitled to each particular number according to the certificate of the county or city or town clerk, and the number of his ballot. Any so rejected shall be placed together with the voter's application and the absent or physically incapacitated voter's envelope provided for the purpose by the clerk and recorder or city or town clerk, which shall be sealed and endorsed by the words, "rejected absent or physically incapacitated voter ballots" numbered -----, and shall put thereon the number of the ballots given to absent or physically incapacitated voters according to the county or city or town clerk's certificate. 23-1312. (726) Voting before election day by prospective absentee or physically incapacitated elector. Any qualified elector who is present in his county after the official ballots of such county or school district have been printed and who has reason to believe that he will be absent from such county or school district on election day, or physically incapacitated as provided in section 23-1302 may vote before he leaves his county or school district or prior to the inception of such physical incapacity, in like manner as an absent or physically incapacitated voter, before the county or city or town clerk or school district clerk, or some officer authorized to administer oaths and having an official seal; and the provisions of this act shall be deemed to apply to such voting. If the ballot be marked before the county or city or town or school district clerk it shall be his duty to deal with it in the same manner as if it had come by mail.

History: En. Sec. 12, Ch. 110, L. 1915; amd. Sec. 12, Ch. 155, L. 1917; re-en. Sec. 726, R. C. M. 1921; amd. Sec. 11, Ch. 234, L. 1943; amd. Sec. 2, Ch. 108, L. 1963.

23-1313. (727) Envelopes containing ballots—deposit in box and rejection of ballot. At any time between the opening and closing of the polls on such election day, the judges of election of such precinct shall first open the outer envelope only, and compare the signature of such voter to such application, with the signature to such affidavit.

In case the judge finds the affidavit is sufficient and that the signatures correspond, and that the applicant is then a duly qualified elector of such precinct, and has not voted at such election, they shall open the absent or physically incapacitated voter's envelope, in such manner as not to destroy the affidavit thereon, and take out the ballot or ballots therein contained, and without unfolding the same, or permitting the same to be opened or examined, shall ascertain whether the stub or stubs is or are still attached to the ballot or ballots, and whether the number thereon corresponds to the number in the county or city or town clerk's certificate. If so, they shall endorse the same in like manner that other ballots are endorsed, shall detach the stub as in other cases, and deposit the ballot or ballots in the proper ballot-box or boxes, and make in their election records the proper entries to show such elector to have voted. In case such affidavit is found to be insufficient, or that the said signatures do not correspond, or that such applicant is not then a duly qualified elector of such precinct, such vote shall not be allowed, but, without opening the absent or physically incapacitated voter envelope, the judges of such election shall mark across the face thereof "rejected as defective" or "rejected as not an elector" as the case may be. The absent or physically incapacitated voter envelope, when such absent vote or vote by a person physically incapacitated from going to the polls is voted, and the absent or physically incapacitated voter envelope with its contents, unopened, when such absent vote or vote by a person physically incapacitated from going to the polls is rejected, shall be deposited in the ballot-box containing the general or party ballots, as the case may be, retained and preserved in the manner by law provided for the retention and preservation of official ballots voted at such election. If, upon opening the absent or physically incapacitated voter's envelope, it be found that the stub of any ballot has been detached, or that the number thereon does not correspond to the number in the county or city or town clerk's certificate of the number issued to such absent or physically incapacitated voter, the ballot shall be rejected, and it shall then and there, and without looking at the face thereof, be marked on the back "rejected on the ground of _____," filling the blank with the statement of the reason of the rejection; which statement shall be dated and signed by the majority of the judges. The ballot or ballots so rejected, together with the absent or physically incapacitated voter's envelope bearing the application, and the said application, shall be all enclosed in an envelope, which shall be then and there securely sealed, and on such envelope the judges shall write or cause to be written (if not already printed thereon) the words, "rejected ballot of absent or physically incapacitated voter" (writing in the name of the elector). "The rejected ballot or ballots is or are _____." The judges shall designate the rejected ballot as "general ballot," if it be a ballot for candidates that be rejected. If the rejected ballot be a one put on a question submitted to

the vote of the electors, the judges shall designate such ballot as ballot question No. _____ in the certificate on the envelope. There shall be a separate enclosing envelope for the ballot or ballots of each absent or physically incapacitated voter whose ballot or ballots may have been rejected and such enclosing envelope shall be placed in the envelope in which the other ballots voted or (are) required to be placed and shall not be opened without an order of a court of competent jurisdiction. The county or city or town clerk shall provide and have delivered to the judge of election suitable envelopes for enclosing rejected absent or physically incapacitated voter's ballots.

Amendment

The 1959 amendment, in the second sentence of the second paragraph substituted the words "election records" for the words "election list and books."

23-1320. (734) Duty of elector if present on election day. In case any elector who shall have taken advantage of the provisions of this act, and marked his ballot as an absent or physically incapacitated voter, as in this act provided, shall not leave his county, or shall return thereto or shall have recovered physical capacity to go to the polls on or before election day, and in time to allow him to go to the polls, to-wit, to the voting place in his precinct, and to be admitted therein before the close of the polls, if shall be his duty so to go to the said voting place and to present himself to the judges of election at said voting place, and if he shall wilfully neglect so to do he shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than one hundred (\$100.00) dollars or by imprisonment not more than thirty (30) days in the county jail or by both such fine and imprisonment. If such an elector so appears the judges of election shall note in the precinct register the fact of his appearance as well as whether or not he voted in person.

partisan judicial candidates upon paper ballots; and repealing section 23-2013, Revised Codes of Montana, 1947; providing for an effective date.

Repealing Clause

Section 3 of Ch. 20, Laws 1959 read "Section 23-2013, Revised Codes of Montana, 1947, is hereby repealed."

Effective Date

Section 4 of Ch. 20, Laws 1959 provided the act should be in effect from and after its passage and approval. Approved February 10, 1959.

23-1611. (767) Election returns. (1) The judges, as soon as the count is completed and fully ascertained, shall place the machine for one (1) hour in such a position that the registering or recording compartments will be in full view of the public and any person desiring to view the number of votes cast for each person voted for at the election, must be permitted to do so. Immediately after the above said one (1) hour shall have expired the judges shall seal, close, lock the machine or remove the record so as to provide against voting or being tampered with, and in case of a machine so sealed or locked, it shall so remain for a period of at least thirty (30) days, except when used in a municipal primary nominating election, unless opened by order of a court of competent jurisdiction or the county recount board. Compiler's Note

This section was amended twice in 1963, once by Ch. 42 and once by Ch. 57. Neither section mentioned nor included the changes made by the other. However, since the two amendments do not appear to conflict, the compiler has made a composite section incorporating both amendments.

Chapter 57, Laws 1963, inserted the words "except when used in a municipal primary nominating election" in the second sentence of subsection (1); and inserted the third sentence in subsection (1).

Effective Date

Section 2 of Ch. 57, Laws 1963 provided that the act should be in effect from and after its passage and approval. Approved February 21, 1963.

CHAPTER 17--ELECTION RETURNS

- Section 23-1702. Mode of canvassing.
 23-1703. Where ballots are in excess of names on poll-books.
 23-1709. Election returns by judges—how made.
 23-1712. Filing of ballots and stubs by county clerk.
 23-1714. Disposition of returns prior to canvass of vote.
 23-1715. Clerk to file in his office books, papers, etc.

23-1702. (775) Mode of canvassing. The canvass must commence by a comparison of the poll-books from the commencement, and the cor-

rection of any mistakes that may be found therein, until they are found to agree. The judges must then take out of the box the ballots unopened except to ascertain whether each ballot is single, and count the same to determine whether the number of ballots corresponds with the number of names on the poll-books. If two or more ballots are found so folded together as to present the appearance of a single ballot, they must be laid aside until the count of the ballots is completed, and if, on comparing the count with the poll-books and further considering the appearance of such ballots, a majority of the judges are of the opinion that the ballots thus folded together were voted by one elector, they must be rejected; otherwise they must be counted.

Amendment

The 1959 amendment substituted the words "poll-books" for "poll-lists" each time they appear.

23-1703. (776) Where ballots are in excess of names on poll-books. If the ballots then are found to exceed in number the whole number of names on the poll-books, they must be placed in the box (after being purged in the manner above stated), and one of the judges must, publicly, and without looking in the box, draw therefrom singly and destroy unopened so many ballots as are equal to such excess. And the judges must make a record on the poll-books of the number of ballots so destroyed.

Each of the judges must write his name across the seal of each of said envelopes or packages. The ballot box must be returned to the county clerk.

Amendment

The 1963 amendment inserted the words "or a recount is had as provided by law" after "jurisdiction about such election" near the end of the section.

History: En. Sec. 2, Ch. 42, L. 1963.

23-2311. Close vote as ground for recount—petition filed with clerk of court or secretary of state. A recount shall be made under any of the following conditions:

1. When any candidate for any office, position, or nomination which is voted upon only by the electors of one county, or some part thereof, except the office of judge of the district court, is defeated according to the official returns by a margin not exceeding one-fourth of one percent ($\frac{1}{4}$ of 1%) of the total vote cast for all candidates for such office, position, or nomination, or is defeated by a margin not exceeding ten (10) votes, whichever is the greater, he may within five (5) days after completion of the official canvass of the returns file with the county clerk his duly verified petition stating he believes a recount will change the result and

praying for a recount of all votes cast for such office, position, or nomination.

2. Whenever any candidate for any office, position, or nomination which is voted upon in more than one county or for the office of judge of the district court, is defeated according to the official returns by a margin not exceeding one-fourth of one percent ($\frac{1}{4}$ of 1%) of the total vote cast for all candidates for such office, position, or nomination, he may within five (5) days after completion of the official canvass of the returns file a petition with the secretary of state such as set forth in subdivision one (1) of this section. The county clerk, or the secretary of state, as the case may be, shall proceed exactly as if a petition had been duly filed under this act, and the recount shall proceed accordingly. In case of a tie vote found to exist after the recount, such tie vote shall be resolved as provided by existing statutes.

History: En. Sec. 4, Ch. 42, L. 1963.

When the certificate relates to the recount ballots as to an office, nomination, position, or question voted upon in more than one county or for the office of judge of the district court, the certificate shall be made in duplicate, and either the original or duplicate original immediately transmitted to the secretary of state by registered mail. If the recount relates to the recount of ballots as to an office, nomination, position, or question voted upon in only one county, or some part thereof, the county recount board shall immediately re-canvass the returns as corrected by the certificate showing the result of the recount, and make a new and corrected abstract of the votes cast. If such correct abstract shows no change in the result as previously found on the official returns, no further action shall be taken. If there is a change in the result, a new certificate of election or nomination shall be issued to each candidate found to have been elected or nominated.

History: En. Sec. 10, Ch. 42, L. 1963.

The state board of canvassers shall re-convene at the time and place designated and re-canvass the official returns as to such office, nomination, position or question, as corrected by such certificates, and shall make a new and corrected abstract of the votes cast. If such corrected abstract shows no change in the result previously found on the official returns, no further action shall be taken. If there is a change in the result, a new certificate of election or nomination shall be issued in the same manner as the certificate of election or nomination previously issued to each candidate found to have been elected or nominated.

History: En. Sec. 11, Ch. 42, L. 1963.

23-2320. Effect of new certificate of election or nomination. Any certificate of nomination or election issued under the provisions of this act shall have the effect of and shall be recognized as superseding and rendering null and void any certificate of election or nomination previously issued which is inconsistent with the new certificate, and the holder of any certificate of nomination or election issued under this act shall have the same identical rights as if he held the original certificate of nomination or election and no recount had been had.

History: En. Sec. 12, Ch. 42, L. 1963.

The act read: "An act to establish the policy of the state of Montana on protection of fishing streams; providing for submission of plans for construction and hydraulic projects affecting such streams to the Montana fish and game commission and for review of such plans; and providing for arbitration of disagreements between the fish and game commission and the agency proposing such projects.

"Section 1. It is hereby declared to be the policy of the state of Montana that its fish and wildlife resources and particularly the fishing waters within the state are to be protected and preserved to the end that they be available for all time, without change, in their natural existing state except as may be necessary and appropriate after due consideration of all factors involved.

"Section 2. An agency of state government, county, municipality, or other subdivision of the state of Montana, hereafter called applicant, shall not construct, modify, operate, maintain, or fail to maintain, any construction project or hydraulic project which may or will obstruct, damage, diminish, destroy, change, modify, or vary the natural existing shape and form of any stream or its banks or tributaries by any type or form of construction without first causing notice of such planned construction to be served upon the Montana fish and game commission, on forms furnished by the fish and game commission as soon as preliminary plans are completed, but not less than sixty (60) days prior to commencement of final plans for construction. Such notice shall include detailed plans and specifications of so much of said project as may or will affect in any manner specified above any such stream.

"Section 3. The commission shall promptly examine and investigate all such plans. Should the commission determine the plans and specifications furnished with any such application technically insufficient the commission shall so notify the applicant, and may render aid in preparing adequate plans and specifications.

"Section 4. Within thirty (30) days after the receipt of such plans, the commission shall notify the applicant whether or not such construction project or hydraulic project will adversely affect any

fish or game habitat. If the fish and game commission notifies the applicant that such construction will adversely affect any fish or game habitat, it shall accompany such notice with recommendations or alternative plans which will eliminate or diminish such adverse effect.

"Section 5. (1) If the fish and game commission notifies the applicant that the construction will adversely affect fish or game habitat, the applicant, within fifteen (15) days after receiving the recommendations and alternatives of the fish and game commission, shall notify the fish and game commission if it refuses to modify its plans in accordance with such recommendations or alternatives. In the event of such refusal, the disagreement shall be arbitrated as provided in subsection (2) of this section.

"(2) Upon receipt of such notice of refusal, the fish and game commission shall immediately determine if it wants the disagreement subjected to arbitration. Within five (5) days after appointment of such arbitrators, said arbitrators shall agree upon a third person who shall have no connection with either the agency involved or the Montana fish and game department, and these three (3) persons shall be considered the board of arbitration. Within ten (10) days after such board is designated, the arbitration board shall meet, hear testimony and issue a decision signed by at least two members of the arbitration board. All other expenses of arbitration shall be borne by the fish and game department.

"Section 6. This act shall not operate or be so construed as to impair, diminish, divest, or control any existing or vested water rights under the laws of the state of Montana or the United States, or in emergencies such as floods, ice jams or other conditions causing emergency handling.

"Section 7. This act shall not apply to any state water conservation board irrigation project presently operating, or that may be constructed in the future or to

(3) It shall be the duty of any sheriff of any county of the state, when requested to do so by the board, to execute any summons, citations or notice which the board may cause to be issued, for which such sheriff shall be authorized to charge the same fee against the funds provided for the milk control board as he might lawfully charge for the same service of such a document if issued from any district court of the state of Montana. Any person, other than a dealer who is cited for violation of the provisions of this act, or cited to show cause why his license should not be revoked, shall receive for his attendance before the milk control board or its duly designated agent the same compensation as is provided for a witness subpoenaed to appear before the district court, which shall be charged against the funds provided for the operation of the milk control board.

(4) Any duly designated agent of the board may administer oath to witnesses, may call and give notice of price hearings when the board is not in session and may conduct hearings or investigations and any such duly designated agent of the board may sign and issue subpoenas requiring witnesses to appear before him or the board, and in addition to the manner provided above for the execution of subpoenas, summons and citations issued by the milk control board to witnesses or dealers, the board, through its designated agent shall have the power to serve said subpoenas, summons or citations upon any person by sending a copy of such subpoena, summons or citation, through the United States mail, postage prepaid, which said mail shall be registered with return receipt attached and such service shall be complete when said registered mail shall be delivered to said person and such receipt returned to the board or its designated agent, signed by the person sought to be summoned,

(2) beginning with the words "or who cannot otherwise appear"; inserted the words "may call and give notice of price hearings when the board is not in session" near the beginning of subd. (4), and substituted the end of that subdivision relating to enforcement of compliance with a summons, citation, or subpoena, for the former provision, for text of which see the parent volume.

Action for Unpaid Fees

Under section 27-424 the milk control board could maintain an action against a dairy operator for unpaid license and assessment fees imposed upon him by the board between 1958 and 1960 without putting the dairy operator out of business by using the provisions of section 27-411 or subjecting him to the penal provisions of section 27-422. *Montana Milk Control Board v. (b) The board shall have the power, from time to time and at its discretion, to adjust and alter the boundaries of natural marketing areas after they have been established, if after a hearing upon notice of at least thirty (30) days to all interested parties it finds and orders such adjustment to be in the public interest.

Minimum Prices

27-407. Orders fixing minimum prices. Prior to the fixing of prices in any market the board shall conduct a public hearing and admit evidence under oath relative to the matters of its inquiry, at which hearing the consuming public shall be entitled to offer evidence and be heard the same as persons engaged in the milk industry. The board shall by means of such hearing or from facts within its own knowledge, investigate and determine what are reasonable costs and charges for producing, hauling, handling, processing, and/or other services performed in respect to milk and what prices for milk in the several localities and markets of the state, and under varying conditions, will best protect the milk industry in the state and insure a sufficient quantity of pure and wholesome milk to adults and minors in the state, and be most in the public interest.

The board shall take into consideration the balance between production and consumption of milk, the costs of production and distribution, and prices in adjacent and neighboring areas and states, so that minimum prices which are fair and equitable to producers, distributors and consumers may result.

The board shall, at least ten (10) days prior to the date set for any public hearing on minimum prices, cause notice to be given to the consuming public and the milk industry of the specific factors which shall be taken into consideration in determining costs of production and distribution and of the actual dollars and cents costs of production and distribution which preliminary studies and investigations of auditors or accountants in its employment indicate will or should be shown at the hearing, so that all interested parties will have opportunity to be heard and to question or rebut such considerations as a matter of record.

If the board at any time proposes to base all or any part of any official order fixing minimum prices upon facts within its own knowledge, as distinguished from evidence which may be presented to it at a public hearing by the consuming public or the milk industry, the board shall, at least ten (10) days prior to the date set for any public hearing on minimum prices, cause notice to be given to the consuming public and the milk industry of the specific facts within its own knowledge which it will consider, so that all interested parties will have opportunity to be heard and to question or rebut such facts as a matter of record.

The board, after consideration of the evidence produced at such hearing, shall make written findings and conclusions and shall fix by official order:

(a) The minimum prices to be paid by the milk dealers to producers and others for milk. Each order fixing minimum prices shall classify milk by forms, classes, grades or uses as the board may deem advisable and shall specify the minimum prices therefor.

The milk produced in one natural marketing area and sold in another natural marketing area shall be paid for by a distributor or dealer in accordance with the pricing order of the area where produced at the price therein specified of the class or use in which it is ultimately used or sold.

No allowance for freight, other than freight for transportation of milk from the farm to plant, shall be charged to a producer by a distributor or dealer unless it is found and ordered by the board, after notice and hearing in the manner hereinbefore specified, that such an additional freight allowance is necessary to permit the movement of milk in the public interest.

All milk purchased within a natural marketing area by a distributor shall be purchased on a uniform basis of either butterfat or hundred-weight. The basis to be used shall be established by the board after the producers and the distributors of the area have been consulted.

(b) The minimum wholesale prices to be charged for milk in its various forms, classes, grades, and uses when sold by distributors or producer-distributors to retail stores, restaurants, boarding houses, fraternities, sororities, confectioneries, public and private schools, including colleges and universities, and both public and private institutions and instrumentalities of all types and description.

(c) The minimum retail prices to be charged for milk in its various forms, classes, grades and uses when sold by distributors, producer-distributors, and retail stores to consumers.

A minimum producer, wholesale or retail price to be charged for milk shall not be fixed higher than is necessary to cover the costs of ordinarily efficient and economical milk dealers, including a reasonable return upon necessary investment.

The board may, upon its own motion, or upon application in writing from any market, or from any party at interest, alter, revise or amend any official order theretofore made by the board provided that before making, revising, or amending any order fixing prices to be charged or paid for milk in any of its forms, classes, grades or uses, the board shall hold a public hearing on such matter in the same manner provided herein for the original fixing of prices.

Constitutionality

Since the legislature of Montana in enacting this statute acted in the exercise of its police power to supervise the milk industry, Art. 15, sec. 20, Montana constitution has no application. *Montana Milk Control Board v. Rehberg*, — M —, 376 P 2d 508, 514.

The price-fixing provisions of this section do not offend due process and do not unconstitutionally delegate legislative power. *Montana Milk Control Board v. Rehberg*, — M —, 376 P 2d 508, 514, 515.

Authority for Institution of Proceedings

Petition disclosed that "unanimous consent of all members of the board" had been had prior to the institution of the proceeding as required by section 27-424, where the petition states that the execu-

tive secretary of the board "as such administrative officer, has the authority of said board to institute this action on their behalf under the provisions of R. C. M. 1947, § 27-424." *State ex rel. Montana Milk Control Board v. District Court*, 138 M 179, 355 P 2d 664, 666.

Facts to be Noticed by Board

If the milk control board proposes to base any part of an official order fixing minimum prices upon facts within its own knowledge it must give notice of the specific facts which it will consider. *State ex rel. Montana Milk Control Board v. District Court*, 138 M 179, 355 P 2d 664, 669.

Retail Price

Where retail price charged for some of the milk is more than twice the price paid by the distributor to the producer there is a violation of the statute. *Heimbichner v. Montana Milk Control Board*, 134 M 366, 332 P 2d 922, 923.

DECISIONS UNDER FORMER LAW

Price to Schools

A complaint filed by the milk control board charging creamery with selling milk to public and private schools at less than price designated by its official order issued in 1957 failed to state a cause of action as the board had no

authority under the law as it existed prior to the 1959 amendment to regulate the price of milk sold to schools. *Montana Milk Control Board v. Community Creamery Co.*, 139 M 523, 366 P 2d 151, 153.

27-408. Licenses to producers, producer-distributors, and distributors.

Application of Section

License fee exacted by this section and section 27-409 applies to milk which is ultimately sold by a distributor outside an established market area. *Heimbichner v. Montana Milk Control Board*, 134 M 366, 332 P 2d 922, 924.

Collection of License Fees

Board may collect license fees based on the whole volume of milk sold by producer whether within a certain marketing area or anywhere else within the state of Montana. *Heimbichner v. Montana Milk Control Board*, 134 M 366, 332 P 2d 922, 925.

27-409. Licenses—disposition of income. No producer, producer-distributor, or distributor shall engage in the business of producing or selling milk subject to this act in this state without first having obtained a license from the Montana livestock sanitary board and without being licensed under this act by the milk control board. The annual fee for such license from the milk control board shall be two dollars (\$2.00), shall be due and payable on or before the first day of July, commencing in the year 1959 and shall be deposited by said board to the credit of the general fund.

In addition to said annual license fee, the board shall, in each year, on or before the first day of April, for the purpose of securing funds to administer and enforce this act, levy an assessment upon producers, producer-distributors, and distributors as follows:

(a) A fee of not more than five cents (5¢) per hundred weight on the total volume of all milk subject to this act produced and sold by a producer-distributor.

(b) A fee of not more than two and one-half cents (2½¢) per hundred weight on the total volume of all milk subject to this act sold by a producer.

(c) A fee of not more than two and one-half cents (2½¢) per hundred weight on the total volume of all milk subject to this act sold by a distributor, excepting that which is sold to another distributor.

Said assessment upon producer-distributors, producers, and distributors shall be paid quarterly on or before the fifteenth (15th) day of July, October, January and April of each year, commencing in July of 1959, and the amount of such assessment shall be computed by applying the fee designated by the board to the volume of milk sold in the calendar quarter immediately preceding.

Failure of any producer, producer-distributor, or distributor to pay said assessment when due shall constitute violation of this act and his license under this act shall thereupon automatically terminate and be null and void and of no effect. Reinstatement of a license so terminated shall be effected by payment of a delinquency fee equal to thirty per cent (30%) of the assessment which was due.

All assessments hereinbefore required to be paid shall be deposited by the milk control board in the earmarked revenue fund; and all costs of administering this act, including the salaries of employees and assistants, per diem and expenses of board members, and all other disbursements necessary to carry out the purpose of this act, shall be paid out of milk control board moneys in such fund.

The rates of assessment above provided are maximum rates, and the board may, if it finds the costs of administering and enforcing this act can be derived from lower rates, fix the rates at a less amount on or before the first day of April in any year.

Amendments

The 1959 amendment completely rewrote this section. For section prior to amendment see parent volume.

The 1963 amendment substituted "the earmarked revenue fund" for "a special fund which is hereby created and is designated the state milk control fund" in the fifth paragraph; and substituted "board moneys in such fund" for "said state milk control fund" at the end of the fifth paragraph.

Application of Section

License fee exacted by this section and section 27-408 applies to milk which is ultimately sold by a distributor outside an established market area. *Heimbichner v. Montana Milk Control Board*, 134 M 366, 332 P 2d 922, 924.

Collection of License Fees

Board may collect fees based on the

whole volume of milk sold by producer whether within a certain marketing area or anywhere else within the state of Montana. *Heimbichner v. Montana Milk Control Board*, 134 M 366, 332 P 2d 922, 925.

27-410. Application for licenses. An applicant for license to operate as a producer, producer-distributor, or distributor shall file a signed application upon a blank prepared under authority of the board, and an applicant shall state such facts concerning his circumstances and the nature of the business to be conducted as in the opinion of the board are necessary for the administration of this act. Such application shall certify the applicant to be the holder of all licenses required by the Montana livestock sanitary board for the conduct of his business and such application shall be accompanied by the license fee required to be paid.

27-411. Declining, suspending and revoking licenses.**Action for Unpaid Fees**

Under section 27-424 the milk control board could maintain an action against a dairy operator for unpaid license and assessment fees imposed upon him by the board between 1958 and 1960 with-

27-414. Rules of fair trade practices. In addition to the general and special powers heretofore set forth, the board shall have the power to make and formulate reasonable rules and regulations governing fair trade practices as they pertain to the transaction of business among licensees under this act and among licensees and the general public. Such reasonable rules and regulations governing fair trade practices shall contain, but shall not be limited to, provisions regarding the following methods of doing business which are hereby declared unfair, unlawful, and not in the public interest:

(a) The payment, allowance, or acceptance of secret rebates, secret refunds, or unearned discounts by any person, whether in the form of money or otherwise.

Amendment

The 1959 amendment substituted "and among licensees and the general public" for "within that market" and added everything thereafter in this section.

Preparation of Rules and Regulations

This section was not intended to stand independently, but rather as a mandatory guide for the milk control board in preparing its rules and regulations. *Montana Milk Control Board v. Community Creamery Co.*, 139 M 523, 366 P 2d 151, 153.

Regulations promulgated by the milk control board governing unfair trade practices were invalid where they failed to encompass all five of the unfair methods of doing business which the legislature expressly stated should be contained in their rules and regulations. *Montana*

Validity of Rules and Regulations

Rules and regulations governing unfair trade practices adopted by the milk control board were invalid where they were not in accordance with the delegated authority of the board. *Montana Milk Control Board v. Community Creamery Co.*, 139 M 523, 366 P 2d 151, 154.

Violation of Fair Trade Practices

A violation of fair trade occurs when a party violates properly promulgated rules and regulations of the milk control board, enacted pursuant to this section. *Montana Milk Control Board v. Community Creamery Co.*, 139 M 523, 366 P 2d 151, 153.

27-416. Reports of dealers—accounting system—records. The board shall have the power to require all persons holding licenses under it to file with the board such reports at such reasonable or regular time as the board may require, showing such person's production, sale, or distribution of milk, and any information deemed by the board necessary which pertains to the production, sale or distribution of such milk, either under oath or otherwise, as the board may direct, and failure or refusal to file such reports when directed to do so by the board or its duly designated agent shall constitute grounds for the revocation of such person's license and shall constitute a violation for which such person may be fined as hereinafter provided, one or both, at the discretion of the board.

The board shall adopt a uniform system of accounting to be used by the distributor to account for the usage of all milk received by the distributor.

Every distributor and producer-distributor shall keep the following records:

(a) A record of all milk, cream or dairy products received, detailed as to location, names and addresses of suppliers, prices paid, and deductions or charges made, and the use to which such milk or cream was put.

(b) A record of the quantity of each kind of milk or dairy product manufactured and the quantity and price of milk or dairy products sold.

Maier*, — M —, 367 P 2d 305, 307.

Facts to be Noticed

If the milk control board proposes to base any part of an official order fixing

minimum prices upon facts within its own knowledge it must give notice of the specific facts which it will consider. *State ex rel. Montana Milk Control Board v. District Court*, 138 M 179, 355 P 2d 664, 669.

Unanimous Consent of Board

Petition disclosed that "unanimous consent of all members of the board" had been had prior to the institution of the proceeding as required by this section, where the petition states that executive secretary of the board "as such administrative officer, has the authority of said board to institute this action on their own behalf under the provisions of R. C. M. 1947, § 27-424." *State ex rel. Montana Milk Control Board v. District Court*, 138 M 179, 355 P 2d 664, 666.

27-426. Bonds required of distributors—amounts—forms and conditions. Every distributor before purchasing any milk from a producer shall execute and deliver to the milk control board a surety bond in the minimum sum of one thousand dollars (\$1000.00), executed by the applicant as principal and by a surety company qualified and authorized to do business in this state as surety. Said bond shall be upon a form approved by the board, and shall be conditioned upon the payment in the manner required by this act, of all amounts due to producers for milk purchased by such licensee or applicant during the license year. Said bond shall be to the state in favor of every producer of milk. In case of failure by a distributor to pay any producer or producers for milk in the manner required by this act, the board shall proceed forthwith to ascertain the names and addresses of all producer-creditors of such distributor, together with the amounts due and owing to them and each of them by such distributor, and shall request all such producer-creditors to file a verified statement of their respective claims with the board. Thereupon the board shall bring an action on the bond on behalf of said producer-creditors. Upon any action being commenced upon said bond, the board may require the filing of a new bond; and immediately upon a recovery in any action upon such bond, such distributor shall file a new bond; and upon failure to file same within ten (10) days in either case, such failure shall constitute grounds for the revocation or suspension of the license of such distributor. In the event that recovery upon the bond is not

sufficient to pay all of the claims as finally determined and adjudged by the court, any such amount recovered shall be divided pro rata among said producer-creditors.

The minimum bond of one thousand dollars (\$1000.00) shall be required of distributors purchasing an average daily quantity of milk of less than one hundred gallons; distributors purchasing an average daily quantity of one hundred gallons and less than two hundred gallons during any calendar month during a license year shall post a bond in the amount of two thousand dollars (\$2000.00); distributors purchasing an average daily quantity of two hundred gallons and less than three hundred gallons during any calendar month during a license year shall post a bond in the amount of three thousand dollars (\$3000.00); distributors purchasing an average daily quantity of three hundred gallons or more during any calendar month during a license year shall post a bond in the sum of five thousand dollars (\$5000.00).

In the event that any distributor so increases his purchases of milk during the license year that said purchases exceed the amount for which said distributor is bonded, said distributor shall forthwith post such additional bond or bonds as may be required to comply with the provisions of this section.

Failure of any distributor who purchases milk from producers to execute and deliver the bond as herein provided and required shall constitute a violation of this act; failure of any such distributor to post such additional bond or bonds as may be required to comply with the provisions of this act shall likewise constitute a violation of this act.

History: En. Sec. 10, Ch. 192, L. 1959.

27-427. Local advisory boards. Whenever a public hearing is scheduled by the milk control board in any marketing area for the purpose of fixing prices, the board shall, at least ten (10) days prior to the date set for such hearing, appoint a local advisory board, the function of which shall be to assist and advise the milk control board in matters pertaining to the production and marketing of milk in said marketing area. The local advisory board shall consist of two producers and two distributors, who are respectively actively engaged in milk production and distribution in the area. Such local advisory board shall meet with the milk control board at the call of the milk control board before, during, or after such public hearing to fix prices; and a verbatim transcript of all matters and things discussed by the milk control board with such local advisory board at all such conferences or meetings shall be prepared and shall be considered a part of the record of the hearing. The members of such local advisory board shall serve without pay, but in case conferences or meetings with the milk control board are held outside of the marketing area in which they produce or distribute milk they shall be entitled to receive actual and necessary expenses incurred in attending such meetings or conferences. In no event shall there be more than three meetings or conferences between the milk control board and such local advisory board; and in all events such local advisory board shall cease to exist when the milk control board

promulgates its decision or order fixing prices following the public hearing heretofore mentioned.

History: En. Sec. 11, Ch. 192, L. 1959.

27-428. Judicial review of orders. Any person or persons, jointly or severally, aggrieved by any decision or order of the milk control board may present to a court of record a petition, duly verified, setting forth that such decision or order is illegal, in whole or in part, specifying the grounds of the illegality. Such petition shall be presented to the court within twenty (20) days after the filing and posting of the decision or order in the office of the board as required by section 27-413 of the Revised Codes of Montana of 1947.

Upon presentation of such petition, the court may allow a writ of certiorari directed to the board to review such decision or order of the board and shall prescribe therein the time within which a return thereto must be made to the court and served upon the relator's attorney, which shall not be less than ten (10) days and may be extended by the court. The writ shall command the board to certify fully to the court, at a specified time and place, a transcript of the record and proceedings, describing or referring to them with convenient certainty; that the same may be reviewed by the court, and may command the board to desist from further proceedings in the matter to be reviewed.

The board shall not be required to return the original papers acted upon by it, but it shall be sufficient for the board to return certified or sworn copies thereof, or of such portions thereof, as may be called for by such writ.

If, upon the hearing, it shall appear to the court that testimony is necessary for the proper disposition of the matter, it may take evidence or appoint a referee to take such evidence as it may direct and report the same to the court with his findings of fact and conclusions of law, which shall constitute a part of the proceedings upon which the determination of the court shall be made.

When any such writ is granted, the cause shall have precedence upon the calendar of the court, and judgment and decree shall be entered therein as expeditiously as possible. The court shall affirm, modify, or reverse the decision or order of the board in accordance with law.

History: En. Sec. 12, Ch. 192, L. 1959.

27-429. Service of process upon board. When any petition or complaint is filed in any court naming the milk control board as a party, process may be served upon said board by delivering to, and leaving with, the executive secretary of said board, at his office, at the state capitol, a true copy of the summons, writ, or order, as the case may be, and a true copy of the complaint, petition, or application upon which such summons, writ, or order was based. In case of the absence of the executive secretary from his office, the assistants, clerks, auditors, accountants, or other personnel in his said office shall accept and receipt for such service.

History: En. Sec. 13, Ch. 192, L. 1959.

Separability Clause

Section 15 of Ch. 192, Laws 1959 read
"If any section, subdivision, sentence or

word of this act shall be determined by a court of competent jurisdiction to be unconstitutional or inoperative, such determination shall not affect the remaining portions of this act."

Repealing Clauses

Section 14 of Ch. 192, Laws 1959 read "Section 27-412 and section 27-419 of the Revised Codes of Montana of 1947, shall be, and the same are, hereby repealed."

Section 16 of Ch. 192, Laws 1959 repealed all acts and parts of acts in conflict therewith.

Effective Date

Section 17 of Ch. 192, Laws 1959 provided the act should be in effect from and after its passage and approval. Approved March 9, 1959.

(b) To create organized forest fire protection districts; provided, however that before such district be created the board shall hold a hearing in any county in which such proposed district or a part thereof shall be included and shall give notice of such hearing at least twenty (20) days in advance thereof to all owners to be affected by such proposed district; service of such notice may be made by registered or certified mail or by publication in a newspaper published in the county in which such hearing is to be held, and if no newspaper is published in such county then in a newspaper having a general circulation therein; provided, further, that no forest fire protection district may be created unless approved in writing by vote of not less than seventy-five per cent (75%) of the owners representing at least fifty-one per cent (51%) of the acreage to be involved in such proposed forest fire protection district.

31-163. Driver license compact enacted—text. This act shall be known and may be cited as the "Driver License Compact."

ARTICLE I—FINDINGS AND DECLARATION OF POLICY

(a) The party states find that:

(1) The safety of their streets and highways is materially affected by the degree of compliance with state laws and local ordinances relating to the operation of motor vehicles.

(2) Violation of such a law or ordinance is evidence that the violator engages in conduct which is likely to endanger the safety of persons and property.

(3) The continuance in force of a license to drive is predicated upon compliance with laws and ordinances relating to the operation of motor vehicles, in whichever jurisdiction the vehicle is operated.

(b) It is the policy of each of the party states to:

(1) Promote compliance with the laws, ordinances, and administrative rules and regulations relating to the operation of motor vehicles by their operators in each of the jurisdictions where such operators drive motor vehicles.

(2) Make the reciprocal recognition of licenses to drive and eligibility therefor more just and equitable by considering the over-all compliance with motor vehicle laws, ordinances and administrative rules and regulations as a condition precedent to the continuance or issuance of any license by reason of which the licensee is authorized or permitted to operate a motor vehicle in any of the party states.

ARTICLE II—DEFINITIONS

As used in this compact:

(a) "State" means a state, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

(b) "Home state" means the state which has issued and has the power to suspend or revoke the use of the license or permit to operate a motor vehicle.

(c) "Conviction" means a conviction of any offense related to the use or operation of a motor vehicle which is prohibited by state law, municipal ordinance or administrative rule or regulation, or a forfeiture of bail, bond or other security deposited to secure appearance by a person charged with having committed any such offense, and which conviction or forfeiture is required to be reported to the licensing authority.

ARTICLE III—REPORTS OF CONVICTION

The licensing authority of a party state shall report each conviction of a person from another party state occurring within its jurisdiction to the licensing authority of the home state of the licensee. Such report shall clearly identify the person convicted; describe the violation specifying the section of the statute, code or ordinance violated; identify the court in which action was taken; indicate whether a plea of guilty or not guilty was entered, or the conviction was a result of the forfeiture of bail, bond or other security; and shall include any special findings made in connection therewith.

ARTICLE IV—EFFECT OF CONVICTION

(a) The licensing authority in the home state, for the purposes of suspension, revocation or limitation of the license to operate a motor vehicle, shall give the same effect to the conduct reported, pursuant to Article III of this compact, as it would if such conduct had occurred in the home state, in the case of convictions for:

(1) Manslaughter or negligent homicide resulting from the operation of a motor vehicle;

(2) Driving a motor vehicle while under the influence of intoxicating liquor or a narcotic drug, or under the influence of any other drug to a degree which renders the driver incapable of safely driving a motor vehicle;

(3) Any felony in the commission of which a motor vehicle is used;

(4) Failure to stop and render aid in the event of a motor vehicle accident resulting in the death or personal injury of another.

(b) As to other convictions, reported pursuant to Article III, the licensing authority in the home state shall give such effect to the conduct as is provided by the laws of the home state.

(c) If the laws of a party state do not provide for offenses or violations denominated or described in precisely the words employed in subdivision (a) of this article, such party state shall construe the denominations and descriptions appearing in subdivision (a) hereof as being applica-

ble to and identifying those offenses or violations of a substantially similar nature, and the laws of such party state shall contain such provisions as may be necessary to ensure that full force and effect is given to this article.

ARTICLE V—APPLICATIONS FOR NEW LICENSES

Upon application for a license to drive, the licensing authority in a party state shall ascertain whether the applicant has ever held, or is the holder of a license to drive issued by any other party state. The licensing authority in the state where application is made shall not issue a license to drive to the applicant if:

(1) The applicant has held such a license, but the same has been suspended by reason, in whole or in part, of a violation and if such suspension period has not terminated.

(2) The applicant has held such a license, but the same has been revoked by reason, in whole or in part, of a violation and if such revocation has not terminated, except that after the expiration of one year from the date the license was revoked, such person may make application for a new license if permitted by law. The licensing authority may refuse to issue a license to any such applicant if, after investigation, the licensing authority determines that it will not be safe to grant to such person the privilege of driving a motor vehicle on the public highways.

(3) The applicant is the holder of a license to drive issued by another party state and currently in force unless the applicant surrenders such license.

ARTICLE VI—APPLICABILITY OF OTHER LAWS

Except as expressly required by provisions of this compact, nothing contained herein shall be construed to affect the right of any party state to apply any of its other laws relating to licenses to drive to any person or circumstance, nor to invalidate or prevent any driver license agreement or other co-operative arrangement between a party state and a nonparty state.

ARTICLE VII—COMPACT ADMINISTRATOR AND INTERCHANGE OF INFORMATION

(a) The head of the licensing authority of each party state shall be the administrator of this compact for his state. The administrators, acting jointly, shall have the power to formulate all necessary and proper procedures for the exchange of information under this compact.

(b) The administrator of each party state shall furnish to the administrator of each other party state any information or documents reasonably necessary to facilitate the administration of this compact.

ARTICLE VIII—ENTRY INTO FORCE AND WITHDRAWAL

(a) This compact shall enter into force and become effective as to any state when it has enacted the same into law.

(b) Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until six (6) months after the executive head of the withdrawing state has given notice of the withdrawal to the executive heads of all other party states. No withdrawal shall affect the validity or applicability by the licensing authorities of states remaining party to the compact of any report of conviction occurring prior to the withdrawal.

ARTICLE IX—CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

CHAPTER 16—STATE HIGHWAY COMMISSION AND HIGHWAY ENGINEER—POWERS AND DUTIES

Section 32-1615. Rights of way, and other properties, how procured.

32-1615.2. Description and plan of new or controlled access highway or facility—recording.

32-1615.3. Buildings and improvements not compensable—with exceptions.

32-1619. Disposition of state highway moneys.

32-1626. Lewis and Clark highway—routes comprising.

32-1615. (1797) Rights of way, and other properties, how procured.

The state highway commission shall have the power and authority to lay out, alter, construct, improve and maintain highways in the state of Montana.

Notwithstanding any other provision of law, the state highway commission shall have the power and authority to acquire, by purchase or any other lawful manner, either in fee or in any lesser estate or interest, any lands or other real property, excluding oil, gas and mineral rights, which it deems reasonably necessary for present or future state highway purposes. The acquisition of such lands or real property, or interest therein, for such purposes includes, but is not limited to, that which is deemed reasonably necessary by the state highway commission, for any of the following purposes:

(a) For rights of way, including those necessary for state highways within cities.

(b) For the purposes of exchanging the same for other real property to be used for rights of way or other purposes authorized herein, provided that the same shall not be acquired for such a purpose by condemnation procedures.

(c) For deposits of road building materials for reasonably foreseeable future road building purposes and uses, including rock, gravel, sand or earth; provided however that the right of eminent domain shall not be available for the acquisition of any such deposits of road building materials which may then constitute a component part of an existing private business enterprise.

(d) For offices, weighing stations, shops or storage yards, buildings, rest areas, informational sites or communication facilities.

(e) Parks adjoining or near any state highway, provided that the same shall not be acquired for such a purpose by condemnation procedures.

(f) For the culture and support of trees or shrubs which benefit any state highway by aiding in the maintenance and preservation of the roadbed.

(g) For drainage in connection with any state highway.

(h) For the maintenance of any unobstructed view of any portion of a state highway so as to promote the safety of the traveling public.

(i) For the construction and maintenance of stock lanes or trails.

(j) For the construction and maintenance or replacement of private or public irrigation systems, private or public drainage systems, or natural water or drainage courses made necessary by highway construction.

(k) For providing land or other real property easements or rights of way for necessary relocation of existing utilities, utility easements or other easements for facilities or purposes then in place, or in effect, upon a proposed right of way.

Whenever it shall be deemed necessary by the commission to secure lands or other real property, or rights therein, as herein provided, and

the same cannot be acquired by purchase at a price or cost which is deemed reasonable by the commission, the commission may direct the attorney general or any county attorney in any county in the state to procure the lands or other real property by proceedings to be instituted in the manner as provided in sections 93-9901 to 93-9926 against all nonaccepting landholders.

The commission may not so direct the attorney general or any county attorney to procure rights of way, easements, lands or other real property as hereinbefore provided, unless the commission first adopts a resolution declaring that public interest and necessity require the construction or completion by the state, of the highway or improvement, for one of the purposes set forth in this section, and that the rights of way, easements, lands or other real property, or interest therein, described in such resolution and sought to be condemned is necessary for the improvement and that the same is planned and located in a manner which will be most compatible with the greatest public good and the least private injury.

Such resolution of the commission shall create and establish a disputable presumption of the public necessity of such proposed public improvement; that the taking of such rights of way, easements, lands or other real property or interests therein, and the amount thereof, is necessary therefor; and that the proposed public improvement is planned or located in a manner which will be most compatible with the greatest public good and the least private injury.

Whenever a part of a parcel of land or other real property is to be taken for state highway purposes and the remainder is to be left in such shape or condition as to be of little market value or to give rise to claims or litigation concerning severance or other damage, the state highway commission may acquire the whole parcel and sell the remainder or exchange the same for other property needed for state highway purposes.

Whenever a part or parcel of land is taken for state highway purposes in such a shape or size as to come under the provisions set forth in section 11-614, R.C.M. 1947, the highway commission shall prepare and file in the office of the county clerk and recorder of the county in which said land lies, the required plat.

The authority conferred by this chapter to acquire rights of way, easements, lands or other real property and interest therein for state highway purposes includes authority to acquire for reasonably foreseeable future needs. The state highway commission is authorized to lease unused portions of any lands which are held for state highway purposes and interstate rights of way which are not presently needed for highway purposes on such terms and conditions as the state highway commission may fix and to maintain and care for such property in order to secure rent therefrom. All rent so received shall be deposited in the state highway fund.

The acquisition of any right of way or easement by the state highway commission for construction, operation, repair, reconstruction, or maintenance of state highways shall include, among other rights, the right to use, remove, relocate, redistribute or otherwise dispose of any and all

gravel or other road building materials, found or located within the boundaries of such rights of way or easements and such gravel or materials shall be deemed real property for the purposes of this act.

History: En. Sec. 15, Ch. 10, Ex. L. 1921; re-en. Sec. 1797, R. C. M. 1921; amd. Sec. 1, Ch. 180, L. 1961; amd. Sec. 1, Ch. 91, L. 1963.

Amendment

The 1963 amendment inserted the third paragraph from the end (the paragraph referring to section 11-614).

Rental of Unused Right of Way

The 1961 amendment of this section so as to give express authority for the rental of unused right of way rendered moot a taxpayers' action to restrain the highway commission from granting an encroachment permit, where there was no indica-

tion that the permit, when granted, would violate the terms of the statutory amendment. *Wilson v. State Highway Commission*, — M —, 370 P 2d 486, 488.

Transfer of Land

Any manner of transferring unused highway right of way which is inconsistent with this section is by implication excluded. *Wilson v. State Highway Commission*, — M —, 370 P 2d 486, 488.

The state highway commission cannot give away or loan gratuitously the use of an unused highway right of way. *Wilson v. State Highway Commission*, — M —, 370 P 2d 486, 488.

32-1615.2. Description and plan of new or controlled access highway or facility—recording. Whenever the state highway commission shall definitely establish the location, width and lines of any new or proposed highway, or declare any road, street or highway, as a controlled access facility, it shall cause the description and plan of any such highway or facility to be made, showing the center line of said highway and the established width thereof and attach thereto a certified copy of the resolution of the state highway commission establishing such location, and thereupon such description, plan and resolution shall be recorded in the office of the county clerk and recorder of the proper county in a separate book kept for such purposes, which shall be furnished to the county clerk and recorder of such county by the state highway commission at the expense of the state.

History: En. Sec. 1, Ch. 143, L. 1963.

Title of Act

An act to authorize the recording of locations of new highways or controlled access facilities by the state highway commission; providing that improvements, buildings or subdivisions placed upon said

lands within the limits of such location may not be taken into consideration for the purpose of assessing compensation for such lands; repealing all acts or parts of acts in conflict herewith; and providing that this act shall be effective from the date of its passage and approval.

32-1615.3. Buildings and improvements not compensable—with exceptions. No consideration, allowance or assessment of values or compensation shall be had in the purchase or condemnation of any buildings or improvements or subdivisions thereafter made upon the above described lands placed or erected within the limits of any such highway or facility, the location, width and lines of which have been established and recorded; provided, that the establishment of any highway location as set forth in section (1) [32-1615.2] hereof shall be ineffective after one year from the filing thereof if no action to condemn or acquire the property within said limits has been commenced within said time. This act shall not apply to crops or similar improvements planted on such lands. Such improvements shall be governed by section 93-9913, Revised Codes of Montana for 1947.

All moneys received for the use and purpose of the state highway commission from the receipt or transfer of motor vehicle license fees, as provided by law, or from other state sources shall be deposited in the earmarked revenue fund to the credit of the state highway commission. Any reference to the state highway fund in this code shall be taken to mean the state highway account in the earmarked revenue fund. All moneys received from the counties, and from the federal government or other agencies shall be deposited in the federal and private revenue fund to the credit of the state highway commission. Hereafter all moneys collected for the state highway commission as authorized by law shall be credited to such fund or funds by the state treasurer.

(b) "Controlled access highway" means all portions of any interstate highway, throughway or public road or street within a throughway intersection area which the state highway commission shall determine and designate for through traffic, over, from or to which owners or occupants of abutting land or other persons have no easement of access or only a limited easement of access, light, air or view, by reason of the fact that the property abuts upon such road, street or highway, or for any other reason, and shall further include those portions of spurs to the interstate highway system which the state highway commission shall determine and designate as unsafe or impeded by unrestricted access of traffic from intersecting streets or alleys or public or private roads or ways of passage.

(c) "Controlled access facility" means and includes all streets, alleys, public roads, private roads and ways of passage intersecting any controlled access highway and all real property contiguous to the right of way of any controlled access highway.

board of commissioners of the county within the boundaries of which such area may be located; any such petition to be filed with the state highway commission and, once filed, to be irrevocable except upon concurrence of the state highway commission. Such resolution shall contain a statement of the reasons for the adoption thereof, and shall set forth the location, distance and termini of the portion of the highway designated as a controlled access highway.

No incorporated city or town street, county or state highway, or other public way shall be opened into or connected with any such controlled access highway or controlled access facility without the consent and previous approval of the

highway authority in the state, county, incorporated city or town having jurisdiction over such controlled access highway or controlled access facility. Provided, however, that the state highway commission may, whenever it determines that traffic is not thereby impeded and that public safety is not thereby impaired, authorize the continued intersection at grade of lightly traveled farm entrances and minor public roads as ways of access to controlled access highways in sparsely populated rural areas; and provided further that, as to interstate highways and throughways, the state highway commission shall have the sole jurisdiction to determine the existence and location of any intersection therewith.

8, Section 1, section 93-301 to 93-321 inclusive, Revised Codes of Montana, 1947, and acts amendatory and relating thereto, including the right of disqualification of judges of courts of conciliation.

36-202. Purposes—definitions—where applicable. (1) Purposes. The purposes of this chapter are to protect the rights of children and to promote the public welfare by preserving, promoting, and protecting family life and the institution of matrimony, and to provide means for the reconciliation of spouses and the amicable settlement of domestic and family controversies.

(2) Definitions. As used in this chapter "shall" is mandatory and "may" is permissive.

(3) Applicability of the Law—Determination by District Court. The provisions of this chapter shall be applicable only in counties in which the district court determines that the social conditions in the county and the number of domestic relations cases in the courts render the procedures herein provided necessary to the full and proper consideration of such cases and the effectuation of the purposes of this chapter. Such determination shall be made annually in the month of January or July by the judge of the district court in counties having only one such judge, and by a majority of the judges of the district court in counties having more than one such judge.

History: En. Sec. 2, Ch. 238, L. 1963.

36-203. Conciliation court—judges—budget—conciliation counselors—probation officers—proceedings confidential. (1) Exercise of Jurisdiction. Each district court shall exercise the jurisdiction conferred by this chapter, and while sitting in the exercise of such jurisdiction shall be known and referred to as the "conciliation court."

(2) Selection of Judges. In counties having more than one judge of the district court, the judges of such court shall annually, in the month of January or July, designate at least one judge to hear all cases under this chapter. The judge or judges so designated shall hold as many sessions of the conciliation court in each week as are necessary for the prompt disposition of the business before the court.

(3) Transfer of Cases. Another district judge may be called in by the judge of the conciliation court to act as judge of the conciliation court during any period when the judge of the conciliation court is on vacation, absent, or for any reason unable to perform his duties. Any judge so appointed shall have all of the powers and authority of a judge of the conciliation court in cases under this chapter.

(4) Budget. The provisions of the county budget system, section[s] 16-1901 to 1911, inclusive, R.C.M. 1947, shall, except as provided by section 4, subsection 9 [36-204 (9)] of this act, be applicable to expenditures for the court of conciliation; provided, however, that the court may submit to the board of county commissioners the information required by section 16-1901 on or before July 1st of each year.

(5) Manner of Conciliation. The judge of the conciliation court may hear all matters invoked under this act or he may refer such matters to a pastor or director of any religious denomination to which the parties may

belong, psychiatrist, physician, attorney, social worker, or other person who is competent and qualified by training and experience in personal counseling. Such person shall be referred to herein as the conciliation counselor.

The conciliation counselor shall:

(a) Hold conciliation conferences with parties to, and hearings in, proceedings under this chapter, and make recommendations concerning such proceedings to the judge of the conciliation court.

(b) Cause such reports to be made, such statistics to be compiled, and such records to be kept as the judge of the conciliation court may direct.

(6) Probation Officers Duties. The probation officer in every county shall give such assistance to the conciliation court as the court may request to carry out the purposes of this chapter, and to that end the probation officer shall, upon request and with the consent of both parties, make investigations and reports as requested, and in cases pursuant to this chapter, shall exercise all the powers and perform all the duties granted or imposed by the laws of this state relating to probation or to probation officers.

(7) Privacy of Hearings. All district court hearings or conferences in proceedings under this chapter shall be held in private and the court shall exclude all persons except the officers of the court, the parties, their counsel and witnesses. Conferences may be held with each party and his counsel separately and in the discretion of the judge or counselor conducting the conference or hearing, all counsel may be excluded. All communications, verbal or written, from parties to the judge or counselor in a proceeding under this chapter shall be deemed made to such officer in official confidence.

The files of the conciliation court shall be closed. The petition, supporting affidavit, reconciliation agreement and any court order made in the matter may be opened to inspection by any party or his counsel upon the written authority of the judge of the conciliation court.

(8) Jurisdiction. The jurisdiction of the conciliation courts and the powers thereof shall be as provided in the Constitution of Montana, Article 8, Section 1, Chapter 3 [Title 93], Revised Codes of Montana, 1947, and acts amendatory and relating thereto, including the right of disqualification of any judge of the conciliation court.

History: En. Sec. 3, Ch. 238, L. 1963.

36-204. Procedure. (1) Whenever any controversy exists between the spouses which may, unless a reconciliation is achieved, result in the dissolution or annulment of the marriage or in the disruption of the household, and there is any minor child of the spouses or of either of them whose welfare might be affected thereby, the conciliation court shall have jurisdiction over the controversy, and over the parties thereto and all persons having any relation to the controversy as further provided in this chapter.

(2) Prior to the filing of any action for divorce, annulment or separate maintenance, either spouse, or both spouses, may file in the conciliation court a petition invoking the jurisdiction of the court for the purpose of preserving the marriage by effecting a reconciliation between the

affecting
as per 204

parties, or for amicable settlement of the controversy between the spouses, so as to avoid further litigation over the issue involved.

(3) The petition shall be captioned substantially as follows:

District Court of the State of Montana

For the County of _____

Upon the petition of ----- Petitioner	}	Petition for Conciliation (Under the Conciliation Court Law)
---	---	--

And concerning ----- ----- Respondents.	}	and -----
--	---	--------------

To the Conciliation Court:

(4) The petition shall:

(a) Allege that a controversy exists between the spouses and request the aid of the court to effect a reconciliation or an amicable settlement of the controversy.

(b) State the name and age of each minor child whose welfare may be affected by the controversy.

(c) State the name and address of the petitioner, or the names and addresses of the petitioners.

(d) If the petition is presented by one spouse only, name the other spouse as a respondent, and state the address of that spouse.

(e) Also name as a respondent any other person who has any relation to the controversy, and state the address of the person, if known to the petitioner.

(f) State such other information as the court may by rule require.

(5) The clerk of the court shall provide, at the expense of the county, blank forms for petitions for filing pursuant to this chapter. The probation officers of the county and the attaches and employees of the conciliation court shall assist any person in the preparation and presentation of any such petition, when any person requests such assistance. All public officers in each county shall refer to the conciliation court all petitions and complaints made to them in respect to controversies within the jurisdiction of the conciliation court.

(6) No Fees. No fee shall be charged by any officer for filing the petition, nor shall any fee be charged by any officer for the performance of any duty pursuant to this chapter.

(7) Time and Place of Hearings. The court shall fix a reasonable time and place for hearing on the petition, and shall cause such notice of the filing of the petition and the time and place of the hearing as it deems necessary to be given to the respondents. The court may, when it deems it necessary, issue a citation to any respondent requiring him to appear at the time and place stated in the citation, and may require the attendance of witnesses as in other civil cases.

(8) For the purpose of conducting hearings pursuant to this chapter,

the conciliation court may be convened at any time and place within the district, and the hearing may be had in chambers or otherwise, except that the time and place for hearing shall not be different from the time and place provided by law for the trial of civil actions if any party, prior to the hearing, objects to any different time or place.

(9) Hearings Informal. The hearing shall be conducted informally as a conference or series of conferences to effect a reconciliation of the spouses or an amicable adjustment or settlement of the issues of the controversy. To facilitate and promote the purposes of this act the court may, with the consent of both of the parties to the proceeding, recommend or invoke the aid of physicians or psychiatrists, or other specialists or scientific experts, or of the pastor or director of any religious denomination to which the parties may belong. Such aid, however, shall not be at the expense of the court or of the county, unless the county commissioners of the county specifically provide and authorize such aid.

(10) Orders—Effective Time—Reconciliation Agreement. At or after hearing, the court may make such orders in respect to the conduct of the spouses and the subject matter of the controversy as the court deems necessary to preserve the marriage or to implement the reconciliation of the spouses, but in no event shall such orders be effective for more than thirty (30) days from the hearing of the petition, unless the parties mutually consent to a continuation of such time.

Any reconciliation agreement between the parties may be reduced to writing and, with the consent of the parties, a court order may be made requiring the parties to comply fully therewith.

(11) During a period beginning upon the filing of the petition for conciliation and continuing until thirty (30) days after the hearing of the petition for conciliation, neither spouse shall file any action for divorce, annulment of marriage, or separate maintenance.

If, however, after the expiration of such period, the controversy between the spouses has not been terminated, either spouse may institute proceedings for divorce, annulment of marriage or separate maintenance. The pendency of a divorce, annulment, or separate maintenance action shall not operate as a bar to the instituting of proceedings for conciliation under this chapter.

(12) Stay of Divorce Proceedings—Where Conciliation Petition Filed First. Whenever any action for divorce, annulment of marriage, or separate maintenance is filed in the district court, and it appears to the court at any time during the pendency of the action that there is any minor child of the spouses or of either of them whose welfare may be adversely affected by the dissolution or annulment of the marriage or the disruption of the household, and that there appears to be some reasonable possibility of a reconciliation being effected, the case may be transferred to the conciliation court for proceedings for reconciliation of the spouses or amicable settlement of issues in controversy, in accordance with the provisions of this chapter.

(13) Jurisdiction Where No Minors Involved. Whenever application is made to the conciliation court for conciliation proceedings in respect to a controversy between spouses, or a contested action for divorce, annul-

ment, or separate maintenance, but there is no minor child whose welfare may be affected by the results of the controversy, and it appears to the court that reconciliation of the spouses or amicable adjustment of the controversy can probably be achieved, and that the work of the court in cases involving children will not be seriously impeded by acceptance of the case, the court may accept and dispose of the case in the same manner as similar cases involving the welfare of children are disposed of. In the event of such application and acceptance, the court shall have the same jurisdiction over the controversy and the parties thereto or having any relation thereto that it has under this chapter in similar cases involving the welfare of children.

History: En. Sec. 4, Ch. 238, L. 1963.

36-205. Powers of the court. The conciliation court shall have the same powers as the district court under the Constitution of the state of Montana, Article 8, Section 1, section[s] 93-301 to 93-321 inclusive, Revised Codes of Montana, 1947, and acts amendatory and relating thereto, including the right of disqualification of judges of courts of conciliation.

TITLE 42—LANDLORD AND TENANT—HIRING

CHAPTER 2—HIRING OF REAL PROPERTY—OF PERSONAL PROPERTY

42-203. (7743) Term of hiring when no limit is fixed.

Construction of Oral Farm Lease

Judgment for tenant in action for construction of an oral farm lease was reversed and the case was remanded for a new trial where the evidence was insufficient to show either a mutual agreement or usage and the record was completely confused as to when the lease commenced. *Enott v. Hinkle*, — M —, 369 P 2d 413, 414.

Notice to Quit

Landlord could not maintain an action for unlawful detainer where notice to quit was not given to tenant thirty days prior to expiration of year to year tenancy. *Roseneau Foods, Inc. v. Coleman*, — M —, 374 P 2d 87, 91.

Oral Lease

Under this section it is possible to have an oral lease for at least one year without an expression as to time therein. This is consistent with section 13-606, statute of frauds, which voids an oral agreement for the leasing of realty of a period longer than one year. *Roseneau Foods, Inc. v. Coleman*, — M —, 374 P 2d 87, 89.

Entry by a tenant under an invalid oral lease may create a tenancy from year to year, month to month, or a tenancy at will depending upon the circumstances. *Roseneau Foods, Inc. v. Coleman*, — M —, 374 P 2d 87, 89.

42-205. (7745) Renewal of lease by lessee's continued possession.

Notice to Quit

Where notice to quit was not given by landlord to tenant thirty days prior to expiration of year to year tenancy, tenancy was deemed to be renewed for another year and unlawful detainer action could not be maintained by landlord. *Roseneau Foods, Inc. v. Coleman*, — M —, 374 P 2d 87, 91.

42-206. (7746) Notice to quit.

Time for Giving Notice

An action in unlawful detainer cannot be maintained under section 93-9703 if the tenant is lawfully in possession under a tenancy from year to year without first

Presumption as to Term

When tenant, pursuant to an oral agreement, entered into possession of property on April 1, 1957 to conduct a meat processing and selling business, his hiring of the property was presumed to be for one year from its commencement. *Roseneau Foods, Inc. v. Coleman*, — M —, 374 P 2d 87, 89.

The presumption that hiring is to be for one year is a rebuttable presumption. If the presumption is not controverted, the facts must be found according to the presumption. If it is controverted, the presumption must be given weight as evidence. *Roseneau Foods, Inc. v. Coleman*, — M —, 374 P 2d 87, 90.

Tenancy from Month to Month

Payment of a monthly rental does not compel the conclusion that a tenancy is from month to month where other facts indicate to the contrary. *Roseneau Foods, Inc. v. Coleman*, — M —, 374 P 2d 87, 90.

Tenancy from Year to Year

Where tenant hired property for meat business under an oral agreement the tenancy was initially for a year with implied renewals for one year resulting in a tenancy from year to year. *Roseneau Foods, Inc. v. Coleman*, — M —, 374 P 2d 87, 90.

Tenancy from Year to Year

Where property was hired for meat business under section 42-203 the tenancy was initially for a year with implied renewal for one year resulting in a tenancy from year to year. *Roseneau Foods, Inc. v. Coleman*, — M —, 374 P 2d 87, 90.

giving notice thirty days prior to the anniversary date of the tenancy. *Roseneau Foods, Inc. v. Coleman*, — M —, 374 P 2d 87, 91.

43-310. (74) Per diem and mileage of members. Members of the legislative assembly hereafter elected shall receive twenty dollars (\$20.00) per day, payable weekly, during the session of the legislative assembly, and eight cents (8¢) per mile for each mile of travel to and from their residences and the place of holding the session, by the nearest traveled route.

A governmental unit participating in the joint county or regional library may retain title to its own property, continue its own board of library trustees, and may levy its own taxes for library purposes; or, by a majority vote of the qualified electors, a governmental unit may transfer, conditionally or otherwise, the ownership and control of its library, with all or any part of its property, to another governmental unit which is providing or will provide free library service in the territory of the former, and the trustees or body making the transfer shall thereafter be relieved of responsibility pertaining to the property transferred. The state board of education may contract with the government of any city or county, or the governments of both the city and the county, in which a unit of the university of Montana is located for the establishment and operation of joint library facilities. Any such contract which proposes the erection of a building shall be subject to the approval of the legislature. Any joint library facilities established pursuant to this section shall be operated and supported as provided in such contract and under this chapter.

as provided in subparagraph (3) shall be capable in law of contracting marriage if otherwise competent.

(2) If either of the contracting parties is between the ages of eighteen (18) and twenty-one (21) if a male, or between the ages of sixteen (16) and eighteen (18) if a female, no license shall be issued without the consent of his or her parents or guardian, or of the parent having the actual care, custody and control of said party, given before the clerk of the court under oath, or certified under the hands of such parents or guardian as aforesaid attested by two adult witnesses, and properly verified by affidavit (or affirmation) before a notary public or other official authorized by law to take affidavits, which certificate shall be filed of record in the office of the said clerk of court at the time of application for said license. (3) A male under the age of eighteen (18) or a female under the age of sixteen (16) may lawfully contract to marry and obtain a marriage license if there is first procured the consent of the parent or guardian as provided in subparagraph (2) and if the district judge of the county wherein the application is made, after examining the parties under oath, shall decide that it is to the best interest of such applicant and of the established public policy of the state of Montana, and shall authorize the clerk of the court to issue the license in conformance with the other provisions of this act.

48-145. Advice to license applicants of legislative intent. At the time of application for such license, the clerk of the district court shall give to each of the applicants (or mail to an applicant who completes his part of the application outside of the state) a card with the statement of legislative intent printed thereon. Such cards shall be procured by the clerk of the district court at the expense of the county and shall be in form substantially as follows:

MARITAL INFORMATION

Your marriage license will be issued to you under the provisions of Title 48 of the Montana statutes. For your information and advice, that title includes the following provision:

INTENT. It is the intent of this act to promote the stability and best interest of marriage and the family. Marriage is the institution that is the foundation of the family and of society. Its stability is basic to morality and civilization, and of vital interest to society and the state. The consequences of the marriage contract are more significant to society than those of other contracts, and the public interest must be taken into account always. The seriousness of marriage makes adequate premarital counseling and education for family living highly desirable, and courses thereon are urged upon all persons contemplating marriage. The impair-

ment or dissolution of the marriage relation generally results in injury to the public wholly apart from the effect upon the parties immediately concerned.

History: En. Sec. 4, Ch. 232, L. 1963.

48-146. License required for marriage—place of ceremony—county where license issued. No Montana resident shall be joined in marriage within this state until a license has been obtained for that purpose from the clerk of the district court of the county in which one of the parties has resided for at least five (5) days immediately prior to making application therefor.

A license so issued shall authorize a marriage ceremony to be performed in the county where the license is issued or in any other county of this state.

If both parties be nonresidents of the state, such license may be obtained from the clerk of the district court of the county where the marriage ceremony is to be performed. If one of such persons is a nonresident of the county where such license is to issue, his part of the application may be completed sworn to (or affirmed) before the person authorized to accept such applications in the county and state in which he resides.

History: En. Sec. 5, Ch. 232, L. 1963.

48-147. Applicants under influence of liquor or drug. No license to marry shall be issued if, at the time of making application, either of the applicants is under the influence of intoxicating liquor or narcotic drug.

History: En. Sec. 6, Ch. 232, L. 1963.

48-148. Applicants delinquent in support obligations. No license to marry shall be issued by any clerk of the district court if either of the applicants for a license is or has been failing to support lawful dependents when ordered to do so by a court having jurisdiction, unless a judge of a court of record after hearing shall determine that despite such failure said applicant is financially able to discharge the duty to support existing dependents and those resulting from the contemplated marriage and shall authorize the clerk to issue the license. The judge shall have authority to require that the applicant post sufficient security to insure the performance of the support obligation to existing dependents.

History: En. Sec. 7, Ch. 232, L. 1963.

48-149. Posting of notice of application—objections to marriage—hearing on objections—order refusing license—amendment of application—issuance without objection—waiting period. (1) Immediately upon entering an application for a license, the clerk of the district court shall post in his office a notice giving the names and residences of the parties applying therefor, and the date of the application. Any parent, grandparent, child, or natural guardian thereof if a minor, brother, sister or guardian of either of the applicants for a license, or either of the applicants, or the county attorney, believing that the statements of the application are false or insufficient, or that the applicants or either of them are incompetent to marry, may file with the district court in the county in which the license is applied for, a petition under oath, setting forth the

grounds of objection to the marriage and asking for an order requiring the parties making such application to show cause why the license should not be refused. Whereupon, said court, if satisfied that the grounds of objection are prima facie valid, shall issue an order to show cause as aforesaid, returnable as the court may direct, but not more than fourteen (14) days after the date of said order, which shall be served forthwith upon the applicants for such license residing in the state, and upon the clerk before whom such application has been made, and shall operate as a stay upon the issuance of the license until further ordered; if either or both of said applicants are nonresidents of the state said order shall be served forthwith upon said nonresident by publication one time in a newspaper published in the county wherein said application is pending, and by mailing a copy thereof to said nonresident at the address contained in the application.

(2) If, upon hearing, the court finds that the statements in the application are willfully false or insufficient, or that either or both of said parties are not competent in law to marry, the court shall make an order refusing the license, and shall immediately report such matter to the county attorney. If said falseness or insufficiency is due merely to inadvertence, then the court shall permit the parties to amend the application so as to make the statements therein true and sufficient, and upon application being so amended, the license shall be issued. If any party is unable to supply any of the information required in the application, the court may, if satisfied that such inability is not due to willfulness or negligence, order the license to be issued notwithstanding such insufficiency. The costs and disbursements of the proceedings under this section shall rest in the discretion of the court, but none shall be taxed against any county attorney acting in good faith.

(3) If there be no legal objection to said application for license within five (5) days of the application, the clerk of the district court shall issue a marriage license.

History: En. Sec. 8, Ch. 232, L. 1963.

48-150. **Validity of foreign marriages.** (1) All marriages which are valid by the law of the state or nation where at least one (1) of the parties was domiciled at the time of the marriage and where both intended to make their home thereafter are valid in this state.

(2) All marriages which are valid by the law of the state or nation where the marriage took place are valid in this state unless invalid under the laws of the state or nation where at least one (1) of the parties was domiciled at the time of marriage and where both intended to make their home thereafter.

(3) The courts of this state may refuse to give a particular effect to a marriage contracted in another state or nation if to do so would be contrary to a strong public policy of this state.

History: En. Sec. 9, Ch. 232, L. 1963.

48-151. **Waiting period after divorce.** It is unlawful for any person, who is a party to an action for divorce in any court in this state, or for

any Montana resident who is a party to an action for divorce elsewhere, to marry again until six months after judgment of divorce is granted, and the marriage of any such person solemnized before the expiration of six months from the date of the granting of judgment of divorce shall be void.

52-401. Short title. This act may be cited as the "Small Tract Financing Act of Montana."

History: En. Sec. 1, Ch. 177, L. 1963.

Title of Act

An act authorizing the optional use of trust indentures as security instruments in the financing of small tracts embracing three acres of land, or less; providing for the conveyance of title to a trustee to secure the performance of an obligation and for reconveyance upon performance; conferring a power of sale upon the trustee under a trust indenture and prescribing the time and manner in which such power may be exercised; providing for the sale of the property at trustee's sale in the event of default; prescribing the form of notice of sale and providing for the recordation, mailing, posting and publication of notice of sale; providing for

trustee's deeds and the form and effect thereof; providing for the disposition of the proceeds of sale; disallowing deficiency judgment in certain cases; providing for possession following sale; defining the fees and expenses chargeable to the grantor of a trust deed; providing for discontinuance of foreclosure by advertisement and sale; relating to the applicability of mortgage laws to trust indenture transactions; amending sections 93-6005, 93-6006, and 93-6007, R.C.M. 1947, relating to sales of real estate under powers of sale in mortgages and rights of redemption, to exclude therefrom trust indentures as defined in this act; and providing a short title, a severability clause and an effective date.

52-402. Declaration of policy. Because the financing of homes and business expansion is essential to the development of the state of Montana, and because such financing, usually involving areas of real estate of not more than three acres, has been restricted by the laws relating to mortgages of real property, and because more such financing of homes and business expansion is available if the parties can use security instruments and procedures not subject to all the provisions of the mortgage laws, it is hereby declared to be the public policy of the state of Montana to

permit the use of trust indentures for estates in real property of not more than three acres as hereinafter provided.

History: En. Sec. 2, Ch. 177, L. 1963.

52-403. Definitions. As used in this act, unless the context requires otherwise:

(1) "Beneficiary" means the person named or otherwise designated in a trust indenture as the person for whose benefit a trust indenture is given, or his successor in interest, and who shall not be the trustee.

(2) "Grantor" means the person conveying real property by a trust indenture as security for the performance of an obligation.

(3) "Trust indenture" means an indenture executed in conformity with this act and conveying real property to a trustee in trust to secure the performance of an obligation of the grantor or other person named in the indenture to a beneficiary.

(4) "Trustee" means a person to whom the legal title to real property is conveyed by a trust indenture, or his successor in interest.

(5) "Three acres" means three acres of land.

Where the trust indenture states that the real property involved does not exceed three acres, such statement shall be binding upon all parties and conclusive as to compliance with the provisions of this act relative to the power to make a transfer, trust, and power of sale.

History: En. Sec. 3, Ch. 177, L. 1963.

52-404. Authorization of trust indentures. Transfers in trust of any interest in real property of an area not exceeding three acres may be made to secure the performance of an obligation of a grantor, or any other person named in the indenture, to a beneficiary; provided that it shall be unlawful to substitute a trust indenture for any mortgage in existence on the effective date of this act. Where any transfer in trust of any interest in real property is hereafter made to secure the performance of such an obligation, a power of sale is hereby conferred upon the trustee to be exercised after a breach of the obligation for which such transfer is security; and a trust indenture executed in conformity with this act may be foreclosed by advertisement and sale in the manner hereinafter provided, or, at the option of the beneficiary, by judicial procedure as provided by law for the foreclosure of mortgages on real property. The power of sale may be exercised by the trustee without express provision therefor in the trust indenture.

History: En. Sec. 4, Ch. 177, L. 1963.

52-405. Qualifications of trustee. (1) The trustee of a trust indenture under this act shall be:

(a) An attorney who is licensed to practice law in Montana; or

(b) A bank, trust company, or savings and loan association authorized to do business in Montana under the laws of Montana or the United States; or

(c) A title insurance or abstract company authorized to do business in Montana under the laws of Montana.

(2) The beneficiary may appoint a successor trustee at any time by filing for record in the office of the clerk and recorder of each county in which the trust property or some part thereof is situated, a substitution of trustee. The substitution shall identify the trust indenture by stating the names of the original parties thereto and the date of recordation and the book and page where the same is recorded, shall state the name and mailing address of the new trustee, and shall be executed and acknowledged by all of the beneficiaries designated in the trust indenture, or their successors in interest. From the time the substitution is filed for record, the new trustee shall be vested with all the power, duties, authority, and title of the trustee named in the trust indenture and of any successor trustee.

History: En. Sec. 5, Ch. 177, L. 1963.

52-406. Reconveyance upon performance—liability for failure to reconvey. Upon performance of the obligation secured by the trust indenture, the trustee upon written request of the beneficiary shall reconvey the interest in real property described in the trust indenture to the grantor. In the event the obligation is performed and the beneficiary refuses to request reconveyance or the trustee refuses to reconvey the property, the beneficiary or trustee so refusing shall be liable as provided by law in the case of refusal to execute a discharge or satisfaction of a mortgage on real property.

History: En. Sec. 6, Ch. 177, L. 1963.

52-407. Time within which foreclosure must be commenced. The foreclosure of a trust indenture by advertisement and sale or by judicial procedure shall be commenced within the time, including extensions, provided by law for the foreclosure of a mortgage on real property.

History: En. Sec. 7, Ch. 177, L. 1963.

52-408. Foreclosure by advertisement and sale. (1) The trustee may foreclose a trust indenture by advertisement and sale under this act if:

A registered dealer, who may sell or dispose of his entire business to any other person, may have his certificate of registration transferred to such purchaser upon filing with the registrar of motor vehicles a statement containing the name of the registered dealer, the number under which such dealer is registered, the name of the purchaser, and the location of the place of business so sold. Upon the filing of such statement, accompanied by a filing fee of one dollar (\$1.00), the registrar of motor vehicles shall note upon the registration record of such dealer the change of ownership. But no certificate of registration can be transferred unless the entire business of the dealer holding such certificate of registration be sold and disposed of, and no such certificate of registration can be transferred to any person other than the purchasers of such business.

The provisions of this act with respect to the payment of registration fees shall not apply to or be binding upon motor vehicles, trailers or semitrailers or tractors owned or controlled by the United States of America

or any state, county or city, but in all other respects the provisions of this act shall be applicable to and binding upon motor vehicles, tractors, trailers, and semitrailers.

All fees, other than license fees, mentioned and described in sections 53-110 and 53-112, and in section 53-135, shall hereafter be deposited in, and paid into, the earmarked revenue fund and shall be used to pay all salaries, operating expenses, and all other expenses of the department of the registrar of motor vehicles. Any reference in this code to the motor vehicle recording fund or the motor vehicle administration fund shall be taken to mean the motor vehicle recording account in the earmarked revenue fund.

Whenever, in the judgment of the state board of examiners, there shall be in said motor vehicle recording account more moneys than are reasonably required or needed to pay all salaries, operating expenses, and all other expenses of the department of the registrar of motor vehicles, such board shall distribute such unneeded surplus or excess to the fifty-six (56) counties of the state in a pro rata manner based upon the total number of motor vehicles registered in each county.

The board of county commissioners of each county which does not have within its borders a city and area coming within the provisions of subsections (a) and (b) above shall prior to March 1 of each year, beginning with the year 1964, determine the number of miles of public streets and highways situated in each incorporated city and town in the county, and the number of miles of public streets and highways within the county, but outside the corporate limits of the incorporated cities and towns, in order that the motor vehicle license and registration fees can be divided between the "county road fund" and each "city road fund" in the pro rata manner as provided in this act. The board of county commissioners shall at the same time also compute the percentage of said motor vehicle license and registration fees to be paid by the county treasurer to the treasurer of each incorporated city and town and also the percentage to be deposited in the county road fund.

Compiler's Note

This section was amended twice in 1963, once by Ch. 147 and once by Ch. 178. Neither amendatory act mentioned nor included the changes made by the other. Since the two amendments do not appear

to conflict, the compiler has made a composite section incorporating both 1963 amendments.

Amendments

Chapter 147, Laws 1963 substituted "the earmarked revenue fund and shall be used to pay" in what is now the third last paragraph for "the motor vehicle recording fund of said registrar (sometimes called the motor vehicle administrative fund) out of which shall be paid"; added the second sentence to the same paragraph; deleted a former next to last paragraph reading, "There shall be immediately transferred from the motor vehicle fund of the registrar of motor vehicles to the said motor vehicle recording fund all moneys now in said motor vehicle fund which were collected by the registrar of motor vehicles as fees other than license fees"; and substituted "motor vehicle recording account"

for "motor vehicle recording fund" in the last paragraph, now the next to last paragraph.

Chapter 178, Laws 1963, completely rewrote paragraph (c), for previous text of

which see parent volume; inserted two new paragraphs immediately after paragraph (c); and added the last paragraph of the section.

53-129. (1760.7) Foreign vehicles used in gainful occupation—reciprocity board may make reciprocal agreements to exempt. Before any foreign licensed motor vehicle shall be operated on the highways of this state for hire, compensation or profit, or before the owner thereof uses the vehicle while engaged in gainful occupation or business enterprise, in the state of Montana, including highway work, the owner of such vehicle shall make application to a county treasurer for registration, upon an application form furnished by the registrar of motor vehicles. Upon satisfactory evidence of ownership submitted to such county treasurer, the treasurer shall accept the application for registration and shall collect the regular license fee required for the vehicle. The treasurer shall thereupon issue to the applicant a copy of the application entitled "Owner's Certificate of Registration Receipt" and forward a duplicate copy of certificate of registration to the registrar of motor vehicles. The treasurer shall at the same time issue to the applicant the proper license plates or other identification markers, which shall at all times be displayed upon such vehicle, when operated or driven upon roads and highways of this state, during the period of the life of such license. The registration receipt shall not constitute evidence of ownership, but shall only be used for registration purposes. No Montana certificate of title shall be issued for this type of registration. This paragraph shall not be applicable to any vehicle which is a part of an interstate fleet registered and licensed under the provisions of section 53-114, nor to any vehicle covered by a valid and existing reciprocal agreement or declaration entered into under the provisions of this act.

In addition to other fees for the licensing of vehicles, there shall be paid and collected annually for each house trailer, based upon over-all length of body as set by the licensee in his application, except as otherwise provided in this act, a fee equal to fifty cents (50¢) for each foot of over-all trailer body length, exclusive of bumpers and hitch.

Provided, that in addition to the fees provided for in Schedules I and II of this act, for each motor truck, truck-tractor, trailer, or semitrailer hauling loads in excess of forty-two thousand (42,000) pounds and within the weight limits specified in section 32-1123, there shall be collected a fee of fifty dollars (\$50.00) for each two thousand (2,000) pounds, or fraction thereof.

Provided further, on motor trucks, trailers and semitrailers, owned and operated by ranchers or farmers in the transportation of their own ranch, farm, orchard, or dairy products from point of production to market, or of supplies, commodities, or equipment to be used on the ranch, farm, orchard, or dairy, or in the infrequent or seasonal transportation by one farmer for another for any purpose other than commercial hire of products of the farm, orchard or dairy, or of supplies or commodities to be used on the farm, orchard or dairy, except motor trucks owned and operated by co-operative associations or co-operative marketing associations, shall be paid and collected annually a fee equal to twenty per cent (20%) of the fees provided in Schedule I and Schedule II above; provided, however, the minimum fee under Schedule I and Schedule II shall be four dollars (\$4.00). The terms "trailers and semitrailers" as used herein shall not include farm wagons.

Provided further, that there shall be paid and collected annually a fee equal to seventy-five per cent (75%) of the fees provided in Schedule I and Schedule II above on pole trailers; trucks, truck-tractors, trailers and semitrailers used exclusively in hauling livestock, logs, and ready-mix concrete; truck-tractors and low-boy trailers used exclusively in hauling equipment; and truck-tractors drawing or hauling said low-boy trailers.

When the gross weight license fee applied for on any vehicle exceeds twenty-four thousand (24,000) pounds, licenses for motor trucks, trailers, tractors, pole trailers, or semitrailers may be purchased for a three-months' period for one-fourth ($\frac{1}{4}$) the regular fee at the beginning of any quarter of the calendar year. For each fee so paid other than at the time of payment of the basic license fee, an additional fee of one dollar (\$1.00)

shall be charged. The state highway commission is authorized to establish rules and regulations relative to the issuance and display of certificates or insignia, which shall state the quarters for which the vehicle is licensed.

No vehicle licensed under the provisions of this section shall be operated over the public highways unless the owner and/or operator thereof within ten (10) days after the expiration of any such three-month period apply for, and pay the required fee for, a license for an additional three-month period, or for the remainder of the year. Any person who operates any such vehicle upon the public highways after the expiration of said ten (10) days, shall be guilty of a misdemeanor, and in addition shall be required to purchase a gross weight license for the vehicle involved at the fee covering an entire year's license for operation thereof, less the fees for any period or periods of the year already paid. The 1963 amendment deleted a proviso reading, "Provided, that in lieu of the additional fee provided in this section there shall be collected a fee of five dollars (\$5.00) on any motor truck, truck-tractor, trailer or semitrailer used only for the purpose of transporting any air compressor, rock crusher, conveyor, hoist, wrecker, donkey engine, cook house, tool house or bunk house attached to or made a part of

such motor truck, trailer or semitrailer"; and, in the present third proviso, substituted "pole trailers; trucks, truck-tractors, trailers and semitrailers used exclusively in hauling livestock, logs, and ready-mix concrete; truck-tractors and low-boy trailers used exclusively in hauling equipment; and truck-tractors drawing or hauling said low-boy trailers" for "motor trucks, trailers and semitrailers, used exclusively in hauling livestock, logs, ready-mix concrete and pole trailers and on 'low-boy trailers,' used exclusively for the hauling of equipment and on tractors permanently attached to such 'low-boy trailers.'"

Such an agreement or arrangement shall provide that vehicles properly registered or licensed in this state, when operated upon highways of such other jurisdiction, shall receive exemptions, benefits and privileges of a similar kind or to a similar degree as are extended to vehicles properly registered or licensed in such jurisdiction when operated in this state. Each such agreement or arrangement shall, in the judgment of the Montana motor vehicle reciprocity board, be in the best interest of the state and the citizens thereof and shall be fair and equitable to this state and the citizens thereof, and all of the same shall be determined on the basis and recognition of the benefits which accrue to the economy of this state from the uninterrupted flow of commerce.

History: En. Sec. 5, Ch. 206, L. 1963.

53-706. Base state registration reciprocity. An agreement or arrangement entered into, or a declaration issued under the authority of this act

History: En. Sec. 6, Ch. 206, L. 1963.

53-707. Proportional registration of fleet vehicles. If any jurisdiction permits or requires the licensing of fleets of vehicles in interstate or combined interstate and intrastate commerce and payment of registration fees, license taxes or other fixed fees thereon on an apportionment basis commensurate with and determined by the miles traveled on and the use made of said jurisdiction's highways, as compared with the miles traveled on and the use made of other jurisdiction's highways or any other equitable basis of apportionment, and exempts vehicles registered in other jurisdiction under such apportionment basis from the requirements of full payment of its own registration, license or other fixed fees, then the Montana motor vehicle reciprocity board may, by agreement, adopt such exemption with respect to vehicles of such fleets, whether owned by residents or nonresidents of this state and regardless of where based. Such agreements, under such terms, conditions or restrictions as the Montana motor vehicle reciprocity board deems proper, may provide that owners of vehicles operated in interstate or combined interstate and intrastate commerce in this state shall be permitted to pay registration, license or other fixed fees on an apportionment basis, commensurate with and determined by the miles traveled on and the use made of the highways of this state as compared with the use made of the highways of other jurisdictions or any other equitable basis of apportionment. No such agreement shall authorize, or be construed as authorizing, any vehicle so registered to be operated in intrastate commerce in this state unless the owner thereof has been granted intrastate authority or rights by the Montana railroad and public service commission, if such grant is otherwise required by law. The Montana motor vehicle reciprocity board may adopt and promulgate such rules and regulations as it shall deem necessary to effectuate and administer the provisions of this subsection, and the registration of fleet vehicles under this act shall be subject to the rights, terms and conditions granted by or contained in any applicable agreement, arrangement or declaration made by the Montana motor vehicle reciprocity board.

History: En. Sec. 7, Ch. 206, L. 1963.

53-708. Declarations of extent of reciprocity. In the absence of an agreement or arrangement with another jurisdiction, the Montana motor vehicle reciprocity board may examine the laws and requirements of such jurisdiction and declare the extent and nature of exemptions, benefits and privileges to be extended to vehicles properly registered or licensed in such other jurisdiction, or to the owners of such vehicles, which shall, in

the judgment of the Montana motor vehicle reciprocity board, be in the best interest of this state and the citizens thereof, which shall be fair and equitable to this state and the citizens thereof, and all of the same shall be determined on the basis and recognition of the benefits which accrue to the economy of this state from the uninterrupted flow of commerce.

History: En. Sec. 8, Ch. 206, L. 1963.

53-709. Extension of reciprocal privileges to lessees authorized. An agreement or arrangement entered into, or a declaration issued under the authority of this act, may contain provisions under which a leased vehicle properly registered by the lessor thereof may be entitled, subject to terms and conditions stated therein, to the exemptions, benefits and privileges extended by such agreement, arrangement or declaration.

History: En. Sec. 9, Ch. 206, L. 1963.

53-710. Automatic reciprocity. On and after the effective date of this act, if no agreement, arrangement or declaration is in effect with respect to another jurisdiction as authorized by this act, any vehicle properly registered or licensed in such other jurisdiction, and for which evidence of compliance is supplied, shall receive, when operated in this state, the same exemptions, benefits and privileges granted by such other jurisdictions to vehicles properly registered in this state. Reciprocity extended under this subsection shall apply to commercial vehicles only when engaged exclusively in interstate commerce.

History: En. Sec. 10, Ch. 206, L. 1963.

53-711. Proportional registration not exclusive. Nothing contained in this act relating to proportional registration of fleet vehicles shall be construed as requiring any vehicle to be proportionally registered if it is otherwise registered in this state for the operation in which it is engaged, including but not by way of limitation, regular registration, temporary registration, or trip permit or registration.

History: En. Sec. 11, Ch. 206, L. 1963.

53-712. Proportional registration of fleet vehicles, application, fee-formula and payment. (1) Any owner engaged in operating one or more fleets may, in lieu of registration of vehicles under other sections of Title 53, register and license each fleet for operation in this state by filing an application with the Montana highway commission which shall contain the following information, and such other information pertinent to vehicle registration as the Montana highway commission may require:

(a) Total fleet miles. This shall be the total number of miles operated in all jurisdictions during the preceding year by the vehicles in such fleet during said year.

(b) In-state miles. This shall be the total number of miles operated in this state during the preceding year by the vehicles in such fleet during said year.

(c) A description and identification of each vehicle of such fleet which is to be operated in this state during the registration year for which proportional fleet registration is requested.

(2) The application for each fleet shall be accompanied by a fee payment computed as follows:

(a) Divide in-state miles by total fleet miles.

(b) Determine the total amount necessary to register each and every vehicle in the fleet for which registration is requested, based on the regular annual registration fees prescribed by section 53-122, R.C.M., 1947, as amended, and section 53-615, R.C.M., 1947, as amended.

(c) Multiply the sum obtained under subsection (2) (b) hereof by the fraction obtained under subsection (2) (a) hereof.

History: En. Sec. 12, Ch. 206, L. 1963.

53-713. Registration and identification of proportionally registered vehicles, effect of such registration. (1) The Montana highway commission shall register the vehicles so described and identified and shall issue a license plate or plates, or a distinctive sticker, or other suitable identification device, for each vehicle described in the application upon payment of the appropriate fees for such application and for the stickers or devices issued. A fee of two dollars (\$2.00) shall be paid for each license plate, sticker or device issued for each proportionally registered vehicle. A registration card shall be issued for each proportionally registered vehicle. Such registration card shall, in addition to other information required by Title 53, bear upon its face the number of the license, sticker or other device issued for such proportionally registered vehicle and shall be carried in such vehicle at all times.

(2) Fleet vehicles so registered and identified shall be deemed fully licensed and registered in this state for any type of movement or operation, except that, in those instances in which a grant of authority is required for intrastate movement or operation, no such vehicle shall be operated in intrastate commerce in this state unless the owner thereof has been granted intrastate authority or rights by the Montana railroad and public service commission and unless said vehicle is being operated in conformity with such authority or rights.

History: En. Sec. 13, Ch. 206, L. 1963.

53-714. Proportional registration cannot be in a single jurisdiction. The right to the privilege and benefits of proportional registration of fleet vehicles extended by this act, or by any contract, agreement, arrangement or declaration made under the authority of this act, shall be subject to the condition that each fleet vehicle proportionally registered under the authority of this act shall also be proportionally or otherwise properly registered in at least one other jurisdiction during the period for which it is proportionally registered in this state.

History: En. Sec. 14, Ch. 206, L. 1963.

53-715. Registration of additional fleet vehicles. Vehicles acquired by the owner after the commencement of the registration year and subsequently added to a proportionally registered fleet shall be proportionally registered by applying the mileage percentage used in the original appli-

cation for such fleet for such registration period to the regular registration fees due with respect to such vehicle for the remainder of the registration year.

History: En. Sec. 15, Ch. 206, L. 1963.

53-716. Withdrawal of fleet vehicles, credits and accounting. If any vehicle is withdrawn from a proportionally registered fleet during the period for which it is registered under the provisions of this act, the owner of such fleet shall so notify the Montana highway commission on appropriate forms to be prescribed by the Montana motor vehicle reciprocity board. The Montana highway commission may require the owner to surrender proportional registration cards and such other identification devices which have been issued with respect to such vehicles as the Montana highway commission may deem advisable. If a vehicle is permanently withdrawn from a proportionally registered fleet because it has been destroyed, sold or otherwise completely removed from the service of the registrant, the unused portion of the gross vehicle weight fees paid with respect to such vehicle, which shall be a sum equal to the amount paid with respect to such vehicle when it was first proportionally registered in such registration year, reduced by $1/12$ of the total annual gross vehicle weight fee of such vehicle for each calendar month and fraction thereof elapsing between the first day of the month of the current year in which the vehicle was registered and the date the notice of withdrawal is received by the Montana highway commission, shall be credited to the proportional registration account of such owner. Such credit shall be applied against liability for subsequent additions to be prorated during such registration year or for additional fees due upon audit under subsection 19 [53-719] hereof. If any such credit is less than five dollars (\$5.00), no credit shall be made or entered. In no event shall such amount be credited against fees other than those for such registration year, nor shall any such amount be subject to refund.

History: En. Sec. 16, Ch. 206, L. 1963.

53-717. New fleet—estimated mileage. The initial application for proportional registration of a fleet shall state the mileage data with respect to such fleet for the preceding year in this and other jurisdictions. If no operations were conducted with such fleet during the preceding year, the application shall contain a full statement of the proposed method of operation and estimates of annual mileage in this state and other jurisdictions. The Montana highway commission shall determine the in-state and total fleet miles to be used in computing the fee payment for the fleet. The Montana highway commission may evaluate and adjust the estimate in the application if it is not satisfied as to the correctness thereof.

History: En. Sec. 17, Ch. 206, L. 1963.

53-718. Fleet registration may be denied. The Montana highway commission may refuse to accept proportional registration applications for the registration of vehicles based in, or owned by residents of, another jurisdiction if the Montana motor vehicle reciprocity board shall find

that such other jurisdiction does not grant similar registration privileges to fleet vehicles based in or owned by residents of this state.

History: En. Sec. 18, Ch. 206, L. 1963.

53-719. Preservation of proportional registration records. Any owner whose application for proportional registration has been accepted shall preserve the records on which the application is based for a period of four (4) years following the year or period upon which said application is based. Upon request of the Montana highway commission, the owner shall make such records available to the Montana highway commission at its office for audit as to accuracy of computations and payments or to pay the reasonable costs of an audit at the home office of the owner, by a duly appointed representative of the Montana highway commission. The Montana highway commission may make arrangements with agencies of other jurisdictions administering motor vehicle registration laws for joint audits of any such owner.

History: En. Sec. 19, Ch. 206, L. 1963.

53-720. Relation to other state laws. The provisions of this act shall constitute complete authority for the registration of fleet vehicles upon a proportional registration basis without reference to or application of any other statutes of this state except as in this section expressly provided.

History: En. Sec. 20, Ch. 206, L. 1963.

53-721. Suspension of reciprocity benefits. Agreements, arrangements or declarations made under the authority of this act may include provisions authorizing the Montana highway commission to suspend or cancel the exemptions, benefits or privileges granted thereunder to a person who violates any of the conditions or terms of such agreements, arrangements or declarations or who violates the laws of this state relating to motor vehicles, or rules and regulations lawfully promulgated thereunder.

History: En. Sec. 21, Ch. 206, L. 1963.

53-722. Agreements to be written, filed and available for distribution. All agreements, arrangements or declarations or amendments thereto shall be in writing and shall be filed in the office of the secretary of the Montana motor vehicle reciprocity board. The secretary of the Montana motor vehicle reciprocity board shall provide copies for public distribution upon request.

History: En. Sec. 22, Ch. 206, L. 1963.

53-723. Reciprocity agreements in effect at time of act. All reciprocity and proportional registration agreements, arrangements and declarations relating to vehicles, in force and effect at the time this act becomes effective, shall continue in force and effect until specifically amended or revoked as provided by law or by such agreements or arrangements.

History: En. Sec. 23, Ch. 206, L. 1963.

53-724. Act part of and supplement to motor vehicle registration law. This act shall be a part of Title 53, R.C.M., 1947, as amended, and supplemental to the motor vehicle registration law of this state.

History: En. Sec. 24, Ch. 206, L. 1963.

Section 25 of Ch. 206, Laws 1963 read "Severability. If any phrase, clause, subsection or section of this act shall be declared unconstitutional or invalid by any court of competent jurisdiction, it shall be conclusively presumed that the legislature would have enacted this act without the phrase, clause, subsection or section so held unconstitutional or invalid and the remainder of the act shall not be

When a petition has been filed seeking the adoption of a child, the court must cause service of process to be made on the parent or parents of the child, except in those cases hereinafter provided, in the following manner:

The court shall order a citation to issue to the parent or parents in the name of the state of Montana and under the seal of the court, directing such parent or parents to appear in court at a time to be fixed by the court, and show cause why said petition should not be granted. After six (6) months from the date of the interlocutory decree, the petitioners may apply to the court for a final decree of adoption. The court shall thereupon set a time and place for final hearing. Notice of the time

and date of the hearing shall be served on the state department of public welfare, and the investigator, if any. The investigator, if any, shall file with the court a written report of his findings and recommendations and certify that the described investigation, if any, has been made since the granting of the interlocutory decree. After hearing on said application, at which the petitioners and the child shall appear, unless the presence of the child is waived by the court, the court may enter a final decree of adoption if satisfied that the adoption is for the best interests of the child. If the adoption is denied, an appropriate order shall be made as to the future custody of said child.

CHAPTER 15—PHARMACY—REGULATION OF SALE OF DRUGS AND MEDICINES

Section 66-1527. Disposition of fees and fines.

66-1508. Store license—certified pharmacy license, etc.

Sale of Unlabeled Drugs

A pharmacy license may be suspended for a single sale of unlabeled drugs in

violation of section 66-1523. *Western Drug of Great Falls v. Gosman*, — M —, 374 P 2d 507, 510.

66-1509. Judicial review of acts of board.

Jurisdiction

On review of an order of suspension of pharmacy license by the state board of pharmacy the district court has jurisdiction to annul the action of the board if the

record before the court indicates that the board acted capriciously or arbitrarily, or without jurisdiction or authority. *Western Drug of Great Falls v. Gosman*, — M —, 374 P 2d 507, 510.

Remand of Cause

On appeal to the district court by drug-gist from an order of suspension of pharmacy license by the state board of pharmacy, evidence of harshness and excessiveness of penalty was sufficient to require court to remand the cause to the board with instruction to place such evidence in the record for further consideration as it deemed proper. *Western Drug of Great Falls v. Gosman*, — M —, 374 P 2d 507, 510.

Scope of Review

Additional testimony may not be received by the district court in reviewing an order of the board of pharmacy. *Western Drug of Great Falls v. Gosman*, — M —, 374 P 2d 507, 510.

The word "review" as used in this section means a judicial re-examination as of the proceedings of a lower court by a higher court. *Western Drug of Great Falls v. Gosman*, — M —, 374 P 2d 507, 510.

66-1523. Wrongful labeling.**Suspension of License**

A single sale of unlabeled drugs in violation of this section is ground for suspension of pharmacy license under sec-

tion 66-1508. *Western Drug of Great Falls v. Gosman*, — M —, 374 P 2d 507, 510.

66-1527. (3202.12) Disposition of fees and fines. All fines paid under the provisions of this act and all fees collected by or under the authority of the state board of pharmacy of the state of Montana for registration and licenses issued under this act shall be transmitted to the state board of pharmacy and by it deposited in the state treasury to the credit of the earmarked revenue fund for the use of the state board of pharmacy.

History: En. Sec. 6, Ch. 104, L. 1931; amd. Sec. 16, Ch. 175, L. 1939; amd. Sec. 134, Ch. 147, L. 1963.

from applicants" at the end of the second sentence in the second paragraph; and deleted a final sentence reading, "In no event shall any expenses arising from the administration of this act become a charge against the funds of the university or the state of Montana."
